Seven Deep Insecurities Men Dont Want Women to Know - Sheri E. Ragland 2015-09-09

The author provides Robert Harris's compelling story of his struggles with manhood throughout his youth and adult life in part one. His journey begins with a complex childhood of poverty, uncertainty, and the fight to survive in Memphis, Tennessee. As a teenager in the streets, he dominated, ruled, and controlled individuals and relationships as a means of survival and to gain respect. However, long-term behaviors led to an adulthood of aggression, negative thinking, and unsuccessful relationships. His personal challenges and insecurities caused him to seek God to become a better man and father. Robert shares his story of challenges and triumph to encourage other men. His memoir provides a foundation for part two, which reveals the seven deep insecurities that men like Robert experience but do not openly discuss with the women in their lives. In part three, the book concludes with reflections. The objective of this

book a) adds to the existing information on relationships; b) encourages more men to acknowledge their insecurities and do something about them; c) inspires men to have healthy discussions about their thoughts and feelings with their partner; and d) encourages men to be more open-minded about their relationship and find successful ways to collaborate with their partner to solve relationship issues in a humble, caring, respectful, and loving manner.

Why We Love - Helen Fisher 2005-01-02
A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. Why We Love begins by presenting the results of a scientific study in which Fisher scanned the brains of

people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive. *Confessions of a Female Vigilante* - A. L. Sutter

Through the encouragement of the only true love Lane has ever known - Christopher, she seems to be redeemed. Doubt as to Lane's motives is raised by Chris' best friend, Jimmy, an LAPD cop, but the mature unbreakable bond Lane shares with Christopher seems strong enough to put Lane's demons to rest. extraordinary encounter usually opens the door to extraordinary transformation and revelation of extraordinary potential. In this book, Oscar J. Dowdell-Underwood, PH.D takes you on a journey back over two thousand years ago to a hot day at Jacob's Well, one of the deepest wells in the region, where JESUS kept a grace-appointment with an incredibly destined and purposed, yet misunderstood, woman who had become weary of living a mediocre life that was far beneath the purpose and destiny for which GOD created her to fulfill. One grace-encounter with JESUS transformed her and humanity forever. It's time for humanity to know the truth about her life and her incredible deposit!

big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker

Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.
