

# The Polygamous Sex

**Sex at Dawn** - Christopher Ryan 2021-01-05

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

**Prostitution, Polygamy, and Power** - Jeffrey D. Nichols 2002

"The controversy waned when the Church of Jesus Christ of Latter-day Saints began to move away from polygamy in the 1890s, but resurfaced with the rise of the anti-Mormon American Party that sponsored the Stockade prostitution district. Nichols traces the interplay of prostitution and reform through World War I, when Mormon and gentile moral codes converged at the expense of prostitutes. He also considers how polygamy and religious conflict distinguished Salt Lake City from other cities struggling to abolish prostitution in the Progressive Era."--Jacket.

**The Manipulated Man** - Esther Vilar 2009-01-16

Esther Vilar's classic polemic about the relationship between the sexes caused a sensation on its first publication. In her introduction to this revised edition, Vilar maintains that very little has changed. A man is a human being who works, while a woman chooses to let a man provide for her and her children in return for carefully dispensed praise and sex. Vilar's perceptive, thought-provoking and often very funny look at the battle between the sexes has earned her severe criticism and even death threats. But Vilar's intention is not misogynous: she maintains that only if women and men look at their place in society with honesty, will there be any hope for change.

*Stolen Innocence: My story of growing up in a polygamous sect, becoming a teenage bride, and breaking free* - Elissa Wall 2009-03-13

A tale of survival and freedom, *Stolen Innocence* is the story of one heroic woman who stood up for what was right and reclaimed her life.

*Misers, Shrews, and Polygamists* - Keith McMahan 1995

Having multiple wives was one of the mainstays of male privilege during the Ming and Qing dynasties of late imperial China. Based on a comprehensive reading of eighteenth-century Chinese novels and a theoretical approach grounded in poststructuralist, psychoanalytic, and feminist criticism, *Misers, Shrews, and Polygamists* examines how such privilege functions in these novels and provides the first full account of literary representations of sexuality and gender in pre-modern China. In many examples of rare erotic fiction, and in other works as well-known as *Dream of the Red Chamber*, Keith McMahan identifies a sexual economy defined by the figures of the "miser" and the "shrew"-- caricatures of the retentive, self-containing man and the overflowing, male-energizing woman. Among these and other characters, the author explores the issues surrounding the practice of polygamy, the logic of its overvaluation of masculinity, and the nature of sexuality generally in Chinese society. How does the man with many wives manage and justify his sexual authority? Why and how might he escape or limit this presumed authority, sometimes to the point of portraying himself as abject before the shrewish woman? How do women accommodate or coddle the man, or else oppose, undermine, or remold him? And in what sense does the man place himself lower than the spiritually and morally superior woman? The most extensive English-language study of Chinese literature from the eighteenth century, this examination of polygamy will interest not only students of Chinese history, culture, and literature but also all those concerned with histories of gender and sexuality.

**Just Married** - Stephen Macedo 2017-05-09

The case for marriage equality and monogamy in a democratic society. The institution of marriage stands at a critical juncture. As gay marriage equality gains acceptance in law and public opinion, questions abound regarding marriage's future. Will same-sex marriage lead to more radical marriage reform? Should it? Antonin Scalia and many others on the right warn of a slippery slope from same-sex marriage toward polygamy, adult incest, and the dissolution of marriage as we know it. Equally, many academics, activists, and intellectuals on the left contend that there is no place for monogamous marriage as a special status defined by law. *Just Married* demonstrates that both sides are wrong: the same principles of democratic justice that demand marriage equality for same-sex couples also lend support to monogamous marriage. Stephen Macedo displays the groundlessness of arguments against same-sex marriage and defends marriage as a public institution against those who would eliminate its special status or supplant it with private arrangements. Arguing that monogamy reflects and cultivates our most basic democratic values, Macedo opposes the legal recognition of polygamy, but agrees with progressives that public policies should do more to support nontraditional caring and caregiving relationships. Throughout, Macedo explores the meaning of contemporary marriage and the reasons for its fragility and its enduring significance. His defense of reformed marriage against slippery slope alarmists on the right, and radical critics of marriage on the left, vindicates the justice and common sense of the emerging consensus. Casting new light on today's debates over the future of marriage, *Just Married* lays the groundwork for a stronger institution.

