*Erotic Colour Prints of the Ming Period* - Robert Hans van Gulik 1951

**Shades of Sexuality** - Amanda Leamon 1997

Shades of Sexuality: Colors and Sexual Identity in the Novels of Blaise Cendrars, by Amanda Leamon, is currently one of the few studies on the modernist poet and novelist Blaise Cendrars to be written in English. Of interest to scholars of Cendrars, Modernism, Twentieth Century French Literature and early Twentieth Century Art and Humanities, Shades of Sexuality is unique among the growing body of criticism and analysis of Cendrars' fiction in that it explores the ways in which Cendrars makes use of the spectrum of fragmented colors and other elements of disguise and trompe-l'oeil, both as an artistic device in the construction of the fictional tekst, and as a recurrent motif in the representation and exploration of the male subject and his relation to woman. The author demonstrates how Cendrars effects intersections of gender in the tekst through the manipulation of colors and their associations with femininity, ultimately undermining the illusory façade of male autonomy which dominates his fictional corpus.

*The Descent of Man, and Selection in Relation to Sex ... Second Edition, Revised and Augmented, with Illustrations. Tenth Thousand* - Charles Darwin 1874

*Sex and Suits* - Anne Hollander 2016-08-25

Since the dawn of western fashion in the Middle Ages, women's dress has never stopped evolving, yet menswear has seen far fewer style revolutions. At the centre of the male wardrobe is the suit: relatively unchanged since the 17th century, its cut and cloth suggest athleticism, seriousness, sexuality and strength – qualities which contrasted with the perceived superficiality and frivolity of female dress, and eventually led to the adoption of the suit into the female wardrobe where it remains to this day. In *Sex and Suits* brilliant essayist and art critic Anne Hollander charts the development of men's and women's fashion from their divergence in the medieval period to their convergence through to the late 20th century. Challenging the idea that the suit's success is merely down to its practicality, this trailblazing book argues that men have been fashion's true style-setters and that as women's fashion has taken on elements of men's style through tailoring, so men have reclaimed the embellishment and colour of past eras. First published in 1994 to great acclaim, this classic text is as fresh and provocative as ever and remains a must-read for students, scholars and anyone fascinated by the history of fashion and gender.

*The Colour of Sex* - Lynn Champion 1999

Based on the principles of colour psychology THE COLOUR OF SEX explains the link between colour, personal relationships and behaviour. This is a warm yet serious look at the influence of colour in our intimate lives and is full of practical tips on how to improve your relationships and charm your partner's senses, including the nine essential steps to seduction, through the conscious use of colour. THE COLOUR OF SEX deals with sensuality and confidence, from the colour and sensuality rating of your favourite underwear to how colours can influence people's moods and what the colour and style of your bedroom says about the intimate you.

**Studies in the Psychology of Sex** - Havelock Ellis 1897

**Erotic Colour Prints of the Ming Period** - Robert van Gulik 1986

*The War on Sex* - Chad Denton 2014-11-05

From earliest times, sex has fascinated and repulsed society in equal measure. In an effort to untangle Western society's complex relationship with the realities of sex, this provocative volume explores the ways in which governments, religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history. From the sacred texts of ancient Israel to the slums of 19th century Britain, this book explores political, legal and cultural controls on consensual sex and the individuals and movements that resisted them. Topics range from prostitution and homosexuality to marriage, contraception and abortion. While traditional narrative holds that Europe alternated between sexual freedom and oppression through the Victorian age, this work reveals that the real story of how sex was regulated--and how people defied regulation--is not so clear cut.

**Sex Position Coloring Book** - Editors of Hollan Publishing 2013-12-03

"This is a very funny coloring book. I love how graphic [it is.]" —Chelsea Handler SEX IS FUN! COLORING IS FUN! NOW, COLORING SEX IS FUN!!! Thanks to this first-ever interactive intercourse guide, you and your lover can explore exciting new sex positions in an enjoyable, approachable and brightly colored way. Just be sure to stay inside the lines as you learn to be creative between the sheets. Discover what type of sexual being you're interacting with, from observing their favorite colors. "Reveal your inner most desires that may be hidden inside of your psyche, using the power of color." Know their color to help break the sexual tension. Color gives you the quickest and deepest look at your mate's amorous baseline characteristic! CHROMOTHERAPY, COLOUR, SEXUALITY, EROTICISM, AROUSAL, COLOR SCIENCE

**Crossing the Color Line** - Carina E. Ray 2015-10-15

Interracial sex mattered to the British colonial state in West Africa. In *Crossing the Color Line*, Carina E. Ray goes beyond this fact to reveal how Ghanaians shaped and defined these powerfully charged relations. The interplay between African and European perspectives and practices, argues Ray, transformed these relationships into key sites for consolidating colonial rule and for contesting its hierarchies of power. With rigorous methodology and innovative analyses, Ray brings Ghana and Britain into a single analytic frame to show how intimate relations between black men and white women in the metropole became deeply entangled with those between black women and white men in the colony in ways that were profoundly consequential. Based on rich archival evidence and original interviews, the book moves across different registers, shifting from the micropolitics of individual disciplinary cases brought against colonial officers who "kept" local women to transatlantic networks of family, empire, and anticolonial resistance. In this way, Ray cuts to the heart of how interracial sex became a source of colonial anxiety and nationalist agitation during the first half of the twentieth century.

