Have surgery? Plant crops? Can food? Have you ever wondered why a restaurant opened and folded, even though the food was tasty, the decor charming, and the service good? Because it was opened, astrologically, at the wrong time. "Everything in life is in the timing" is a well-known adage that has been expressed over and over by millions of people. Insight On Astrology III Lamar J. Young 2020-09-18 Who are you? Who are they? Who are we? Why did this happen? And where do we go from here? These are the kinds of questions commonly asked as we try to find meaning—meaning in our purpose and meaning in our existence. Our species is engaged in a continual evolutionary process that causes us to question not only other humans and the things happening around us but also ourselves. Examining intent and motivation is a key component in the process of unraveling the mysteries associated with our existence in the here and now. The Insight on Astrology series is a tool we can utilize in getting answers and understanding context. Rooted in the tenets of metaphysics, this book, along with Young's two prior books, What's the Deal with My Sign and What's the Deal with Your Sign, is a part of a library of resources that may make you, as well as others, appreciate astrology, where seeking a deeper meaning beyond the generic and arbitrary is the ultimate goal. Given some of the rather profound challenges our species faces as we move further into the twenty-first century, your letting the Insight on Astrology III: Your Access and Guide to Context book be a part of your reading selection is indeed a wise choice. Though varied in our perception and behavior, we're nonetheless intractably interconnected, and Insight on Astrology III: Your Access and Guide to Context may be that beacon in mending it altogether, where it all simply makes sense. Enjoy, and may your reading be fulfilling!

Astrological Almanac for 2014 Lynne Palmer 2013-11-15 The Astrological Almanac is complete with tips on each of the zodiac signs; this book allows you to time your activities to your best advantage. No need to search for information, this book lists everything from A (Acquisitions) to Y (Yoga) that lets you know when to plan anything, such as a hair cut, beauty treatment, major surgery, or traveling. state, country, healthful herb teas for the zone of the body ruled by your sign, cell salts, books, music, fashion ruled by your sign, the kinds of flowers, gifts and perfumes for each sign, and compatibility (or how you get along sexually with everyone--all zodiac signs), the best days for sex, and your forecast for the year.
