Trans Love Radical Sex Love Relationships Beyond The Gender Binary

Morty Diamond

Trans/Love Morty Diamond, 2011-10-11 This is where sex and gender collide, then ricochet like fragments of heart rending shrapnel. Rarely has a book about lust been full of so much love, conflict, and intelligence. If you think you already know what's in these stories, or you think you don't need to know, you're wrong.—Patrick Califa, author of Sex Changes: The Politics of Transgenderism Exploring the crossroads of gender and sexuality, Trans/Love: Radical Sex, Love & Relationships Beyond the Gender Binary offers unusually engaging narratives that create a raw and honest depiction of dating, sex, love, and relationships among members of the gender variant community. FTM, MTF, thirddgender, genderqueer, and other non-traditional identities beyond the gender binary of traditional male and female are included in this often heartwarming, occasionally heartbreaking, always heartfelt groundbreaking anthology. From monogamous love and marriage to anonymous sex and one-night hook-ups (and everything in between), these stories offer readers insight into the precarious emotional and practical mechanics of intimacy among gender-variant experiences. Features contributions from award-winning authors including Julia Serano, Sassafras Lowery, and Max Valerio, alongside outstanding new writing by Tribe 8 guitarist and acclaimed film director Silas Howard, activist Joelle Ruby Ryan, filmmaker Ashley Altadonna, SisterSpit alum Cooper Lee Bombardier, and many other unique and talented voices. Morty Diamond is the editor of the critically-acclaimed anthology From the Inside Out: Radical Gender Transformation, FTM and Beyond. His performance work includes My Year In Pink and Ask A Tranny, a public performance piece on acceptance of and education about the trans experience.

Trans Love Freiya Benson, 2019-08-21 Selected as a 2019 LGBT Book of the Year by Dazed and Ms. Magazine A ground-breaking anthology of writing on the topic of love, written by trans and non-binary people who share their thoughts, feelings and experiences of love in all its guises. The collection spans familial, romantic, spiritual and self-love as well as friendships and ally love, to provide a broad and honest understanding of how trans people navigate love and relationships, and what love means to them. Reclaiming what love means to trans people, this book provokes conversations that are not reflected in what is presently written, moving the narrative around trans identities away from sensationalism. At once intimate and radical, and both humorous and poignant, this book is for anyone who has loved, who is in love, and who is looking for love.
Take Me There Tristan Taormino, 2011-10-04 From the founding editor of Cleis Press' bestselling Best Lesbian Erotica series (also available from Turnaround) comes a daring new project - a collection of erotica by and for transfolk, FTMs, MTFs, genderqueers, gender outlaws and two-spirited, intersex and gender-variant people. Many of the characters populating the pages of this sizzling collection consciously reinvent, re-imagine and play with gender during sex. The names they give themselves or each other during sex can taunt and tease - but they always signify the presence of gender.

Queer Sex Juno Roche, 2018 Frankly discussing desire, sex and how trans people relate to their bodies and relationships, this collection of intimate interviews with leading figures from the trans and non-binary community is a call to arms for how society views gender and sexuality.

Trans-Oriented Michael David Freel, 2016-04-14 Topical, wickedly frank, instructive...and frequently hilarious, Trans-Oriented is perhaps the world's very first romance guide for men whose sexual orientation is inescapably drawn towards transgender women. With everything a TGentleman will need to know about dating, friendship, romance, love, and sex with a TGirl, this comprehensive look at a seldom-examined world is jam-packed with information and practical advice. And it won't shrink from hitting readers upside the head with a 'clue by 4', either. The stereotype-shattering Trans-Oriented will be a revelation and an education, to those who share the orientation and to anyone interested in LGBT issues, human sexuality, or romantic relationships in general. Trans-Oriented, for all its hilarity, carries a serious and urgent message in defense of transgender women. Women who, Freel lovingly stresses, are not to be objectified, and who deserve the love and respect that must be the bedrock upon which any human relationship is built.

