The Man's Guide to Women - John Gottman
2016-02-02

A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

The Art Of Seduction - Robert Greene
2010-09-03

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure

all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Come As You Are: Revised and Updated - Emily Nagoski
2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if

you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Three Women - Lisa Taddeo 2019-07-09
 #1 NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER * #1 INDIE NEXT PICK A Best Book of the Year: The Washington Post * NPR * The Atlantic * New York Public Library * Vanity Fair * PBS * Time * Economist * Entertainment Weekly * Financial Times * Shelf Awareness * Guardian * Sunday Times * BBC * Esquire * Good Housekeeping * Elle * Real Simple "THIS IS THE BEST BOOK OF THE YEAR. This is it. This is the one...It blew the top of my head off and I haven't been able to stop thinking or talking about it since."

—Elizabeth Gilbert "Taddeo spent eight years reporting this groundbreaking book...Breathtaking...Staggeringly intimate."
 —Entertainment Weekly "A breathtaking and important book...What a fine thing it is to be enthralled by another writer's sentences. To be stunned by her intellect and heart." —Cheryl Strayed A riveting true story about the sex lives of three real American women, based on nearly a decade of reporting. Hailed as "a dazzling achievement" (Los Angeles Times) and "riveting page-turner that explores desire, heartbreak, and infatuation in all its messy, complicated nuance" (The Washington Post), Lisa Taddeo's *Three Women* has captivated readers, booksellers, and critics—and topped bestseller lists—worldwide. In suburban Indiana we meet Lina, a homemaker and mother of two whose marriage, after a decade, has lost its passion. Starved for affection, Lina battles daily panic attacks and, after reconnecting with an old flame through social media, embarks on an affair that quickly becomes all-consuming. In North Dakota we meet Maggie, a seventeen-year-old high school student who allegedly has a clandestine physical relationship with her handsome, married English teacher; the ensuing criminal trial will turn their quiet community upside down. Finally, in an exclusive enclave of the Northeast, we meet Sloane—a gorgeous,

successful, and refined restaurant owner—who is happily married to a man who likes to watch her have sex with other men and women. Based on years of immersive reporting and told with astonishing frankness and immediacy, *Three Women* is both a feat of journalism and a triumph of storytelling, brimming with nuance and empathy. "A work of deep observation, long conversations, and a kind of journalistic alchemy" (Kate Tuttle, NPR), *Three Women* introduces us to three unforgettable women—and one remarkable writer—whose experiences remind us that we are not alone.

Heartthrobs - Carol Dyhouse 2017
 From dreams of Prince Charming or dashing military heroes, to the lure of dark strangers and vampire lovers; from rock stars and rebels to soulmates, dependable family types, or simply good companions, female fantasies about men tell us a great deal about the history of women.
Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post
