

# Get Her Go

*LET HER GO* - D. J. Adamson  
Lillian Dove comes across a man, bloodied. She stops and finds his family murdered, his daughter missing. Did she do this? Where is she? Lillian investigates a crime horribly gone wrong.

**Atlantic Reporter** - 1888

**Long Path Of Marriage, CEO Won't Let Her Go** - Yi Bai  
2020-04-14

Everyone said that she was the most vicious woman, breaking up her sister and Hua Minghao, replacing her sister and marrying into a famous Hua family. Nonsense! If she didn't have the little sister White Lotus as a demon, would she have been able to marry into the Hua family? She handed the prepared divorce agreement to the man and said angrily, "Hua Minghao, I'll see you at the Civil Affairs Bureau tomorrow!" Hearing this, the

man domineeringly broke the agreement. Kneeling on the durian, he said in an exceptionally straightforward manner, "We won't part ways. Wife, we won't part ways!"  
*Ballou's Monthly Magazine* - 1873

*The Outlaw's Bride* - Ruth Ann Nordin

Lillian Christian had a simple plan... All she had to do was sneak out of Virginia before her brother forced her to marry a man in order to get money. She was nothing but a commodity for her brother to sell, and she wasn't going to have any part in it. So she answered Charles' mail-order bride ad and headed for an untamed land where she could take on a whole new identity. But plans don't always go as expected... On her way to marry her intended, a group of masked outlaws descend upon

the stagecoach. And they are looking specifically for her. Mic has a plan of his own... The last thing Mic Gray wants to do is scare Lillian, but kidnapping her is the only way to stop her from marrying Charles. Mic's face might be on the Wanted posters, but Charles is the real criminal in town. Only Mic's lack of money and influence prevents him from proving it. The only way to keep Lillian safe is to become her husband. All he has to do is convince her he's worth marrying. Please note: This is the rewrite of *The Stagecoach Bride* that I wrote with Stephannie Beman. *Never Let Her Go* - Jennifer Hemmes Tynes 2008-10-24 Fabled Silicon Valley at the turn of the New Millennium provides the backdrop to this compelling love story populated with characters we all think we know. The story unfolds through the eyes of its iconic heroine who draws readers into her world in a visual and entertaining fashion leaving them wanting for more at its dramatic conclusion. Debut novelist Tynes has

created a memorable character who faces the challenges presented by her numerous roles with dignity and a sense of humor. Daughter, wife, mother, friend and working professional, Carmen Beckwith will seem like a dear friend relating recent events in her life that will keep readers in suspense until the final pages.

**Ask a Manager** - Alison Green  
2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know

what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life. ### **Went to Kansas: A Thrilling Account of an Ill-Fated**

### **Expedition (Abridged,**

**Annotated)** - Mrs. Miriam

Davis Colt 2016-01-17

In 1856, Miriam Colt, her husband, and her two small children set out for Kansas territory to make a new life. They were part of The Vegetarian Settlement Company, an organization formed to create a like-minded community committed to not eating meat and opposed to slavery. This was the time of Bleeding Kansas and they more than once met with "Border Ruffians," nearly at the cost of their lives. On the trip out: "The steamer struck a "snag" last night; gave us a terrible jar; tore off a part of the kitchen; ladies much frightened." This was only the beginning of the troubles they would experience like thousands of other pioneers. "Have ridden forty miles in a stage-coach, over very rough roads. In some places we found the snow four and five feet deep—we were obliged to get out and walk some distance. The men had to work hard to keep the stage right side up."

on 2022-08-28 by guest

Arriving at the site of the proposed settlement, they found no buildings had been constructed. They were close to Indian land, and Mrs. Colt writes in her diary frequently of premonitions of disaster. For the first time, this long out-of-print volume is available as an affordable, well-formatted book for e-readers and smartphones. Be sure to LOOK INSIDE by clicking the cover above or download a sample.

**I Let Her Go** - J A Andrews  
2021-08-10

Some secrets should have stayed buried... Lucy Mitchell was abandoned by her mother and left to fend for herself in foster care. This is where she met Amber and Josh, but living in a strict foster home brought fears of its own. Fears that brought Amber and Lucy closer together. Amber and Lucy formed a pact. They said they would be friends for life and often found solace in the local woods to escape from their foster carer, Linda. This was a place they used to hide together, but when one day only one girl returns from the

woods, a note is found saying that Amber has run away.

Fifteen years later and Lucy is busy planning the wedding of her dreams with Josh until a body is found, then the trauma of Lucy's past comes back to haunt her. Tensions mount as Lucy, Josh and Linda all have secrets to hide and distrust makes them question each other's story around Ambers disappearance. As the body's identity is soon to be exposed, life for Lucy takes a terrifying turn for the worst when a new note appears saying Lucy is next! JA Andrews is the author of gripping twisty psychological thrillers, Mummy's Boy (2020) and You Let Him In (2020). As well as writing fiction, JA Andrews enjoys reading a mix of genres, watching various reality TV and spending time with family and friends. He is a member of the Crime Writers Association.

**You're the First One I've Told** - Kathryn Whetten-Goldstein 2002

In the second wave of the HIV epidemic, those with the disease are more likely than

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2022-08-28 by guest

ever to be female, younger, heterosexual, a racial minority, and rural-living. Vital to the development of user-friendly health care systems is an understanding of the vastly different lives of this second wave of HIV-infected persons. "You're the First One I've Told" offers a view into the lives of men and women infected with HIV. The experiences of twenty-five people living with this disease in rural eastern North Carolina serve as the foundation of this book, which also draws upon unique HIV/AIDS survey data collected by the authors and statistics from the Southeastern United States. This combination of qualitative and quantitative information provides readers with a vivid description of how people live with HIV/AIDS in the midst of their often traumatic lives, and why they manage their illness in ways that seem to contradict mainstream medical and social wisdom. The people interviewed represent a variety of races, genders, professions, family lives, and medical and

social service access and utilization. This book is the first to address a history of racism, distrust of formalized medical systems, homophobia, trauma and their interplay with HIV treatment, particularly in the South. It is an indispensable read for students needing to understand health care for the disenfranchised, as well as any provider, policymaker, or researcher involved in HIV service provision.