I'm Afraid of Men Vivek Shraya, 2018-08-28 Named a Best Book by: The Globe and Mail, Indigo, Out Magazine, Audible, CBC, Apple, Quill & Quire, Kirkus Reviews, Brooklyn Public Library, Writers’ Trust of Canada, Autostraddle, Bitch, and BookRiot. Finalist for the 2019 Lambda Literary Award, Transgender Nonfiction Nominated for the 2019 Forest of Reading Evergreen Award Winner of the 2018 Alcuin Society Awards for Excellence in Book Design - Prose Non-Fiction Cultural rocket fuel. --Vanity Fair Emotional and painful but also layered with humour, I'm Afraid of Men will widen your lens on gender and challenge you to do better. This challenge is a necessary one--one we must all take up. It is a gift to dive into Vivek's heart and mind. --Rupi Kaur, bestselling author of The Sun and Her Flowers and Milk and Honey A trans artist explores how masculinity was imposed on her as a boy and continues to haunt her as a girl--and how we might reimagine gender for the twenty-first century. Vivek Shraya has reason to be afraid. Throughout her life she's endured acts of cruelty and aggression for being too feminine as a boy and not feminine enough as a girl. In order to survive childhood, she had to learn to convincingly perform masculinity. As an adult, she makes daily compromises to steel herself against everything from verbal attacks to heartbreak. Now, with raw honesty, Shraya delivers an important record of the cumulative damage caused by misogyny, homophobia, and transphobia, releasing trauma from a body that has always refused to assimilate. I'm Afraid of
Men is a journey from camouflage to a riot of colour and a blueprint for how we might cherish all that makes us different and conquer all that makes us afraid.

Whipping Girl Julia Serano, 2016-03-08 This classic manifesto is “a foundational text for anyone hoping to understand transgender politics and culture in the U.S. today.” (NPR) *Named as one of 100 Best Non-Fiction Books of All Time by Ms. Magazine* In Whipping Girl, biologist and trans activist Julia Serano shares her experiences and insights—both pre- and post-transition—to reveal the ways in which fear, suspicion, and dismissiveness toward femininity shape our attitudes toward trans women, as well as gender and sexuality as a whole. Serano's well-honed arguments and pioneering advocacy stem from her ability to bridge the gap between the often-disparate biological and social perspectives on gender. In this provocative manifesto, she exposes how deep-rooted the cultural belief is that femininity is frivolous, weak, and passive. In addition to debunking popular misconceptions about being transgender, Serano makes the case that today's feminists and transgender activists must work to embrace and empower femininity—in all of its wondrous forms.

Trans Power Juno Roche, 2019-10-21 SHORTLISTED FOR THE POLARI BOOK PRIZE 2020 'Staggeringly visionary' ATTITUDE 'Essential reading' CHARLIE CRAGGS 'Not to be missed' AMELIA ABRAHAM 'An absolute gem' FOX FISHER 'Beautiful' CHRISTINE BURNS 'All those layers of expectation that are thrust upon us; boy, masculine, femme, transgender, sexual, woman, real, are such a weight to carry round. I feel transgressive. I feel hybrid. I feel trans.' In this radical and emotionally raw book, Juno Roche pushes the boundaries of trans representation by redefining 'trans' as an identity with its own power and strength, that goes beyond the gender binary. Through intimate conversations with leading and influential figures in the trans community, such as Kate Bornstein, Travis Alabanza, Josephine Jones, Glamrou and E-J Scott, this book highlights the diversity of trans identities and experiences with regard to love, bodies, sex, race and class, and urges trans people - and the world at large - to embrace a 'trans' identity as something that offers empowerment and autonomy. Powerfully written, and with humour and advice throughout, this book is essential reading for anyone interested in the future of gender and how we identify ourselves.

The Trans Partner Handbook Jo Green, 2017-08-21 Individuals who transition from one gender to another are often in some degree of a relationship, and over 55% of these relationships endure through the transition process. While more resources are emerging for trans people themselves, there is very little information available for their partners. Through first-hand accounts and vignettes of successful partnerships, this book presents detailed descriptions of everything involved in the transition process, with specific guidance for those supporting a partner in transition. Topics include disclosure, mental health, coming out, loss and grief, sex and sexuality and the legal, medical and social practicalities of transitioning. In this essential guide, people whose partners are across the transgender spectrum speak out on their own experiences with personal advice and support for others.
A History of Bisexuality  Steven Angelides, 2001-09-15 Angelides explores the evolution of sexology, revisiting modern epistemological categories of sexuality in psychoanalysis, gay liberation, social constructionism, queer theory, biology, and human genetics. He argues that bisexuality has functioned historically as the structural other to sexual identity itself, undermining assumptions about heterosexuality and homosexuality.

Gender Trouble  Judith Butler, 2011-09-22 With intellectual reference points that include Foucault and Freud, Wittig, Kristeva and Irigaray, this is one of the most talked-about scholarly works of the past fifty years and is perhaps the essential work of contemporary feminist thought.

