

How To Get Her To Miss You

Miss You Forever JOSEPHINE COX. 2025 As a woman lies at death's door in hospital, her heartbreaking story springs back into life

Miss You, Pat Sharon Watts 2007-09-04 Captain Patrick J. Brown of the FDNY had an uncanny ability to be exactly where he was needed at exactly the right time, most especially on 9/11/2001, when he perished, surrounded by scores of burn victims he was trying to evacuate from the World Trade Center. Everyone who knew Pat agreed that he would have been nowhere else that day. And yet, Pat was much more than a firefighter. Pat was a yoga devotee. A Black Belt in karate who taught the blind. An accomplished boxer. A USMC Vietnam War vet. A Broadway musical theatre buff. And throughout it all, a spiritual seeker. Many people whose lives he touched shared their stories and memories with his close friend and former fiancée. The result is an intimate and moving book, with first-person narratives illustrating Pat's deep and varied life. Idiosyncratic, personal memories blend with career stories that illustrate what made him such an intuitive, beloved friend, and such a legend in the FDNY. He inspires us all. Proceeds go to Bent On Learning.

How the Nagas Were Pleased by Harsha & The Shattered Thighs by Bhasa Harṣa 2009-03 "Two plays that break the rules: both show the hero dying on stage, an inauspicious scenario forbidden in Sanskrit dramaturgy. From widely different ideological and social backgrounds, each evokes intense emotion in an exploration of love and heroism, conflict and peace, idealism and pragmatic reconciliation. Each portrays the reconciliation of hate and retaliation in love and mercy." "King Harsha's play, composed in the seventh century, re-examines the Buddhist tale of a magician prince who makes the ultimate sacrifice to save a hostage snake (naga)." "Attributed to Bhasa, the illustrious predecessor to Kali-dasa, The Shattered Thighs transforms a crucial episode of the Maha-bharata war. As he dies from a foul blow to the legs delivered in his duel with Bhima, Duryodhana's infamous character is here inverted, where he is depicted as a noble and gracious exemplar amidst the wreckage of the fearsome battle scene. An ignoble man dies a hero's death." --Book Jacket.

Miss You Forever Josephine Cox 2012-01-19 As a woman lies at death's door in hospital, her touching story, encapsulated in her diaries, springs back to life. In Miss You Forever, Josephine Cox writes a spell-binding saga of hidden lives and lost loves. Perfect for fans of Rosie Goodwin and Dilly Court. One winter's night, in the coal-hole in her yard, Rosie finds that a woman sheltering there has been severely beaten by thugs. Her only friend is the mangy old dog who accompanies her; the sum of her life is in the diaries she so zealously guards. Yet close up, Rosie can see that Kathleen has a gracious beauty - the 'look' of a respectable lady of means. In hospital, fighting for her life, yet moved by Rosie's care and compassion, Kathleen entrusts the diaries to her, urging her to look at them. There, in the soft glow of the lamp, Rosie reads a heartrending tale of stolen dreams, true love, heartache and loss. A tale that, somehow, must have a happy ending... I Miss You When I Blink Mary Laura Philpott 2019-04-02 NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, "the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one" (The Washington Post), about what happened after she checked off all the boxes on a successful life's to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she'd cracked the code: Always be right, and you'll always be happy. But once she'd completed her life's to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She'd done everything "right" but still felt all wrong. What's the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a "frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more" (Southern Living). She offers up her own stories to show that identity crises don't happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this "warm embrace of a life lived imperfectly" (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don't have to burn it all down. You can call upon your many selves to figure out who you are, who you're not, and where you

belong. Who among us isn't trying to do that? "Be forewarned that you'll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you'll want to buy for yourself and every other woman you know" (Real Simple).

33 ways to make her miss you Celine Claire 2022-02-14 Being apart from the lady you like can be one of the difficult things you ever have to do. So how do you make sure that the girl misses you while you're gone? This e-book gives you up to 50 ways to make her miss you. Tip number one. Minimize the amount of time you spend together If you want the girl to miss you when you're apart from one another, then you can't spend too much of your free time with her. You should hang out with her enough to make her see how awesome, fun, and interesting you are, but not so much that she starts to take you for granted or feels like you've run out of things to say to each other. Make an effort to see her once or twice a week, but ensure that she's not the only to-do on your social calendar, or she'll start to think that she can have you whenever she wants. Tip number two. Limit your phone time with her If you and the girl you are interested in talk on the phone, ensure that you keep your conversations relatively short so she doesn't assume you have nothing better to do than to talk to her all the time. You can talk to her to set up plans or to see how she's doing for some few minutes, but you shouldn't let the conversation drag on so long that you've run out of things to say. To keep her interested, you want her to feel like she can never run out of things to say to you once you meet.
