

# Why Cant I Figure Us Out Relationship Answers In Enneagram Personalities

Spirituality That Makes a Difference Charles R. Kniker

2022-04-07 Want to make your life more meaning-FULL? Most of us do. This book is a guide offering ways to do just that. Charles Kniker brings fifty-plus years of listening as a teacher, preacher, observer, and writer to a conversation with you. With questions and real-life stories and solutions, he'll support you; it won't be a one-way model. The many forms of spirituality will help explore life's big questions and ultimate mysteries. With tomorrow's climate changes, pandemics, political extremism, and battered moral boundaries, we need a transformational spirituality, a spirituality deeper than a few dusty rituals, more reliable than snappy slogans from a smart phone. This book is for young adults searching for answers to major questions; mid-life seekers, thankful for family, friends, and faith, but needing more; and seniors whose traditional communities seem irrelevant. Chapters in Part One are on home, self, voices of influence, and healthy spiritual communities. Chapters in Part Two offer a "YESS" to life, through various ways of joyous Yearning, truth-seeking Education, Soul care (for yourself and others), and Service to a world of neighbors. Kniker passionately believes human DNA wires us to be spiritual--transforming dreams to become deeds.

**Becoming Us** Beth McCord 2019-07-02 How Christian couples can understand their personality types—and build a more powerful bond of love. He doesn't listen to me . . . I don't understand her . . . Why do we keep having the same fight? If you've ever felt baffled by the person you married, join Enneagram Coach Beth McCord and her husband, Pastor Jeff McCord, as they pull back the curtain to reveal why you and your spouse behave in different ways. Applying the Enneagram

through the lens of the gospel, they provide practical steps, insights, and tools to better understand yourself and each other. This book will help you: Answer the question, “Why do they do that?” Stop committing “assumicide” about each other’s motives and dramatically improve your communication Relate to your spouse in ways they actually understand Awaken a tired marriage that feels like it’s on cruise control Defuse conflict before it starts, especially the same old “dance” Enjoy your spouse again, even if you’ve loved each other for years! Whether you’re preparing for marriage or celebrating a fiftieth anniversary, *Becoming Us* will revolutionize the way you understand yourself and your spouse, and transform your marriage into the powerful, loving, and satisfying relationship that God intended. “An insightful resource for those who want to understand themselves, their spouse, and their marriage through the lens of faith and the tool of the Enneagram.” —Ian Morgan Cron, Enneagram expert and author of *The Road Back to You*

*Journeys of Discovery* Candace Gish 2019-02-28 20 Motivational Journeys by Female Entrepreneurs on Life, Business, and Happiness JOURNEYS OF DISCOVERY is a compilation of short stories from women entrepreneurs, who have overcome obstacles to achieve their dreams. Read and be inspired by these amazing Divas as they share their personal stories of the good, bad and the ugly, with a little helpful advice on the side.

*Path to Connection* Guy Cooke 2019-10-21 How to Identify Someone's Personality and Build Better Relationships Quickly, even if Your Social Skills Could Use Some Work... It may be the central irony of our technologically advanced, connected digital age that many people report not feeling sufficiently connected, in the traditional sense, with other people. Why would you even want to leave the house? Tinder finds you a perfect romantic match. Skype connects you with your friends around the globe. And Instagram shares your friends’ vacation experiences. Connection, or bonding based on a meaningful, shared affinity or

experience, is key for developing vital relationships with others and ourselves. The value of solid relationships can't be overestimated. Strong relationships mean meaning, community, and influence. They meet our deepest needs and support us through thick and thin. According to researchers from the University of California, we are suffering from an epidemic of loneliness. Their studies found that 3 out of 4 Americans feel lonely. Could you use more real-life relationships? Could you stand to strengthen the ones you already have? What gets in the way of this desire? Full disclosure: relationships aren't easy (at first). And they can be frustrating when you first start trying to cultivate them. The good news? These skills can be learned. And once you do, it's like magic. People start responding to you differently. You feel the love and hear "yes" a lot more than before. It's a great feeling, and it doesn't take much to get there. Just a little awareness and shift in how you do things. The typical response to a challenge is to look to the latest trends... Maybe we should be looking to the past instead? Looking into an ancient system that goes back thousands of years could be the answer to your loneliness. The Enneagram System defines 9 personality types and every human being fits predominantly into one of these. By identifying where you and others fit, you can establish their default ways of being, situational responses, and what they value most. If you can establish their type, you can quickly uncover new insights about them and engage more effectively. And voila! You have another rewarding relationship. The Path to Connection clearly walks you through it and roots you in the fundamental concepts and types. In Path to Connection, you'll discover: Inventory of strengths and weaknesses for every personality type to identify your untapped potential and greatest risks Practical steps you can apply immediately to build better relationships from the moment you meet someone Relationship styles for the different types and how to effectively interact with them Critical do's and don'ts for each type to find the opportunities and avoid