CORROSIVE IMPACT OF TRANSGENDER IDEOLOGY. JOANNA. WILLIAMS, 2020
Inventing Transgender Children and Young People  Heather Brunskell-Evans, Michele Moore, 2019-10-08 The essays in this volume are written by clinicians, psychologists, sociologists, educators, parents and de-transitioners. Contributors demonstrate how ‘transgender children and young people’ are invented in different medical, social and political contexts: from specialist gender identity development services to lobby groups and their school resources, gender guides and workbooks; from the world of the YouTube vlogger to the consulting rooms of psychiatrists; from the pharmaceutical industry to television documentaries; and from the developmental models of psychologists to the complexities of intersex medicine. Far from just investigating how they are invented the authors demonstrate the considerable psychological and physical harms perpetrated on children and young people by transgender ideology, and offer tangible examples of where and how adults should intervene to protect them.

Trans People in Love  Tracie O'Keefe, Katrina Fox, 2010-07-01 Trans People in Love is a illuminating resource for members of the trans community and their partners and families: gay, lesbian, bisexual, queer, and intersex people; sexologists; sex therapists; counselors; psychologists; psychotherapists; social workers; psychiatrists; medical doctors; educators; students; and couples and family therapists. Trans People in Love provides a forum for the experience of being in love and in relationships with significant others for members of the trans community. This honest and respectful volume tells clinicians, scholars, and trans people themselves of the beauty and complexity that trans identity brings to a romantic relationship, what skills and mindsets are needed to forge positive relationships, and demonstrates the reality that trans people in all stages of transition can create stable and loving relationships that are both physically and emotionally fulfilling.

art, letters and memory, they set about trying to write the story of a doomed affair that first sparked and burned a decade ago. Ten years earlier, and our young narrator and a boy named Thomas James fall into bed with one another over the summer of their graduation. Their ensuing affair, with its violent, animal intensity and its intoxicating and toxic power play will initiate a dance of repulsion and attraction that will cross years, span continents, drag in countless victims - and culminate in terrible betrayal. At Certain Points We Touch is a story of first love and last rites, conjured against a vivid backdrop of London, San Francisco and New York - a riotous, razor-sharp coming-of-age story that marks the arrival of an extraordinary new talent. The writing is so fresh, funny and gripping - and carries the trademark wit that I have always loved from Lauren' TRAVIS ALABANZA'The struggle to find ones place in the world as an artist and lover, creating self and culture as you go along - At Certain Points We Touch captures this fleeting, dazzling moment with glamour and heart' MICHELLE TEA

**Femme in Public** Alok Vaid-Menon, 2021

Femme In Public (2017) is a poetry collection by transfeminine writer Alok Vaid-Menon. It is a meditation on anti-trans violence, a ceremony for loss and grief, and an imagining of what could be if we weren’t taught to fear the very things that have the potential to set us free ... This is the second edition of the book (2021) featuring poems from the vault--Alok Vaid-Menon's website (viewed December 1, 2021).

**Females** Andrea Long Chu, 2019-10-29

One of today’s most original thinkers on gender offers a provocative take on the current feminist movement, exploring “desire as the force shaping our identifies, the paradoxes of liberation politics, and her own gender transition” (Bookforum). “[Females] is always smart, sometimes sincere, and unpredictable about when it will pinch your arm or clutch its nails around your heart.” —Vice

Everyone is female, and everyone hates it. Females is Andrea Long Chu’s genre-defying investigation into sex and lies, desperate artists and reckless politics, the smothering embrace of gender and the punishing force of desire. Drawing inspiration from a forgotten play by Valerie Solanas—the woman who wrote the SCUM Manifesto and shot Andy Warhol—Chu aims her searing wit and surgical intuition at targets ranging from performance art to psychoanalysis, incels to porn. She even has a few barbs reserved for feminists like herself. Each step of the way, she defends the indefensible claim that femaleness is less a biological state and more a fatal existential condition that afflicts the entire human race—men, women, and everyone else. Or maybe she’s just projecting. A thrilling new voice who has been credited with launching the “second wave” of trans studies, Chu shows readers how to write for your life, baring her innermost self with a morbid sense of humor and a mordant kind of hope.

**Erase the Patriarchy** Isobel O'Hare, 2020-09-15

History is history. The uncompromising, oppressive, outdated reins of
patriarchy plaguing the entire world have never been more obvious--and perhaps never more in need of dismantling. Inspired, seemingly tireless people across the globe have always banded together in solidarity and action hell-bent on change. Sometimes this change is rooted in policy reform, sometimes revolution--and often artistic expression. Within this gorgeous volume of erasure artworks exist differing cultural experiences connected by the desire for paradigm shift on a global political scale. Familiar statements and treatises are transformed into poetic versions of what reality looks like or could become for many of us stuck in a vicious machine. This international artistic appeal rips apart layers of deception, inequity, and fraud perpetrated by systems of power. Erasing what no longer serves us can reveal another avenue from which to begin.