**Can't Let Her Go** - Sandy James 2018-01-16

In Nashville the music is louder, the dreams are bigger, and love can bring a cowboy to his knees. Ethan Walker is Nashville royalty. Born to the King and Queen of Country Music, he's spent his life trying to escape the spotlight of his parents' fame, even walking away from his own promising singing career. He's the kind of cowboy who prefers flannel to flashbulbs, hay fields to hit records, and the solitude of his horse farm to the nightlife along Music Row. The last thing he wants is attention, especially when it comes from

country's latest star... Chelsea Harris's meteoric rise up the charts and string of celebrity boyfriends mean that wherever she goes, the paparazzi follow. A duet with Nashville's favorite son is exactly what her new charity album needs, but when she approaches Ethan, he turns her down flat. To win the camera-shy cowboy over, Chelsea will have to approach him on his terms. Trouble is, the more time she spends on his farm, the more Ethan wants to keep her there.

**Confronted By His Love -**

Cristy Sison 2023-06-01

“What am I going say? How do I do this?” I whispered. My shoulders went down. I looked at my blue dust-covered Bible; the pages were stuck to each other. My tears began to roll down once again. “I’m desperate for an answer, Lord, and I know You have it all. I need You, help me. Earlier, I heard about Your promises. And I know them to be true, because I have received them. I experienced Your promises, my family did, we felt them. You have filled me with so much joy

even as I grieve. There is no doubt now that it was from You. But how? Why? Why me!” I started with my eyes closed. “Why would You give Your promises to me? To someone like me?” I honestly asked, face up, smiling. I am just expecting to receive an answer! I kept my eyes closed for a few more minutes. Then I opened my Bible.

*The Husband Outwitted by His Wife* - Kate Plake 1868

*A Savage Presence* - WL Knightly 2020-10-23

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex’s connections save them this time? All bets are off when it’s every man for themselves in this series’ finale.

And Never Let Her Go - Ann Rule 2000-02-05

From America's most celebrated true-crime writer

Downloaded from  
[legacy.opendemocracy.net](https://legacy.opendemocracy.net)  
on 2022-08-28 by guest

comes the heartbreaking real-life drama of a doomed young woman hopelessly trapped in a web of sexual intrigue, political manipulation, and emotional deception by her charming and successful—but ultimately deadly—lover. The author of fifteen New York Times national bestsellers, Ann Rule, a former Seattle policewoman, has researched thousands of homicides and understands every facet of murder investigation. Now, in the most complex and shocking book of her long career, she delves into the motivation that drove a seemingly successful man to kill, and she explores heretofore unknown aspects of a fatal affair between a beautiful young woman who moved confidently in the heady world of the upper echelons of government and a widely admired millionaire attorney who was an immensely popular political figure. On June 27, 1996, thirty-year-old Anne Marie Fahey, who was the scheduling secretary for the governor of Delaware, had dinner with a man she had

been having a secret affair with for more than two years.

"Tommy" Capano, forty-seven, was perhaps the most politically powerful man in Wilmington. Son of a wealthy contractor, former state prosecutor, partner in a prestigious law firm, advisor to governors and mayors, Tom Capano had a soft-spoken and considerate manner that endeared him to many.

Although recently estranged from his wife, he was a devoted father to his four beautiful young daughters, the trusted son of his widowed mother, and the backbone of his extended family. But sometime after 9:15 that night when Anne Marie and Tom left a Philadelphia restaurant, something terrible happened to Anne Marie. It would be forty-eight hours before her brothers and sisters realized that she had disappeared entirely. Ann Rule brilliantly traces the lives of both Fahey and Capano as she discloses the intimate details of their ill-fated bonding. A vulnerable, trusting woman becomes spellbound by a

on 2022-08-28 by guest*

charming, duplicitous married man, and what begins as a seemingly unremarkable affair is slowly transformed into an obsessive, convoluted, and deadly relationship. Through her impeccable research, *Rule* peels away layer after layer of deception to reveal a man who lived a secret life for decades, a man so greedy that he would sacrifice anyone to gain what he desired. One of his many mistresses—all of whom were unknown to one another—was Deborah MacIntyre, an attractive and wealthy member of one of Wilmington's oldest families and an administrator of an elite private school. She, too, would become part of the mystery surrounding Anne Marie's disappearance. As three prominent families are destroyed to satisfy one man's jealous obsessions, this unfathomable tragedy becomes a tale that few would believe if it were presented as fiction. Shockingly, it is all true. Destined to become a classic, *And Never Let Her Go* is a riveting account of forbidden love and murder among the

rich and powerful, and a chilling insight into the evil that sometimes hides behind even the most charming façade.

**Let Her Go** - Dawn Barker  
2017-05-22

Zoe wanted a baby more than anything. But her dreams will come at a price. An explosive and moving motherhood drama from the author of *More Than Us*. After years of struggling to conceive, Zoe and her husband face the prospect of never having a family. When Zoe's stepsister, Nadia, offers to be a surrogate it presents the perfect solution. A healthy girl, Louise, is born. But no one imagined just how hard it would be to know someone else was also mother to your child. As the pressure on Zoe and Nadia mounts, they make choices that will change their lives forever. Years later, Louise is in desperate need of her family's help. Can they put their painful history aside to save the child they love so much?
