Gender and Rural Migration - Glenda Tibe Bonifacio 2013-11-20

Gender and Rural Migration: Realities, Conflict and Change explores the intersection of gender, migration, and rurality in 21st-century Western and non-Western contexts. In a world where heightened globalization is making borders increasingly porous, rural communities form part of the migration nexus. While rural out-migration is well-documented, the gendered dynamics of rural in-migration - including return rural migration and the connectivity of rural-urban/global-local spaces - are often overlooked. In this collection, well-grounded case studies involving diverse groups of people in rural communities in Australia, Austria, Brazil, Canada, China, Norway, the United States, and Uzbekistan are organized into three themes: contesting rurality and belonging, women's empowerment and social relations, and sexualities and mobilities. As demonstrated in this anthology, rural areas are contested sites among queer youth, same-sex couples, working women, young mothers, migrant farm workers, temporary foreign workers, in-migrants, and return migrants. The rich expositions of various narratives and statistical data in multidisciplinary perspectives by emerging and established scholars claim gender and rurality as nodal points in contemporary migration discourse.

The Five Flirting Styles - Jeffrey Hall 2013-08-27

Shows those looking for love how to identify their natural flirting style and use it to flirt smarter and attract the best person for them.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines

or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

A Woman's Guide to the Male Mind - Sam Geraldo 2011-01-14

A Woman's Guide to the Male Mind is the indirect result of a blog that I wrote in 2005 How Do You Tell If a Guy Fancies You? The article was so popular, receiving more than 70 replies from women with lots more questions, that I launched my web site www.seducemen.co.uk. Since then, most of the advice I've given in hundreds of published articles was based on my own experiences and those of my friends. To write the book, however, I adopted a more scientific approach. I performed a significant amount of research into recent discoveries by anthropologists, sociologists, psychologists and biochemists on topics ranging from basic sexual attraction to personality type and male/female communications strategies. It's my belief, therefore, that A Woman's Guide to the Male Mind features the best of two worlds: common sense opinions backed by solid empirical evidence. By helping ladies understand the male point of view with regard to sex, dating and relationships; I hope to eliminate the senseless conflicts that so often erupt between lovers and would-be lovers. Once you understand a few fundamentals about the male mind and male behaviour, you will stop thinking of men as inscrutable blockheads and primitive misfits. You will no longer regard them as you would a small, nasty child or an alien race. Arming yourself with the wisdom in this book, you'll increase your odds of finding happiness and harmony in romantic relationships, and you will help ensure that this bliss lasts a lifetime. By the time a man reaches maturity, he has passed through four evolutionary stages in his attitude toward women and relationships. It's very important to understand and identify these four stages, because it will save you from wasting time on guys who aren't ready for serious romance.

Married and Lonely - Garry T. Rodgers 2008-09

Married and Lonely Finally] a book that deals with real issues, about marriage, for the husband and wife. Many couples feel as though their marriage is the best or their marriage is the worst marriage of all time. In this book Pastor Garry T. Rodgers discusses the serious and sensitive issues regarding marriage targeted to people who are single, married or divorced. Many people go into marriage with a unwise sense of reality, false counseling, or no counseling at all and, the end result can sometimes lead to a tragic ending, failure, or hurt. Garry T. Rodgers is excited about the response to this book, and letting people know that marriage will work if you work it. Garry T. Rodgers SR., Is the Pastor and founder of House of God Worship Center in Hampton, VA., Teacher, Speaker, Evangelist, and Retired U.S. Navy. One aspect of Pastor Rodgers ministry is redeeming hurt and broken marriages.

