Storm - Tim Minchin 2014-10

LIMITED EDITION: only 2000 copies available. Deluxe hardback, with exclusive extra content and signed by Tim Minchin. A storm is brewing in the confines of a London dinner party. Small talk quickly descends into a verbal and intellectual battle between science and belief, as comedian Tim goes head to head with the mysterious fifth guest at the table - a hippy named Storm. With stunning original artwork, Tim's sublime ranty beat-poem weaves through the world we live in, where alternative medicine is given credence and public funding, psychics have primetime TV exposure and people are happy with mystery rather than answers. While Storm herself may not be converted, audiences from London to Sydney have been won over by Tim's lyrical wonders and the timely message of the piece in a society where science is attacked as the enemy of belief. STORM is the illustrated book born from the acclaimed internet sensation - the animation that has become an anthem for critical thinking worldwide, attracting over three million views. Now fully reimagined, STORM is a masterpiece that sparkles with beauty, wit, reason and rationality. Watch the video here: <http://bit.ly/1s2DUuU>

The Deeper the Water the Uglier the Fish - Katya Apekina 2018

It's 16-year-old Edie who finds their mother Marianne dangling in the living room from an old jump rope, puddle of urine on the floor, barely alive. Upstairs, 14-year-old Mae had fallen into one of her trances, often a result of feeling too closely attuned to her mother's dark moods. After Marianne is unwillingly admitted to a mental hospital, Edie and Mae are forced to move from their childhood home in Louisiana to New York to live with their estranged father, Dennis, a former civil rights activist and literary figure on the other side of success. The girls, grieving and homesick, are at first wary of their father's affection, but soon Mae and Edie's close relationship begins to fall apart--Edie remains fiercely loyal to Marianne, convinced that Dennis is responsible for her mother's downfall, while Mae, suffocated by her striking resemblances to her mother, feels pulled toward their father. The girls move in increasingly opposing and destructive directions as they struggle to cope with outsized pain, and as the history of Dennis and Marianne's romantic past clicks into focus, the family fractures further. Moving through a selection of first-person accounts and written with a sinister sense of humor, THE DEEPER THE WATER THE UGLIER THE FISH powerfully captures the quiet torment of two sisters craving the attention of a parent they can't, and shouldn't, have to themselves. In this captivating debut, Katya Apekina disquietingly crooks the lines between fact and fantasy, between escape and freedom, and between love and obsession.

Croak - Gina Damico 2012

A delinquent sixteen-year-old girl is sent to live with her uncle for the summer, only to learn that he is a Grim Reaper who wants to teach her the family business.

Being the Other One - Kate Strohman 2005-02-08

When there's a disabled child in the family, how are normally developing siblings affected? According to Kate Strohman, a counselor and health educator, siblings of the disabled face particular emotional challenges that are often overlooked. Able siblings commonly struggle with feelings of isolation, grief, anger, and anxiety—and these and other emotional issues can have lifelong effects. Being the Other One is based on the author's own experience (as a sibling of a sister with cerebral palsy) and on extensive interviews she conducted with siblings of all ages. In clear and compassionate terms, Strohman explores the often secret feelings of siblings and offers valuable strategies for coping with the challenges they face. Being the Other One reveals the difficulties faced by siblings at all stages of life, from early childhood through adulthood, when

siblings must often assume responsibility for the care of their disabled brothers and sisters. Though the book looks honestly at the many challenges that siblings face, it is full of encouragement and practical strategies. Strohman emphasizes that when siblings are able to clearly identify and openly express their feelings and concerns—and when parents and health professionals offer the needed support—siblings can thrive. This book includes writing exercises for personal exploration and a substantial resources section listing helpful books, organizations, and websites.

Gotham City Sirens - Paul Dini 2011

In a Gotham City gotten even more dangerous since the Batman has been replaced, a weakened Catwoman, Poison Ivy, and Harley Quinn—who says she's definitely over the Joker—join forces against a variety of enemies.

These Violent Delights - Chloe Gong 2020-11-17

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of The Last Magician and Serpent & Dove, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.

The Girl and the Grove - Eric Smith 2018-05-08

Adopted teen Leila discovers that her connection to nature and passion for environmental activism are part of her unique and magical genetic makeup, and a grove of trees that holds a mythical secret.

