## **A Church Girl's Recovery** - Miranda Martinez-Herbert 2023-07-07

The average age a child encounters pornography is eleven, and by fourteen, most children have already been exposed—even Christians. Martinez-Herbert was a part of that statistic. Pornography is foreign. Intriguing. Enticing. But all vicious creatures eventually show their predator nature. A Church Girl's Recovery is an introspective excavation of pain, struggle, and hope throughout a fourteen-year recovery journey that focuses on God's promise of freedom and how community is essential for growth.

## **Unlikely Rebel** - Kelli Gotthardt 2015

No formulas, no pat answers. Just real life. Real questions. Real transformation. Approach many women in the church and if they're being honest, they'll tell you they {u2022} try hard to keep it all together; {u2022} are frustrated that being good doesn't deliver the perfect life; {u2022} feel trapped in expectations; {u2022} make decisions based on "shoulds"; {u2022} feel selfish when they say no; and {u2022} are uncertain of their place in God's kingdom. Between the desire to please God, the need to feel valued, and the compulsion to make everyone around them happy, women often find themselves denying their desires. It's safer to stay in the life of "shoulds" even if it means being spiritually and emotionally disconnected. Kelli Gotthardt knows their pain. Always considered a "good girl," she threw herself into every ministry, saying yes to every request her church family made. On the outside, her life looked completely together but she was drowning in self-doubt and shame. Unlikely Rebel is the story of how Kelly slowly shed shoulds and shame, learning to love God and love who He created her to be. The journey from the comfort of doing everything expected of a perfect

pastor's wife to the uncertainty of living authentically and true to her unique calling is equal parts exhausting and exhilarating. Many Christians condemned her, responding with fear or anger to her greater intimacy with God's calling when it didn't match their own vision. For others, though, her journey inspired courage to embrace God's path for their own lives. Now Kelli invites other women to discover God's leading in their lives, learning that if they throw off the despondency of undeserved shame, abundant life awaits.

The Ultimate Guide to Christian Singleness covers a wide range of common questions Christians singles often have. Why am I still single? Is God calling me to a life of singleness? How can I use this season for God's glory? Is God punishing me with singleness because of my past sins? How can I find a godly spouse? This book is divided into four sections which cover the common phases of Christian singleness. It has 30 short chapters, each with three reflection questions meant for small group Bible studies or individual use.

**This Messed Up Church Girl** - Britney Baker 2014-03-11

Coming up in church, I thought I knew the ends and outs of ministry and how to walk the walk of a Christian (being Christ-like) but I was WRONG!!! I was only an imitation of a routine more than I was of the Word of God! I have been through a series of events in my life that God strategically placed there for me to "Wake up and smell the Coffee!!!" So with that being said, the Holy Spirit lead me to write this book to help a lot of Saints, Christians, Believers, Church goers, Kingdom Citizens or however you consider your self identity! This book is for you if you are really ready to walk in the will, path and assignment that God has in place for your life and to also identify if you have found yourself coming to church every Sunday, every bible study and even extra events as a routine but still struggling with issues (behind the scenes) having felt

like you have perfected what we know as "Being Saved!" Let me make it plain to help leaders and lay members in the four corners of the church....It doesn't profit you or bring God any Glory to operate with hidden issues that have not been faced. When we operate like that, we are operating in routine and a familiar spirit...NOT out the Spirit of God! Luke 9:25 (NKJV) says it like this: "For what profit is it to a man if he gains the whole world, and is himself destroyed or lost?" If you were anything like me before God took the scales off my eyes (as he did Apostle Paul), you go to church with a smile and may even operate in your gift effectively but once you leave that building you go home and face serious issues within that nobody knows about but you and God rather its physical issues, mental issues, spiritual issues and even issues you feel like can't be categorized! If this sounds like you then this book was inspired by God through me to let you know that "YOU CAN COME OUT!" Before I go any further, I must first help you to understand that the Devil is real and the attack he has out against your life, your relationship with God and ministry is also real! He will allow you to operate in gifts and callings in front of everyone as long as your issues are getting the best of you behind the scenes (Romans 11:29)! The key is confession! As long as you hide issues, the Devil feels as though he has a secret on you, but when you expose your issues, you expose him to and everything that he has made you feel bad about! In this book, I am going to share with you "Kingdom Keys" that God has revealed to me to be free and stay free. WARNING!!! Some keys might come easy but some of them require great sacrifice and discipline but it is possible according to your faith and how bad you want something's in your life to go away never to return! I hope this book is life changing and transforming for you and causes a release in your spirit so you can walk in liberty towards your God given purpose and destiny!

**Church Girls Are Easy** - Euftis Emery 2018-04-02

In this book I talk about church girls. I don't have a problem with organized religion in general mind you. Just the hypocrites who point a finger at everything that they think you're doing wrong when they are doing the same thing. I find that the worst out of the hypocrite lot are the

hoes of the church. Now don't get me wrong... I...love... a good ho. They make the world a better place. Yes they do. However, church hoes I can't stand because they will suck you dry, wipe their mouth, and then chastise you for letting them suck your dick. Getting busy with a church ho can become very tiring if you do it long-term. So if you're going to get busy with one do so sparingly. Just every once and awhile because it'll be a major headache each and every time you get it. Although if a church girl is fine I'll take advantage of them in a minute to fill up one or more of their holes. In a way I feel kind of sorry for them because in a sense they have split personalities. Split on one side being a wannabee slut and a virtuous non-physical being on the other. The two just don't go together which is why they have such bi-polar behavior. Thus this story with a particular church girl that I had the pleasure to get to know. Well partial pleasure because she was on that church girl bullshit. Anyway, I hope you enjoy it.

