My Dreams Out in the Street - Kim Addonizio 2007-07-03

Rita Jackson is a young woman on the skids, spending her time in shelters and on the dot-com-drunk streets of late 1990s San Francisco. She's a young woman haunted by the murder of her mother when she was thirteen, and a young bride haunted by the disappearance of her husband, Jimmy, who split after a nasty argument more than a year earlier. Together Jimmy and Rita were slipping into drugs and hard times. Rita is filled with feelings of guilt and failure, and the hope that she will one day and Jimmy. She doesn't know that he is still in the city, still in love with her, waiting tables in an expensive restaurant while trying to get a foothold in the straight life. When Rita witnesses the aftermath of a murder, her own life is endangered. She becomes involved with Gary Shepard, a married criminal investigator drawn to the dark side of this young woman. What unfolds is a story of three flawed people struggling with themselves as much as with their circumstances, as each of them is pulled more deeply and dangerously into the consequences of their decisions. When a drunken night leads Jimmy to jeopardize his second and last chance, it seems unlikely that these sweet, damaged people will ever come to anything, let alone find and -- miracle of miracles -- save one another. But fate, in Addonizio's hands, works in strange and beautiful geometries. And redemption, she tells us, is never impossible.

Echoes of God in the Refreshing Springs - Lashawn D. Ferguson 2009-08-31

This book was birthed out of nature walks where I longed to be alone with God and where I sought to hear his voice in the Echoes of the Refreshing Springs. I yearned to seek God's face and escape the norm, the noisy crowds and the masses of people I pass on this journey called life. As a mother of five, my life revolves around them, and as much as I love my children, I do need a break from them at times. These nature walks became my pavilion, my hiding place where just God and I could spend time together. LaShawn Ferguson, a.k.a. Desmonia Adedayo, is a minister at New Home Baptist Church under the leadership of Pastor Bobby Hicks. She is the author of Nuggets of Wisdom: Reflections of a Journey. She graduated from Evangel School of the Bible with a major in Biblical studies. She is the founder of the Poetic Voices Ministry at New Home Baptist Church and is also the founder of the Poets Corner, located in Brookland Manor Apartments, NE, Washington, D.C., serving the DC inner city gifted youths. She has been blessed to travel to the Motherland, Kenya, Africa, to preach the Gospel. She has a passion for people and believes that when the Saints of truly come together then we can evangelize the nations. Her desire is to one day have a home for women that have suffered abuse and are unsure of what their purpose is in life. She is a woman that can relate to pain and adversity in life, feeling forsaken by all and loved by none and would love for all humanity to taste of the goodness of God's everlasting love.

The School for Good Mothers - Jessamine Chan 2023-02-07

"Set in near-future America, *The School for Good Mothers* introduces readers to a government-run reform program where bad mothers are retrained using robot doll children with artificial intelligence. Protagonist Frida Liu, a 39-year-old Chinese-American single mother in Philadelphia, loses custody of her 18-month-old daughter, Harriet, after she leaves Harriet home alone for two hours on one very bad day. To regain custody, Frida must spend a year at a newly-created institution, where she practices parenting with bad mothers from all over the county. There, she learns to love an uncannily life-like toddler girl doll in order to demonstrate her maternal instincts and prove to her family court judge that she deserves a second chance. Frida is an outsider in every way: better educated, more affluent, and the only Asian. The mothers, whose transgressions range from benign to horrific, are under constant surveillance. If they don't pass all the school's tests, their parental rights will be terminated. Inspired by dystopian classics such as *1984*, *Never Let Me Go*, and *The Handmaid's Tale*, the novel eviscerates the dominant American parenting culture, while highlighting the tragedy of state-sponsored family separation. Is there one right way to mother? Can a bad mother ever be redeemed? With warmth, heart, and dark humor, the novel tells a timeless story of a mother fighting to win back her child, and

her struggle to hold onto her integrity while being indoctrinated"--