the pitfalls How relationship dynamics change by the types involved in a particular interaction... and how to effectively position yourself Methods for identifying a person's Enneagram Type (including your own) to spend your time with the right people And much more. Some people are resistant to learning about the Enneagram Personality Types because it seems complicated initially or they don't see how it works. The key is to get the fundamental concepts down first and then everything else becomes straight-forward from there. It actually doesn't take much information before you can start applying it. **Messy Minimalism** Rachelle Crawford 2021-12-07 Think minimalism means a perfectly curated, always tidy home? Think again. Drowning in tides of toys, overflowing closets, and a crazy schedule, Rachelle Crawford assumed you had to be naturally organized to keep a tidy living space. Then she found minimalism: the messy, real-life kind, that is less about perfection and more about purpose. Thus began a journey toward decluttering her home, calendar, and soul. With empathy, grace, and humor, Crawford--who curates the popular Abundant Life with Less site--shares doable ways to own less and live more fully. Laying out practical strategies for reducing waste, curbing consumption, decluttering, and finding lots more joy, Crawford offers no-nonsense solutions for the rest of us. Learn to become a more conscious consumer, create a capsule wardrobe, inspire family members to join you, free up more time for the things that matter, and create a tidy(ish) home. The messy minimalist way is a no-judgment zone, one in which we learn sustainable habits and grace-based practices. It's about living lightly on the earth and making room for purpose. Becoming a messy minimalist is not about turning into someone else; it's about clearing away clutter and expectations to unearth who you really are. It's about carrying fewer things so that we find ourselves holding onto what

truly matters.

**The Conscious Enneagram** Abi Robins 2021-04-27 The Enneagram is a powerful tool, with ancient roots and modern appeal, for detailing the human personality. It illuminates the painful truth of where we are and inspires us with the promise of where we could be. As the Enneagram has grown in popularity over the past 30 years, the insights offered have focused either on the present or the future, with little guidance on how to move

from Point A to Point B. In the *The Conscious Enneagram* Abi Robins offers a rich, insightful guide for those seeking to move from patterns to promise. Through practical, easy-to-understand coaching, storytelling, and personal inquiry, Robins explores three main ways for getting from where we are to where we could be: Practice, Lineage, and Community. These make up the three-legged stool of the inner and outer work required to radically change the way we think, feel, and move through the world. This book will show you how to cultivate each of these legs in your life in meaningful, enriching ways that are tailored to your type.

**The Healthy Compulsive** Gary Trosclair 2020-02-08 Gary Trosclair explores the power of the driven personality and the positive outcomes those with obsessive compulsive personality disorder can achieve through a mindful program of harnessing the skills that can work, and altering those that serve no one. If you were born with a compulsive personality you may become rigid, controlling, and self-righteous. But you also may become productive, energetic, and conscientious. Same disposition, but very different ways of expressing it. What determines the difference? Some of the most successful and happy people in the world are compelled by powerful inner urges that are almost impossible to resist. They're compulsive. They're driven. But some people with a driven personality feel compelled by shame or insecurity to use their compulsive energy to prove their worth, and they lose control of the wheel of their own life. They become inflexible and critical perfectionists who need to wield control, and they lose the point of everything they do in the process. A healthy compulsive is one whose energy and talents for achievement are used consciously in the service of passion, love and purpose. An unhealthy compulsive is one whose energy and talents for achievement have been hijacked by fear and its henchman, anger. Both are driven: one by meaning, the other by dread. *The Healthy Compulsive: Healing Obsessive-Compulsive Personality Disorder and Taking the Wheel of the Driven*

Personality, will serve as the ultimate user's guide for those with a driven personality, including those who have slid into obsessive-compulsive personality disorder (OCPD). Unlike OCD, which results in specific symptoms such as repetitive hand-washing and intrusive thoughts, OCPD permeates the entire personality and dramatically affects relationships. It also requires a different approach to healing. Both scientifically informed and practical, *The Healthy Compulsive* describes how compulsives get off track and outlines a four-step program to help them consciously cultivate the talents and passions that are the truly compelling sources of the driven personality. Drawing from his 25 years of clinical experience as a psychotherapist and Jungian psychoanalyst, and his own personal experience as someone with a driven personality, Trosclair offers understanding, inspiring stories of change, and hope to compulsives and their partners about how to move to the healthy end of the compulsive spectrum.