The Perfect Game - J. Sterling 2020-04-21

With over half-a-million copies sold worldwide, come see why readers and authors alike all call this, "an unforgettable story that will stay with you for years," by New York Times Bestselling Author, J. Sterling. He's a game she never intended to play. And she's the game changer he never knew he needed. The Perfect Game tells the story of college juniors, Cassie Andrews & Jack Carter. When Cassie meets rising baseball hopeful Jack, she is determined to steer clear of him and his typical cocky attitude. But Jack has other things on his mind... like getting Cassie to give him the time of day. They're both damaged, filled with mistrust and guarded before they find one another (and themselves) in this emotional journey about love and forgiveness. Strap yourselves for a ride that will not only break your heart, but put it back together. Sometimes life gets ugly before it gets beautiful.

Good and Mad - Rebecca Traister 2019-09-03

Journalist Rebecca Traister's New York Times bestselling exploration of the transformative power of female anger and its ability to transcend into a political movement is "a hopeful, maddening compendium of righteous feminine anger, and the good it can do when wielded efficiently—and collectively" (Vanity Fair). Long before Pantsuit Nation, before the Women's March, and before the #MeToo movement, women's anger was

not only politically catalytic—but politically problematic. The story of female fury and its cultural significance demonstrates its crucial role in women's slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men. "Urgent, enlightened...realistic and compelling...Traister eloquently highlights the challenge of blaming not just forces and systems, but individuals" (The Washington Post). In *Good and Mad*, Traister tracks the history of female anger as political fuel—from suffragettes marching on the White House to office workers vacating their buildings after Clarence Thomas was confirmed to the Supreme Court. Traister explores women's anger at both men and other women; anger between ideological allies and foes; the varied ways anger is received based on who's expressing it; and the way women's collective fury has become transformative political fuel. She deconstructs society's (and the media's) condemnation of female emotion (especially rage) and the impact of their resulting repercussions. Highlighting a double standard perpetuated against women by all sexes, and its disastrous, stultifying effect, *Good and Mad* is "perfectly timed and inspiring" (People, Book of the Week). This "admirably rousing narrative" (The Atlantic) offers a glimpse into the galvanizing force of women's collective anger, which, when harnessed, can change history.

[White Fragility](#) - Robin DiAngelo 2019-02-07

The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine *Anger. Fear. Guilt. Denial. Silence.* These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in *White Fragility* lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson

Batman/Superman Vol. 2: Game Over (The New 52) - Greg Pak 2014-11-18

The Dark Knight and the Man of Steel uncover a plot by the Toymaster to use a secret, potentially deadly element in his new video game, the characters created by players manifest in real life. The ultimate fighting game results--and a world-wide network of players must team up to create the most powerful, skilled Super Heroes imaginable with one goal: To kill Batman. When Batman and Superman are cornered by the Toymaster and Mongul, they are pitted against on another in a battle to the death, with their only hope being the The Worlds' Finest. Collects *Batman/Superman #5-9*, *Batman/Superman Annual #1*, *Worlds' Finest #20-21*.

[Wal-Mart Wars](#) - Rebekah Peeples Massengill 2013-03-25

Wal-Mart is America's largest retailer. The national chain of stores is a powerful stand-in of both the promise and perils of free market capitalism. Yet it is also often the target of public outcry for its labor practices, to say nothing of class-action lawsuits, and a central symbol in America's increasingly polarized political discourse over consumption, capitalism and government regulations. In many ways the battle over Wal-Mart is the battle between "Main Street" and "Wall Street" as the fate of workers under globalization and the ability of the private market to effectively distribute precious goods like health care take center stage. In *Wal-Mart Wars*, Rebekah Massengill shows that the economic debates are not about dollars and cents, but instead represent a conflict over the deployment of deeper symbolic ideas about freedom, community, family,

and citizenship. *Wal-Mart Wars* argues that the family is not just a culture wars issue to be debated with regard to same-sex marriage or the limits of abortion rights; rather, the family is also an idea that shapes the ways in which both conservative and progressive activists talk about economic issues, and in the process, construct different moral frameworks for evaluating capitalism and its most troubling inequalities. With particular attention to political activism and the role of big business to the overall economy, Massengill shows that the fight over the practices of this multi-billion dollar corporation can provide us with important insight into the dreams and realities of American capitalism.

