With her bank account shrinking by the minute, she needs a well-paying summer job if she's going to hold onto the childhood home she inherited from her parents. So when the father of one of her students asks her to fill in as his au pair for the summer, she knows she should be thrilled. Alexander Romanescu is loaded, and Gwen adores his daughter Isabella. Plus, they're planning to spend the vacation at their ancestral estate—in Romania! And yet Gwen can't shake the nagging feeling that saying yes to this man could lead to more than she bargained for. She knows so little about him—and the idea of spending six weeks in the land of Dracula and Vlad the Impaler is more than a little creepy. But the legends of Romania will be the least of her concerns if she doesn't make some money...fast. And so Gwen says yes: yes to the job, yes to a European excursion...and yes to a summer that will change her path forever. With her trademark crackling dialogue, exotic locations, and knack for realistic characters, Beth Orsoff delivers an engrossing tale of love, intrigue, and betrayal. Stone Mattress Margaret Atwood 2015-09-24 BY THE AUTHOR OF THE HANDMAID'S TALE AND ALIAS GRACE A recently widowed fantasy writer is guided through a stormy winter evening by the voice of her late husband. An elderly lady with Charles Bonnet syndrome comes to terms with the little people she keeps seeing, while a newly formed populist group gathers to burn down her retirement residence. A woman born with a genetic abnormality is mistaken for a vampire, and a crime committed long ago is revenged in the Arctic via a 1.9 billion-year-old stromatolite. In these nine tales, Margaret Atwood ventures into the shadowland earlier explored by fabulists and concoctors of dark yarns such as Robert Louis Stevenson, Daphne du Maurier and Arthur Conan Doyle - and also by herself, in her award-winning novel *Alias Grace*. In *Stone Mattress*, Margaret Atwood is at the top of her darkly humorous and seriously playful game. \* Praise for *Stone Mattress* 'Dark and witty tales from the gleefully inventive Margaret Atwood. The main part of the book contains an alphabetical list of all associative responses and their frequency for each of the 2464 stimulus words. In addition, there is an index of stimulus words organised according to semantic category to aid selection of experimental materials. Full methodological details of the collection and compilation of the data are also provided in the introduction.

**Wicked Knight** Sawyer Bennett 2019-01-01 He never wanted to be anyone's hero... Some would call me irrevocably broken. I submerge myself in long work hours by day and debauchery at The Wicked Horse by night, using those things to numb the pain and guilt I feel over the death of my wife. What isn't satisfied by one will surely be resolved by the other. At least that's how I've survived the last few years. But things change when Hannah Madigan shows up at my door, the newest employee sent by the company that cleans my apartment. Beat down by life, not to mention a cheating husband who was unfairly awarded custody of their daughter, Hannah is determined to make a better life for herself and get her kid back, even if it means working three jobs to do so. One costly mistake puts Hannah in my debt, and I'm not about to let the chance to have this dark-haired beauty pass me by. She's given a golden opportunity... Determined to stay the course by any means necessary, Hannah accepts my less than professional offer. I'll give her a job. She'll give me her body. Sounds easy, right? Until the scales tip and I find myself needing her in ways I'm not ready to admit. Until I find that saving someone else may just mean allowing myself to be saved in return.