**Dear Daughters** Susie Davis 2019-04-16 With *Dear Daughters*, Susie Davis creates a bridge between two groups of women—dear daughters and spiritual mamas. Dear daughters are young women in search of spiritual guidance and spiritual mamas are women just a little further down the road with age-old wisdom to share. Each group has valuable insight for the other and the hope is that the reader will invite someone to come alongside them, pore over the included letters together, and pass along wisdom and advice that will make both lives more beautiful, wherever they are in their God story. This book, ideal for a gift, is a casebound hardcover with ribbon.

*I Thought It Was Just Me (but it isn't)* Brené Brown 2007-02-01 Researcher, thought leader, and New York Times bestselling author Brené Brown offers a liberating study on the importance of our imperfections—both to our relationships and to our own sense of self. The quest for perfection is exhausting and unrelenting. There is a constant barrage of social expectations that teach us

that being imperfect is synonymous with being inadequate. Everywhere we turn, there are messages that tell us who, what and how we're supposed to be. So, we learn to hide our struggles and protect ourselves from shame, judgment, criticism and blame by seeking safety in pretending and perfection. Brené Brown, PhD, LMSW, is the leading authority on the power of vulnerability, and has inspired thousands through her top-selling books *Daring Greatly*, *Rising Strong*, and *The Gifts of Imperfection*, her wildly popular TEDx talks, and a PBS special. Based on seven years of her ground-breaking research and hundreds of interviews, *I Thought It Was Just Me* shines a long-overdue light on an important truth: Our imperfections are what connect us to each other and to our humanity. Our vulnerabilities are not weaknesses; they are powerful reminders to keep our hearts and minds open to the reality that we're all in this together. Brown writes, "We need our lives back. It's time to reclaim the gifts of imperfection—the courage to be real, the compassion we need to love ourselves and others, and the connection that gives true purpose and meaning to life. These are the gifts that bring love, laughter, gratitude, empathy and joy into our lives."

**Enneagram Life** Elisabeth Bennett 2022-11-01 Enneagram Life is a one-of-a-kind resource on the Enneagram! No matter what you know about the Enneagram and your type, you will discover something new, something deeper, within the pages of this book. *Enneagram Life: Personal, Relational, and Biblical Insights for All Seasons* takes you on a journey of discovery that examines how your personality type affects all aspects of your life—from childhood to advanced adulthood. Author Elisabeth Bennett proves that rather than being "too sacred for mere mortals" or "just another personality quiz," the Enneagram is a useful tool for understanding why people respond in different ways to life's triumphs and tragedies. Elisabeth gives you insights into your own life and the lives of those around you, all from a biblical

perspective. She explores the big questions of how personality and your everyday past, present, and future intersect and are answered within the wisdom of how God formed you. "The Enneagram stereotypes can feel limiting," Elisabeth explains. "I wanted to give a much broader look at what personality is, how it changes, and the different facets that impact it at different stages."

**A Book Called YOU** Matthew Stephen Brown 2021-10-05

Consider the possible Enneagram types of well-known figures in the Bible to discover more about yourself and gain specific wisdom about how and why you are uniquely made. Who am I? Everyone asks that question, no matter their age or status in life. If we're truly supposed to be real with others, shouldn't that start by learning how to be real with ourselves? The Enneagram describes nine basic personality styles which can help us better understand who we are and what drives us. When God designed you, He did not create you as a number but as a uniquely created individual. Your Enneagram type can give you great insight into the complexities of yourself and others. A Book Called YOU will show you how a biblical view of self-discovery can improve every part of your life, and includes: The potential Enneagram type of well-known biblical figures like Peter, David, Abraham, King Saul, and more The character, core motivation, and core weaknesses of each Enneagram type Advice on how to best love each personality type How to pray specifically for each Enneagram type Based on his widely successful teaching series "A Series Called You," pastor Matt Brown offers a groundbreaking, entertaining, and heartfelt guide that highlights biblical truths alongside the Enneagram to help us fully embrace who we are and help us love and relate to the people around us.

