

# Sex And Love In The Home A Theology Of The Household

**Sharing God's Good Company** - David Matzko  
McCarthy 2012-06-19

Explores the role and significance of the saints in Christians' lives today. While examining the lives of specific saints like Martin de Porres, Therese de Lisieux, and Mother Teresa, McCarthy especially focuses on such topics as the veneration of martyrs, realism and hagiography, science and miracles, images and pilgrimage, and why the saints continue to captivate Christians and inspire devotion.

[Sex, Love, and Families](#) - Jason King 2020-04-15  
2021 Association of Catholic Publishers first  
place award in theology 2021 Catholic Media

Association Award first place award in marriage and family living Six years into the papacy of Pope Francis, Catholics are still figuring out how to respond to his image of the church as a field hospital—a church that goes into the streets rather than remaining locked up behind closed doors. Marriage and family are primary sites of the field hospital, called to meet people's need for healing and accompaniment with compassion and love. The authors of this collection—all lay, a mix of single and married, traditional and progressive Catholics—take up this work. They offer practical wisdom from and critical engagement with the Catholic tradition but

avoid rehashing decades-old theological debates. Instead, their essays engage with and respond to realities shaping contemporary family life, like religious pluralism, technology, migration, racism, sex and gender, incarceration, consumerism, and the call to holiness. The result is a collection that envisions ways that families can be places of healing and love in and for the world. List of contributors: Jennifer Beste Megan K. McCabe Elizabeth Antus Kathryn Lilla Cox Kent Lasnoski Hoon Choi Cristina L. H. Traina Craig A. Ford Jr. Bridget Burke Ravizza Julie Donovan Massey Emily Reimer-Barry Richard Gaillardetz Timothy O'Malley Sandra Sullivan-Dunbar Kathryn Getek-Solis Kari-Shane Davis Zimmerman Jana Marguerite Bennett Victor Carmona Gemma Tulud Cruz Daniel Olsen Thomas Beaudoin Christine Firer Hinze David Cloutier Marcus Mescher Sue Muldoon Timothy Muldoon Mary M. Doyle-Roche Jason King Julie Rubio

**Singleness and the Church** - Jana Marguerite

Bennett 2017

Singleness is a much overlooked treasure in Christian tradition. In these pages, Christians (single and married alike) can rediscover the richness of singleness in its great variety. This book offers thought-provoking cultural and theological analysis, along with voices of single Christian people down through the centuries. **The Good Life** - David M. McCarthy 2006-12-01 McCarthy is a masterful writer with an astute eye for the encapsulating anecdotes of our everyday lives. Digging in the garden of consumerist America, his spade roots out many economic and romantic assumptions, revealing the shallow but tenacious grip that many of those 'weeds' have on our lives. McCarthy invites us to cultivate a garden bearing real fruit, a fruit we often do not even realize we want, but when tasted, draws us on. --John Berkman, The Catholic University of America With style, warmth, and humor, David Matzko McCarthy challenges us to bring the gospel into

2023-08-20 by guest*

our homes. His stories of spouse, children, neighbors, and friends help us remember that Christians can rise above personal foibles and social pressures to enjoy surprising generosity, love, and grace. --Lisa Cahill, Boston College

How can we resist the empire's demand for our allegiance? This remains a fundamental question for Christian discipleship, and in 'The Good Life', McCarthy poses it afresh. But now the empire is not Rome but the market, and the arena of challenge is not the coliseum but Wal-Mart. He offers challenging wisdom to those of us in minivans who are trying to discern what God's disruptive grace means for our friendships, our neighborhoods, and our consumer habits. -- James K. A. Smith, Calvin College

A splendid theological analysis of everyday life for people who live ordinary, middle-class realities. McCarthy illumines everyday life with beautiful interpretations of scripture and the creed. He is clearly the best theologian today writing on the vocation of parenting and neighborly existence. -

-D. Stephen Long, Garrett-Evangelical Theological Seminary

Don't let the charm of his style or his mastery or the telling detail mislead you. McCarthy's 'The Good Life' is both a sustained critique of the consumerism that enslaves and a profound account of how God's graciousness can set us free. This is theology at its best. A 'how to' book about something that matters. --Elizabeth Newman, Baptist Theological Seminary at Richmond

A wonderful book. Rooted in Scripture, informed by the Christian tradition, perceptive in its analysis of contemporary American culture, 'The Good Life' is full of practical wisdom for middle-class Christians seeking to live more faithfully in their relationships to people, places, and things. Take up and read! --Steve Bouma-Prediger, Hope College

