

Brief Encyclopedia Of Homosexuality

Images in the Dark - Raymond Murray 1998

This fully revised and updated edition reviews over 3000 films and videos. As a companion to gay and lesbian cinema, it also covers homosexual directors, gay characters and plots, sympathetic film-makers and gay icons.

[The Queer Encyclopedia of Film and Television](#) -

Claude Summers 2012-04-24

From Hollywood films to TV soap operas, from Vegas extravaganzas to Broadway theater to haute couture, this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture. How did Liberace's costumes almost kill him? Which lesbian comedian spent her high school years as

“the best white cheerleader in Detroit?” For these answers and more, fans can dip into *The Queer Encyclopedia of Film, Theater, and Popular Culture*. Drawn from the fascinating online encyclopedia of queer arts and culture, www.glbtc.com — which the Advocate dubbed “the Encyclopedia Britanniqueer” — this may be the only reference book in which RuPaul and Jean Cocteau jostle for space. From the porn industry to the Sisters of Perpetual Indulgence, from bodybuilding to Dorothy Arzner, it's a queer, queer world, and *The Queer Encyclopedia* is the indispensable guide: readable, authoritative, and concise. And perfect to read by candelabra. (The answers to the two questions above: from the dry cleaning fumes,

Lily Tomlin.)

Encyclopedia of Gay and Lesbian Popular Culture - Luca Prono 2007-12-30

During the 20th century through today, gay and lesbian artists, writers, political activists, and sports figures contributed their talents to all areas of popular culture. Authors such as E. Lynn Harris and Patricia Highsmith write bestselling novels. Rupert Everett follows in the footsteps of Rock Hudson and others who starred in multimillion dollar films. George Michael and k.d.lang have been the creative forces behind dozens of hit songs, and the TV programs of Ellen DeGeneres, Rosie O'Donnell, and the cast of Queer Eye for the Straight Guy are enjoyed in gay and straight households alike. The Encyclopedia of Gay and Lesbian Popular Culture identifies the people, films, TV shows, literature, and sports figures that have made significant contributions to both gay and lesbian popular culture, and American popular culture.

Global Encyclopedia of Lesbian, Gay,

Bisexual, Transgender, and Queer (LGBTQ) History - Howard Chiang 2019

This encyclopedia covers LGBTQ topics in Africa, Asia, Europe, Latin America and the Caribbean, and the Middle East, as well as North America, and takes an interdisciplinary approach to the subject, using film, literature, human rights, politics, landmark legislation, activism, the arts, language, sports, and historical events as points of entry into the content.

Encyclopedia of Lesbian, Gay, Bisexual and Transgendered History in America - Marc Stein 2003-12-01

"Authored by community-based researchers and academics, the articles in this set treat various aspects of LGBT history, culture, politics, and society in America. Some 550 entries cover workplace movements, Queer Nation, fashion and clothing, coming out and outing, family issues, health care and clinics, and federal law and policy. Also included are more than 200 biographies, 230 photographs, a 400-year

chronology of LGBT history, and an appendix of repositories in the United States and Canada."-- "Reference that rocks," American Libraries, May 2005.

Encyclopedia of Homosexuality: A-L - Wayne R. Dynes 1990

Encyclopedia of Gay Histories and Cultures -

George Haggerty 2013-11-05

First Published in 2000. A rich heritage that needs to be documented Beginning in 1869, when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors. It covers a long history and a dynamic and ever changing present, while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach While gays and lesbians have shared many aspects of life, their

histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes assuring that both histories receive full, unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people Intended as a reference for students and scholars in all fields, as well as for the general public, the encyclopedia is written in user-friendly language. At the same time it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field, as well as new scholars, whose research continues to advance gender studies into the future.

Gay Histories and Cultures - George E. Haggerty 2000

First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

Zulma, appendix, index - Marc Stein 2004
Online version of the 3-vol. work published by
Gale providing a comprehensive survey of
lesbian and gay history and culture in the United
States.

