Friends on a Rotten Day - Hazel Dixon-Cooper 2008-05-01

It's about time for *Friends on a Rotten Day*, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. *Friends on a Rotten Day* explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

The Libra Affair - Daco 2013-04-08

Her Mission: Launch an ICBM Code Name: Libra Obstacle: Love When it's time for double-agent Jordan Jakes, a CIA covert operative, to launch a missile in the remote desert of the Middle East, she's forced to tell her blind asset, NASA scientist Ben Johnson, that their love affair is finished. Only the breakup turns out to be more difficult than she anticipates—and it's not just because she's developed intense feelings for the guy. When she disappears without a trace, Ben will stop at nothing to find the one woman who he's fallen for hard and fast even if it means boarding a plane that lands him in the middle of a country most Americans might

think twice about entering—Iran. Surviving takes more than being one step ahead of their enemies. Jordan and Ben must peel back the layers of their emotional armor to overcome a series of obstacles before they can accomplish Jordan's mission. If they have any hope of making it out of the Middle East alive and forming a lasting relationship, they must surrender to love. Sensuality Level: Sensual

Astrology for Real Relationships - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

The Whole Town's Talking - Fannie Flagg 2017-11-14

NEW YORK TIMES BESTSELLER • The bestselling author of Fried Green Tomatoes at the Whistle Stop Cafe is at her superb best in this fun-loving, moving novel about what it means to be truly alive. WINNER OF THE SOUTHERN BOOK PRIZE Elmwood Springs, Missouri, is a small town like any other, but something strange is happening at the cemetery. Still Meadows, as it's called, is anything but still. Original, profound, *The Whole Town's Talking*, a novel in the tradition of Thornton Wilder's *Our Town* and Flagg's own *Can't Wait to Get to Heaven*, tells the story of Lordor Nordstrom, his Swedish mail-order bride, Katrina, and their neighbors and descendants as they live, love, die, and carry on in mysterious and surprising ways. Lordor Nordstrom created, in his wisdom, not only a lively town and a prosperous legacy for himself but also a beautiful final resting place for his family, friends, and neighbors yet to come. "Resting place" turns out to be a bit of a misnomer, however. Odd things begin to happen, and it starts the whole town talking. With her wild imagination, great storytelling, and deep understanding of folly and the human heart, the beloved Fannie Flagg tells an unforgettable story of life, afterlife, and the remarkable goings-on of ordinary people. In *The Whole Town's Talking*, she reminds us that community is vital, life is a gift, and love never dies. Praise for *The Whole Town's Talking* "A witty multigenerational saga . . . [Fannie] Flagg's down-home wisdom, her affable humor and her long view of life offer a pleasant respite in nerve-jangling times."—People "Fannie Flagg at her best."—The Florida Times-Union "If there's one thing Fannie Flagg can do better than anybody else, it's tell a story, and she outdoes herself in *The Whole Town's Talking*. . . . Brilliant . . . equally on the level as her famous *Fried Green Tomatoes at the Whistle Stop Cafe*."—The Newport Plain Talk "Delightful."—The Washington Post "A ringing affirmation of love, community and life itself."—Richmond Times-Dispatch

tale filled with magic and set in the mysterious Carpathian Mountains where a girl must hunt down Vlad the Impaler's cursed ring in order to save her father. Some legends never die... Traveling with her treasure-hunting father has always been a dream for Theodora. She's read every book in his library, has an impressive knowledge of the world's most sought-after relics, and has all the ambition in the world. What she doesn't have is her father's permission. That honor goes to her father's nineteen-year-old protégé—and once-upon-a-time love of Theodora's life—Huck Gallagher, while Theodora is left to sit alone in her hotel in Istanbul. Until Huck returns from an expedition without her father and enlists Theodora's help in rescuing him. Armed with her father's travel journal, the reluctant duo learns that her father had been digging up information on a legendary and magical ring that once belonged to Vlad the Impaler—more widely known as Dracula—and that it just might be the key to finding him. Journeying into Romania, Theodora and Huck embark on a captivating adventure through Gothic villages and dark castles in the misty Carpathian Mountains to recover the notorious ring.

But they aren't the only ones who are searching for it. A secretive and dangerous occult society with a powerful link to Vlad the Impaler himself is hunting for it, too. And they will go to any lengths—including murder—to possess it.
