The Drowned Cities Paolo Bacigalupi 2012-05-01 In this exhilarating companion to Printz Award winner and National Book Award finalist *Ship Breaker*, Paolo Bacigalupi brilliantly captures a dark future America that has devolved into unending civil wars, driven by demagogues who recruit children to become soulless killing machines. Drowned Therese Bohman 2012-05-22 Drowned, set in the idyllic countryside during a short-lived Swedish summer, gets under one's skin from the first page, creating an atmosphere of foreboding in which even the perfume of freshly picked vegetables roasting in the kitchen becomes ominous. Nothing is as it seems in this spellbinding novel of psychological suspense that combines hothouse sensuality with ice-cold fear on every page. More than a mere thriller, this debut novel delves deep into the feminine soul and at the same time exposes the continuing oppression of women in Sweden's supposedly enlightened society. It's 1966 and Frankie Croy needs a break. Having achieved success with her debut bestseller, she's been trying desperately to live up to the high expectations of her editor and fans, only to fall short with each new book. When she receives a possible career-ending review and then has a very public breakdown, she retreats to her friend's vacant palazzo in Venice in the hopes the new setting will rejuvenate her creativity and inspire her writing. But she finds that she's just as stuck. And then she meets a fellow British expat, a precocious young fan named Gilly who is eager to befriend her favorite author at all costs. An aspiring writer, Gilly worms herself into Frankie's Venetian life and the two begin an uneasy companionship. Frankie is skeptical of someone so relentlessly chipper, and Gilly tells stories that seem too good to be true, and in fact some of them are. This complicated web of desperate friendship, half-truths, and white lies--all set against a once-in-a-generation storm that inundates Venice and leaves it flooded--will lead Frankie to make a choice that is impossible to undo. A gorgeously rendered and twisted tale of art and ambition, Palace of the Drowned is a literary thriller that asks just how far one is willing to go to achieve success"--

The Drowned Girl Eve Alexandra 2003 "Rare in any age is work which incorporates a passion for experience, a commitment to truth, an ability to plumb the irrational, and a fluency in poetic language and music which can work through all these tangled thickets, but Eve Alexandra does just that. . . . This is true poetry; it immediately takes its place as a participant in the vast historical voice which composes poetry, a voice which contains ten-thousand tones, but which takes nothing unto itself which doesn't resonate, as do the poems of *The Drowned Girl*, with authenticity and fervor." --C. K. Williams, Judge "One of the things I find compelling about Eve Alexandra's poems is that, while the narrator is seductive and beautiful, she is not pleasing. She does not offer comfort. She is not kind or solicitous. Like Ariel, who 'performs the tempest' for Prospero, Alexandra, too, is a tempest-ress: these are the storms and drownings of her own invention. Like Ariel's bedeviling and gorgeous tunes composed to tease the sorrowful, these are poems of the taunt and tease, the razor in the apple." --Lynn Emanuel "Something bright and reflective, something lucid and exacting glints at the center of this fleshy, original debut. Is it a needle? Is it a scalpel? Is it a scythe? Is it the switchblade a woman might carry in her purse? Eve Alexandra wields a tender, sharp honesty. The lines cut and dice, arc and glimmer in the light of her lyricism and intelligence. These poems will open you, make you bleed, make you wonder." --Terrance Hayes

The Girl in the Lake India Hill Brown 2022-01-04 For fans of *Small Spaces*, *Doll Bones*, and *Mary Downing Hahn*, a truly chilling (and historically inspired) ghost story from the talented author of *The Forgotten Girl*. Celeste knows she should be excited to spend two weeks at her grandparents' lake house with her brother, Owen, and their cousins Capri and Daisy, but she's not. Bugs, bad cell reception, and the dark waters of the lake... no thanks. On top of that, she just failed her swim test and hates being in the water—it's terrifying. But her grandparents are strong believers in their family knowing how to swim, especially having grown up during a time of segregation at public pools. And soon strange things start happening—the sound of footsteps overhead late at night. A flickering light in the attic window. And Celeste's cousins start accusing her of pranking them when she's been no where near them! Things at the old house only get spookier until one evening when Celeste looks in the steamy mirror after a shower and sees her face, but twisted, different... Who is the girl in the mirror? And what does she want? Past and present mingle in this spine-tingling ghost story by award-winning author India Hill Brown.