**Enneagram II** Richard Rohr 1995

**The Gift of Anger** Marcia Cannon 2011-03-01 It's Time to Listen to Your Anger Anger is a natural response to feelings of hurt, betrayal, and embarrassment, and a reliable outlet when we feel

just plain stressed out. Yet many of us see anger as a negative, potentially dangerous emotion that should be suppressed. But the truth is, anger is a gift—a natural, internal signal that unfailingly identifies an opportunity for healing and growth. The Gift of Anger shows you how to recognize this signal, discover the deeper meaning behind your anger, and change the relationships and situations in your life that frustrate you. In seven simple and effective steps, this book guides you past any level of anger, from mild irritation to rage, and toward a balanced approach to using anger for greater understanding and well-being. By learning to see anger as a gift, you'll be able to:

- Regain emotional balance after becoming angry
- Identify and name the unmet needs at the root of your anger
- Create an action plan for ensuring your needs are met
- Understand and forgive others and have compassion for yourself

Life Starts Now Chanel Dokun 2022-08-16 What if you had permission to stop striving and start thriving? Join Certified Life Planner and Relationship Expert Chanel Dokun as she gives you the tools you need to find profound joy and fulfillment in building a new life rooted in your unique purpose. Women are drowning in pursuit of the "good life." We chase external markers of success--building enviable careers, pursuing romantic relationships, and crafting the picture-perfect life--in attempts to soothe the aching suspicion that there must be more to life. But our efforts only leave us stressed, lonely, and tired of trying to answer the question: "Why isn't this enough?" Chanel Dokun has been there, too. She spent the first half of her life focusing on achieving and attaining the lifestyle she thought she wanted, but she found herself feeling disappointed, disillusioned, and like she'd lost herself while running after success. She realized that the world's definition of accomplishment was not a true measure of a life well lived, and she needed to redefine success and become the architect of her own life. Using practical strategies, anecdotes from her work coaching women around the country, and therapeutic examination, Chanel Dokun teaches women how to create the life they've been waiting for, sharing: An in-depth look at why society's definition of significance isn't the answer in our search for more The hidden reason why we're discontent Practical action steps to unlock our genius, find our flair, and discover our unique life purpose The five postures of silence, solitude, generosity, gratitude, and play that can help us move from striving to thriving Life Starts Now shows us that when we release the search for significance and recover a redemptive view of an ordinary life, we can experience profound joy and fulfillment--and embrace the wild wonder of the lives we've been given. Praise for Life Starts Now: "If you are at a crossroads or a tipping point; if you are successful, yet empty; if you feel sad about the way life turned out and need to chart a way forward,

look no further. You have found a trustworthy guide in Chanel. She is one of the wisest people I know. Life Starts Now is timely, accessible, and exactly what you need as you evaluate your priorities, pursuits, and purpose. You don't have to suffer in silence or settle for less. You don't have to overwhelm your heart or schedule looking for significance. You can find contentment where you are, on the way to where you are going. This book will help you embrace the truth and create the future you need." -- Ashley Abercrombie, podcast host and bestselling author of Rise of the Truth Teller and Love Is the Resistance

**The Journey Toward Wholeness** Suzanne Stabile 2021-11-02  
Foreword INDIES Book of the Year Award Finalist In everything from health care and politics to technology and economics, we are experiencing feelings of loss, anger, and anxiety. In the Enneagram's wisdom, our number determines how we respond. We automatically move to another number when we're feeling stress and to yet another when we're feeling secure. Such moves may help us feel better temporarily but don't last. For those who want to dive deeper into Enneagram wisdom, expert teacher Suzanne Stabile opens the concept of three Centers of Intelligence: thinking, feeling, and doing. When we learn to

manage these centers, each for its intended purpose, we open a path to reducing fear, improving relationships, growing spiritually, and finding wholeness. Drawing on the dynamic stability of the Enneagram, she explains each number's preferred and repressed Center of Intelligence and its role in helping us move toward internal balance. Using brief focused chapters, this book provides what we need to deal with the constant change and complexity of our world to achieve lasting transformation in our lives.

