Sex Ed - Ruby Rare 2022-01-06

Written by sex educator and body-positivity advocate Ruby Rare, *Sex Ed* is the practical and fun guide to sex that you've always wanted – but never known how to ask for. This is the information you should have been taught at school: a no-holds-barred roadmap that covers everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff – solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. After all, sex education shouldn't start and end with putting a condom on a banana.

Man Enough - Justin Baldoni 2021-04-27

A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave

enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human.

Sober Curious - Ruby Warrington 2018-12-31

Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of

a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, *Sober Curious* is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, *Sober Curious* is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, *Sober Curious* is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives. *The Hormone Diaries* - Hannah Witton 2019-06-13

'An utter ray of sunshine' Red | 'Hilarious, heart warming' 5* reader review Ever been a small town girl trying to make a life in the big city? Meet twenty-something Aisling - that's pronounced Ashling - she can barely boil an egg

let alone figure out what night bus to catch home. But she's got a job in the big city, a flat and a boyfriend. She has an umbrella for rainy days, an electric blanket for cold nights and keeps her kitten heels firmly on the ground. Until the day she accidentally ditches her only slightly useless boyfriend John. And finds herself in a spot of bother at work. Is it time to pack up and go back to the sticks? Or can Aisling fix the mess she's made? What's a Complete Aisling to do? 'Brilliant. Evolution - Eileen Myles 2018-10-04

Finalist for the Lambda Literary Award, 2019
New Statesman's best books of the year, 2018
This new book of poems and essays by Eileen Myles finds our game-changing writer keying lines in the euphoric style that the New York Times has called 'one of the essential voices in American poetry.' Following the critically claimed *Afterglow* (a dog memoir) and *I Must Be Living Twice*, their career-spanning selected

poems, *Evolution* is Myles' first all-new poetry collection since 2011's *Snowflake/different streets*. These new poems upend genre in a vernacular that enacts, like nothing else, the way we speak (inside and out today). From walking around Marfa and New York City with an orange pit bull to Eileen's transcendent acceptance speech as President, *Evolution* lifts a can of Diet Coke as an End-of-the-World toast to embodiment, irreverence and risk.

Doing It - Hannah Witton 2017-04-06

Book of the Year at the Summer in the City Awards 2017
Sexting. Virginity. Consent. The Big O ... Let's face it, doing it can be tricky. I don't know anyone (including myself) who has sex all figured out. So I've written a book full of honest, hilarious (and sometimes awkward) anecdotes, confessions and revelations. And because none of us have all the answers, I've invited some friends and fellow YouTubers to talk about their sexuality, too. My book is for everyone, no matter what gender you identify as

or who you fancy. We talk about doing it safely. Doing it joyfully. Doing it when you're ready. Not doing it. Basically, doing it the way you want, when you want. So. Let's do this ... ----- Doing It candidly and openly explores topics like masturbation, slut-shaming, pornography and consent, as well as how to maintain healthy relationships in a digital age.

This anthology, the first of its kind, brings together over 120 poems by 50 Instagram poets, both popular names and up-and-coming talent. Short, relatable and hard-hitting, the poems embrace contemporary themes of mental health, women's empowerment, racial prejudice, gender diversity and political turmoil, as well as the perennial

My Body - Emily Ratajkowski 2021-11-09
THE NEW YORK TIMES BESTSELLER A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time. _____ 'This is the book for every woman trying to place their body on the map of consumption vs control, and every woman who wants to better understand her impulses. It left me much changed' - Lena Dunham 'I read these pages, breathless with recognition, and the thrill of reading a new voice telling it like it is' - Dani Shapiro 'Emily Ratajkowski's first essay collection needs to be read by everyone [...] both page-turning and moving as hell' - Amy Schumer 'A slow, complicated indictment of a profession and the people who propel it [...] it will deliver a more

nuanced and introspective rendering of her interior than those who come to it with those surface interests might expect' - Vogue 'Dazzling' - Observer 'Ratajkowski brings nuanced insight to questions about empowerment versus commodification of women's bodies and sexuality. Blending cultural criticism and personal stories, My Body is smart and powerful' - Time Magazine 'Raw, nuanced and beautifully written. A moving and enlightening experience to join a woman openly exploring such deep parts of her physical self via the written word. A truly impressive debut' - Emma Gannon 'Excellent [...] Ratajkowski writes with curiosity, intellect and acute awareness' - Harper's Bazaar 'Superb [...] it feels revolutionary' - Telegraph 'I admire and envy her artistry' - Guardian _____ Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to

world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the grey area between consent and abuse. Nuanced, unflinching, and incisive, My Body marks the debut of a fierce writer brimming with courage and intelligence.