Cues - Vanessa Van Edwards 2022-03-03

It's not enough to have great ideas. You also need to know how to communicate them. What makes someone charismatic? Why do some people captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? Cues - the tiny signals we send to others 24/7 through our body language, facial expressions, word choices and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likability and charisma in every interaction. You'll learn: - Which vocal cues make you sound more confident - Which body language cues assert, 'I'm a leader, and here's why you should join me' - Which verbal cues to use in pitches, branding and emails to increase trust (and generate excitement about interacting with you) - Which visual cues you are sending in your profile pictures, clothing and professional brand Whether you're pitching an investment, negotiating a job offer or having a tough conversation with a colleague, Cues can help you improve your relationships, express empathy and create meaningful connections with lasting impact. 'A must-have guide to becoming an unstoppable force' - Mel Robbins 'Packed with invaluable strategies for maximizing your message, Van Edward's energy will inspire you to become the best possible version of yourself' - Nir Eyal

The Five Vital Signs of Conversation - Norman Nathan Markel 2009

How we address people, where we sit, what we disclose about ourselves, how we make eye contact, and where and when we touch are signs of attitudes and emotions. Because we may not be conscious of the social or psychological significance of these signs, they are the stealth aspect of conversation. One goal of this book is to demonstrate that address, self-disclosure, seating, eye-contact, and touch are the five vital signs of conversation. Another is to increase the reader's awareness of the fact that whatever the topic of a conversation, interlocutors are also expressing their attitudes and emotions by means of these five vital signs. A final goal is to show the reader that the use of these signs varies with ethnicity, gender, and relationship. To accomplish these goals, this book provides relevant scientific information in a popular style that makes it accessible to a broad spectrum of readers concerned with interpersonal communication.

Does He Like Me Or What? - Luanna Wallis 2012-07-17

'Does He Like Me Or What?' is a fun and down-to-earth look at the signals that men send when they are interested in a member of the fairer sex. Similar to the way in which a male peacock will strut and display his beautiful plumage to attract a female, human males are biologically programmed to exhibit various "on display" attraction signals towards women of interest. In this delightful and insightful read everything is put under the microscope. From the way he gravitates towards her, to the way he glances at her, or the way he struts, his sexy stance, his little touches, and even the signs that he's hiding an erection! Included in the book is a 60 question 'keenness' quiz to get an accurate indication of his interest across various interest indicators. The answers are scaled from 'definitely not interested' to 'keenly interested'. You can take this test at different times to see if his interest is increasing or waning with time, or diagnose 'hot and cold' syndrome. You can also use it to compare guys to see which one likes you more, or to see if your guy is flirting with someone else. All is uncovered and revealed in this humorous and enlightening read, peppered with hints and tips and topped off with a test of how interested he is. You'll enjoy every word and who knows? You might even discover a secret admirer or two ... well, secret until now that is! So if the question on your lips is 'Does He Like Me Or What?' then pick up a copy of the book today.

Maybe He Just Likes You - Barbara Dee 2019-10-01

A 2020 ALA Notable Children's Book A Washington Post Best Children's Book of 2019 Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice."

Love Signals - David Givens 2006-01-10

A world renowned anthropologist explores the nonverbal signs, signals, and cues human beings exchange to attract and keep their mates. As a medium of communication, Love's silent language predates speech by millions of years. Today, we still express emotions and feelings largely apart from words. The postures, gestures, and facial cues of attraction are universal, in all societies and cultures. According to Dr. Givens, courtship moves slowly through five distinct phases: attracting attention, recognition phase, conversation phase, touching phase, making love. Since potential mates "test" each other before uniting as one, courtship is a choreographed give and take of signs granting physical and emotional closeness. *Love Signals* is part ethnography and part how-to. Dr. Givens documents the little courting rituals witnessed in elevators, on subways, and in the workplace. He examines the essential role the face plays in courtship and how it can be optimally displayed. He decodes the body to find silent messages given off by shoulders, neck, arms, hands, waist, calves, ankles, feet, and toes. Dr. Givens analyzes expressive shapes, colors, and markings encoded in arm wear, shoulder wear, leg wear, and shoes. He deciphers the background messages of spaces, places and interiors to learn how environs help or hinder in the meeting process. Chemical cues emanating from aromas, tastes, steroids, sterols, and hormones strongly shape a partner's feelings, so they are explored as well. The book suggests ways to gaze, ways to read eyes across a room, and ways to sit, stand, align, walk dress, and lift a drink to participate in the fascinating adventure of finding, winning, and keeping a mate. Knowing the unspoken vocabulary of love signals will give readers an edge. What this means for courtship is that the reader becomes able to read unspoken motives, emotions, and feelings with great clarity and precision. The more readers know about the nonverbal idiom of attraction, the more likely they will find a loving, lasting partner.