**The Enneagram, Relationships, and Intimacy** Suzanne Dion  
2018-12-20 There are lots of books out there written about love; some great ones discuss the importance of early secure attachment, and plenty too have been written about relationships and how to make them better. This book is a bit different. Dr. David Daniels, Professor Emeritus Stanford Medical School, brings his personal passion for human development to over 40 years of study as a private-practice psychiatrist (working primarily with couples), a 61-year marriage, and a deep and comprehensive understanding of human temperament and personality proclivities, to the table. Thanks to having studied something called, "the Enneagram," David says, "Of all of the treatment modalities I worked with and tried out across my therapeutic career, nothing came close to helping couples heal their hearts and relax their defenses as much as I witnessed happening when using a comprehensive application of the Enneagram system." Understanding ourselves as well as others -- with acceptance, discernment, curiosity, and wonderment -- in the way the Enneagram precipitates, provides the greatest foundation from which to build healthier, more receptive and more fulfilling relationships. It is our fundamental relationships that sustain our lives, fuel our happiness, and support our greater development and potential. Bringing this book to fruition was the passionate focus of much of David's time, exploration, and thought the last many years of his life. Within it holds David's endearing

understanding of human relationships and his devotion to contributing to a more loving world.

**The Path Between Us** Suzanne Stabile 2018-04-10 Over 100,000 Copies Sold Worldwide! IVP Readers' Choice Award Most of us have no idea how others see or process their experiences. And that can make relationships hard, whether with intimate partners, with friends, or in our professional lives. Understanding the motivations and dynamics of these different personality types can be the key that unlocks sometimes mystifying behavior in others—and in ourselves. This book from Suzanne Stabile on the nine Enneagram types and how they behave and experience relationships will guide readers into deeper insights about themselves, their types, and others' personalities so that they can have healthier, more life-giving relationships. No one is better equipped than Suzanne Stabile, coauthor, with Ian Morgan Cron, of *The Road Back to You*, to share the Enneagram's wisdom on how relationships work—or don't. Why do Sixes seem so intimidated and put off by Eights, who only wish the Sixes would stop mulling things over and take action? Why do Fives seem so unavailable, even to their closest family and friends, while Twos seem to feel everybody else's feelings but their own and end up irritating people who don't want their help? How in the world can Fours be so open and loving to you one day and restrained and distant other times? The Enneagram not only answers these questions but gives us a way out of our usual finger pointing and judging of other people—and finding them wanting, perplexing, or impossible. Suzanne's generous, sometimes humorous, and always insightful approach reveals why all the types behave as they do. This book offers help in fostering more loving, mature, and compassionate relationships with everyone in our lives.

[The Enneagram & You](#) Gina Gomez 2020-03-24 Unlock the power of personality types using the wisdom of the enneagram so you can strengthen your personal, professional, and romantic relationships today! The enneagram is an effective personality

classification system that describes the characteristics, behaviors, and core values of nine different personality types—enneatypes—each identified by a number. The Enneagram & You helps you identify your personality type so you can discover how to best interact with your family, friends, coworkers, and love interests. You'll also learn about each type pairing—from Type 1 with Type 1 to a Type 9 with Type 9 and every combination in between—as well as the harmonies and challenges each pairing faces and advice on how to effectively communicate and better understand what each personality type needs to feel fully engaged, known, and valued. Armed with this knowledge, you'll begin to anticipate your reactions and responses to the various people in your life. And you'll also be able to better comprehend their reactions and responses to you. By understanding your own strengths and recognizing areas for growth, you can improve your relationships in ways that might have previously seemed impossible. Applying the wisdom of the enneagram-based personality types can lead to better connections and a deeper understanding of yourself and those around you!

**The Enneagram** Helen Palmer 2011-11-22 It would be impossible for most of us to spend a day without coming into direct or indirect contact with dozens of people family, friends, people in the street, at the office, on television, in our fantasies and fears. Our relationships with others are the most changeable, infuriating, pleasurable and mystifying elements in our lives. Personality types, based on the ancient system of the Enneagram, will help you to enjoy more satisfying and fulfilling relationships in all areas of your life by introducing you to the nine basic personality types inherent in human nature. This knowledge will help you better understand how others think and why they behave as they do, as well as increasing your awareness of your own individual personality. Written by the leading world authority on the Enneagram, it offers a framework for understanding ourselves and those around us, as well as a wealth of practical

insights for anyone interested in psychology, counselling, teaching, social work, journalism and personal management. The Five Love Languages Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

