*With A Friend Like You* - Fanny Blake 2014-08-14

Beth is a woman in supreme control of all aspects of her life and family, with a stellar career and her house an oasis of calm. Her closest friend, Megan, is very different; somehow she swims through the chaos of her family with ease, the clutter on the stairs, the cat footprints on the kitchen work space. And while they could not be more different, Beth and Megan have a genuine friendship built on years of laughter, tears and true understanding of each other's strengths and weaknesses. Because that's what friends do, isn't it? But when Beth's daughter reveals a surprising secret, a wedge is driven between Beth and Megan. What begins as mild recrimination and misunderstanding develops into a full-blown row and then a simmering feud. As the two women square up to do battle in the London suburbs, there's everything to play for. All's fair in love and war... With her wisdom, insight and wicked humour, Fanny Blake shines a light on to female friendships, in this delicious tale of two so-called best friends.

*Female Piety, Or the Young Woman's Friend and Guide Through Life to Immortality. 4th Ed. 12th Thousand* - John Angell James 1855

**Letting Go of Friends** - Debra Barton 2016-03-30

Don't Let Bad Friendships Ruin Your Happiness Too many unhealthy female friendships wreak havoc in the lives of women. Take control of your relationships. Life is too short to tolerate bad behavior in any form - especially from a friend! p> This book will help you learn: Recognize the difference between a healthy and unhealthy friendship What kind of toxic friend you are up against? Is she really your friend? How to salvage the friendship (if you want to) What other women are saying about their friendships (you're not alone!) When all else fails, learning how to let go I surveyed over three hundred women who offered their views on friendship, and the relationships that became too toxic to endure. Their candid responses have been included in this book. Real women. Real experiences. Sometimes a friendship can be saved. You may need to let them go. If you need to re-evaluate your friendships, then this book is for you! Packed full of information you can start using TODAY! Grab your

copy now and lead a friendlier life!

**A New Song, Called The Female Friend** - 1780\*

**The Man Who Didn't Call** - Rosie Walsh 2018-05-01

\*Over a million copies sold worldwide\* \_\_\_\_\_ An OMG romance, *The Man Who Didn't Call* by Rosie Walsh is the perfect novel for anyone who's ever waited for a phone call that didn't come. 'I absolutely loved this book and didn't want it to end' - Liane Moriarty, author of *Big Little Lies*. Imagine you meet a man, spend seven glorious days together, and fall in love. And it's mutual: you've never been so certain of anything. So when he leaves for a long-booked holiday and promises to call from the airport, you have no cause to doubt him. But he doesn't call. Your friends tell you to forget him, but you know they're wrong: something must have happened; there must be a reason for his silence. What do you do when you finally discover you're right? That there is a reason - and that reason is the one thing you didn't share with each other? The truth. For fans of Jojo Moyes and Liane Moriarty, this is the love story of the year . . .

**A Passion for Friends** - Janice G. Raymond 2001

This feminist classic explores the many manifestations of friendship between women and examines the ways women have created their own communities and destinies through friendship.

*The Female Instructor; Or, Young Woman's Friend & Companion ... To which are Added, A Select System of Cookery, Etc* - 1845

*Female Piety, Or, The Young Woman's Friend and Guide Through Life to Immortality* - John Angell James 1866

**Text Me When You Get Home** - Kayleen Schaefer 2018-02-06

"Text Me has the thrills and laughs of a romantic comedy, but with an inverted message: 'There just isn't only one love story in our lives,' Schaefer writes. If you're lucky, friends will be the protagonists in these multiple love stories. It's high time that we start seeing it that way."—NPR.org A personal and sociological examination—and ultimately a celebration—of the evolution of female friendship in pop culture and

modern society For too long, women have been told that we are terrible at being friends, that we can't help being cruel or competitive, or that we inevitably abandon each other for romantic partners. But we are rejecting those stereotypes and reclaiming the power of female friendship. In *Text Me When You Get Home*, journalist Kayleen Schaefer interviews more than one hundred women about their BFFs, soulmates, girl gangs, and queens while tracing this cultural shift through the lens of pop culture. Our love for each other is reflected in Abbi and Ilana, Issa and Molly, #squadgoals, the acclaim of *Girls Trip* and *Big Little Lies*, and Galentine's Day. Schaefer also includes her own history of grappling with a world that told her to rely on men before she realized that her true source of support came from a strong tribe of women. Her personal narrative and celebration of her own relationships weaves throughout the evolution of female friendship on-screen, a serious look at how women have come to value one another and our relationships. *Text Me When You Get Home* is a validation that has never existed before. A thoughtful, heart-soaring, deeply reported look at how women are taking a stand for their friendships and not letting go.

