**Lovesick** - T. L. Smith 2017-02

I couldn't do broken. Broken is what he was. Broken is what I will always be. To his eyes, that held so much despair, I couldn't look for long. To his fist, that clenched so tightly, like he was locking away the sorrow. To his lips, that never uttered a word, from the years of heartbreak. And despite it all, I couldn't stay away from him. It was like he was drowning in an ocean, and I wanted to grab his face, and whisper to his lips, "Don't forget to breathe." This was how I fell for a man. A man who was so lovesick, I was afraid he would drown me in that same ocean he was lost in.

**Hemy** - Victoria Ashley 2014-09-22

Henry Knox has hurt the one person that meant something to him, the only person he has loved. He became involved with drugs, alcohol and the wild life. But what he really wants is real love and the high that comes along with it.

Fueled - K. Bromberg 2016-09-05

From New York Times Best-Selling Author K. Bromberg comes the continuation of the Driven series... What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my

heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

Unfortunately, after one chance encounter, Simone keeps popping up everywhere he happens to be . . . Ten years after Roscoe Winston dropped out of her life, all Simone Payton wants is to exploit him. She'd also like some answers from her former best friend about why he ghosted her, but if she never gets those answers, that's a-okay. Simone let go of the past a long time ago. Seriously, she has. She totally, totally has. She is definitely not still thinking about Roscoe. Nope. She's more than happy to forget he exists. But

*Music's Meanings* - Philip Tagg 2013-03-03  
"In addressing a pedagogical problem—how to talk about music as if it meant something other than itself - Philip Tagg raises fundamental questions about western epistemology as well as some of its strategically mystifying discourses. With an unsurpassed authority in the field, the

author draws on a lifetime of critical reflection on the experience of music, and how to communicate it without resorting to exclusionary jargon. This is a must-read book for anyone interested in music, for whatever reason: students, teachers, researchers, performers, industry and policy stakeholders, or just to be able to talk intelligently about the musical experience.” (Prof. Bruce Johnson)

**Backup Plan** - Emily Goodwin 2020-08-23

When we were only kids, Sam Harris and I made a promise we'd marry each other if we were still single when we turned thirty. Well, my thirtieth birthday has come and gone and I'm still as single as ever. And as far as I know, so is Sam. But it's been ages since we've seen each other, and after what he did to me our senior year of college, I wouldn't put his ring on my finger even if he begged me to marry him. Never mind his devilish good looks. Or the fact that the playboy partier is a doctor now. Nope, I'm sticking to my guns with this, and when I go back to my hometown of Silver Ridge for the first time in years, I won't pay him the slightest bit of attention. Well...until he convinces me to go out for drinks to catch up. I knew it was a bad idea the moment I agreed to it. And then he brings up our childhood promise. It might be fun and games to him, but it's not to me. Because as much as I don't want to admit it, Sam has always been my first choice. And I don't want to be nothing more than his backup plan.

**Hot Mess** - Emily Goodwin 2019

My life is a hot mess. Single, working, and raising two daughters, it's a miracle I get up, dressed, and fed every morning. Forget about dating—nobody's got time for that. Even if love hadn't left me jaded, I'm not settling for anything less than perfect this time around. Lucky for me, the perfect man just happens to work in my office. But there's just one small problem: he's my boss, and is totally off limits. But hey, if it's meant to be, it'll find a way, right? Then a night out with friends turns into a night in with the walking-talking bad boy cliché of a bartender. It's just one night. No harm, no foul, right? Except when the hot bartender turns out to be my boss's trouble-making brother, who wants more than just one night with me. The more I resist the spark between us, the more I find myself wanting him too. Which puts me in

the middle of what could be the biggest sibling rivalry of the century. Life is messy. And love? Well, love is even messier.

**Hard Place** - Emily Goodwin 2019-09-07

Cold. Callous. Cocky. A total playboy with abs for days, a panty-melting smirk, and a face the gods themselves would be jealous of. And he's my new boss. None of that matters, because as a single mom, men like Alexander Harding are the last thing I need. What I do need is this job, so I'm going to keep my head down, work hard, and avoid that asshole as much as humanly possible. But then he gives me an offer I can't refuse, even though everything inside of me is warning me to run away and never look back. It's just one weekend. One weekend to convince a bunch of stuffy investors that Alexander has changed from the player who spent more time in the bedroom than the boardroom into a family man they'd be happy to go into business with. But the more time I spend with him, the more I realize that there might be a beating heart buried under his designer shirts and spectacular pecs after all...which is bad news for me. Because the only thing worse than hating your boss is falling in love with him.

**A Touch of Ruin** - Scarlett St. Clair 2021-11-30

The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

**Where I'm from** - Steven Borsman 2011

"In the Fall of 2010 I gave an assignment in my Appalachian Literature class at Berea College, telling my students to write their own version of "Where I'm From" poem based on the writing

prompt and poem by George Ella Lyon, one of the preeminent Appalachian poets. I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life" -- Silas House  
**Punk 57** - Penelope Douglas 2016

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F\*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."-- Amazon.com

Throb - Vi Keeland 2019-12-17

**Bad Things** - Emily Goodwin 2017-05-11

They say it's better to have loved and lost than to never have loved at all. I think that's total bullshit. No one wants to be a loser in the Game of Love. Trust me, I know. With a lying fiancée and a canceled wedding, I've lost big time. And that loss turned me bitter, so hell bent on vengeance that I almost let it destroy everything. Determined never to go down that dark path again, I've sworn off romance. Work became my priority, my safe place, the one constant in my life that wouldn't tempt me. Until I took on a project I normally wouldn't, and it introduced me to someone I never would have talked to before. No matter how hard I try, my professionalism slips away the more we work together, and I know it's a disaster in the making. Bad things happen when I open my guarded heart. But when I look at her, bad things are all I want to do.

**The Language of Humor** - Alleen Pace Nilsen 2018-11

Explores how humor can be explained across the various sub-disciplines of linguistics, in order to aid communication.

*Sasha (Mixed Drinks #1)* - Rae Matthews 2014-09-03

When it comes to relationships, I have really bad luck. Each time I meet a guy, I cross my fingers and hope he is at least halfway normal. I'm so tired of dealing with crybabies and freak shows that I could just scream. At this point, I'm so close to just joining a convent, taking the vow of chastity, and calling it quits with men entirely. Well, I probably don't need to go to that extreme... I mean who am I kidding? There's no way I could be a nun. But becoming an old crotchety lady with 20 cats lurking around? Now THAT is a definite possibility. That is until I see him, my brown-eyed stallion man, swooping in to save me from an unforeseen wrinkly old balls attack, and then... he is gone. Well, not gone completely, because I can't stop fantasizing about him. I fantasize about him so much that when I finally do see him again, I make a complete and total ass of myself. Several times in fact. How I do not drop dead of embarrassment right then and there is beyond me. So, remember I said I have really bad luck? Well, sit back, grab a glass of wine or your favorite mixed drink, and let me tell you how it

all started, and how it all ends...