THE SUNDAY TIMES BESTSELLER & MAJOR BBC ONE TV SERIES 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day Award-winning journalist Dolly Alderton survived her twenties (just about) and in Everything I Know About Love, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully

booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and

research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced

As seen on Good Morning America and The Late Show with Stephen Colbert “One of the smartest, sharpest, and funniest books I’ve read in years... Some books are meant to be devoured—this one does the devouring.”—Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* One of Summer 2021's Most Anticipated Novels Good Morning America, Cosmopolitan, Good Housekeeping, Real Simple, theSkimm, E! Online, Oprah Daily, The New York Post, Woman's Day, Parade, Bustle, Yahoo!, The Stripe, Popsugar, Medium, Lithub, Book Riot, The Nerd Daily, and more! It's a club like no other. Only the most important women receive an invitation. But one daring young reporter is about to infiltrate this female-

run secret society, whose bewitching members are caught up in a dark and treacherous business. From the author of *Happy and You Know It*. For years, rumors have swirled about an exclusive, women-only social club where the elite tastemakers of NYC meet. People in the know whisper all sorts of claims: Membership dues cost \$1,000 a month. Last time Rihanna was in town, she stopped by and got her aura read. The women even handpicked the city's first female mayor. But no one knows for sure. That is, until journalist Jillian Beckley decides she's going to break into the club. With her career in freefall, Jillian needs a juicy scoop, and she has a personal interest in bringing these women down. But the deeper she gets into this new world—where billionaire "girlbosses" mingle with occult-obsessed Bohemians—the more Jillian learns that bad things happen to those who dare to question the club's motives or giggle at its outlandish rituals. The select group of women who populate the club may be far

Mother, Can You Not? - Kate Friedman
2016-03-22

'Happy birthday, spawn. Welcome to the wrong side of twenty-five. The expiration date on your eggs is officially in sight. Tick tock. Love, Mom.' This was the text message Kate Siegel woke up to on the morning of her twenty-sixth birthday, but her mother's maternal adoration and helicopter parenting began while Kate was still in utero. Never shy about pushing her only daughter to study harder, to dump her loser boyfriends, to move to 'less rapey' neighbourhoods, Kate's mum has given some truly hilarious but often sage advice over the years. It wasn't until Kate began sharing her mother's messages online that she realized quite how many people would find her mother as hysterical as she does. Over 700,000 people follow @CrazyJewishMom on Instagram, and this side-splittingly funny mother-daughter duo has

been featured in global media around the world. From taking Kate to buy her first bra at a speciality drag-queen shop, to stalking a Princeton admissions officer across state lines, to posing as her daughter on multiple dating sites, *Mother, Can You Not?* is Kate's brilliantly funny and affectionate story of life with her fabulous, eccentric mother.

moms, only to find herself pulled into their glamorous lives and dangerous secrets.... After her former band shot to superstardom without her, Claire reluctantly agrees to a gig as a playgroup musician for wealthy infants on New York's Park Avenue. Claire is surprised to discover that she is smitten with her new employers, a welcoming clique of wellness addicts with impossibly shiny hair, who whirl from juice cleanse to overpriced miracle vitamins to spin class with limitless energy. There is perfect hostess Whitney who is on the brink of social-media stardom and just needs to find a way to keep her flawless life from falling apart. Caustically funny, recent stay-at-home mom Amara who is struggling to embrace her

new identity. And old money, veteran mom Gwen who never misses an opportunity to dole out parenting advice. But as Claire grows closer to the stylish women who pay her bills, she uncovers secrets and betrayals that no amount of activated charcoal can fix. Filled with humor and shocking twists, *Happy and You Know It* is a brilliant take on motherhood - exposing it as yet another way for society to pass judgment on women - while also exploring the baffling magnetism of curated social-media lives that are designed to make us feel unworthy. But, ultimately, this dazzling novel celebrates the unlikely bonds that form, and the power that can be unlocked, when a group of very different women is thrown together when each is at her most vulnerable.
