The Book of Woman - Osho 2002

A Guide To Understanding The Essential Woman
A Woman, According To Osho, Is A Mystery; Trying To Understand Her Is Futile. In This Book, Based On His Discourses, Osho Talks About Woman Not In His Capacity As A Man, But As A Consciousness, An Awareness . In Order To Find Her True Potential, He Says, A Woman Should Search Within Her Own Soul And Rebel Against Any Repression. Unless You Have A Rebellious Soul, You Are Not Alive In The True Sense Of The Word. Osho Talks About Various Issues Like Motherhood, Relationships, Family And Birth Control. Questioning The Concept Of Marriage, He Says It Is The Ugliest Institution Invented By Man As Its Aim Is To Monopolize A Woman. He Is Equally Critical Of The Institution Of Family Which Corrupts The Human Mind. A Woman, He Says, Should Not Imitate Man: Rejoice In Your Feminine Qualities, Make A Poetry Out Of Them. The Perfect State Of Being, According To Osho, Is A Synthesis Between The Head And The Heart, With The Heart Remaining The Master. The Rare Sensitivity Of Osho S Words Will Appeal To Both Men And Women.

SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could

occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship. *What's Your Sun Sign* - Chetan D. Narain 2011-02-01

'What's your sun sign?'-a conversation starter, an ice-breaker, a guessing game or just genuine curiosity that can draw strangers together. Four words that get heard a million times, each time, sounding just as exciting! Dig deeper, and it's a statement that mirrors our underlying desire to know more about the other person and allows us the thrill of entering a mystical zone-of people's behaviours and relationships. This witty book, without any astrological clutter, is your perfect companion to understanding your friends, family, professional associates and more importantly, your self. You will be amazed to see how we can touch hearts, build relationships and connect with people when we speak to them about them!

The New York Times–bestselling author's classic guide to astrology: "What makes Sun Signs different is that much of the writing is done with humor" (The Boston Globe). Zodiac - Romina Russell 2014-12-09

The New York Times bestselling novel *ZODIAC* is the first book in a breathtaking sci-fi series inspired by astrology that will stun fans of *The Illuminae Files* and the *Starbound* trilogy. At the dawn of time, there were 13 Houses in the Zodiac Galaxy. Now only 12 remain.... Rhoma Grace is a 16-year-old student from House Cancer with an unusual way of reading the stars. While her classmates use measurements to make accurate astrological predictions, Rho can't solve for 'x' to save her life—so instead, she looks up at the night sky and makes up stories. When a violent blast strikes the moons of Cancer, sending its ocean planet off-kilter and killing thousands of citizens—including its beloved Guardian—Rho is more surprised than anyone when she is named the House's new leader. But, a true Cancrian who loves her home fiercely and will protect her people no matter what, Rho accepts. Then, when more Houses fall victim to freak weather catastrophes, Rho starts seeing a pattern in the stars. She suspects Ophiuchus—the exiled 13th Guardian of Zodiac legend—has returned to exact his revenge across the Galaxy. Now Rho—along with Hysan Dax, a young envoy from House Libra, and Mathias, her guide and a member of her Royal Guard—must travel through the Zodiac to warn the other Guardians. But who will believe anything this young novice says? Whom can Rho trust in a universe defined by differences? And how can she convince twelve worlds to unite as one Zodiac? Embark on a dazzling journey with *ZODIAC*, the first novel in an epic sci-fi-meets-high-fantasy series set in a galaxy inspired by the astrological signs.

The GOOD, the BAD and the UNLIKELY - Ron S. King 2008-12-29

This book is a tongue-in-cheek look at how two men deal with astrology and the consequences, as they travel through the trials and ordeals, through the astrological dating-scene and into the confines of prison... A great deal of fun and the ridiculous!

Wandering Star - Romina Russell 2015-12-08
A breathtaking sci-fi space saga inspired by

astrology that will stun fans of the *Illuminae Files* and *Starbound* series. Orphaned, disgraced, and stripped of her title, Rho is ready to live life quietly, as an aid worker in the Cancrian refugee camp on House Capricorn. But news has spread that the Marad--an unbalanced terrorist group determined to overturn harmony in the Galaxy--could strike any House at any moment. Then, unwelcome nightmare that he is, Ochus appears to Rho, bearing a cryptic message that leaves her with no choice but to fight. Now Rho must embark on a high-stakes journey through an all-new set of Houses, where she discovers that there's much more to her Galaxy--and to herself--than she could have ever imagined.

Manor for Sale, Baron Included - Esther Hatch
2021-02-23

She has everything Lord Farnsworth wants, including his manor. Lord Farnsworth would rather rot in debtor's prison than sell the one place that feels like home to him--his mother's manor. That is, until he meets the woman who wants to buy it. Sally Duncan is beautiful, intelligent, and as rich as a baron--a rich baron, not a cash-strapped one like Lord Farnsworth. She's the solution to every one of his financial problems and is bewitching to boot. All he needs to do is sell her his beloved manor and then charm her to the altar, and the manor will be his again. Simple, right? But nothing is simple when Sally starts tearing apart his ancestral home and renovating it in a way no one would consider tasteful. She is wreaking havoc on everything, but he cannot give up on owning his mother's estate again, nor can he imagine anyone but Sally as his wife. And so he sticks with his plan. What a horrible mistake.