*The Sex Lives of African Women* - Nana Darkoa Sekyiamah 2021-07-22  
A DOROTHY KOOMSON BOOK OF THE YEAR AN ECONOMIST BOOK OF THE YEAR 'Such a beautiful read, like chatting to a friend over a cuppa. This is the intimate, insightful read that I didn't know I needed. Just brilliant.' Dorothy Koomson Nana Darkoa Sekyiamah spent decades talking openly and intimately to African women around the world about sex. In this book, she brings together their extraordinary stories, whilst also chronicling her own journey towards sexual freedom. From finding queer community in Egypt to living a polyamorous life in Senegal to understanding the intersectionality of religion and pleasure in Cameroon, their necessary narratives are individual and illuminating. This stunning collection provides crucial insight into our quest for sexual power and offers all women inspirational examples to live a truly liberated life. 'Touching, joyful, defiant - and honest.' Economist, Books of the Year 2021 'Fascinating.' Bernadine Evaristo 'Honest and moving. A vital treasure.' Bolu Babalola, author of *Love in Colour* 'Stunning. Essential read! I couldn't put it down.' Nicole Dennis-Benn, bestselling author of *Patsy* and *Here Comes the Sun* 'Leaves you feeling deliciously empowered.' Lola Shoneyin, author of *The Secret Lives of Baba Segi's Wives* 'Boundary-breaking, fascinating and deeply affirming.' Otegha Uwagba, author of *Little Black Book*

*It's Not about the Sex My Ass* - Steve Cuno 2012-07-24

With wit, humor and style, Joanne Hanks takes you on a wild ride through the insanity of the Mormon-based polygamist cult that was her life for seven years. Get ready to laugh. Get ready to be outraged. And get ready to see polygamy as no one has ever revealed it before. Joanne tells their crazy story with humor, satire and insight. You'll share her angst over sharing her husband. You'll meet her "sister wives," a prophet calling himself a "celestial stud service" who seeks divine guidance on threesomes, and apostles who dress in weird robes to curse the White House. You'll fume at gut-wrenching tales of racism, sexual abuse, fraud, and manipulation. And you'll find out why no one remembers when Jesus destroyed the world on March 26, 2000. "It's Not About The Sex" My Ass is more than an entertaining read. It's a cautionary tale about the power of delusional thinking, and a hopeful tale of one family that came to their senses and found the courage to leave.

**Debating Same-Sex Marriage** - John Corvino 2012-06

This volume presents both sides of the debate over whether same-sex marriage should be legalized.

**Monogamous Sex in Heaven!** - Marty A. Cauley 2016-10-10

At the same time in which the present author was reading books by Barrow Marrow and Peter Kreeft posing that sexual intimacy continues