'The Good Life' provides middle-class Christians a rich resource for theological reflections. McCarthy writes like a pastor and has a gift for making resistance to mainstream American culture seem both necessary and

*Downloaded from

2023-08-20 by guest*

possible. --Julie Hanlon Rubio, author of A Christian Theology of Marriage and Family Heavenly Bodies - Sigurdson 2016  
Does Christianity scorn our bodies? Friedrich Nietzsche thought so - and many others since him have thought the same. But, says Ola Sigurdson, Christianity understood properly in fact affirms human embodiment. Presenting his constructive contributions to theology in relation to both historical and contemporary conceptions of the body, Sigurdson

**Sex and Love in the Home, Second Edition** - David M. McCarthy 2011-01-01

This book inaugurates a completely new way of thinking about the ethics of marriage and sex. I know of no book on the subject more promising than what McCarthy has achieved here. Stanley Hauerwas, Gilbert T. Rowe Professor of Theological Ethics, Duke University Much has been written in Christian theology about sex, love, and procreation, but their social meanings and contributions are much more rarely

addressed. McCarthy now takes this greatly neglected task, eloquently connecting the Christian household to the common good. All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life. Lisa Sowle Cahill, J. Donald Monan Professor of Theology, Boston College Drawing on his own experience of learning how to be a husband and father, David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household--a neighborly space which resists consumerism--and enables sexual relationships to be ordinary, meaningful, and passionate. If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values, then this is the book for you. Gerard Loughlin, Senior Lecturer in Religious Studies, University of Newcastle upon Tyne Leaving and Coming Home - David M. Cloutier 2010-06-04

SINCE 2002, THE SYMPOSIUM NEW WINE, NEW WINESKINS HAS OFFERED AN OPPORTUNITY for young Catholic moral theologians to engage in shared work and conversation. Here, the fruits of these labors are gathered into one collection, which represents the wide scope of the future of Catholic sexual ethics. This volume offers the first collection of a new generation's approaches to Catholic sexual ethics. The collection displays young scholars with diverse views, yet whose work moves beyond the impasses that have beset the field. The volume offers original and engaging essays on a variety of topics, from the hook-up culture and dating violence, to cohabitation and homosexuality, to contraception and natural family planning, to the promises and pitfalls of "the theology of the body." The authors display a fresh engagement with these issues in conversation with the Christian tradition and with contemporary culture. David Cloutier provides an introduction that locates this work

within the past decades of Catholic scholarship, and articulates new categories for future work. The essays also offer practical insights and models that will interest pastors and lay ministers, as well as scholars.

*The Oxford Handbook of Theological Ethics* - Gilbert Meilaender 2007-08-09

Annotation What are the practical and theoretical issues that concern and shape theological ethics? This handbook offers a guide to the discipline. Written by an international group of 30 scholars, the book is aimed at all students and academics who want to explore more fully essential topics in Christian ethics.

**Historical Dictionary of Catholicism** - William J. Collinge 2021-08-15

Historical Dictionary of Catholicism, Third Edition contains a chronology, an introduction, a bibliography, the dictionary has more than 500 cross-referenced entries on themes such as baptism, contraception, labor, church architecture, the sexual abuse crisis, doctrine

2023-08-20 by guest

and theology, spirituality and worship, and church structure.

*Naming Our Sins* - Jana Bennett 2019

*Love, Reason, and God's Story* - David Cloutier 2008

"The author of this book provides readers with a basic understanding of the history of Catholic teaching on sexual ethics, particularly as it has evolved in the last half century."--

**Sex and Love in the Home** - David Matzko McCarthy 2004

In this groundbreaking book, David Matzko McCarthy challenges those accounts of marriage that treat the interpersonal aspects of marriage apart from economic and political questions, and proposes that marriage and family flourish when part of an interdependent network of households in community. Publishing due to market demand, this new edition brings with it a discussion of same sex union as well as other new material including single parent families and co-

habitation. The book remains a key practical tool for teaching as part of a college course, in discussion groups, and among theologians interested in matters of marriage and family.

*The Heart of Catholic Social Teaching* - David Matzko McCarthy 2009-03

Seasoned teachers introduce the Catholic social tradition with distinctive attention to the Bible, liturgy, and the thought of Augustine and Aquinas.

