You Know, Sex - Cory Silverberg 2022-04-12

A completely new approach to learning about puberty, sex, and gender for kids 10+. Here is the much-anticipated third book in the trilogy that started with the award-winning *What Makes a Baby* and *Sex Is a Funny Word* in a bright graphic format featuring four dynamic middle schoolers, *You Know, Sex* grounds sex education in social justice, covering not only the big three of puberty—hormones, reproduction, and development—but also power, pleasure, and how to be a decent human being. Centering young people's experiences of pressures and joy, risk and reward, and confusion and discovery, there are chapters on body autonomy, disclosure, stigma, harassment, pornography, trauma, masturbation, consent, boundaries and safety in our media-saturated world, puberty and reproduction that includes trans, non-binary, and intersex bodies and experience, and more. Racially and ethnically diverse, inclusive of cross-disability experience, this is a book for every kind of young person and every kind of family. *You Know, Sex* is the first thoroughly modern sex ed book for every body navigating puberty and adolescence, essential for kids, everyone who knows a kid, and anyone who has ever been a kid.

Sex Positions - Scarlett Kinsey 2020-01-29

You Are 1-Click Away From Adding Passion, Energy, Desire, Excitement And Satisfaction To Your Sex Life To Get You And Your Sex Partner(S) To Bask In The Glory Of Passionate, Multiple Orgasm-Filled Sexual Encounters That Keep You Smiling At The Thought Of Them! Sex is not just sex. Great sex is what we all strive for even if we've never had an amazing sexual experience before; the body knows when it has just 'never gotten there'. And if it gets there, you know! You know you've had great sex when you've had it; you and your partner feel fresh, energized, sleepy, happy, euphoric, like you want to laugh/smile, ecstatic, flushed, shy and more; all combined in one! There is nothing like it! So how do you maximize pleasure that you and your partner(s) get from every sexual encounter? How do you turn yourself and your partner on instantly so that you can 'go' anywhere anytime? What do you need to start doing to spice things up and what do you need to stop doing? How do you turn your boring, bland, lazy, orgasm-deprived, passion-lacking, excitement-free and satisfaction lacking sex life to one where both you and your partner(s) have lustful, passionate, energetic, exciting, and orgasm filled sexual encounters? How do you reintroduce passion, lust, fun, excitement, orgasms, experimentation, fulfillment and more into your sex life? How do you overcome all your inhibitions and go all out in every sexual encounter to maximize your satisfaction and that of your partner(s)? How do you ensure you don't get disappointed at any step of the way to maximum sexual pleasure? If you have these and other related questions, keep reading, as this book is for you. It covers the ins and outs

of maximizing your sexual pleasure (for you and your partner(s)) while making it fun, exciting, satisfying, passionate and the kind of thing that you want to do it over and over again! More precisely, the book will teach you: Why introducing variety in your preferred sex positions will catapult your sex life to the next level, including over 30 sex positions that will instantly help you stop repeating the same old positions that have made sex mundane and boring How to add a new twist to your favorite sex positions to make sex more exciting, fun, passionate and involving How and why dirty talk can make you harder or wetter and make sex more exciting, including how to introduce dirty talk to your sex life How to leverage the power of Kama sutra and tantra to propel your sex life to the next level, including the best tantric sex positions that will get you body numbing, toe curling and eye rolling orgasms What has been draining your sex life How your low performance may have to do with low testosterone levels, including how to boost your testosterone levels to increase your libido and stamina How to stop coming too fast, last longer in bed and unleash the randy hose within you to satisfy your partner(s) all the time Exercises that can 10X your sex life And much more! Whether you've had amazing sex before and want to bring back the experience or have never experienced the magic of great sex, this book has something for you. And lucky for you, the book takes an easy to follow, beginner friendly approach to help you, irrespective of your prowess and experience, start applying what you learn right away and start seeing results in your first sexual encounter after reading this book! The Little Black Book of Sex Toys - Theia M. Powers 2011-01-15
 Unlock your body's potential with the Little Black Book of Sex Toys! If seedy, tasteless sex shops come to mind when you think of sex toys, FORGET what you think you know! the sex toy world has drastically changed and chic shops and boutiques around the world now carry beautiful, high-quality accoutrements. This book will gently guide you through more than 50 different toys—from vibrators to massagers, from dildos to insertable g-spot multi-taskers—to help you discover what you (and your partner) may like. Also includes a helpful resources chapter with further reading and shopping guidance. Up to 70 percent of women are reportedly unable to reach orgasm through intercourse alone. Sometimes you need a little help from your friends! and with all the stress in life, why not add a bit more playfulness to the mix? MATURE CONTENT.

