**High Heels and a Head Torch** Chelsea Duke 2010-12-17 When Chelsea Duke took a year out to travel round the world alone, she had no idea what she was letting herself in for. Never having described herself as the outdoorsy type or having stayed in a hostel before, life on the backpacker trail held some rather unpleasant surprises. But by the end of the year she had amassed a range of survival techniques to rival Ray Mears, all of which she is generously passing on here. From beauty treatments to do before you set off and how not to kill yourself in a South American shower, to the indispensable nature of the sparkly flip-flop, *High Heels and a Head Torch* will tell you everything you need to know to keep yourself looking and feeling glam when your wardrobe fits into a shoe box and those little home comforts are a million miles away. As well as lists of DOs and DON'Ts and tons of useful advice on every aspect of the travel experience, including personal safety, *High Heels and a Head Torch* is full of hilarious anecdotes and is the ultimate survival tool for any glamorous girl about to set off in search of adventure.

*Chelsea Girls* Eileen Myles 2016-08-04 In this breathtakingly inventive autobiographical novel, Eileen Myles transforms their life into a work of art. Suffused with alcohol, drugs, and sex; evocative in its depictions of the hardscrabble realities of a young queer artist's life; with raw, flickering stories of awkward love, laughter, and discovery, *Chelsea Girls* is a funny, cool, and intimate account of how one young writer managed to shrug off the imposition of a rigid cultural identity. Told in Myles's

audacious and singular voice made vivid and immediate by their lyrical language, *Chelsea Girls* weaves together memories of Myles's 1960s Catholic upbringing with an alcoholic father, their volatile adolescence, their unabashed "lesbianity," and their riotous pursuit of survival as a poet in 1970s and 80s New York. [Andy Warhol's The Chelsea Girls](#) GERALYN HUXLEY 2018 Andy Warhol's *The Chelsea Girls* had its premiere at the Film-Maker's Cinémathèque on 15 September 1966. It sold out a 200-seat theatre and went on to become the first film to move from the underground to commercial cinema. Since 1972, when Warhol pulled all of his films out of distribution, the public has had extremely limited access to *The Chelsea Girls*, outside of museum screenings. In honour of the 20th Anniversary of The Andy Warhol Museum and what would have been Warhol's 85th birthday, hundreds of Warhol's films - some never seen before - have been converted to a digital format with the partnership of The Andy Warhol Museum, The Museum of Modern Art, New York, and the Moving Picture Company (MPC), a Technicolor Company. This book is an in-depth look at Warhol's most famous film. It includes all newly digitized film stills, never-before-published transcripts, unpublished archival materials, and expanded information about each of the individual films that comprise the three- plus hour film. As the film alternates sound between the left and right screens, the book reproduces the transcript in complete form as one hears it, with imagery from the corresponding reels. There is also a full transcription of the unheard reels in the back of the book. This is a substantial contribution to the scholarship on Warhol's complex and most commercial film.

irrevocably change two women's lives—from the New York Times bestselling author of *The Lions of Fifth Avenue*. From the dramatic redbrick facade to the sweeping staircase dripping with art, the Chelsea Hotel has long been New York City's creative oasis for the many artists, writers, musicians, actors, filmmakers, and poets who have called it home—a scene playwright Hazel Riley and actress Maxine Mead are determined to use to their advantage. Yet they soon discover that the greatest obstacle to putting up a show on Broadway has nothing to do with their art, and everything to do with politics. A Red Scare is sweeping across America, and Senator Joseph McCarthy has started a witch hunt for communists, with those in the entertainment industry in the crosshairs. As the pressure builds to name names, it is more than Hazel and Maxine's Broadway dreams that may suffer as they grapple with the terrible consequences, but also their livelihood, their friendship, and even their freedom. Spanning from the 1940s to the 1960s, *The Chelsea Girls* deftly pulls back the curtain on the desperate political pressures of McCarthyism, the complicated bonds of female friendship, and the siren call of the uninhibited Chelsea Hotel.