The Sum of Us - Heather McGhee 2021-03-26

LONGLISTED FOR THE NATIONAL BOOK AWARD 'With intelligence and care (as well as with a trove of sometimes heartbreaking and sometimes heart-opening true stories) Heather McGhee shows us what racism has cost all of us' - Elizabeth Gilbert Picked for the Financial Times Summer Books by Gillian Tett What would make a society drain its public swimming baths and fill them with concrete rather than opening them to everyone? Economics researcher Heather McGhee sets out across America to learn why white voters so often act against their own interests. Why do they block changes that would help them, and even destroy their own advantages, whenever people of colour also stand to benefit? Their tragedy is that they believe they can't win unless somebody else loses. But this is a lie. McGhee marshals overwhelming economic evidence, and a profound well of empathy, to reveal the surprising truth: even racists lose out under white supremacy. And US racism is everybody's problem. As McGhee shows, it was bigoted lending policies that laid the ground for the 2008 financial crisis. There can be little prospect of tackling global climate change until America's zero-sum delusions are defeated. *The Sum of Us* offers a priceless insight into the workings of prejudice, and a timely invitation to solidarity among all humans, 'to piece together a new story of who we could be to one another'.

[Talking to Strangers](#) - Malcolm Gladwell 2019-09-10

THE INTERNATIONAL BESTSELLER 'Compelling, haunting, tragic stories . . . resonate long after you put the book down' James McConnachie, Sunday Times Book of the Year The routine traffic stop that ends in tragedy. The spy who spends years undetected at the highest levels of the Pentagon. The false conviction of Amanda Knox. Why do we so often get other people wrong? Why is it so hard to detect a lie, read a face or judge a stranger's motives? Using stories of deceit and fatal errors to cast doubt on our strategies for dealing with the unknown, Malcolm Gladwell takes us on an intellectual adventure into the darker side of human nature, where strangers are never simple and misreading them can have disastrous consequences.

New York Magazine - 1993-10-25

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

[The Art of Trollhunters](#) - Dreamworks 2019-06-18

Concept art and creator commentary from Academy Award Winner Guillermo del Toro and the talented minds behind the Emmy® Award-winning animated series! Dark Horse Books and DreamWorks Animation have crossed Arcadia Oaks, the Troll Market, and the Darklands to bring you the definitive chronicle of the making of *Trollhunters*. Including hundreds of pieces of never-before-seen concept art and exclusive artists' commentary, this masterfully designed and gorgeously printed volume offers readers the chance to take in the magic of these fantastical worlds and unforgettable characters like never before!

[Tasting Never](#) - C. M. Stunich 2012-12-20

Never is a girl with a broken soul who doesn't date nice guys and can't seem to go to bed at night without crying herself to sleep. She doesn't need any complications in her life, especially not when they're attached to a man that could be her emotional twin. Cabe can't stand Never the first time he meets her. He's aware that the feeling's mutual and the two don't think they'll ever see each other again, but when fate takes a hand and puts them both in the wrong place at the wrong time, Ty and Never form a tentative friendship that opens the door on their dark sides and shows them what it's like to live in the light.

I Had a Black Dog - Matthew Johnstone 2012-03-01

'I Had a Black Dog' says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and

indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

Trouble - Samantha Towle 2013-11-17

Mia Monroe is running from a past she doesn't ever want anyone to know. Jordan Matthews likes easy women and an easy life. He can see that Mia is damaged, troubled and has more baggage than any person can carry. As Jordan gets to know Mia, he finds himself wanting to try hard for someone for the first time in his life. Then the past Mia was running from starts to catch up with her ...

Rosemary Beach Kisses - Melissa Chambers 2021-10-12

She refuses to be tied down, but he plans to change her mind... Opposites attract, which is exactly why Meade Forbes has zero interest in the uber-smart Ryder. Reading thesis papers and watching documentaries on astrophysics is for her own private time and not to be shared with a man. When she's ready to play, she wants to clear her busy brain and drown in muscles and nonsense. Not to mention Ryder is a single dad. Meade is completely ill-equipped to be a mother figure to a teenage girl. Despite the fact that Meade's in her mid...okay, late thirties, she still hasn't figured out what she wants to be when she grows up. Her job pouring cocktails on the beach suits her just fine for now. Ryder needs to quit thinking he's found his soulmate. And he also needs to stop making her want to try him on for size for just one night. Rosemary Beach Kisses is book six in the Love Along Highway 30A series, which features beautiful beach communities, a circle of unique and amazing friends, and romances that will have you cheering on the couples and fanning yourself from the heat. All books are standalone and can be enjoyed in or out of order.
