

# Sexuality In Mid Life

## Age, Gender and Sexuality Through the Life Course - Susan Pickard 2020-01-14

Age, Gender and Sexuality through the Life Course argues that the gendered structure of temporality (defined in the dual sense of everyday time as well as age and stage of life) is a key factor underpinning the stalling of the gender revolution. Taking as its central focus the idealised young woman who serves as the mascot of contemporary success, this book demonstrates how the celebration of the Girl is (i) representative of social mobility, educational and professional achievement; (ii) possesses diligence, docility and emotional intelligence, and (iii) displays a reassuring sexuality and youthfulness - but is constructed from the outset to have a fleetingly short life span. Pickard undertakes a theoretical and empirical exploration of the contemporary female experience of education, work, motherhood, sexuality, the challenge of having-it-all. Furthermore, through additional analysis of the transitional 'reproductive regime' from youth into mid-life and beyond, this insightful monograph aims to demonstrate how age and time set very clear limits to what is possible and desirable for the female self; yet how the latter factors also, if used reflexively, can provide the key means of resisting and challenging patriarchy. This book is aimed at a broad interdisciplinary audience located in gender studies, age studies, culture studies, sociology and psychology; accessible for advanced undergraduates and beyond.

## **Sexuality in Midlife and Beyond** - 2015-07-01

## **Inviting Desire, a Guide for Women Who Want to Enhance Their Sex Life** - Walker J. Thornton 2016

Inviting Desire, A Guide for Women Who Want to Enhance Their Sex Life, is your guide to creating a sexier, more alive, and in touch you--at midlife and beyond. It features matter-of-fact, open conversations about sex and sexuality that reflect the reality of midlife women. Using a 30-

day format, each day focuses on a topic, using writings, images, and exercises to help women experience pleasure. You'll explore self-care, sexual health, learning to ask for what you want, and more. Inviting Desire teaches you to enhance awareness of your body and embrace your sexuality. Walker Thornton has crafted a book to give you tools for a more sexually satisfying life.

## **Sexuality in Mid-Life** - Stephen B. Levine 1998-02-28

I wrote Sexuality in Mid-Life to assist clinicians in considering love, sex, intimacy, and dysfunction as they occur in this epoch of the life cycle. The chapters reflect my belief that understanding the processes of living is vital for both the therapist and the patient. Despite my preoccupation with creating a cohesive book, I often thought of these 11 chapters as essays because in this prose form it is traditional for the author to be palpably present in the text. I tried not to hide behind the passive constructions ofttypical psychiatric books. I wanted to create a book that did not restrict itself to scientific findings, clinical experiences, or ideological traditions. I wanted to discuss relevant issues that were generally avoided by professionals. In approaching the topics of love, extramarital affairs, and menopause, for instance, I hoped to emphasize the developmental potentials inherent in both mid-life's smooth sailing and its underappreciated adversities. Sexuality in Mid-Life is my third solo-authored book. During the writing of the first two, I thought I was painting a picture of the life cycle of sexuality. When a young woman said something complimentary to me about Sex Is Not Simple and quickly added that I had left out any consideration of the sexuality of pregnancy, I was stunned by my oversight.

## *Sexuality in Midlife and Beyond* - Stephanie Slon 2005

## Midlife Sexuality and Women: Getting Better With Age -

Discusses women and midlife sexuality, provided by the Mayo Foundation for Medical Education and Research. Highlights what determines sexuality, menopause and estrogen levels, losing sexual desire, practicing safer sex, and enhancing sexual desire and pleasure.

**The Bitch, the Crone, and the Harlot** - Susan Schachterle 2006

Many women assume that midlife marks the end of their most powerful period, when their sexual intensity, emotional vitality, and persuasiveness was at its peak. Not so, shows author Susan Schachterle in this warm, funny, and gorgeously written book. Using incidents from history, case histories from her counseling work, stories from her life, and examples from her corporate and non-profit consulting career, she shows that midlife in fact represents a time when women's sexuality, wisdom, and power can come into full bloom. Schachterle describes three archetypes that guide women's unfoldment after midlife.

The Bitch is a woman who can make things happen. The Crone is the repository of hard-won wisdom and experience. And the Harlot gives herself time to absorb the beauty around her as well as reveling in her deep store of sexual knowledge. For a generation of women who are healthier, wealthier, and more attuned to their spiritual fulfillment, this book engages the heart and the senses to offer a grand new image of the rich possibilities available to women at midlife.

*A Qualitative Exploration of Late Midlife Women's Understanding of Their Sexuality* - Jennifer Schroeder (L.) 2010

Gaining understanding of midlife women's experiences of their sexuality provides psychologists with a more colorful picture of women's sexual experiences, empowers women, and contributes to clinical practice in sexuality. [Sexuality in Midlife and Beyond \(Harvard Special Health Report\)](#). - 19??

