Haunted (The Haunted Love Trilogy Book 1) - Ann-Marie King 2017-03-12

"In the ghost town of Beckford, what you don't know can haunt you..." Jayden Morgan has no memory of her haunted past. All she wants is a normal life. But when she goes to stay by her estranged grandmother in the small spirit-town of Beckford, strange things begin to happen: 1. She meets and falls irrevocably in love with Trey, a gorgeous stranger, unaware that he's a ghost; 2. She learns the mystery of the town's haunted high school may have a deadly connection to her missing memory; and 3. Trey tells her he'd been sent to watch over her...but can she really trust him?

Haunted Love - Chris Gonsalves 2009-12-22

Romance is undeniably otherworldly. Heart racing, breath quickening, senses ablaze—it's all part of what makes love so frighteningly grand. As Francois de La Rochefoucauld said four centuries ago, "It is with true love as it is with ghosts; everyone talks about it, but few have seen it." And yet, there are those who have seen both. Welcome to Haunted Love. With settings ranging from southern Florida to South Korea, Haunted Love delivers a rich and varied collection of tales that touch the heart and tingle the spine. The book features lush historical narratives that capture all of the tenderness, heartbreak, and raw emotion of the love affairs along with the chillingly detailed encounters with the ghosts these ill-fated romances left behind.

A Haunted Love Story - Mark Spencer 2012-01-08

When Mark Spencer and his family moved into the beautiful old Allen House in Monticello, Arkansas, they were aware of its notorious reputation for being haunted. According to local lore, the troubled spirit of society belle Ladell Allen, who had mysteriously committed suicide in the master bedroom in 1948, still roamed the grand historic mansion. Yet, Mark remained skeptical—until he and his family began encountering faceless phantoms, a doppelganger spirit, and other paranormal phenomena. Ensuing ghost investigations offered convincing evidence that six spirits, including Ladell, inhabited their home. But the most shocking event occurred the day Mark followed a strange urge to explore the attic and found, crammed under a floorboard, secret love letters that touchingly depict Ladell Allen's forbidden, heart-searing romance—and shed light on her tragic end. This haunting true ghost story includes several photographs of the Allen House.

A Haunted Love - J.M. Snyder 2010-06-01

Nick works as a re-enactor at a Colonial America site. One foggy night he meets David Henry, just about the sexiest man in colonial garb Nick has ever seen. Because Nick's missed the last bus into town, David invites him to stay the night with him at the colony's inn. Though there's definitely a spark between them, David is gone when Nick wakes. When David's claim of working as an apprentice at the glass shop doesn't pan out, Nick begins to wonder about the guy he's met and the ghost stories circulating around the colony, stories he always believed untrue ...

Whistling in the Dark - Dale N. Walter 2002-07-10

A Haunted Love Story and True Account of an Astounding Spiritual Journey Based on some riveting true stories, this is the tale of a daredevil pilot and atheist who comes to faith through his research into and encounters with supernatural phenomena and to love through his Jamaican wife Annie. The hero's story is woven into a larger account of his family, which has been plagued for centuries by a demonic being, from the mountains of Greece to present-day New England. Reminiscent of the works of Edgar Allan Poe and Nathaniel Hawthorne, the novel's dark, Gothic elements are leavened with humor and spiced with a playful sensuality that celebrates the joys of the marriage bed. (Now there's a radical idea: a book that doesn't portray the marriage bed as the source solely of boredom, bitterness and betrayal!) The story is told from the perspective of the demon itself and of Wolff Ladiakas Reinhardt, the latest member of his family to be marked by the Vouno Diavalos as his favored prey. (Author's Note: The legend of the Vouno Diavalos or mountain devil is current to this very day in the author's ancestral Greek village of Valteseniko.) Initially an atheist, Wolff soon learns through encounters with the demon and ghosts why he has been given the rare gift to see into the Spirit Realm: only he can see them, and only he can save those afflicted. Wolff eventually finds comfort in the love of his Jamaican-American wife, and they discover that their lives are entwined in The Haunted House of Assateague, where Wolff twice confronts the demon and Annie learns the truth about her Scottish ancestry. (An actual haunted house that the author wrote about when working as a newspaper editor, The Haunted House of Assateague is located near the National Park Service Visitor's Center for Assateague National Seashore in Maryland, home to the famous wild ponies. This novel marks the first time that the home's actual location is revealed, along with frightening details of its haunting.) Wolff is ultimately possessed by the demon, and he must struggle to free himself to save his young family and to prevent an evil new church from rising. The novel provides profound insights into the value of faith and a woman's love. It will be prized by those who like spooky, Gothic stories, who are hungry for spiritual meaning and insights, who recognize Humor as a Divine Gift, and who cherish the rich sensual pleasures of this world. Written in a fresh voice with often startling power, the novel dares to provide verifiable answers to the Age-Old Questions: Are there Gods and Devils, and if so, what role do they play in our lives? Is there a Spirit World and Life after Death? What is the true nature of Original Sin? Yes, God is alive, the Devil still marks his favored prey, this way lies fascination...

Gardening with a Ghost - Amanda Meuwissen 2022-09-24

Peter Thorne has a secret-he can bring the dead back to life. When Peter's mother died, she passed him the touch of life and made him promise to use his abilities wisely. Unable to bring her back and afraid of being caught or causing too much imbalance in the world, Peter vowed to use his gift only on plants. After all, with people, sometimes dead is better. Or that is what Peter thinks until he takes a gardening job at Benes Manor. The mystery of a missing girl, an old gothic home, and the whispers and tempting caresses of a ghost in his room lead him to delve deeper into his powers than ever before. Perhaps he can find the missing girl and the origins of his ghostly visitor, if only he knew who to trust-and who and what to touch. Gardening with a Ghost is part of the MM paranormal romance collaboration Haunted Love.

Candle Game(TM) - E. Nesbit 2020-09-10

A GASP AND A SHUDDER... OF PASSION, OR FEAR? The line between romance and horror is so thin as to be barely discernible at times. What really sets apart attraction and obsession? Passion and possessiveness?

Spending your lives together and dying together? With its flood of feelings and emotion, love leaves us fearful of what will happen to us next-After all, when are we more vulnerable than when we're with the one we love? Candle Game: (TM) A Haunting Embrace contains complete rules for play and features tales of weird and haunted love, including the chilling classics "The Boarded Window," "The Dance of Death," "The Ebony Frame," and "The Cold Embrace." Included as part of the game, these eerie stories can also be read on their own. But as you find yourself in the grip of these tales of otherworldly desire, when goosebumps rise along your flesh, you may find yourself unsure as to why...
