Written by a man with extensive experience on the topic, *Beyond the Breakup* explains how men think about breakups, their ex-girlfriend, and how they perceive her behavior in the wake of a relationship's end. It also explains the implications this has for girls who are going through a breakup: what will and won't have an emotional effect on him, how to maximize your chances of getting him back, how and when you should contact him, what you should (and shouldn't) say, how to deal with seeing him again, and much more. The list of the chapter titles below give a good overview of the content. This book is not written for women with a weak spirit. It isn't going to tell you how to mitigate the pain you feel in the wake of a breakup, and it isn't going to tell you that everything is going to be fine. And while it will tell you how to maximize your chances of getting your ex back, it isn't going to pretend that there are any 'tricks' to make that outcome likely. However, it will do something much more important: it will

give you a strong insight into your ex's state of mind and male psychology in general. This will give you the foundation you need to navigate the breakup and - more importantly - propel yourself into honest and successful relationships with the men in your future. How to Get Your Ex Girlfriend Back - C. Powell
2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to

give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

Get Over Yourself! - Patti Novak 2008-12-30
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature

straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • *Getting Over What?* Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • *Almost Over It* Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • *Over It* Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to

the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.