**Letters to a Female Friend** - Wilhelm von Humboldt 1849

[Female Alliances](#) - Amanda E. Herbert 2014-01-07

In the late seventeenth and early eighteenth centuries, cultural, economic, and political changes, as well as increased geographic mobility, placed strains upon British society. But by cultivating friendships and alliances, women worked to socially cohere Britain and its colonies. In the first book-length historical study of female friendship and alliance for the early modern period, Amanda Herbert draws on a series of interlocking microhistorical studies to demonstrate the vitality and importance of bonds formed between British women in the long eighteenth century. She shows that while these alliances were central to women's lives, they were also instrumental in building the British Atlantic world.

**Friendship Isn't a Big Thing, It's a Million Little Things: The Art of Female Friendship** - Becca Anderson 2019-09-15

Both sweet and sassy, Becca Anderson's *Friendship Isn't a Big Thing; It's a Million Little Things* celebrates the bonds of true friendship with love, laughter, and a lot of attitude. Husbands and boyfriends are nice accessories, but girlfriends are the essential must-haves of life. It's our gal pals who get us through both good times and bad. Who else do we turn to for the best advice, help with major life decisions while navigating the ups and downs of life? Author of the bestselling *Badass Affirmations* and *The Book of Awesome Women*, this book is Becca Anderson's tribute to the special bonds of female friendship, the family we choose, our "sisters from another mother." Filled with wit, wisdom and sheer brilliance, this gorgeous colorful gift honors everything it means to be a true friend. As cinematic goddess Marlene Dietrich once said, "It's the friends you can call at 4 am that really matter." This book of women's wisdom is a tribute to these sisters of the soul who are there every step of the way.

**The Young Lady's Friend** - Mrs. John Farrar 1836

**The Social Sex** - Marilyn Yalom 2015-09-22

"Fascinating . . . The *Social Sex* is a paean to companionship. Share it with a bosom friend." —NPR From historian and acclaimed feminist author of *How the French Invented Love* and *A History of the Wife* comes this rich, multifaceted history of the evolution of female friendship In today's culture, the bonds of female friendship are taken as a given. But only a few centuries ago, the idea of female friendship was completely unacknowledged, even pooh-poohed. Only men, the reasoning went, had the emotional and intellectual depth to develop and sustain these meaningful relationships. Surveying history, literature, philosophy, religion, and pop culture, acclaimed author and historian Marilyn Yalom and co-author Theresa Donovan Brown demonstrate how women were able to co-opt the public face of friendship throughout the years.

Chronicling shifting attitudes toward friendship—both female and male—from the Bible and the Romans to the Enlightenment to the women’s rights movements of the ‘60s up to Sex and the City and Bridesmaids, they reveal how the concept of female friendship has been inextricably linked to the larger social and cultural movements that have defined human history. Armed with Yalom and Brown as our guides, we delve into the fascinating historical episodes and trends that illuminate the story of friendship between women: the literary salon as the original book club, the emergence of female professions and the working girl, the phenomenon of gossip, the advent of women’s sports, and more. Lively, informative, and richly detailed, *The Social Sex* is a revelatory cultural history.

*Girl Talk* - Jacqueline Mroz 2018-11-13

A veteran science reporter's investigation into the fascinating and distinctive nature of women's friendships In *Girl Talk*, New York Times science reporter Jacqueline Mroz takes on the science of female friendship -- a phenomenon that's as culturally powerful as it is individually mysterious. She examines friendship from a range of angles, from the historical to the experiential, with a scientific analysis that

reveals new truths about what leads us to connect and build alliances, and then "break up" when a friendship no longer serves us. Mroz takes a new look at how friendship has evolved throughout history, showing how friends tend to share more genetic commonalities than strangers, and that the more friends we have, the more empathy and pleasure chemicals are present in our brains. Scientists have also reported that friendship directly influences health and longevity; women with solid, supportive friendships experience fewer "fight or flight" impulses and stronger heart function, and women without friendships tend to develop medical challenges on par with those associated with smoking and excessive body weight. With intimate reporting and insightful analysis, Mroz reveals new awareness about the impact of women's friendships, and how they shape our culture at large.
