The Love Hypothesis Ali Hazelwood 2021-09-14 The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

Seven Husbands of Evelyn Hugo Taylor Jenkins Reid 2021-10-14 THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of *Daisy Jones & The Six* in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. *The Seven Husbands of Evelyn Hugo* is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.

Better Sex Through Mindfulness Lori A. Brotto 2018-04 A groundbreaking look at improving desire, arousal, and sexual satisfaction through mindfulness. Studies show that approximately half of all women experience some kind of sexual difficulty at one point in their lives, with lack of interest in sex being by far the most common--and the most distressing. And when sex suffers, so do all other areas of life. But it doesn't have to be that way. In *Better Sex through Mindfulness*, acclaimed psychologist and sex researcher Lori A. Brotto, offers a groundbreaking approach to improving desire, arousal, and satisfaction inside--and outside of--the bedroom. A pioneer in the use of mindfulness for treating sexual difficulties, Brotto has helped hundreds of women cultivate more exciting, fulfilling sexual experiences. In this accessible, relatable book, she explores the various reasons for sexual problems, such as stress and incessant multitasking, and tells the stories of many of the women she has treated over the years. She also provides easy, effective exercises that readers can do on their own to increase desire and sexual enjoyment, whether their goal is to overcome a sexual difficulty or simply give their love life a boost.

Come As You Are: Revised and Updated Emily Nagoski 2021-03-02 A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently--and far less seriously--than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it--and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Mating in Captivity Esther Perel 2012-02-16 When you love someone, how does it feel? And when you desire someone, how is it different? In *Mating in Captivity*, Esther Perel looks at the story of sex in committed couples. Modern romance promises it all - a lifetime of togetherness, intimacy and erotic desire. In reality, it's hard to want what you already have. Our quest for secure love conflicts with our pursuit of passion. And often, the very thing that got us to into our relationships - lust - is the one thing that goes missing from them. Determined to reconcile the erotic and the domestic, Perel explains why democracy is a passion killer in the bedroom. Argues for playfulness, distance, and uncertainty. And shows what it takes to bring lust home. Smart, sexy and explosively original, *Mating in Captivity* is the monogamist's essential bedside read.

She Comes First Ian Kerner 2019-10-10 Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner

Sex at Dawn Christopher Ryan 2021-01-05 The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin’s day, we’ve been told that sexual

monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, *Sex at Dawn* offers a revolutionary understanding of why we live and love as we do.

Guide to Getting it On! Paul Joannides 2000 More irreverent than ever, the popular guide to fully understanding and enjoying sex has now been revised with new chapters such as "Sex When You're Really Old, " "When Sex Gets Boring, " and "How to Be Cool When You're Not." 65 illustrations.

The Psychology of Sex Meg John Barker 2018-04-09 What can psychology teach us about sex? How do different bodies and brains respond sexually? How can we prevent people being stigmatised for their sexuality? *The Psychology of Sex* takes you on a tour through the different ways that psychologists have created and sustained certain understandings of sex and sexuality. Bearing in mind the subjective nature of sex, the book explores cultural concerns around sexualisation, pornography, and sex addiction, as well as drawing on research from sexual communities and the applied area of sex therapy. When so much of our relationship to sex happens in the mind, *The Psychology of Sex* shows us how important it is to understand where our ideas about sex come from.

Verity Colleen Hoover 2021-10-05 Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of *Too Late* and *It Ends With Us*. #1 New York Times Bestseller · USA Today Bestseller · Globe and Mail Bestseller · Publishers Weekly Bestseller Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