Style Chelsea M. Cameron 2016 Kyle Blake likes plans. So far, they & rsquo;re pretty simple: Finish her senior year of high school, head off to a good college, find a cute boyfriend, graduate, get a good job, get married, the whole heterosexual shebang. Nothing is going to stand in the way of that plan. Not even Stella Lewis. Stella Lewis also has a plan: Finish her senior year as cheer captain, go to college, finally let herself flirt with (and maybe even date) a girl for the first time and go from there. Fate has other plans for Kyle and Stella when they're paired up in their AP English class and something between them ignites. It's confusing and overwhelming and neither of them know what to do about it. One thing they do know is that their connection can't be ignored. The timing just isn't right. But is there ever a good time for falling in love?

**Lost Girls** Caitlin Rother 2011-10-24 “Rother is the next Ann Rule.” —Gregg Olsen Chelsea King was a popular high school senior, an outstanding achiever determined to make a difference. Fourteen-year-old Amber Dubois loved books and poured her heart into the animals she cared for. Treasured by all who knew them, both girls disappeared in San Diego County, just eight miles and one year apart. The families’ anguish galvanized the community and captivated the media. A desperate search led authorities to John Albert Gardner, a brutal predator, convicted sex offender hiding in plain sight—and a complex man whose own mother, a psychiatric nursing professional, failed to see the signs of trouble. Ultimately, Gardner shared a prison unit with Charles Manson. In 2010, Gov. Arnold Schwarzenegger signed Chelsea’s Law: anyone convicted of certain sex offenses against a child in California would get life in prison without parole. Based on Pulitzer-nominated author Caitlin Rother’s exclusive access, *Lost Girls* is an incisive, heartbreaking true-life thriller that strikes at our deepest fears. “A cautionary tale and a horror story, done superbly.” —Los Angeles Times “A terrifying portrait of a man who was sweet and cuddly one day and a crazed killer the next.” —San Diego Reader “Gripping . . . chilling . . . a must-read.” —Sue Russell “Boldly dissects how a boy with psychological problems formed into a man indifferent to his monstrous acts.” —Katherine Ramsland “Caitlin Rother stirs up the lethal stew of family dysfunction, mental illness, substance abuse and deadly psychopathology. . . . *Godshot* Chelsea Bieker 2021-03-30 "Imagine if Annie Proulx wrote something like White Oleander crossed with Geek Love or Cruddy, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed." —T Kira Madden, author of Long Live the Tribe of Fatherless Girls

Drought has settled on the town of Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise. Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret "assignments," to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of

Pastor Vern's shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, *Godshot* is a book of grit and humor and heart, a debut novel about female friendship and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O'Connor's Gothic parables a Californian twist and who emerges with a miracle that is all her own. "[A] haunting debut . . . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It's a timely and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page."—Annabel Gutterman, *Time* "Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey's twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A-."—Mary Sollosi, *Entertainment Weekly*

*Mermaid in Chelsea Creek* Michelle Tea 2013-05-14 Everyone in the broken-down town of Chelsea, Massachusetts, has a story too worn to repeat—from the girls who play the pass-out game just to feel like they're somewhere else, to the packs of aimless teenage boys, to the old women from far away who left everything behind. But there's one story they all still tell: the oldest and saddest but most hopeful story, the one about the girl who will be able to take their twisted world and straighten it out. The girl who will bring the magic. Could Sophie Swankowski be that girl? With her tangled hair and grubby clothes, her weird habits and her visions of a filthy, swearing mermaid who comes to her when she's unconscious, Sophie could be the one to uncover the power

flowing beneath Chelsea's potholed streets and sludge-filled rivers, and the one to fight the evil that flows there, too. Sophie might discover her destiny, and maybe even in time to save them all.

