Sexuality and Spirituality, Pursuing

Integration - William F. Kraft 2005-04-21

"This book is a response to such questions as: What is sexuality? Spirituality? How are they interrelated? What is healthy sex--and, how can we achieve it? Are there different kinds of sexuality? What are female-male similarities and differences? What is the sense and nonsense of marital and nonmarital sex, heterosexuality, homosexuality, masturbation, sexual addictions, and abstinence? "My goal is to construct a model of sexuality and spirituality that engenders more health and satisfaction. My method is phenomenological. Theological truths are not explicitly included--I am a psychologist, not a theologian. Nevertheless, theologians and religious leaders across a broad spectrum have assured me that my vision is not incongruent with theirs and that it can serve as an infrastructure for their studies. My hope is that what follows will help married, single, and vowed celibate people to cope with, grow from, and enjoy their sexuality." --from the Preface

Living Tantra - Jan Day 2021-11-09

Tantra originated in India many centuries ago but it's uniquely placed to help people use real life as grist to the mill for spiritual transformation. The purpose of the book is to articulate what Tantra can be in our modern times and how it can be applied to all aspects of our everyday life. Traditionally Tantra was a path that brought spirituality out of the caves and monasteries and into the life of householders. It didn't seek to separate sexuality and spirituality and to force people to make a choice but rather to integrate the life of family and relationship with spirituality. This includes sexuality but it's not all about sexuality, and this is a rare book that applies Tantra to every aspect of life. Living Tantra is a body of work that aims to bring the essence and core message of tantra into relevance for our

contemporary life and society as a path of spiritual growth and human development. It's based on her legendary workshops which book up via word of mouth and attracts attendees from across Europe and North America, especially Sweden, Austria, USA, Germany, Spain and the Czech Republic. The exercises here come out of these workshops and mean that we can benefit from this work in our own homes. The principles of Living Tantra are to use all life, all experience to learn and become more conscious of ourselves and the world around us, to care more for ourselves, each other and the world and to develop greater compassion. Tantra includes everything. It is the weaving together of all that is.

A Bio-Spiritual Approach to Sexuality -

Edwin McMahan 1996-03-01

In *A Bio-Spiritual Approach to Sexuality*, Edwin M. McMahan, Ph.D and Peter A. Campbell Ph.D. examine the broad qualities and experiences that people share that increase intimacy as two people grow together.

The God of Sex - Peter Jones 2006

A placard carried in the San Diego Gay Parade said it all: "He's your God. They're your rules. You go to Hell." Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other "sexual sinners" to prove they are immoral is equally unsuccessful, if not destructive. For the sake of our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear (and beautiful) design for sex as a spiritual expression. Features and Benefits Helps Christians break out of typical parameters to help them understand and relevantly engage

by guest

the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool.

Sex and the Sacred - Daniel A Helminiak
2012-12-06

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling What the Bible Really Says about Homosexuality, looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. Sex and the Sacred combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. Sex and the Sacred presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay/lesbian/bisexual/transgender community, non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. Sex and the Sacred examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching

and practice sexual ethics without religion a vision for a renewed Christianity within a global community

The Erotic Word - David M. Carr 2005-02-24
Historically, the Bible has been used to drive a wedge between the spirit and the body. In this provocative book, David Carr argues that the Bible affirms erotic passion. Sexuality and spirituality, he contends, are intricately interwoven; the journey toward God and the life-long engagement with our own sexual embodiment are inseparable.

The Erotic Word : Sexuality, Spirituality, and the Bible - NY David M. Carr Professor of Old Testament Union Theological Seminary
2002-12-19

Historically, the Bible has been used to drive a wedge between the spirit and the body. In this provocative book, David Carr argues that it can- and should--do just the opposite. Sexuality and spirituality, Carr contends, are intricately interwoven: when one is impoverished, the other is warped. As a result, the journey toward God and the life-long engagement with our own sexual embodiment are inseparable. Humans, the Bible tells us, both male and female, were created in God's image, and eros--a fundamental longing for connection that finds abstract good in the pleasure we derive from the stimulation of the senses--is a central component of that image. The Bible, particularly the Hebrew Bible, affirms erotic passion, both eros between humans and eros between God and humans. In a sweeping examination of the sexual rules of the Bible, Carr asserts that Biblical "family values" are a far cry from anything promoted as such in contemporary politics. He concludes that passionate love--our preoccupation therewith and pursuit thereof--is the primary human vocation, that eros is in fact the flavoring of life.

Spirituality, Intimacy, and Sexuality - John Galindo 2010

Addresses the long-standing estrangement between spirituality and sexuality and integrates them in a manner that is both practical and hopeful.