in Heaven, he discovered that his wife had stage-3 breast cancer. As a therapy to help him deal with this news, he poured himself into research to see if Marrow and Kreeft might actually be correct, thereby enabling him to believe that no matter what happened, the best was yet to come. This is the conclusion and comfort of this book. In contradiction to those authors and groups who advocate polygamous and promiscuous sexual relations in Heaven, the present author uses type-archetype pattern and typology to argue for exclusivity and monogamy in the form of a heavenly soulmate who, in many cases, will be the spouse who was our earthly soulmate. Monogamous sexual intimacy will continue in the eternal state for those resurrected believers who are found faithful by the Lord at the time of judgment. A variety of arguments are used to defend this thesis. Naturally, the presence of sex organs in the eternal state suggests the function of that organ. Since those in the eternal state will have sex organs, as is conceded even by those not holding to the author's thesis, the supposition should be that those having these sex organs will use them. NDE claims to the contrary concerning lack of genitalia during the intermediate state are evaluated. Transcendentally, just as other transcendental desires point to a future fulfillment, our present sexual desires point to a future fulfillment also. Exegetically, Lk 20:35-36 is not limited to being like angels in terms of immortality but encompasses being like angels in terms of their sexuality. The sexuality and sex drive of male angels is obvious in Gen 6:1-4. These heavenly angels had a strong sex drive before their fall, indicating that even angels in Heaven have sexual desires and thus act in accordance with those desires. Angelically, we should deduce that angels are likewise male and female soulmates. Ontologically, our sexual gender is not limited to our physical bodies but includes our metaphysical being as well, as is proven by astral sex. Changing sexual form during astral sex or having sexual ambiguities during the physical state pose no problem for the affirmation of sexual gender projecting into the metaphysical state. Hierarchically, the cosmic sex ladder suggests increased sexual distinctiveness as one moves up the ladder. Neuter forms at the bottom of the ladder are to be expected. Intrinsically, for man and woman to be created as a unity in the image of God means that this sexual duality and unity must continue in the eternal state if we are to continue in our status of God's image bearers. Misthology (the doctrine of rewards) supports exclusivity, and therefore monogamy, in the form of a complementary consensual soulmate. This soulmate is one's sole mate. Sexual hierarchy agrees with misthological hierarchy. Also, misthologically speaking, a king needs a queen. Extrabiblical sources in the forms of dreams, visions, and NDEs are consulted and found to provide limited secondary confirmation for the thesis of this book. Collaborating biblical sources include typological pairing of male and female overcomers, pictured by Boaz and Ruth, as confirmed by the Song of Solomon. Oral sex within the Song of Solomon demonstrates that sex is intended for pleasure and not limited to reproduction, thus supporting the case that sex could be intended for pleasure in Heaven without being tied to reproductive marriage.

#### **The Manipulated Man** - Esther Vilar 2008

Argues that a man is a human being who works, while a woman chooses to let a man provide for her and her children in return for carefully dispensed praise and sex. This book maintains that only if women and men look at their place in society with honesty, will there be any hope for change.

#### **The Polygamist** - William Irvine 2016-10-07

One man, many wives In *The Polygamist*, William Irvine explores love, sex, and marriage within the context of an unusual household. An exploration of sexual fantasy and desire, ultimately *The Polygamist* is a coming of age story with a strong spiritual theme. Set at the end of the seventies, a time when experimentation with alternative lifestyles and sexual relationships was rife, *The Polygamist* follows the fortunes of Omar Al Ghamdi, Saudi-born but educated in the West; a man who is the product of two irreconcilable cultures. After two decades he has come to experience philandering as increasingly superficial; but vehemently opposed to monogamous fidelity, turns to polygamy as the solution to his high turnover existence. His hope is that taking several wives will provide him with a more honest and satisfying alternative, allowing him to engage in deeper relationships whilst still giving a long enough leash to his sexuality. Having pursued his goal without compromise by entering into serial arranged marriages, he lives with his household on a remote house on Colva Beach in Goa. Does the reality live up to the dream? And, what is it like for the women? How can one man possibly satisfy multiple female partners? Written from an unashamedly male perspective, *The Polygamist* will appeal to those wishing to understand male sexuality and the desires that shape all of our lives and relationships.

#### **The Red Queen** - Matt Ridley 1994-10-06

Sex is as fascinating to scientists as it is to the rest of us. A vast pool of knowledge, therefore, has been gleaned from research into the nature of sex, from the contentious problem of why the wasteful reproductive process exists at all, to how individuals choose their mates and what traits they find attractive. This fascinating book explores those findings, and their implications for the sexual behaviour of our own species. It uses the Red Queen from 'Alice in Wonderland' - who has to run at full speed to stay where she is - as a metaphor for a whole range of sexual behaviours. The book was shortlisted for the 1994 Rhone-Poulenc Prize for Science Books. 'Animals and plants evolved sex to fend off parasitic infection. Now look where it has got us. Men want BMWs, power and money in order to pair-bond with women who are blonde, youthful and narrow-waisted ... a brilliant examination of the scientific debates on the hows and whys of sex and evolution' Independent.