**Why Can't I Figure Us Out?** Eileen C Head 2014-09-13 Are feeling stuck and frustrated in your life? Do you find relationships mysterious and believe there is no easy way to figure them out? Are you asking yourself "Is This All There is?" Are you yearning for something more? I was too. We were high school sweethearts. I met my husband at sixteen married at eighteen and I thought I had met my Prince Charming. We were married for thirty-five years and then divorced. We did everything right, we worked hard and were good parents. How did it go wrong? We focused on

our kids and. We had a good life. My husband was a hard worker, didn't drink, gamble or cheat on me. Many believed ours to be a good marriage. Yet I yearned for something more...and I was unhappy. My husband was a complete mystery to me and I think I was to him too. I just couldn't figure us out... or figure me out. His personality type is introverted, quiet and reflective and I wanted to talk, share and hold hands. We didn't know how we each feel loved and appreciated. As I left the marriage I found the Enneagram (any-a-gram) Personalities. Reading our profiles was the biggest Aha moment of my life. In thirty minutes I knew more about my husband, myself and our marriage than in all those years. Suddenly everything became clear. It was our personalities. I now understand why my husband behaved the way he did and why I reacted the way I did. I feel called to share my story and to "help" others. It's part of my personality. I wrote my book using our two personalities as a case study to help others with their relationship struggles before it's too late. The title "Why Can't I Figure Us Out" applies to couple relationships as well as any relationship personally or professionally. Through many different examples, experiences and personality information, you will learn about yourself and the people in your life to find the answers you have been looking for to create closer connections, love, and better outcomes. The Enneagram told me the truth about myself so I could face it and grow. It answered my questions of who am I, what is my value to others in the world, and how I can use my personality gifts to serve others. I have come to love and accept all the parts of myself as I continue to transition into becoming the person I am meant to be. I suggest you take the personality quiz online before you start reading to help you clarify your own personality type. [www.eileenhead.com](http://www.eileenhead.com) Life does not need to be a struggle. Understanding the personalities will simplify your life. I found my relationship answers and I know you can too. Read this book for insights to transform your own relationships. Figure out Yourself...Figure out

your Relationships...Figure out your Life!

*When Women Talk* Brigitte Lessard-Deyell 2017-06-07 "Ordinary Women Sharing Extraordinary Stories" Brigitte Lessard-Deyell realized long ago that women's stories have the power to change the world. The simple act of sharing a personal story can transform lives, build a connection, and encourage hope. By sharing their stories, women make their communities stronger. *When Women Talk* is a collection of stories by women from all walks of life, women who have survived hardship and learned what it means to navigate the world with wisdom, bravery, and balance. From a once homeless woman to a world traveled financial whiz, from a stay-at-home mother to a post graduate doctor, the women within these pages demonstrate what it means to stand in your truth and boldly live your best life. *The Enneagram for Relationships* Ashton Whitmoyer-Ober 2020-03-31 Cultivate deeper relationships--a guide to the power of the Enneagram. We all relate to the people around us in different ways and understanding those differences is the key to maintaining healthy relationships. *The Enneagram for Relationships* takes the straightforward wisdom of the Enneagram and helps you understand it so that you can improve the quality of

your human connections. Breaking people down into nine distinct types, the Enneagram is more than a personality test--it is a tool for understanding who you are and, more importantly, why you are who you are. Diving deep into each of the types, this easy-to-understand book provides complete breakdowns of what each one brings to various relationships, how they interact with other people, and what they can do to form healthy and fulfilling partnerships. The Enneagram for Relationships includes: Learn about your type--From the Reformer (Type 1) to the Peacemaker (Type 9), get a detailed explanation of each personality, what they are like, and how they function within relationships. From personal to professional--Go beyond romance as you learn how you can use the Enneagram to improve friendships, familial bonds, and work partnerships. Be your best self--Discover plenty of practical advice for addressing your own faults and foibles and living up to your potential--even as you learn how to navigate the other personality types at home and in the wild. You can get along better with other people--let the Enneagram show you how.

**Who Do You Want To Be?** Nicola Bunting 2012-03-01 Change is inevitable - the plans we've made for our lives, our careers, our relationships, our family, and our finances can suddenly need dramatic adjustment, and that is when we anxiously realise, often too late, that we need a Plan B. Whether it's the immediate shock of suddenly being made redundant and asked to clear your desk, or the more fundamental challenge of changing your career or ending your marriage, how you handle change may determine how happy you are in life. WHO DO YOU WANT TO BE? intends to be an eminently practical book, a vital resource to turn to when faced with any kind of major change in your life - how to identify the nature of the change you are confronting, how to prepare yourself for it, how and when and in what spirit to take advantage of the concurrent opportunities that present themselves. . .
