Sex and the Single Girl - Dr. Juli Slattery
2017-08-01

A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. Sex and the Single Girl fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our

sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books, including 25 Questions You're Afraid to Ask About Love, Sex, and Intimacy. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: Why Sexuality Matters: The connection between spirituality and sexuality Embracing a Grand Design: God's design and the beauty of living according to His wisdom. Sexuality and Your Character: How sexuality is part of worship and Christian identity. Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to

go in a dating relationship. *Battling Temptation: A peak at “the enemy’s playbook,”* helping women anticipate, prepare for, and stand against sexual temptation. *Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption.* This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. *Sex and the Single Girl* is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bi-sexuality, and the acceptability of multiple sexual partners. The average single

Christian has received very little teaching on the purpose of sexuality, and a simple “just wait until you’re married” approach won’t cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

be chaste. Does anyone really expect a single woman to be a virgin anymore? The truth is that God created humans as sexual beings. And He values the woman who has never "had a life", the one who vows to maintain secondary virginity or the one who is a victim of sexual abuse. The struggle to be sexually pure is a spiritual one. Blessings come from obedience to God's words, God's laws.

FORNICATION: CONSENSUAL SEXUAL INTERCOURSE BETWEEN TWO PERSONS NOT MARRIED TO EACH OTHER What does God say about fornication? To avoid fornication, let every man have his own wife, and let every woman have her own husband. (I Corinthians 7:2 kjv) In her book, Pastor Alexis Soberanis explores the dangerous and devastating effects of fornication.

She reveals that when God instructed the human race to avoid fornication at all costs, He provided a beautiful alternative: the covenant of marriage. "Marriage is honorable, and the bed is undefiled, but fornicators and adulterers God will judge" (Hebrews 13:4 nkjv). Pastor Soberanis demonstrates how the act of fornication will continue to affect generations unless the cycle of pre-marital sex is broken by the power and blood of Jesus Christ. Fornication is a forgivable sin, but it has disturbing consequences, including incurable sexual diseases; mass murder (by abortions); unplanned and unwanted children, resulting in hundreds of thousands of them having to be placed in the foster care system (many of these foster homes are incompatible and abusive); and most recently, many newborns being disposed of in garbage dumpsters by unwed teenage girls not emotionally and psychologically prepared for motherhood. Pastor Soberanis' desire is that every single who reads this book will make the

decision to accept God's alternative to pre-marital sex, which is to wait for their Godordained spouse, leading into the confines of marriage, and in the process, canceling the generational iniquity of fornication and fatherlessness and starting a new blessing of sexual abstinence until marriage, resulting in strong and lasting family units. Pastor Alexis Soberanis and her husband Pastor Harrison Soberanis are the Founders and Senior Pastors of Prophetic Word Global Fellowship Inc., in Tampa, Florida. They are also the Founders and Administrators of People Helping People, Inc., a non-profit agency through which they have been serving the disadvantaged in Los Angeles, CA, and Tampa, Florida, since 1990. Pastor Alexis Soberanis currently resides in Tampa, Florida, with her husband Pastor Harrison Soberanis, and their son Christopher.

Sex and the Single Savior - Dale B. Martin
2006-01-01

Probing into numerous questions about gender and sexuality, Dale Martin delves into the biblical texts anew and unearths surprising findings. Avoiding preconceptions about ancient sexuality, he explores the ethics of desire and marriage and pays careful attention to the original meanings of words, especially those used as evidence of Paul's opposition to homosexuality. For example, after a remarkably faithful reading of the scriptural texts, Martin concludes that our contemporary obsession with marriage--and the whole search for the "right" sexual relationships--is antithetical to the message of the gospel. In all of these essays, however, Martin argues for engaging Scripture

in a way that goes beyond the standard historical-critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ.

God Shall Supply All Your Need, Even Sex! - Maxine Davis 2011-11-30

IT'S HAPPENING AGAIN! She's alone in her bed, heart-pounding with desire and no man to receive her passion. After all, she is a single Christian woman and she can't have sex - or can she? Philippians 4: 19 tells us "But my God shall supply all your need according to his riches in glory by Christ Jesus." (KJV) Does this include sex? Is sex a "need" that God can fill in a tangible way? When you read the pages of this book, you will discover a simple yet long-overlooked biblical solution that, while unconventional, is both practical and applicable for the common problem of sex and the single Christian woman.

Good Christian Sex - Bromleigh McCleneghan
2016-07-05

Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that there is only one right and valid way to practice one's sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to

reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.
