The Falling in Love Montage - Ciara Smyth
2021-04-27

Two girls embark on a summer of montage-worthy dates (with a few strings attached) in this hilarious and heartfelt lesbian rom-com that's perfect for fans of Becky Albertalli and Jenny Han. Seventeen-year-old cynic Saoirse Clarke isn't looking for a relationship. But when she meets mischievous Ruby, that rule goes right out the window. Sort of. Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall--no broken hearts, no messy breakup. I Who Have Never Known Men - Jacqueline Harpman 1997-04-08

A work of fantasy, *I Who Have Never Known Men* is the haunting and unforgettable account of a near future on a barren earth where women are kept in underground cages guarded by uniformed groups of men. It is narrated by the youngest of the women, the only one with no memory of what the world was like before the cages, who must teach herself, without books or sexual contact, the essential human emotions of longing, loving, learning, companionship, and dying. Part thriller, part mystery, *I Who Have Never Known Men* shows us the power of one

person without memories to reinvent herself piece by piece, emotion by emotion, in the process teaching us much about what it means to be human.

Tell Me Again How A Crush Should Feel - Sara Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila*. She has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that *Leila* liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, *Saskia*, shows up, *Leila* starts to take risks she never dreamed

of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and *Saskia*'s confusing signals, *Leila* confides in her old friend, *Lisa*, and grows closer to *Tomas*, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, *Leila* begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find

exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how

Downloaded from
legacy.opendemocracy.net on 2020-03-19
by guest

to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and

how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