#### **Out of Eden** - David P. Barash 2016

In this changing world of what is deemed socially and politically "correct," polygamy is perhaps the last great taboo. Over the course of the last thousand years, monogamy - at least in name - has been the default setting for coupledness and procreation. And yet, throughout history, there have been inklings that "one-man, one-woman" may not be the most natural state-of-being for humans. The recent Ashley Madison "cheaters website" hacking, coupled with the high divorce rate of the last half-century, provide more than enough evidence to convince even a hopeless romantic that monogamy, and the institution of marriage which props it up, is doomed to be a bygone remnant of a more socially conservative past. Esteemed writer and evolutionary biologist David P. Barash tackles this uncomfortable finding: that humans are actually biologically and anthropologically more inclined toward polygamy. With years of research in the field to back up this argument, Barash presents hundreds of anecdotes from both evolutionary biology and human history that guide the reader through the societal impacts of monogamy and polygamy - some expected (sexual behavior) and others unexpected (the most successful models of parenting). Despite this natural inclination of humanity, Barash is reassuring throughout this fascinating read in his resolution that "biology is not destiny."

#### **God's Brothel** - Andrea Moore-Emmett 2004

A shocking indictment of polygamy, this book reveals gruesome facts about Bible-based polygamy through the experiences of 18 brave women who escaped from ten of the 11 main polygamous groups. (Christian)

#### **The Polygamy Question** - Janet Bennion 2016-03-01

The practice of polygamy occupies a unique place in North American history and has had a profound effect on its legal and social development. *The Polygamy Question* explores the ways in which indigenous and immigrant polygamy have shaped the lives of individuals, communities, and the broader societies that have engaged with it. The book also considers how polygamy challenges our traditional notions of gender and marriage and how it might be effectively regulated to comport with contemporary notions of justice. The contributors to this volume—scholars of law, anthropology, sociology, political science, economics, and religious studies—disentangle diverse forms of polygamy and polyamory practiced among a range of religious and national backgrounds including Mormon and Muslim. They chart the harms and benefits these models have on practicing women, children, and men, whether they are independent families or members of coherent religious groups. Contributors also address the complexities of evaluating this form of marriage and the ethical and legal issues surrounding regulation of the practice, including the pros and cons of legalization. Plural marriage is the next frontier of North American marriage law and possibly the next civil rights battlefield. Students and scholars interested in polygamy, marriage, and family will find much of interest in *The Polygamy Question*. Contributors include Kerry Abrams, Martha Bailey, Lori Beaman, Janet Bennion, Jonathan Cowden, Shoshana Grossbard, Melanie Heath, Debra Majeed, Rose McDermott, Sarah Song, and Maura Irene Strassberg.

#### **It's Not About the Sex My Ass** - Steve Cuno 2012

A former polygamist member of The True and Living Church of Jesus Christ of Saints of the Last Days tells her story of life as a polygamist.

#### **The Polygamous Sex** - Esther Vilar 1976

#### **More Wives Than One** - Kathryn M. Daynes 2001

*More Wives Than One* offers an in-depth look at the long-term interaction between belief and the practice of polygamy, or plural marriage, among the Latter-day Saints. Focusing on the small community of Manti, Utah, Kathryn M. Daynes provides an intimate view of how Mormon doctrine

and Utah laws on marriage and divorce were applied in people's lives.

**The Polygamist** - Sue Nyathi 2020-02-01

Two's company... five is definitely a crowd! The Polygamist weaves a tale of four women whose lives become intertwined when they all fall for a wealthy banking magnate Jonasi Gomora. Seemingly indomitable, and oozing money, power and sex appeal, Jonasi is about to complicate all their lives forever. Joyce is pampered wife number one who lives in the lap of luxury. She believes she has the perfect marriage until Matipa rears her coiffed head. Matipa is the glamorous mistress every married

woman hates. Her driving ambition is to usurp Joyce's role as Jonasi's lover and wife. Essie is Jonasi's best-kept secret — the second wife no one knows about. She cared for Jonasi long before he became the man he is, and plays the role of second fiddle knowing he'll always come back to her. Lindani's main goal in life is to upgrade from girlfriend to wife. When she meets Jonasi, she thinks all her problems have been answered, not knowing they have only just begun... Take a journey with these four women and get caught up in the explosive havoc of marriage to a multitude!