**Managing Midlife** - Harry Nemmers Barbee 2020

This dissertation investigates how gender and sexuality shape people's perceptions of aging in midlife. The study draws on two narratives about aging discussed by aging studies scholars. Decline-the predominant aging narrative-constructs aging as an accumulation of irreversible losses. A second, less prevalent

narrative constructs aging as progress-emphasizing the potential for continual personal growth across middle and later life. These narratives appear to become salient in midlife. Although research reveals that views of aging as decline and progress influence people's perceptions of aging, little is known about how these narratives may manifest differently in the lives of lesbians, gay men, straight women, and straight men. The project examined this issue, using interviews conducted with 41 middle-aged people of different gender and sexual identity backgrounds. Employing an inductive analysis, I analyzed how interviewees experienced and managed aging narratives in everyday life. Findings reveal evidence of the decline and progress narratives, though decline was predominant. All groups perceived aging primarily as a biomedical process of declining health, which generated anxiety they attempted to quell by employing health interventions. Anxiety about decline also registered as concerns about physical appearance, especially for straight women and gay men. Evidence of the progress narrative was also present, though it manifested differently across the gender and sexuality subgroups. Men's progress narratives emphasized their increasing usefulness to older generations. Straight men described their progress as becoming more useful to their children, and gay men spoke about their mentor status among younger LGBT people. Lesbians viewed progress as learning to stick up for themselves, and straight women viewed it as developing self-reliance. Results offer empirical and theoretical contributions to the study of gender, sexuality, and aging, and also have policy implications for helping people better navigate aging. By focusing on how aging narratives unfold in the lives of women and men of different sexuality backgrounds, this project shows how aging anxiety is produced by many intersecting social pressures. Results also suggest that policy makers could alleviate aging anxiety in midlife by implementing policies that help people better navigating aging, such as strengthening the social safety net, increasing wages of women-dominated occupations, and legislating more LGBT and family-friendly policies.

*My Parents Never Had Sex* - Doris B. Hammond  
Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-11-10  
by guest

1987

*My Parents Never Had Sex* presents the myths and facts of sexual aging in a thoughtful and straightforward manner that celebrates the sexuality of our elders. Dr. Hammond rejects not only the misconception that sexuality is neutralized with age, but also the related view (held by many elders) that sexual expression should be curtailed as one advances in years. She encourages both young and old to appreciate and take pride in their individual sexual being, and that of others, from birth to death. Cultural, religious, and societal influences affecting our views of human sexuality are described and discussed. Diverse forms of sexual expression are explored, with attention given to changes at mid-life and to health-related concerns. Helpful suggestions for family members and counselors are also offered. Specific situations encountered by families, couples, single persons, homosexuals, and nursing home residents are covered.

**Sex and Love at Midlife** - Bernie Zilbergeld  
2010

Is it really better than ever? Now that the children have grown and you have plenty of time on your hands, do you find that the love and intimacy is still as strong as ever or has it gone from your life? Fact: As we mature, our sexual drives mature as well. Fact: We may slow down and lovemaking may be different, but that doesn't mean that the quality has to be lower or the pleasure less. In this honest, down-to-earth volume, Dr. Zilbergeld, a world renowned sex therapist and bestselling author draws on his many years of clinical experience to explain why we should be enjoying our love making and intimacy even more as we mature. Replete with stories and anecdotes that present a variety of tools and techniques to help us all develop the kind of openness we desire, he honestly tells us why age is no barrier to a better and more rewarding sex life. Don't just complain about your love life, get started today to make it better than ever

**Sexuality in Mid-Life** - Stephen B. Levine  
2004-06-14

I wrote *Sexuality in Mid-Life* to assist clinicians in considering love, sex, intimacy, and dysfunction as they occur in this epoch of the life cycle. The chapters reflect my belief that

understanding the processes of living is vital for both the therapist and the patient. Despite my preoccupation with creating a cohesive book, I often thought of these 11 chapters as essays because in this prose form it is traditional for the author to be palpably present in the text. I tried not to hide behind the passive constructions of typical psychiatric books. I wanted to create a book that did not restrict itself to scientific findings, clinical experiences, or ideological traditions. I wanted to discuss relevant issues that were generally avoided by professionals. In approaching the topics of love, extramarital affairs, and menopause, for instance, I hoped to emphasize the developmental potentials inherent in both mid-life's smooth sailing and its underappreciated adversities. *Sexuality in Mid-Life* is my third solo-authored book. When a young woman said something complimentary to me about *Sex Is Not Simple* and quickly added that I had left out any consideration of the sexuality of pregnancy, I was stunned by my oversight.

