My Life as Noah - Victoria Anders

Is it lust...or something deeper? From the second our hands touched, Marlee stole my heart. She's everything I've ever dreamed of in a girl, but a dream is all she'll ever be. I try to forget about her. Try to wash her memory away with shots of mind-numbing tequila, but I just can't let her go. As the days turn into weeks and weeks turn into months, my feelings remain just as strong. No other girl comes close to what she does to me, which is kind of ridiculous considering we've only shared a few words. After almost a year of ups and downs, with downs being in the majority, I'm finally becoming the person I want to be. Will my new grasp on life give me the courage to talk to the girl who stole my heart, or is it time to let that dream go? Either way, it's time to stop letting life pass me by.

Ask Lucky! - Kelly White 2003

Played - Beverley Kendall 2019-04-25

The summer Josh and I got together, we agreed to keep things strictly physical. And it was. Until our casual hookups stopped feeling casual. Having sex with him stopped being just about sex. And the thought of calling a halt to it left me feeling empty and cold. But Josh doesn't "do" relationships, so I called it quits before I started to fall. Luckily, I was able to move on from the experience completely unscathed, my heart fully intact. Or so I thought. Until I saw him again. His arm was wrapped around her. And unlike me, she isn't a hookup or a "booty" call. No, she's the girlfriend he told me he didn't want. And she's getting from him everything he'd said he couldn't give any girl. So it turns out that Josh isn't averse to being in a relationship after all. He simply hadn't wanted to be in a relationship with me. Other Books in the Series: *The Trap Trapped Burned* - TBA

Rule #7 - Anne-Marie Meyer 2019
Who said mistakes have to be bad? It's Christmas break and I'm alone. My best friend is off with the dance team to the Bahama's and I'm at home, trying to pad my college application by volunteering with Safety Net Mentors, a

program that pairs teens with kids in need—and if I finally get to talk to my life-long crush, I'm okay with that. Everything is going according to plan until I discover that not only is my ex-best friend, Grayson back, but he's also volunteering. And we get paired with siblings. Great. I not only have to talk to him but I have to spend time with him and his mentee. Which seems doable as long as neither of us bring up the past. Which seems harder to do than say. Now I'm so confused, I can't keep my mind straight. There's something Grayson isn't telling me and feelings that creep up that weren't there before. Thing change and suddenly, what felt like the biggest Christmas break mistake doesn't feel that way anymore. If only I could figure out what everything meant, I just might survive with my heart intact.

Crush - J W Swartz 2021-10-15
Matilda Shriner spent years fading into the background of marriage and motherhood. She's more than ready to shed her old identity—the one who suffocated under the crushing weight of tragic loss and then divorce—and rediscover the real Matilda. Especially when she shares a sizzling glance with a stranger the very first night her friends talk her into being social. When that same stranger rescues her from an attack hours later, her quest to find herself takes on new meaning. Because he knows way more about her than he should... Feather Conrad has been watching Matilda from afar for a long time. From the shadows, he saw her endure the worst a parent can face, her resilience in the aftermath of heartbreak, and her determination to follow her own dreams. Through it all, he fell a little bit in love. Now, thanks to some not-so-coincidental timing, his skills as a private investigator and security specialist might be the only thing standing between Matilda, her fractured family, and a dangerous man with a score to settle. But the same threat that gives Feather the chance to get to know Matilda in person—and prove he's not an unhinged stalker—puts her in close proximity to her ex and all the history they share. The secrets he uncovers might just give Matilda everything she wants—and break Feather's heart.

Witch on Ice - Cat Larson 2021-06-17

I'm a witch in love with a frog. And you thought you had problems? Hi, my name is Sammara Eve Hain, and I don't admit that to just anyone.

Especially the witch part. If it were up to me, I would've been born into a nice, normal family. One that went camping on weekends and played board games and watched television. Not one that spent their Saturday nights cackling around a cauldron and turning people into frogs. Okay, that's an exaggeration. They don't cackle. But they're definitely not normal. And the frog thing? May I introduce my fiancé, Mr. Short, Green, and Bewitched? Courtesy of my sister. Thanks, Violet. All I ever wanted when I left my small town of Bigfoot Bay thirteen years ago was to disappear into the big city and lead an ordinary life. I never expected to return. And when I stumbled upon my childhood nemesis frozen solid inside a wall of ice, I never expected I'd be forced to stay. With a betrothed frog at my side and no sister in sight. ** *Witch on Ice* is the first in a new humorous cozy mystery series. Suitable for all ages. ** The Bigfoot Bay Witches cozy mystery series: *Witch on Ice* - Book 1 *Bewitched Brew* - Book 2 *Witch Bane and The Croaking Game* - Book 3 *Witch Haunt* - Book 4 *The Witch is Back* - Book 5 *The Big Day Brew-HaHa* - Book 6 **FREE/FREEBIE**

Unfriending My Ex - Kim Stolz 2015-01-06

More Than a Silly Crush - Remi Carrington 2023-04-17

I only saw him as my best friend's little brother . . . until I married him. Getting pregnant before the wedding wasn't my plan, but surprise! Then my fiancé (correction, ex-fiancé) tells me to take care of the problem. And that's how he becomes my ex. But being a single mom in this small town won't be easy. Maybe not even possible. I'm a large animal vet. It's not like I can take my baby to work with me. Then my best friend's younger brother drops to one knee and proposes so that I won't be a single mom. After hours of pondering, I accept Parker's impulsive proposal. Romance

has never been part of our relationship, but he treats me better than anyone I've ever dated. He's caring, protective, and more than a little good looking. Way more than I deserve. But I really didn't think about the day-to-day of married life. Or what it would be like to see him without a shirt all the time. He's no longer the scrawny kid who liked to tag along. He's a full-grown cowboy and quickly becoming my best friend. (Well, my other best friend) Just when I think maybe a happily-ever-after is possible, tragedy strikes. Now that there's nothing to save me from, I have to let him go. But walking away from my knight in shining armor will absolutely shatter my heart.

The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • BY QUEERS, FOR QUEERS: This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • EXCITING DEBUT AUTHOR: In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • GORGEOUS ILLUSTRATION: Kelsey

Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • AMAZING GUEST EXPERTS: Because one queer cannot possible hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn

Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the *Ex-Girlfriend* zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art [Do You Know how to Flirt?
