Key to Yourself - Venice J. Bloodworth 2006
Includes a FREE CD of Guided Meditations by Debbie Ford, the Author of The Best Year of Your Life The beauty of Key to Yourself is seen through Venice Bloodworth's insightful approach to combining modern psychology and the very same principles taught thousands of years ago by master teachers such as Jesus. In searching for her own spiritual enlightenment, Venice Bloodworth found the root of true happiness based on concepts of spiritual psychology that disclosed the power of the mind to think itself to wellness, prosperity, and peace. Although the world has changed drastically over time, people are still confronted with the same fears and inner conflicts. Key to Yourself meets these challenges with ageless wisdom and boundless compassion.

[Illness and Immortality](#) - Patricia Sauthoff

2022-01-18

Illness and Immortality examines a medieval Sanskrit text, the Netra Tantra, which is devoted to health and healing through a yogic practice dedicated to the chanting of mantras, the building of mandalas, and meditation. Patricia Sauthoff examines the role of such ritual elements in rites to alleviate illness and death. She includes analysis of the various forms of the deity Amrtesa or Mrtyuñjaya (Conqueror of Death), the nature of mantra, and the relationship between the tantric practitioner and the patient. This work explores what is meant by immortality within the medieval context and how one goes about attaining it. It asks how ritual alleviates illness, what role the deity plays in health and healing, and finally who has access to the rites described within the text. Central to this study is the conception of a body vulnerable to demons and reliant on deities for continued existence, and how the three yogic bodies (sthula, suksma, and para) play a role in physical

and spiritual well-being. Featuring new translations of large sections of the Netra Tantra, the book offers readers various points of entry into the text so that tantric practitioners and scholars alike can access the influential and important concepts and practices found within this long-revered but under-studied work.

Sh*t - Diane Riis 2019-10-11

Your stories about the past don't exist except in your mind and neither do the old "truths" about who you were, are, or will be. We live on bullsh*t stories. We pick them up as kids and add some juicy tidbits as we go along. We edit and repeat them until they feel like "truth." We live according to this fiction, and we believe it deep, deep down in our storytelling hearts. What bullsh*t stories are you telling yourself? How are they holding you back? You don't have to stay trapped in what someone told you once a long time ago. You don't have to believe the words of the world around you. You are the storyteller of your own life. Right now, you can tell a different

story and allow it to change your life and, possibly, someone else's too. If your intentions are getting you nowhere, and your manifestation mechanism is stuck, let go of the four-letter-word habits in this book and watch your thoughts, and your life, change. If you suspect negative self-talk is sabotaging your happiness, take a look at the chapters about free-dom, open-ness and love...

And Svetlana hires him on the spot... but can Clay solve the murder and resist Svetlana's charms?

Soul Mantra - Sadguru Rameshji 2023-04-18

'It's complicated!' This is how most of us describe our lives . . . unaware of the fact that it is due to our own thoughts and actions that life seems complex. If not dealt with great care, essential aspects of life such as desires, ambitions, feelings, and relationships can become the reasons for our misery. Soul Mantra discusses these everyday concepts in a detailed and thought-provoking manner. Whether you are

The Universe, Stars, and a Hint of Girl Magic - Stefanie Correani 2019-03-16

Stefanie Correani, a twenty-something girl, reveals the extraordinary lessons that have led

her to happiness and success in The Universe, Stars, and a Hint of Girl Magic. She shares tools for other young women to kick-start their own amazing journeys to becoming happier, successful, and independent. She also delves into the spiritual world, universal energy, and the law of attraction, which are all connected. Lessons include: • Take responsibility for your life and everything that happens to you, whether it's good or bad. • Become aware of what thoughts are holding you back so you can recognize negative patterns and overcome them. • Be grateful for every single one of your experiences. If a particular experience wasn't so pleasant at the time, thank the universe for giving you an opportunity to learn and grow. The universe doesn't judge your past failures or where you're positioned. All it does is give you exactly what you ask for (whether you realize it or not). Leave behind negativity, excuses, and self-sabotage with this self-help guide.

Complexion Based Discriminations - Dr.

Deen Dayal 2018-06-15

Complexion based discrimination is a harsh prejudice against dark-skinned people by fair-skinned people that has been prevalent in all countries and continents of the world. This book states the unbearable traumas faced by dark-skinned people such as Nelson Mandela, Martin Luther, Jimmy Carter, Barack Obama, Mahatma Gandhi, Bhimrao Ambedkar, and the Dalai Lama. The book is a harsh whip against the orthodox dogmas that make the lives of dark or black skinned people hell and is a healing balm to restore their stamina in the fight against people

who deprive them of their rights. It is an effort to strike at the root of superstitions and prejudice. Worth is to be based on one's quality, talent, and hard work, not on skin colour.

Māyā Divine and Human - Teun Goudriaan
1978

This is the first volume of a projected three-volume work on the little known South Indian folk cult of the goddess Draupadi and on the classical epic, the Mahabharata, that the cult brings to life in mythic, ritual and dramatic forms. It focuses on the Draupadi cult's own double mythology, moving from its stories about Draupadi's 'primal temple' near the capital of the medieval South Indian Kingdom of Gingee to its version of the Mahabharata war on the North Indian plain of Kuruksetra. Throughout, Hiltebeitel intertwines 'regional' data, gathered

from both oral and written sources, with the 'epic', drawn from the cult's own performative traditions as well as from classical versions of the Mahabharata in both Tamil and Sanskrit. He re-examines many issues critical to Indological studies and takes up them while breaking new ground in investigating the further rapport between the Hindu goddess and the Indian epic. Future volumes will treat the rituals of the Draupadi cult and the Mahabharata as seen through a Draupadi cult retrospective.

Power Women - Pushpa Kurup 2021-09-13
The women in India's great epics compare favourably with the men Draupadi, the princess

with five husbands and a fiery temperament; Uloopi, who abducted the mighty warrior Arjuna; Satyabhama, who fought alongside Krishna to kill the demon Narakasura; Sita, who dramatically descended into the bowels of the Earth rather than return to her suspicious husband; Satyavati, whose greed set the stage for the Kurukshetra War; or Savitri, who achieved the impossible without picking up a weapon. Pushpa Kurup brings their stories and many others in this brilliant compilation of the powerful and intriguing women of our mythology. What enriches this volume further is the inclusion of a few lesser-known but equally significant women, such as Unniyarcha, the heroine of the vadakkanpaatu of Malabar; Kannagi, whose fury destroyed the prosperous Pandya kingdom of Madurai; or Sati Devi and Amba, who immolated themselves in their bid to achieve their mission. From bhikkunis and sanyasinis to wild and wayward women, from daughters, wives, mothers and grandmothers to

queens, warriors and scholars, the stories of these splendid women throw up many surprises and make for a fascinating read.

Yantra-Mantra Tantra and Occult Sciences - Bhojraj Dwivedi 2002-06

Such a Pretty Girl - Laura Wiess 2008-09-04

Meredith was promised nine years of safety, but they only gave her three. Her father, who was sent to prison for sexually abusing Meredith and other children in the small town, has been released early on good behaviour. He was supposed to be locked up until Meredith's

eighteenth birthday, when she would be free of her abusive father and her delusional mother, who dwells on a fantasy that the three of them will be a happy family once more. But Meredith is only fifteen, and her father is out of prison...and her mother is bringing him home. And Meredith won't let him hurt her, or anyone else, ever again. No matter what the cost. Lyrical, suspenseful, and emotionally shattering, **SUCH A PRETTY GIRL** is the compelling story of one young woman's painful fight for survival - and her journey back to herself.