Exploring Sexuality and Spirituality -
2020-10-20

Exploring Spirituality and Sexuality: An Introduction to an Interdisciplinary Field is a collection of scholarly essays which focuses on

the multiple interrelations of spirituality and sexuality, including such facets as intimate relationships, inner cultivation, gender empowerment, gender empowerment, sex education, eroticism, and ecstasy embodiments.

Sex Has a Price Tag - Pam Stenzel 2010-08-03
 "If I only had known what could happen, I would have made a different choice!!!" A decade in a crisis pregnancy center, counseling both Christian and non-Christian teens...speaking to millions of students through the years...counseling and answering the letters of thousands of teens...Pam Stenzel has heard this statement over and over and over again. From kids like you. Sex Has a Price Tag rejoices that, indeed, sex is glorious. Sex is God-given. But sex outside of God's boundary is behavior that has far-reaching consequences. Outside a monogamous marriage it has a price tag of incalculable costs. Here are real testimonies, encouragement, and advice about: abstinence vs consequences Biblical definitions and examples physical diseases and emotional disaster examination of urgent taboo subjects including masturbation advice on where to go for help avoiding sexual activity and awkward situations dealing with friends, parents...and your self-respect Sex Has a Price Tag is brutally frank but totally sympathetic, written to girls and guys. Here are searing personal testimonies, medical stats, and practical solutions; encouragement in the form of Biblical examples, support and networking options, innovative alternatives to dating situations, and creating journaling. There are sources and links for seeking help. Sex Has a Price Tag is life-affirming, and is a life-saver.

Holy Sexuality - Becky R. Patton 2010-11-30
 What in the world does sexuality have to do with spirituality? Most of us treat these two topics like oil and water. Couple that with the fact that sexuality tends to be a taboo subject, and we're left with incredible misinformation about this intimate and powerful aspect of our lives and our identity. This book addresses a "Top 5" list of questions that many of us carry: 1. What does sexuality have to do with spirituality? 2. Are men and women really that different and why does it matter? 3. What does healthy sexuality look like for singles? 4. If everyone's doing it, why save sex for marriage? 5. Is masturbation a sin? If

you've struggled with any or all of these real-life questions, this book is for you. Fresh truth from scripture and amazing new revelations in brain science and biology are converging to provide a wealth of insight and a holy invitation: Can we recognize our sexuality as good by God's design? And can we embrace real-life questions as sacred invitations to learn more about the amazing love of God for men and women? "Holy Sexuality has shifted my view of men/women's relationships and taught me to truly value and embrace gender differences." Peter Kapsner-Bible & Theology Bethel University "Creates a beautiful picture of God's design of sex." Vicki Degner-Pastor Church of the Open Door

Queer Spiritual Spaces - Kath Browne 2016-05-23

Drawn from extensive, new and rich empirical research across the UK, Canada and USA, Queer Spiritual Spaces investigates the contemporary socio-cultural practices of belief, by those who have historically been, and continue to be, excluded or derided by mainstream religions and alternative spiritualities. As the first monograph to be directly informed by 'queer' subjectivities whilst dealing with divergent spiritualities on an international scale, this book explores the recently emerging innovative spaces and integrative practices of queer spiritualities. Its breadth of coverage and keen critical engagement mean it will serve as a theoretically fertile, comprehensive entry point for any scholar wishing to explore the queer spiritual spaces of the twenty-first century.

Sexuality and Spiritual Growth - Joan H. Timmerman 1992

That the title of this book will attract some, startle others, and shock many is the best proof of how important a work Joan Timmerman has written. It is a major exploration of sexuality as an embodiment of Christian values, from the bestselling author of Mardi Gras Syndrome.

Moving Heaven and Earth - Lucy Goodison 1992
 Goodison challenges the dualistic mind-body and spirit-matter splits that determine and limit the Western worldview, pointing the way to political responsibility based on spiritual awareness. She offers practical exercises for use by individuals and groups to deconstruct and reconstruct their symbol systems, which link individual to social life.

