Realization - Dr. Prashant Kumar Shukla

2019-01-04

"Everything was perfect, at least for him. Now even a message notification would cheer him up, which was of no importance to him before. Now he spent most of his time with his cellphone. From being Mr. Attitude of college, he had transformed into a lover boy. This was something he had never witnessed or experienced before. This was a great feeling, a never-ending warmth in his heart. These new happenings made his life heaven; after all, it was first time he was experiencing love. He had friends who were his life and now, he had someone who was more than a friend to him. He was happy about his decision to be in love. His

life was in full pace and the little emptiness of his heart had been filled by this girl, his love. She loved him, he loved her... his gang was with him... what was more that he could ask from God? Everything was beyond perfect to him, unimaginable. However, as usual, expiry dates of good things are too short. It has been a fear in his mind before accepting this new track of life. Because he knew that his heart was too vulnerable to break. How long can he go to save his perfect life? It has been a question that haunts him every night before sleep, and soon comes again as he opens his eyes in the morning. But in the end, it is all about Realization of self, which is the only thing matters most in the life, which he was going to

witness, which he will experience. What a true man is and what is the value of realization, this story is all about it. "

Ugly Love - Colleen Hoover 2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle

it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

complicated...or if the solution is as simple as a kiss. Thanksgiving: UNLUCKY IN LOVE, Book 12: Layla Dupriest's father was killed in a hunting accident when she was a child so, when the man who was once the love of her life, Benji Johnson, encourages her nephew to go hunting and he's hurt, she blames Ben. Months later, she can see she wasn't fair. Adam Schaefer has loved Tally Johnson, Benji's sister, since he was a teenager, but his love of flying and freedom surpassed anything that might clip his wings like a wife, monogamy, marriage, and settling down. The last thing he expected was for her to fall for his best friend--and to have that man's baby. Unlucky in love and unable to count their blessings during the Thanksgiving holiday, Layla and Adam find themselves jilted at the same time. Heartbroken, snowed in, and forced to share the only available cabin in town, they have no choice but to re-evaluate everything they've ever wanted in life...and love. Christmas: SHOTGUN WEDDING, Book 13: Trevor and

Eden were married right out of high school. She'd believed she was pregnant, but that hadn't been her sole motivation. Wildly in love with Trevor Johnson, she'd worried he was becoming disenchanted with her, his attention consumed by the needy and seductive Delaney Foster who came to Amethyst every year with her family. In the years Eden and Trever have been married, she's never felt quite secure in the belief that he married her by choice, in love. During the Christmas season, plagued by unspoken guilt and doubts, she finds herself again competing with a soon-to-be divorced, distraught, and disgustingly gorgeous Delaney. Eden is obsessively aware she's no longer as young, thin, or sexy as she'd been before she had three sons. To top off her growing stress, Eden has discovered she and Trevor's oldest son and his girlfriend, in their senior year of high school, are sexually active. The last thing they need is another shotgun wedding and the potential that a marriage undertaken for the sake of a baby