How to Become alpha Man - Brian Burns 2014-06-20

There are two basic types of men in the world Alpha Men and Average Joes. Alpha Man gets all he wants from life and lives on his own terms. Average Joe gets what he's given from life and lives on terms dictated by others. Alpha Man is the man who has confidence, strength, respect, loyalty and love in abundance. People notice him when he walks into a room. Women want to be with him and men want to be him. People listen when he speaks. Alpha Man has designed his own life. Nobody controls him. If you've ever wondered what it takes to become an Alpha Man this guide will give you the tools, no matter where you are in your life right now, to start on the journey to becoming the man of your dreams. Does He Like Me or What? 60 Surefire Signs That He's Interested - Luanna Wallis

Game - Roosh Valizadeh 2018-08-21

Game teaches men a 9-step program for meeting and attracting women in an age when smartphones, feminism, and anti-masculinity propaganda have made connecting with the opposite sex harder than ever. It will help you achieve casual or monogamous relationships while safeguarding you from sexual harassment and rape accusations that have increased due to the spread of social justice and hashtag activism. *Game* was written after the author's 17-year obsessive journey into the art of seducing women. The book begins with... -The 8 beliefs you must internalize to attract women without conscious effort -How to maximize your physical appearance so that most of a seduction is complete before you even begin talking -The hygiene and body flaws that turn women off without you realizing it -8 attraction triggers that cause a woman to be deeply drawn into a man -3 destroyers of attraction that turn off just about all women in their physical prime The biggest chapter is on approaching. Even if you don't have a large social circle, or any friends at all, *Game* teaches you how to have pleasant face-to-face interactions with women. You'll learn... -How to walk out your front door and casually meet women during the day in a way that won't make you anxious -How to meet girls at night in bars, clubs, or on the street -Dozens of word-for-word examples of how to approach women and converse with them -The best

way to know that a girl likes you and will show up on a first date -The number one sign that a girl is ready to be kissed so that you never have to worry about being physically "rejected" -How to move things to the bedroom on the same day or night you meet a girl If you're not a fan of casual hook-ups, the book has you covered with a traditional dating program. You'll learn... -How to contact a girl using a text messaging script that gets right to the point of scheduling a date -6 fun date questions to ask that help reveal if she's worth a long-term relationship -6 conversational guidelines that prevent you from running out of things to say -How to "qualify" and tease a girl so that she always sees you as a high-value man -The smoothest way to move things to a private home when she's ready for intimacy -A safe progression to having consensual sex that won't get you in trouble with the law Once you start dating a girl you like, you'll enjoy the chapter on relationships. You'll learn... - How to lovingly mold a girl into your ideal partner while resisting her efforts to train you into a beta male slave -The most important standards you must uphold to maintain the integrity of the relationship -How to regain attraction after your girlfriend becomes distant -6 warning signs that tell you a girl is not worth marriage -How to know if your girlfriend is cheating on you You'll also find two large appendices. They share... - The best way to enter social circles where women will see you as the apex male -How to get intimate with a girl in your social circle so that things don't get weird or awkward -An easy trick to identify which foreign cities contain women that will be most receptive to your look and personality -How to plan for trips that maximize the chance you'll get lucky with foreign women The above only scratches the surface of what *Game* contains. It is seminal work of a hyper-sexualized man who dedicated tens of thousands of hours into understanding women and attracting them while fending off defamatory attacks from mainstream feminists and fake news journalists who want to criminalize healthy masculinity. Whether your goal is to have fun in a big city with lots of women or fall in love with only one before getting married, *Game* will help you accomplish your goals in a way that keeps you safe from degrading cultural winds that continue to divide men and women.