**Leaving and Coming Home** - David M. Cloutier 2010-06-04

SINCE 2002, THE SYMPOSIUM NEW WINE, NEW WINESKINS HAS OFFERED AN OPPORTUNITY for young Catholic moral theologians to engage in shared work and conversation. Here, the fruits of these labors are gathered into one collection, which represents the wide scope of the future of Catholic sexual ethics. David Cloutier provides an introduction that locates this work within the past decades of Catholic scholarship, and articulates new categories for future work. The essays also offer practical insights and models that will interest pastors and lay ministers, as well as scholars. Contributors include: Fr. Nicanor Pier Giorgio Austriaco, O.P., Ph.D., S.T.L., is an assistant professor of biology and an instructor of theology at Providence College in Providence, Rhode Island. In theology, Fr. Austriaco teaches courses and has

research interests in bioethics, sexual ethics, and fundamental moral theology. Jana Marguerite Bennett is assistant professor of religious studies at the University of Dayton, where she teaches courses in sexual ethics and Catholic moral theology. She has written more about singleness and the relationship between singleness and marriage in her book *Water is Thicker than Blood: An Augustinian Theology of Marriage and Singleness* (Oxford UP, 2008). Florence Caffrey Bourg is the author of *Where Two or Three Are Gathered: Christian Families as Domestic Churches* (University of Notre Dame Press), as well as many articles and reviews on theology of marriage and family. Dr. Bourg taught at the College of Mount St. Joseph in Cincinnati before returning home to New Orleans. She now teaches at the Academy of the Sacred Heart, and has been a visiting professor at Loyola University and Springhill College. David Cloutier is assistant professor of theology at Mount St. Mary's University in Emmitsburg,

the author of *A Christian Theology of Marriage and Family* (Paulist Press, 2003) and *Family Ethics: Practices for Christians* (Georgetown University Press, 2010), and co-editor of *Readings in Moral Theology No. 15: Marriage* (Paulist Press, 2009). She lives in St. Louis with her husband and three sons. Michel Therrien is a professor of Fundamental Moral Theology and the Academic Dean at St. Vincent Seminary. He holds a Licentiate in Sacred Theology from the International Theological Institute for Studies on Marriage and the Family in Trarau, Austria, and a Doctorate in Fundamental Moral Theology from the University of Fribourg in Switzerland. Kari-Shane Davis Zimmerman teaches at the College of Saint Benedict/Saint John's University in Minnesota. She specializes in courses that deal with the intersection of family and church life, as well as issues pertaining to sex and work. She received her Ph.D. in theological ethics from Marquette University in 2007.

*Queer Theology* - Gerard Loughlin 2009-02-04

Queer Theology makes an important contribution to public debate about Christianity and sex. A remarkable collection of specially commissioned essays by some of the brightest and best of Anglo-American scholars Edited by one of the leading theologians working at the interface between religion and contemporary culture Reconceptualizes the body and its desires Enlarges the meaningfulness of Christian sexuality for the good of the Church Proposes that bodies are the mobile products of changing discourses and regimes of power.

*Marriage* - Charles E. Curran 2009

A collection of the best contemporary essays on the theology and ethics of marriage.

**Sex Difference in Christian Theology** -

Megan K. DeFranza 2015-05-08

Charts a faithful theological middle coursethrough complex sexual issuesHow different are men and women? When does it matter to us -- or to God? Are male and female the only two options? In *SexDifference* in

Christian Theology Megan DeFranza explores such questions in light of the Bible, theology, and science. Many Christians, entrenched

**Water Is Thicker Than Blood** - Jana Marguerite Bennett 2008-03-04

Much theology overemphasizes marriage to the detriment of ecclesiology. Using Augustine as conversation partner, this book considers the relationship of the Church to marriage and singleness. This examination of salvation history and worship illuminates a different vision of households, governed more by the waters of baptism than familial ties.

**Not Just Private** - Craig Bakker 2023-03-07

Both within the church and outside of it, popular discourse around sex is often shallow and individualistic. This is especially true on the topic of sex outside of marriage. Not Just Private explains how our sexual practices can and should stem from our deeply held, uniquely Christian convictions—convictions that mean we cannot talk about sex apart from Christian

community or Christian character. Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches. With these foundations in view, we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities. This is a book for Christians who want to be chaste but are not sure why they should be. This is also a book for non-Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion: namely, chastity. In the end, Not Just Private shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian.

[The Hermeneutical Spirit](#) - Amos Yong  
2017-11-06

In the contemporary biblical studies climate,

proposals regarding the theological interpretation of Scripture are contested, particularly but not only because they privilege, encourage, and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood. Within this context, confessional approaches have been emerging, including some from within the nascent pentecostal theological tradition. This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post-Pentecost,

meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God. In that respect, such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time. The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty-first-century global context.