Becoming Cliterate Dr. Laurie Mintz 2018-05-15 We've been thinking about sex all wrong. Mainstream media, movies, and porn have taught us that sex = penis + vagina, and everything else is just secondary. Standard penetration is how men most reliably achieve orgasm. The problem is, women don't orgasm this way. We've separated our most reliable route to orgasm—clitoral stimulation—from how we feel we should orgasm—penetration. As a result, we've created a pleasure gap between women and men: 50% of 18-35-year-old women say they have trouble reaching orgasm with a partner 64% of women vs 91% of men said they had an orgasm at their last sexual encounter 55% of men vs. 4% of women say they usually reach orgasm during first-time hookup sex In *Becoming Cliterate*, psychology professor and human sexuality expert Dr. Laurie Mintz exposes the broader cultural problem that's perpetuating this gap, and what we can do about it. Pulling together evidence from biology, sociology, linguistics, and sex therapy into one comprehensive, accessible, and prescriptive book, *Becoming Cliterate* features: Cultural & historical analysis of female orgasm

(spoiler: the problem's been going on for ages) An anatomy section (it's all custom under the hood) Proven techniques for cliterate sex (it starts with training the sex organ between your ears) A comprehensive final chapter for men (because you don't have to have a clitoris to be cliterate) By dispelling the lies, misunderstandings, and myths that have been holding us back, *Becoming Cliterate* tackles both personal and political problems and replaces them with updated outlooks and practical skills needed to change our collective perspective on sex. It's time to finally inform women and men on how to have satisfying experiences in bed that benefit both parties. The revolution is cuming—and *Becoming Cliterate* offers a radical, simple solution to progress and pleasure for all.

Who Do You Love Jennifer Weiner 2015-08-11 From the "hilarious, heartbreaking, and insightful" (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent

back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

The Great Sex Rescue Sheila Wray Gregoire 2021-03-02 What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

Mind the Gap Karen Gurney 2020-03-05 'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In *Mind The Gap*, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, *Mind The Gap* also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

House of Leaves Mark Z. Danielewski 2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Sex Positions: Proven Steps to Great Sex and More Than 100 Sex Positions That Will

The Relate Guide to Sex and Intimacy Cate Campbell 2015-08-06 Sex and intimacy are what make couple relationships special and different. We may even measure the quality of the relationship by how intimate we feel or how good the sex is. This can be wonderfully reassuring when it goes well, but we all have times in our lives and relationships when we don't feel so close. When sex isn't working well or isn't happening, confidence in the relationship can ebb away too. Yet there is plenty you can do to turn things around and recapture the fading intimacy. In *The Relate Guide to Sex and Intimacy*, Cate Campbell takes a realistic look at modern relationships, steering you through practical exercises, examples, quizzes and talking points to help give your sexual self and your relationship an intimacy makeover. Comprehensively tackling the issues that challenge sex

and intimacy, this book will both equip you to understand and manage problems when they arise and to make a good sex life even better.

The Wild Woman's Way Michaela Boehm 2021-11-09 "As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within" (Lissa Rankin, MD, New York Times bestselling author of Mind Over Medicine). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in "go-mode," damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine "body intelligence." By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate connections to our senses and physical movements--we can break harmful psychological patterns. In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.

[The Little Black Book of Sex Positions](#) Dan Baritchi 2013-08-01 If you think there are only three positions that get the job done, then it's time to get out of your sexual rut and start having a ball! *The Little Black Book of Sex Positions* exposes in glorious detail hundreds of sexy moves that can lead to mind-blowing ecstasy for you and your lover. The positions offered here are the next best thing to having an experienced partner right by your side . . . or behind, or face-to-face. If your rolls in the hay have become a bit ho-hum, or if you just want to expand your spicy repertoire, this hot little how-to will have you flexing muscles you never knew you had with sexy positions you've always wanted to try like the YMCA, Forbidden Fruit, Pirate's Bounty, Rodeo, Deep Impact, and much more. In a hardcover edition with full-color exciting yet tasteful illustrations, *The Little Black Book of Sex Positions* is handsome enough to keep on your nightstand, or to give to someone naughty and nice. You'll never think about "little black book" the same way again. Start stretching!

Understanding Great Sex Books To Read

Before you embark on your journey to find Great Sex Books To Read online, it's essential to grasp the concept of Great Sex Books To Read eBook formats. Great Sex Books To Read come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Great Sex Books To Read eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Great Sex Books To Read eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Great Sex Books To Read eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Great Sex Books To Read eBooks in these formats.