*Talkabout Sex and Relationships 2* - Alex Kelly 2018-10-26

*Talkabout Sex & Relationships 2* is a comprehensive toolkit for all therapists, educators and support staff who deliver sex education to people with special needs. It is intended primarily to support groupwork but activities can be easily adapted to suit the needs of individuals with varying abilities. The resource emphasises the importance of being well informed in regards to the physical, interpersonal and emotional aspects of sex; including body awareness, consent, sexual health and guidelines for a healthy sexual relationship. It is packed with practical activities which are designed to open up discussion around sensitive issues in a fun, informative and non-judgemental way. Each activity comes with guidance for practitioners on how to prepare for and delivery the sessions. Features include: guidelines to assess the suitability of students for the programme visually appealing and engaging activities with full colour illustrations photocopyable activities which can also be downloaded for free on the accompanying website template letters for parental permission in delivering the sessions This toolkit is the second in a two volume set, the first of which focuses on relationships. Created by Alex Kelly and Emily Dennis as part of the bestselling *Talkabout* series, this publication constitutes the most complete and trustworthy set of resources available for groupwork focussing on sex and relationships for people with special needs.

*The Colour of Sex* - Lynn Champion 2000-05

*The Colour of Sex* is a new look at intimacy, romance, sensuality and relationships: a book of fascinating facts and inspiring ideas. Based on the principles of colour psychology, it explains the link between colour, personal relationships and behaviour. This is a warm yet serious look at the influence of colour in our intimate lives and is full of practical tips on how to improve your relationships and charm your partner's senses -- including the nine essential steps to seduction -- through the conscious use of colour. The book also deals with other aspects of sensuality and confidence, such as: \* the colour and sensuality rating of your favourite underwear \* how colours can influence people's moods \* what the colour and style of your

bedroom says about the intimate you With its combination of colour psychology and tips for better communication, *The Colour of Sex* is a powerful tool to bring more love into your life and give you greater confidence.

**Sex and Sexuality in Victorian Britain** - Violet Fenn 2020-05-30

"Dull this book is not, and it gives an insight into the many scandals not spoken about in polite Victorian drawing rooms." —Glasgow & West of Scotland Family History Society Peek beneath the bedsheets of nineteenth-century Britain in this affectionate, informative and fascinating look at sex and sexuality during the reign of Queen Victoria. It examines the prevailing attitudes towards male and female sexual behavior, and the ways in which these attitudes were often determined by those in positions of power and authority. It also explores our ancestors' ingenious, surprising, bizarre and often entertaining solutions to the challenges associated with maintaining a healthy sex life. Did the people in Victorian times live up to their stereotypes when it came to sexual behavior? This book will answer this question, as well as looking at fashion, food, science, art, medicine, magic, literature, love, politics, faith and superstition through a new lens, leaving the reader uplifted and with a new regard for the ingenuity and character of our great-great-grandparents. "I would say this book gives you the information on relationships, genders and very much behavior that doesn't usually come across in history books. Therefore this is an excellent book indeed, certainly one that more people should be aware of and learn from." —UK Historian "The writing is joyous and it is clear the author enjoys her subject and is fairly knowledgeable on things Victorian." —Rosie Writes

"Fenn's writing is so readable and it's clear this is a book written by a historian who loves her subject and is very knowledgeable about the research being carried out by other historians." —Jessticulates

**Sex Promises** - Crombie Jardine 2006-10-01

SEX PROMISES is a fantastic new way to show the passion you feel for someone in your life. With 48 colour illustrated promises, the only difficulty you will be faced with will be finding the most appropriate one for that special person and occasion.

*The Color of Sex* - Mason Stokes 2001-02-08

DIVReads white supremacist narratives in the context of Black and white literature at the turn of the century, with special attention to the interconnections between race and sexuality./div

*Eye Color, Sex, and Race* - Morgan Worthy 1974

**The Color Purple** - Alice Walker 2011-09-20

The Pulitzer Prize- and National Book Award-winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The Color Purple has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (The Nation), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The Color Purple is the 1st book in the Color Purple Collection, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*.