The Ultimate Guide to Sex and Disability - Cory Silverberg 2016-09-06

The Ultimate Guide to Sex and Disability is the first complete sex guide for people who live with disabilities, pain, illness, or chronic conditions. Useful for absolutely everyone, regardless of age, gender, or sexual

orientation, the book addresses a wide range of disabilities — from chronic fatigue, back pain, and asthma to spinal cord injury, hearing and visual impairment, multiple sclerosis, and more. Expertly written by a medical doctor, a sex educator, and a disability activist, *The Ultimate Guide* provides readers with encouragement, support, and all the information they need to create a sex life that works for them. The authors cover all aspects of sex and disability, including building a positive sexual self-image; positions to minimize stress and maximize pleasure; dealing with fatigue or pain during sex; finding partners and talking with partners about sex and disability; adapting sex toys; and more.

Sexuality - Meg-John Barker 2021-02-05

'Sexuality delivers the goods, making the history and theory of sexuality downright sexy ... I learned more in one session with this book than I've figured out in a lifetime.' Christine Burns MBE, author of *Trans Britain They're Back!* Writer Meg-John Barker and artist Jules Scheele once again team up in this cheeky and informative comic-book follow-up to *Queer and Gender*. Sex is everywhere. It's in the stories we love - and the stories we fear. It defines who we are and our place in society ... at least we're told it ought to. Sex and sexuality can seem like a house of horrors, full of monsters and potential pitfalls. We often live with fear, shame and frustration when it comes to our own sexuality, and with judgement when it comes to others'. Sex advice manuals, debates over sex work and stories of sexual "dysfunction" only add to our anxiety. With compassion, humour, erudition and a touch of the erotic, Meg-John Barker and Jules Scheele shine a light through the darkness and unmask the monsters. 'The art introduces a set of reoccurring characters, tongue-in-cheek references to the Scooby-Doo gang, who journey through a haunted house confronting and unmasking the villains: patriarchy, white supremacy, ableism, and capitalism personified ... The sum: accessible, compassionate reading for readers wanting to think more deeply about sex, society, and how they intersect.' Publishers Weekly

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Techniques of Pleasure - Margot Weiss 2011-12-20

In this lively ethnography, Weiss studies the pansexual BDSM community in the San Francisco Bay Area. Weiss finds that BDSM practice is not as transgressive as the participants imagine, nor is it simply reinforcing of older forms of social domination. Instead she shows how fantasy play depends on pre-existing social hierarchies, even as it also participates in a commodification of desires.

The End of Sex - Donna Freitas 2013-04-02

Hookup culture dominates the lives of college students today. Most students spend hours agonizing over their hopes for Friday night and, later, dissecting the evenings' successes or failures, often wishing that the social contract of the hookup would allow them to ask for more out of sexual intimacy. The pressure to participate comes from all directions -- from peers, the media, and even parents. But how do these expectations affect students themselves? And why aren't parents and universities helping students make better-informed decisions about sex and relationships? In *The End of Sex*, Donna Freitas draws on her own extensive research to reveal what young men and women really want when it comes to sex and romance. Surveying thousands of college students and conducting extensive one-on-one interviews at religious, secular public, and secular private schools, Freitas discovered that many students -- men and women alike -- are deeply unhappy with hookup culture. Meaningless hookups have led them to associate sexuality with ambivalence, boredom, isolation, and loneliness, yet they tend to accept hooking up as an unavoidable part of college life. Freitas argues that, until students realize that there are many avenues that lead to sex and long-term relationships, the vast majority will continue to miss out on the romance, intimacy, and satisfying sex they deserve. An honest, sympathetic portrait of the challenges of young adulthood, *The End of Sex* will strike a chord with undergraduates, parents, and faculty members who feel that students deserve more than an endless cycle of boozy one night stands. Freitas offers a refreshing take on this charged topic -- and a solution that depends not on premarital abstinence or unfettered sexuality, but rather a healthy path between the two.