**Lies Like Poison** Chelsea Pitcher 2020-11-10 Riverdale meets Kara Thomas's *The Cheerleaders* in this electrifying, twisted thriller about estranged friends who reunite when someone commits the murder they'd planned—but didn't go through with—and leaves one of their own to take the fall. Poppy, Lily, and Belladonna would do anything to protect their best friend, Raven. So when they discovered he was suffering abuse at the hands of his stepmother, they came up with a lethal plan: petals of poppy, belladonna, and lily in her evening tea so she'd never be able to hurt Raven again. But someone got cold feet, the plot faded to a secret of the past, and the group fell apart. Three years later, on the eve of Raven's seventeenth birthday, his stepmother turns up dead. But it's only belladonna found in her tea, and it's only Belladonna who's carted off to jail. Desperate for help, Belle reaches out to her estranged friends to prove her innocence. They answer the call, but no one is prepared for what comes next. Now, everyone has something to lose and something equally dangerous to hide. And when the tangled web of secrets and betrayal is finally unwound, what lies at its heart will change the group forever.

Fiona Davis's latest historical novel, a series of book thefts roils the iconic New York Public Library, leaving two generations of strong-willed women to pick up the pieces. It's 1913, and on the surface, Laura Lyons couldn't ask for more out of life—her husband is the superintendent of the New York Public Library, allowing their family to live in an apartment within the grand building, and they are blessed with two children. But headstrong, passionate Laura wants more, and when she takes a leap of faith and applies to the Columbia Journalism School, her world is cracked wide open. As her studies take her all over the city, she is drawn to Greenwich Village's new bohemia, where she discovers the Heterodoxy Club—a radical, all-female group in which women are encouraged to loudly share their opinions on suffrage, birth control, and women's rights. Soon, Laura finds herself questioning her traditional role as wife and mother. And when valuable books are stolen back at the library, threatening the home and institution she loves, she's forced to confront her shifting priorities head on . . . and may just lose everything in the process. Eighty years later, in 1993, Sadie Donovan struggles with the legacy of her grandmother, the famous essayist Laura Lyons, especially after she's wrangled her dream job as a curator at the New York Public Library. But the job quickly becomes a nightmare when rare manuscripts, notes, and books for the exhibit Sadie's running begin disappearing from the library's famous Berg Collection. Determined to save both the exhibit and her career, the typically risk-averse Sadie teams up with a private security expert to uncover the culprit. However, things unexpectedly become personal when the investigation leads Sadie to some unwelcome truths about her own family heritage—truths that shed new light on the biggest tragedy in the library's history.

garde" (The New York Times). Why can't I live right now. Because I am not rich, I am not a saint. But I do know this: not all of us were sent here to work. The first published novel of legendary poet and performer Eileen Myles follows a queer female growing up in working-class Boston, straining against the institutions that hold her: family, Catholic school, jobs at a camp, at a nursing home, at a school for developmentally disabled adult males. She wants to be an astronaut. Instead, she becomes a poet and journeys through a series of low-end schools, pathetic jobs, and unmade beds. Schooled by mean and memorable Catholic nuns, this tomboy heroine stumbles and dreams her way through the painful corridors of family, early sexual encounters, and an eye-opening series of jobs caring for the sick and insane--the abandoned wards of the state. This is a book hell-bent on telling the truth about poor women, and how they do (and do not) get out of the hands of their families and the state. Without artifice or pseudonym, protagonist Eileen Myles boldly sets down a rich and graphic account of female experience in this world. Free-ranging and deadpan, tragic and joyful, this is a book about women, gender, class, bodies, escape, and what it means to be "inside." Never more relevant, and now with an introduction by Chris Kraus. "Eileen Myles is a genius!"--Dorothy Allison

**Stories from Suffragette City** M.J. Rose 2020-10-27 One City. One Movement. A World of Stories. Stories from Suffragette City is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women's suffrage movement so that every woman's voice can be heard. Each story stands on its own, but together Stories From Suffragette City becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. With an introduction by Kristin Hannah and stories from: Lisa Wingate M.J. Rose Steve Berry Paula McLain Katherine J. *The Book of Gutsy Women* Hillary Rodham Clinton 2020-05 She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many people--especially girls--have asked us that same question over the years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of *Life* magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible.

CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close

friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic--they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women--leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

and Emily. They all live in the trailer park at 622 Harbor View in tiny Boscoe Bay, Oregon. Proximity made them friends, but a desire to make the world a better place—and a willingness to work at it—keeps them together. In the first book of this new series, *Project: Girl Power*, bullies knock Emily from her bike on her way home from school, so the girls start walking together because there's safety in numbers. With help from other people in the park, they set out to beautify Harbor View. In book two, *Project: Mystery Bus*, the girls begin summer by working to clean and restore their bus to use as a clubhouse. And thus begins the Rainbow Club. In book three, *Project: Rescue Chelsea*, Carlie makes a new friend. Chelsea Landers lives in a mansion and isn't always very kind. Carlie would like a best friend, but will Chelsea fit in with her other friends? In book four, *Project: Take Charge*, the girls decide to take action when they find out their town's only city park has been vandalized and may soon be turned into a parking lot. MELODY CARLSON In sixth grade, Melody Carlson helped start a school newspaper called *The BuccaNews* (her school's mascot was a Buccaneer—argh!). As editor of this paper, she wrote most of the material herself, creating goofy phony bylines to hide the fact that the school newspaper was mostly a one-“man” show. She lives in Sisters, OR. **I Must Be Living Twice** Eileen Myles 2016-08-04 A collection of thrilling verse, including both new poems and beloved favourites, from the celebrated poet, modern cult icon, and author of nineteen books including *Chelsea Girls*. Eileen Myles' work is known for its blend of reality and fiction, the sublime and the ephemeral. At once intimate and open-hearted, their poems are a raw, complex and compelling diary of postmodern life and invite readers into astonishing new considerations of familiar settings, from the beginnings and ends of love and the imperatives of sexual desire, to the daily wonder of a poet's life in New York City and beyond - into lush-and sometimes horrible-dream worlds,

imbuing the landscapes of their writing with the vividness and energy of fantasy. *I Must Be Living Twice* brings together selections from the poet's previous work with a set of bold new poems that reflect Myles's sardonic, unapologetic, and freewheeling literary voice. Steeped in the culture of New York City, *I Must Be Living Twice* is a prism refracting a radical world and a compelling life.

**Taking Up Space** Chelsea Kwakye 2019-06-27 'Brilliant' CANDICE CARTY-WILLIAMS, author of *QUEENIE* 'Essential' BERNARDINE EVARISTO, author of *GIRL, WOMAN, OTHER* 'Hugely important' PAULA AKPAN \_\_\_\_\_ As a minority in a predominantly white institution, taking up space is an act of resistance. Recent Cambridge grads Chelsea and Ore experienced this first-hand, and wrote *Taking Up Space* as a guide and a manifesto for change. **FOR BLACK GIRLS:** Understand that your journey is unique. Use this book as a guide. Our wish for you is that you read this and feel empowered, comforted and validated in every emotion you experience, or decision that you make. **FOR EVERYONE ELSE:** We can only hope that reading this helps you to be a better friend, parent, sibling or teacher to black girls living through what we did. It's time we stepped away from seeing this as a problem that black people are charged with solving on their own. It's a collective effort. And everyone has a role to play. Featuring honest conversations with students past and present, *Taking Up Space* goes beyond the buzzwords of diversity and inclusion and explores what those words truly mean for young black girls today.

Her family comes in the wonderful tradition of English eccentrics. In *Heads and Straights*, she creates a funny, moving account of a family eager to escape the confines of class. Through interlocking tales of their extravagant and often self-destructive journeys away from the Circle line stops of Sloane Square, South Kensington and Gloucester Road, Lucy evokes the collision between conformism and bohemian excess and the complicated class antipathies that flourished in that particular time and place. In the end we are left wondering - is it ever possible to escape, or do we, in our travels, simply loop back on ourselves?
