Book 3 in Y.A Series *WAITING FOR A FALL* Previously published as Young Annabelle Series: *Young Annabelle*, *The Truth About James*, *What My Heart Wants* (Books #1-3). ***Author's Cut Version*** ***Warning contains strong language and sexual scenes*** ***There is a HEA*** The first time I met James I thought he was an idiot. But the more time we spent together the more I realized that he was just as angry as I was. Him with his dad and me with my mom. He's got me all twisted, messed up to a point where I barely recognize myself anymore. My best friend tells me to dump him. My parents don't know he exists. But I can't seem to stay away. When we're alone it's everything, but when we're at school it's like we don't even exist, and I wish he'd tell me why. Already a star on the Royal Heights High School Baseball team, James Lawson wasn't your average transfer student. Even with his 'new guy' status, he quickly becomes one of the popular 'Kings' at school and that alone should have been the red flag Annabelle needed to stay away from him. He's arrogant, intense, rude and worst of all he seems like the kind of guy that usually gets what he wants. But the more time they spend together the more difficult she finds it to stay away from him, especially with all the stress her mother is causing her concerning her appearance. As if she didn't already have enough to worry about, she finds out that the popular 'Queen' of Royal Heights High had her sights set on a certain popular 'King'. In Donna Tallins eyes, James was her perfect match, but there was one person standing in her way of high school couple stardom. And that was Annabelle.

Billionaire's Sexy Hacker - Dillon Hart 2023-05-28

Sully Fuller is a man who gets what he wants. Lethal on the battlefield, in the board room, and let's be honest, definitely the bedroom. His single-minded focus on me makes it impossible to concentrate, while I'm trying to save his company's most important project. Yet he's sworn to protect me until I complete my work. I'm just the hacker he hired to finish his latest project. Programming, hacking, helping save the world.

Typical computer nerd day, if you don't think too hard about the rock of a man who is always within sight. Always throwing heat in my direction. It's hard to keep my eyes off him and on my computer screen. He owns the company. He's totally off-limits. But when the stakes are high, all bets are off. My head knows it's time to focus on work. My body and my heart? Let's just say they have a completely different idea on how close to let this soldier get. This is a 20K word (about a 120 pages) short read / novella. Ex-Military Veteran Billionaire. Enemies to Lovers. Boss/Employee. Geek / Nerd. Age Gap - May/December. No Angst. Sweet & Steamy. HEA