**The Anatomy of A First lady** - Ramona Rodgers 2023-09-05

The Anatomy of a First Lady speaks to the challenges and triumphs of leading ladies in corporate America, marriage, as well as in ministry. As you journey with me through a few of my personal experiences, I will utilize several parts of the human anatomy, such as the cardiovascular system, as a metaphor to transparently discuss relevant PowerPoints, such as matters of the heart. As the circulatory system's function is to transport the blood throughout the body, women, we deal with various issues of life that cause us to silently scream simply because we are bleeding while leading. This novel offers strategies to combat blood "diseases," such as persecution, rejection, brokenness, and betrayal that try to block our flow. As the lymphatic system fights infection, leading ladies, you must understand that anything worth having won't come easy, but you will have to fight for it. The largest organ in the human body is the skin. Leading ladies, if you are going to break glass ceilings, you have to develop a thick skin. As the bones give the body posture, I admonish women and men alike in leadership roles that challenges will come, but if you remain postured in your faith, you can conquer anything!

**Church Girl Memoirs** - Heather LorRyn

Girls, Build a Relationship with Goals Not Feelings - Steve Covey

2020-07-09

Your time is precious, so is mine, so let's get straight to the point...There is this "sucre papito" taking up vast amount of space in your life, you've been giving him all the ancient and modern green lights for a thousand years, yet he doesn't look like he is ready for you at all. You wish you had that perfect gentleman in your life, completing you where you short and making you feel like life is a bed of roses, sadly, it's like you've been destined to meet only the bad boys in the world. Perhaps you are this church girl, praying woman, and an addicted lover of Christ. All you want is that knight that keeps your fire burning - spiritually, sexually, mentally, financially and otherwise; sadly, your man doesn't seem to be that perfect. Let me guess, you are married but then, it turned out that you would trade anything (or everything) to have that single-like life back, probably because marriage with him was not the best decision you ever made after all. If this is you, then you are at the right place! Before we move on to the many true and proven benefits of having a copy of this book, let me pass this to you straight and clear - No Mr. Right exists anywhere in the world, every woman's Mr. right died about 2,000 years ago. The only available option is to make a Mr. Right from the Mr. Almost Right you have with you. Is he okay sexually and financially, but he is not that spiritual and fun to be with? You can actually panel-beat that spirituality and comic ability into him. Do you have that strong feelings for him and you feel he does for you too, but you are not sure if he is going to be the perfect man for you? Well, you can actually make that work with the power in the knowledge you are about to acquire. Sweetheart, feelings (no matter how strong they are) can never keep a man... but that begs the question, WHAT DOES?

*How Did God Do It?* - Walt Huber 2013-12

Have you ever wondered... How Did God Do It? How did God perform the many miracles and supernatural events described in the Holy Bible — without violating the laws of physics and chemistry that He Himself put

into place? And without conflicting with the basic tenets of Judaism and Christianity? This book proposes a theory that marries faith and rationality in a symphony of science and scripture.

A Girl Like Her - Bishop Bassey Effiong Orok 2012-01-12

Life is all about choices. The ones you get to make and the ones you don't. You can choose the friends you have and the people you want to employ. You can choose your battles but you can't always choose your enemies. You can choose your goals and your dreams although these things don't always choose you. You can choose what you want to eat and where you want to shop. There is however, three choices you can't make. You can't choose who you fall in love with or who falls in love with you. You also

cant choose your family. How well do you know your closest friends or people you choose to have in your life? Your lovers? Your own family? The people who claim to be your friends? Even the people youve just met? Would you do to them what they would try to do to you? Would you try to take their boyfriends? Or would you simply talk about them behind their back? There's a token few who are loyal in that world. What will your friends do for you when the chips are down? This is where Lexi lives, right in the middle of her chaotic events. Everything that happens always begins with something she says, knows, or does, often with disastrous results. She sees everything through her purple tinted sunglasses. What will happen when she loses the glasses and starts seeing things for what they really are? In a strangely humorous way, live the ups and downs of her and her friends romances. Will she choose the nice guy or the bad boy? Will the nice guy become a jerk or will the bad boy become nice? How do people react to situations they aren't used to being in? Welcome to Lexi's world. Her life is sent through a wringer with Church Boy Blaine, her rock star boyfriend Izzy, a famous dad she didn't know she had, and everyone else in her life. People aren't ever what they seem to be. Just look at the chapter titles. That should be enough to want to know more. I would call this tale a twisted dark romance with a keen sense of humor. Something like a warped modern day Romeo and Juliet with all the modern problems. Sorry, no vampires here. Once you start reading you probably won't even miss them. There are plenty of bloodsuckers of a different kind. Careful, you might even learn something. If nothing else, you'll get sucked into these colorful and sometimes unlikable people's lives. It's all about love and hate and the thin line in between. If you're the least bit curious open it to any page and read. You'll want to keep reading to find out what happens. You'll get addicted, you'll want more. I hope.

**Church Girl Culture Vs. Christ** - Saphina Carla 2020-10-18

In *Church Culture Vs Christ*, author Saphina Carla sheds light on common ideologies that have supplemented the Christian faith. In it, she discusses her own faulty beliefs that had to be readjusted by Christ and not by church girl culture - a culture of cosmetic Christianity that can

often prioritize false piety, over transparency and truth. Her goal is to make taboo church topics - - not so taboo. The goal is to remove the pressures of perfection when it comes to women of faith and to restore biblical truth in places where it's been set aside for shallow formulas. Above all, her goal is for Christ to be glorified. Saphina Carla is a writer, blogger, and Christian content creator. She was born and raised in Brooklyn, NY and is of Haitian descent. She started her journey of salvation at nineteen years old after God delivered her from an abusive relationship. Her aim is to promote biblical truth while providing a safe space to have authentic dialogue within the church, especially as it relates to the taboo and the uncomfortable.