The Spirituality of Sex - J. Harold Ellens

2009-03-20

This book describes the psychospiritual facts of life about the pervasiveness of sexuality in all aspects of human life. The energy developed by our libido is the dynamic source of all the forces that shape our experience, life, motives, thought, feelings, desires, and spiritual longings. No facet of life is untouched or unshaped by this dynamo. Whether we are sitting in church at worship, in a meeting for business, in a party for pleasure, we are always aware of the gender of those who are around us and of their level of sensuality, as it impacts us. If we are not aware of that, some wounding has produced an impairment in us that has forced us to repress the awareness inappropriately. This work is not a how to manual so much as a description of the deep meaningfulness that can be found in the spirituality of sex. It is designed to enlighten us about ourselves, to give names to what we all feel all the time and do not know quite how to describe. It is about savoring the spiritual flavor of sexual play and sexual union. This is a book for everyone, from the inquiring adolescent to the mature adult looking for what is missing in sex and relationships. This is not a book mainly for Christians or Jews. It is about the generic human spirituality in every one of us, true believer and atheist alike. It is about being human more fully and with greater satisfaction. Human spirituality is best defined as our irrepressible hunger and quest for meaning in all aspects of life. Human sexuality is best defined as our irrepressible hunger and quest for union with other persons and the meaning of life found in the wholeness that such union brings. Sexuality and spirituality are not two different things. They are two names for the same thing: the irrepressible human quest for meaning, fulfillment, union, and wholeness. They are not two different forces, nor are they in any way at odds with one another, as they have been made to seem in the polarizing attitudes about sexuality and spirituality popular in human society, thanks to the excessive and negative moralization of sex. Here, Ellens sheds new light on the interplay of sexuality and spirituality through the use of anecdotes, observation, and thoughtful analysis.

Sex and the Spiritual Path - Herbert B.

Puryear 1999-10-15

In this enlightening book, Puryear, a clinical psychologist, explores the subject of sexuality and spirituality based on the readings of the renowned American psychic Edgar Cayce.

Sacred Sexuality - Georg Feuerstein

2003-11-14

A historical, cross-cultural survey of sexuality as a sacred spiritual practice • Examines sacred sexuality in the world's religious and mystery traditions • Explores contemporary "sexual stress syndrome" resulting from the absence of the sacred in sexual practice • Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act. In spite of our culture's recent sexual liberalizations, sexual intimacy often remains unfulfilling. Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures. Feuerstein delves into a wide variety of spiritual traditions--including Christianity, Judaism, goddess worship, Taoism, and Hinduism--in search of sacred truths regarding sexuality. He reveals that all of these great teachings share the hidden message that spirituality is, in essence, erotic and that sexuality is inherently spiritual. From the erotic cult of the Great Mother and the archaic ritual of hieros gamos (sacred marriage) to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions, Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs.

Sex and the Soul, Updated Edition - Donna

Freitas 2015-02-27

First published in 2008, Donna Freitas's *Sex and the Soul* revealed what college students -- at institutions large and small, public and private, secular, Catholic, and evangelical -- really think about sex, dating, religion, and spirituality. Based on face-to-face interviews with students across the country, *Sex and the Soul* achieved national acclaim, illuminating the as-yet-unexplored struggles of college students navigating the lines of faith and sexuality. Now, in this updated edition, Freitas reflects on the hundreds of conversations she has had with students since the book was first published in an

 by guest

all-new afterword, and offers practical advice for young people struggling with issues of sex and spirituality and for the adults giving them guidance.

The Secret History of Western Sexual Mysticism

- Arthur Versluis 2008-03-25

The first book to reveal the history of Western sexual mysticism • Reveals the secret sexual practices that have been used since ancient Greece to achieve mystical union with God • Details the sects and individuals who transmitted the radical sexual practices that orthodox Christianity never completely silenced • Distinguishes between sexual magic and sexual mysticism Beginning with the ancient Greek Mystery traditions, Gnosticism, and the practices in early Christianity, Arthur Versluis uncovers the secret line of Western sexual mysticism that, like the Tantra of the East, seeks transcendence or union with God through sexual practices. Throughout antiquity, and right into the present day, sexuality has played an important, if largely hidden, role in religious traditions and practices. This includes not only Christian but also kabbalistic and hermetic

alchemical currents of sexual mysticism, many discussed together here for the first time. In the Mystery tradition of hieros gamos (sacred marriage) and the Gnostic tradition of spiritual marriage, we see the possibility of divine union in which sexual union is the principal sign or symbol. Key to these practices is the inner or archetypal union of above and below, the intermingling of the revelatory divine world with the mundane earthly one. Versluis shows that these secret currents of sexual mysticism helped fuel the rise of the troubadours and their erotic doctrine, the esoteric teachings of Jacob Böhme in the late 16th century, the 19th-century utopian communities of John Humphrey Noyes and Thomas Lake Harris, the free love movement of the 20th century, and the modern writings of Denis de Rougemont and Alan Watts. *The Erotic Word* - David McLain Carr 2023 Historically, the Bible has been used to drive a wedge between the spirit and the body. In this book, David Carr argues that it can - and should - do just the opposite. Sexuality and spirituality, Carr contends, are intricately interwoven: when one is impoverished, the other is warped.
