The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

How to Make a Man Fall in Love with You Tatiana Busan 2023-02-03 When you experience unsuitable love feelings, your feelings are similar to the sensation of salt put on the wound. Living unrequited love is one of the saddest experiences in our life. The cruel reality is that sometimes men don't think at all about women's expectations and hopes. There is no more hurtful feeling than knowing you've been rejected by the man of your dreams...discover that he is not attached to you, and doesn't share your expectations. You try to make everything in order to conquer him or to show a slight interest. However, you must do something, you cannot spend every day in pain. Never lose your heart, if the man of your dreams makes it clear that your friendly relationship will never get into a love relationship. The things that seem to be a disadvantage in the beginning, later can become an advantage, in case the situation is ruled in the right way. While you desperately want this man, he might try to distance himself further. Most people don't get that rejection can always be overpassed with patience and tenacity. Regardless where you are now and regardless your success with men, you can change present and future, beginning from now on! The difficult part comes when you have no interest from man's side. Don't lose your heart, if the man you like wants to take a distance in the beginning. Put into action some strategies and a touch of creativity, the desired man only waits to be conquered by you. 50 ways to make him love you more Celine Claire 2022-02-26 This ebook gives you helpful tips on how to make him love you more. Tip number one. Don't attempt to change your man. As tempting as it can be, don't attempt to change your man to suit your ways, especially if he's happy the way he is. If your man feels like you accept him for who he is, he will cherish and love you more. There is a lot of power behind a woman who inspires her man to be the best version of himself without making him feel imperfect. Tip number two. Don't force your man to like the same things as you do. Understand that your man is a separate human being from you, and he had a life before meeting you. If you find that your likes are conflicting with his, don't make him feel guilty for not enjoying the same stuff as you do. Your man will feel more peaceful and will love you more for not pushing him around like a child to do the same things as you do. Translator: Celine Claire PUBLISHER: TEKTIME
