Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly

and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. Believe me, no woman is too hard to get, no matter how brilliant and beautiful she is, all you have to do is to just know how to play your keys well, they will be the ones to go after you. I have observed that so many guys are single today not because they don't need a girl in their life or they don't want to be in any relationship, but because they don't know how to get a girlfriend. These factors include: Lack of confidence, Lack of words to use, Mode of approach, When to approach her, and lots more. In this book, I have emphasize on those factors. So after reading through, you will then be a professional in getting any woman of your choice.
