*Guess Who Is the Happiest Girl in Town* -  
2018-04-30

Illustrated with over 1,000 images, *Guess Who Is the Happiest Girl in Town* is the first memoir by Swiss-German party girl Susi Wyss (b. 1938). The 40-year history begins in the 1970s with Wyss studying fashion design in Zu'rich, where at 18 years old she was initiated into the fast-moving life of the European jet set, a world revolving around the elite names in the international music and fashion scene. A regular model for Helmut Newton, the young Wyss enjoyed the company of noted celebrities ranging from Dennis Hopper and Iggy Pop to J. Paul Getty. After years of partying with rock-n-roll royalty she became one of Paris top madams and finally, in her early 60s, a writer. This intimate autobiography / photographic diary is a fascinating record capturing a time when the world of drugs, sex, and rock and roll was at its zenith.

**Faith Unraveled** - Rachel Held Evans  
2014-04-08

From New York Times bestselling author Rachel Held Evans: a must-read for anyone on the journey of doubt, deconstruction, and ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In *Faith Unraveled*, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith

unraveled one unexpected question at a time. In order for her faith to survive, Rachel realizes, it must adapt to change and evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, *Faith Unraveled* is a profoundly moving, fearlessly honest, and relentlessly hopeful story of survival. This book was previously titled *Evolving in Monkey Town*.

*The Coldest Girl in Coldtown* - Holly Black 2013-09-03

The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black. Tana lives in a world where walled cities called Coldtowns exist. In them, quarantined monsters and humans mingle in a decadently bloody mix of predator and prey. The only problem is, once you pass through Coldtown's gates, you can never leave. One morning, after a perfectly ordinary party, Tana wakes up surrounded by corpses. The only other survivors of this massacre are her exasperatingly endearing ex-boyfriend, infected and on the edge, and a mysterious boy burdened with a terrible secret. Shaken and determined, Tana enters a race against the clock to save the three of them the only way she knows how: by going straight to the wicked, opulent heart of Coldtown itself. The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black.

**Intimate Company: The Confessional Diaries of? A Girl in Town** - Company, 2007-05-03

Toni has made a decision to get serious. She has reached a point in her life where she must either pursue her passions or get left behind. And so she has gathered up her courage, ignored any misgivings, and moved to London to follow her dream of becoming an actress. She begins taking evening classes to hone her craft, and walks headfirst into a situation more intriguing than anything she could have ever imagined. Her acting teacher and mentor, Marcus, sees Toni's unique potential amongst a class of average students. He singles her out for an assignment in which he provides her with scenarios designed to assist her with her acting by focussing on various acting 'tools' - scenarios that she must carry out in her life outside the class, and record in a diary for Marcus to assess. As the exercise continues, however, Marcus' attraction to Toni becomes more than just professional, and student and teacher become involved in a tense and erotic game in which the lines between teacher and student, acting and reality, become increasingly blurred... One of a trio of new erotic titles aimed at a young, sassy and confident readership, 'The Confessional Diaries of a Girl in Town' brings into play excellent writing and stimulating erotica. Showcasing new talent and embracing firmly every girl's right to fantasise and experiment with their sexuality, these books are written by women who know what turns women on (and for that reason alone, men will love them too!).

**Small Town Girl (Rosey Corner Book #2)** - Ann H. Gabhart 2013-07-01

In the autumn of 1941, rumors of war whisper through Rosey Corner. The town practically vibrates in anticipation, as if it is holding its breath. But for Kate Merritt, it seems life is letting out a prolonged sigh. As Kate watches her sister marry the man Kate has loved since she was fifteen, her heart is silently breaking. And even the attentions of Jay Tanner, the handsome best man, can't draw her interest. Then suddenly, Pearl Harbor changes everything. Kate's friends are rushing to get married before the boys go off to war. The newspapers talk of women making airplanes and bombs. Everyone in town begins rolling bandages, planting victory gardens, collecting scrap metal. Kate finds herself drawn to Jay in surprising ways, and when he enlists she can hardly breathe worrying about him getting killed. Could she truly be in love with him? And if she is, will she ever see him again? In her gentle and textured style, Ann Gabhart tells a timeless story of love, sacrifice, and longing that will grip the heart and stir the spirit. Fans of Angel Sister will be thrilled to see Kate Merritt all grown up. New readers will find that Ann Gabhart weaves in *Small Town Girl* a beautiful story that will touch their hearts and win their

loyalty.

*Small Town Girl* - Donna McLean 2022-02-03  
'Utterly compelling from the first page' - Kerry Hudson 'Gripping . . . this is one not to miss' - Irish Times For two years, Donna McLean lived a life of bliss with her boyfriend, Carlo. But her great love story wasn't just built on lies - it was one. Because Carlo wasn't a bike-obsessed Italian locksmith at all; he was a British police officer, part of a unit that had worked undercover for years to infiltrate activist groups across the country. More than twenty of those officers deliberately targeted women and duped them into relationships, posing as socialists, environmental campaigners and union reps, before vanishing without a trace. *Small Town Girl* is Donna's shattering story of a life turned upside down overnight, and her reclamation of a truth that was shamelessly buried by those who should be protecting the most vulnerable in society. 'Mind-blowing, gut-wrenching, shocking and beautifully written' - Chris Atkins

**The Girls in My Town** - Angela Morales 2016-04-01

The autobiographical essays in *The Girls in My Town* create an unforgettable portrait of a family in Los Angeles. Reaching back to her grandmother's childhood and navigating through her own girlhood and on to the present, Angela Morales contemplates moments of loss and longing, truth and beauty, motherhood and daughterhood. She writes about her parents' appliance store and how she escaped from it, the bowling alley that provided refuge, and the strange and beautiful things she sees while riding her bike in the early mornings. She remembers fighting for equal rights for girls as a sixth grader, calling the cops when her parents fought, and listening with her mother to Helen Reddy's "I Am Woman," the soundtrack of her parents' divorce. Poignant, serious, and funny, Morales's book is both a coming-of-age story and an exploration of how a writer discovers her voice.