**Midlife Crisis** - Dave Laney 2019-02-08

Are you curious about whether or not you're in a midlife crisis? And if you are, are you wondering what to do about it? Is it normal? Is it wholesome? Is it lasting? Briefly take a look at this book, and get the answers you deserve! You will learn: The signs of a midlife crisis The purposes and psychology behind a midlife crisis How much the impact encompasses men and women How to know what to do against it The difference between a midlife crisis and a phase or time period in your life not related to it Answers for dealing with your spouse or yourself when a midlife crisis happens And much more Don't wait and learn more by downloading to get started today!

**Double Menopause** - Nancy Cetel 2002-10-02

A positive, practical approach to understanding and coping with male and female hormonal changes While most people are familiar with female menopause, it is not as well known that men, too, have their own version of midlife transition and it's far more common than one might suspect. It's only recently been understood that men also suffer from hormonal changes often called andropause and that

resources for couples struggling to cope with his-and-hers midlife changes have not been readily available. *Double Menopause* is the first book to explore the phenomenon of simultaneous female and male menopause. Dr. Nancy Cetel addresses the emotional and psychological reactions as well as the physiological changes both you and your partner may experience. Even the most solid relationship can crumble under the weight of hormonal change; Cetel offers a compassionate and reassuring survival guide for both men and women to help you regain control of your life and renew your commitment to each other. Utilizing practical, effective, and even fun techniques, Cetel helps you: \* Identify the signs and symptoms of menopause and andropause \* Understand the myths, fantasies, and realities of midlife sexuality, from both the male and female perspective \* Work through inevitable conflicts in your relationship \* Ignite your "midlife love hormones" \* Evaluate the pros and cons of hormonal supplements such as DHEA and growth hormone \* Discuss potential treatment options with your physician Based on the latest cutting-edge research, including the author's own, *Double Menopause* offers you and your mate a healthy, loving prescription for optimal health at midlife and beyond.

**Making Love the Way We Used to ... Or Better: Secrets to Satisfying Midlife Sexuality** - Alan M. Altman 2002

Offers middle-aged couples advice on overcoming emotional and physical problems that prevent a satisfying sex life, providing information on diagnosing and treating medical conditions, confronting adultery, and enhancing desire.

*Menopause and Midlife Health* - Morris Notelovitz 1993

Provides a guide to the changes associated with menopause, including information about estrogen therapy, middle-aged sexuality, contraception, breast cancer, and osteoporosis  
*Midlife Lesbian Relationships* - Marcy Adelman 2000

Exploring the rich relational world of lesbians at midlife, this text discusses the difficulties of stigma and the strengths of female same-sex relationships, providing a range of insights into the challenges lesbians face at middle age.

**Embracing Midlife** - Lynne M. Baab

1999-10-01

This book helps normalize and therefore lessen the fear we might experience during the midlife crisis by educating us about midlife dynamics. This book reduces anxiety in congregations that fear they don't know how to react as it shows ways to explore and respond to midlife issues of loss, difficult relationships, anger, fear, sexuality, paradox and tension, pain, and changing relationship to God. It helps readers learn how to be present with people in midlife transition without feeling that they will be engulfed or that they must solve all midlife problems.

**Conscious Loving Ever After** - Gay Hendricks 2015-10-20

Are you passionately dedicated to experiencing your full capacity for love? If so, you are in for a thrilling ride on the greatest journey imaginable. If that sounds like a tempting invitation, keep reading, and prepare to take in some life-altering truths: That as you get older, your love life can get better. That instead of fading, your relationships can flourish. That you can have more exquisite love and more passionate sex in the second half of life than you ever had before. Kathlyn and Gay Hendricks, the pioneering authors of the original best-selling book *Conscious Loving*, show you how in this guide to creating vibrant and joyful connections from your mid-40s onward. Midlife is a time when we all face a choice: to settle into fixed routines and beliefs or to expand toward new horizons. With candor, compassion, and plenty of humor, drawing on experiments in the "living laboratory" of their own marriage as well as stories from their clients and colleagues, Katie and Gay offer insights and practices to help you:

- Expand and enrich love by making your own creative essence your top priority
- Take blame and criticism out of your communication with those you love
- Attract new love into your life
- Enjoy the best sex ever

Whether you're partnered or single, *Conscious Loving Ever After* can light your way through the layers of unconscious relating that so many of us get caught in. From a Ten-Minute Stuff Talk and a Ten-Minute Heart Talk to a range of whole-body learning processes designed to translate ideas into action, here are the tools you need to transform your romantic life so you can thrive in

your full capacity for love.