Encyclopedia of Homosexuality - Wayne R.
Dynes 2016-03-22

First published in 1990, The Encyclopedia of
Homosexuality brings together a collection of
outstanding articles that were, at the time of this
book's original publication, classic, pioneering,
and recent. Together, the two volumes provide
scholarship on male and female homosexuality
and bisexuality, and, reaching beyond questions
of physical sexuality, they examine the effects of
homophilia and homophobia on literature, art,
religion, science, law, philosophy, society, and
history. Many of the writings were considered to
be controversial, and often contradictory, at that
time, and refer to issues and difficulties that still
exist today. This volume contains entries from A-
L.

Encyclopedia of Homosexuality - Wayne R. Dynes 1990-01-01

The Queer Encyclopedia of the Visual Arts - Claude Summers 2012-03-23

A distinctly queer presence permeates the history of the visual arts — from Michelangelo's David and homoerotic images on ancient Greek vases to Frida Kahlo's self-portraits and the photography of Claude Cahun and Robert

Mapplethorpe. The Queer Encyclopedia of the Visual Arts is a comprehensive work showcasing the enormous contribution of gay, lesbian, bisexual, transgender, and queer artists to painting, drawing, photography, printmaking, sculpture, and architecture. International in scope, the volume includes overviews of the various periods in art history, from Classical Art to Contemporary Art and from African Art to Erotic and Pornographic Art; discussions of topics ranging from AIDS Activism in the Arts, Censorship in the Arts, and the Arts and Crafts Movement to Pulp Paperbacks and Their Covers; surveys of the representation of various subjects in the visual arts, from Androgyny to Vampires; and biographical entries on significant figures in the history of art, such as Andy Warhol, Keith Haring, El Greco, Leonardo da Vinci, David Hockney, Ruth Bernhard, Rosa Bonheur, Romaine Brooks, Simeon Solomon, and Nahum Zenil. Includes more than 100 illustrations and photographs.

Completely Queer - Steve Hogan 1999-06-15
Nominated for the 1998 ALA Gay and Lesbian Book Award. This remarkably informative and entertaining guide explores in amazing depth more facets of today's gay and lesbian culture than any other one- volume reference work. With quotes, facts, reading lists, and useful tables from famous pseudonyms to gay detective novels, **Completely Queer** is the first guide to cover both lesbian and gay male points of view, offering information on their common concerns as well as their different histories and interests.

Brief Encyclopedia of Homosexuality - Stephen Wright 1978

Encyclopedia of Homosexuality - Wayne R. Dynes 1990

Routledge International Encyclopedia of Queer Culture - David A. Gerstner 2012-09-10
The Routledge International Encyclopedia of Queer Culture covers gay, lesbian, bisexual,

transgender and queer (GLBTQ) life and culture post-1945, with a strong international approach to the subject. The scope of the work is extremely comprehensive, with entries falling into the broad categories of Dance, Education, Film, Health, Homophobia, the Internet, Literature, Music, Performance, and Politics. Slang is also covered. The international contributors come from a wide array of backgrounds: scholars, journalists, artists, doctors, scientists, lawyers, activists, and an enormous range of ideologies and points of view are represented. Major entries provide in-depth information and consider the intellectual and cultural implications of their subjects in a global context. Information is completely up-to-date, including full coverage and analysis of such current or ongoing issues as same-sex marriage/civil union and the international AIDS epidemic. Additionally, there are important appendices covering international sodomy laws and archival institutions, which will be of great

legacy.opendemocracy.net on 2021-04-08
by guest*

value to researchers. The Encyclopedia is fully cross-referenced and many entries carry a bibliography. Where possible internet references have been given and there is a full index. The combination of its wide scope, determined international coverage and appendices make the Routledge International Encyclopedia of Queer Culture a uniquely ambitious work and an extremely rich source of information. It is a priority addition for all libraries serving scholars and students with an interest in GLBTQ culture, history and politics across the disciplines.

Homosexuality and Religion - Jeffrey S. Siker
2006-11-30

Few issues today cause more public - and private - debate than the interaction of homosexuality and religion. From the question of gay marriage to the place of gays and lesbians within faith communities, religious leaders and lay members must deal with these issues for now and for years to come. What is the historical position of the major denominations? How are people of faith balancing their beliefs? This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay, lesbian, bisexual, and transgendered persons within their
