

# I Need A Single Woman To Marry

**Fix It Jesus! for Single Women Only** - Sophia Reed Ncc 2018-10-17

Are you ready for a Christian single's book that promises to deliver the no-nonsense advice that you have been looking for as a single woman of God? This book is not just any Christian self-help book for single women. This book goes beyond being a Christian book about being single regurgitating the same information that you have read in other single Christian self-help books. **Fix It, Jesus! For Single Women Only. The Straightforward No-Nonsense Guide To Dating, Relationships, and Self Improvement** is not just a Christian book about being single. It is a book that offers straight talk to single Christian women delivered in a way that is understandable and in a way that you need to hear it. How many times have you told yourself, "I want to get married?" How many times have you imagined that when you get married, it would be the perfection that you have always longed for and your life will be complete? How many of you are just sitting there wishing, hoping, thinking, and praying until that day comes? With each day that passes and it does not happen, you sink deeper and deeper into disappointment. Sadly, this is the story of so many Christian single women. You are lonely, you want to get married, you keep dating losers, you keep getting dumped, you keep getting cheated on, he won't marry you, or there are just those days in which you feel that God has forgotten about you and you are going to be single forever. If this is even just some of your story then surely you have come to the right place because *sista GIRL* I want to help you out! I want to bring you out of an area of depression, desperation, loneliness, and hopelessness. The following paragraph is just a small excerpt from my book to show you that I know you and I used to be you. Excerpt: I remember there was a time where I was where you might be today. Dating some guy who was a complete and utter JERK. But I was so convinced that I loved him, that he was going to marry me, and that he was my future husband. So I prayed

about it. All the time, night and day - "God, please open up his eyes and make him see me. Make him see that I am his wife. Make him see how wonderful I am. PLEASE, GOD, PLEASE!" I wanted you to read this excerpt to show you that I was once you. To show you how far I have come and to show you that you do not need to settle for men who do not want you. The topics that are going covered in this book are. Dating Keys for Christian Singles Sex and the Single Christian woman Christian dating simplified and broken down Being equally yoked Preparing for your husband Praying for your future husband Trusting God and His timing Biblical Lessons from Ruth and Esther How to stay celibate Choosing the right partner for marriage How to forgive yourself for mistakes in a relationship God's promises to singles Tidbits on the finding a godly husband Becoming a godly woman Biblical dating advice And so much more. This book has 30 full chapters and will be your ultimate resource as a single Christian woman. It is so full of information that you can even use it for a single women's devotional choosing to read one chapter each day. Single woman of God, let me ask you, don't you want God's best? Not just God's best husband for you but God's best life for you. If the answer is yes, then I am going to take you on a journey through this book and teach you just that. Through 30 amazing chapters, each handcrafted and specific to what you face as a single Christian woman. And who am I you may ask? I am Dr. Sophia Reed, the author of the amazing Christian Lifestyle blog for women [www.sophie-sticatedmom.com](http://www.sophie-sticatedmom.com). I have a master's degree in marriage and family therapy, I am a National Certified Counselor (NCC), and I have Ph.D. in human behavior. Oh yes, and I am a single woman that is happy and living the best life God has for me. So give this book a try I know you won't be disappointed. *Never Married Women* - Barbara Simon 2010-06 A spirit of independence pervades these compelling self-portraits as the women describe their decisions.

**Status Single** - Sreemoyee Piu Kundu

2018-02-12

Marriage. It's the obvious path for every girl in India. It's supposed to define us, shape us and give meaning to our life. But does it, really? Figures show that nearly 74.1 million women in India are either divorced, separated, widowed or have never been married. And the number is on the rise. In what promises to be a path-breaking work on female identity, Sreemoyee Piu Kundu, a proud-to-be-single woman herself, spills the beans on what it is like being over 30 and unattached in India, through her own compelling story and the chequered lives and journeys of nearly 3,000 urban single Indian women from all walks of life. Women, whether single by choice or circumstance, are under scathing societal pressure, invasive scrutiny and pervasive criticism. Be it the difficulty in renting an apartment, being character-assassinated by your gynaecologist, or being slut-shamed as having slept your way to the top, even when you're successful professionally, a single woman's life choices are the easiest to dissect. From one of the most powerful voices in contemporary Indian writing, comes a passionate narrative of grit and gumption, anger and loneliness and the daily struggle of being single in a country where the highest validation of your gender remains marriage and motherhood. Fiercely honest and painfully vulnerable, *Status Single* is a book that every woman and man—single or otherwise—must read.

**Why Men Marry Some Women and Not****Others** - John T. Molloy 2008-12-14

A groundbreaking book--based on years of the same thorough research that made the "Dress For Success" books national bestsellers--about how women can statistically improve their chances of getting married.

**Unmarried Women in Japan** - Akiko Yoshida

2016-11-10

Yoshida addresses the common misconceptions of single, never-married women and aims to uncover the major social and cultural factors contributing to this phenomenon in Japan. Based on interviews with married and never-married women aged 25-46, she argues that the increasing rate of female singlehood is largely due to structural barriers and a culture that has failed to keep up with economic changes. Here is

an academic book that is also reader-friendly to the general audience, it presents evidence from the interview transcripts in rich detail as well as insightful analysis. Important sociological concepts and theories are also briefly explained to guide student readers in making connections. Thus, this book not only serves to enlighten readers on current issues in Japan - it also provides sociological perspectives on contemporary gender inequality.

*Want to Marry a Good Man? Here's How!* - Alisa Goodwin Snell 2007

A Good Man . . . Single women often say they want one. Few believe they can find one. Those who don't have one usually insist that they do. and many more dismiss one without a thought. Sadly, single women often cycle through this condition over and over again. and they don't understand why. Being single can cause many to doubt their personal skills, attractiveness, ability to love and be loved, or possibility of ever becoming happily married. Everyone has a bad day. Everyone has fears and doubts. However, if you take charge, you will be successful in your search for a good man. Being successful in dating depends upon many factors: You must believe you can and will be successful. You must believe the kind of man or woman you are looking for will appreciate, value, and love you. You must have accurate information about the opposite sex, their needs, feelings, and motivations in relationships. You must play an active role in the process. In *Want to Marry a Good Man*, Alisa Goodwin Snell provides an exceptional guide for single women, offering advice on everything from flirting to the first date to engagement and marriage.

**Marriage advice for single Muslim women** -

Farhat Amin 2021-11-26

Whenever I have held a Muslim marriage masterclass, my inbox has been flooded with questions from single Muslimahs. Some women feel scared at the thought of getting married. Others have heard too many Muslim marriage horror stories and are seriously considering staying single. Getting married is one of the most important decisions of your life. So, before you embark on your marriage journey, you need answers, so you have clarity and the confidence to find a compatible husband. Inshallah, a God-conscious husband who will compliment you, not

Downloaded from

by guest

complete you. This Ebook provides you with answers to the pre-marriage questions you have. Questions include: \* Once I get married, will I lose my freedom? \* What are the red flags I should look for? \* What are the halal ways of finding a prospective partner? \* How can I get to know someone without dating? \* When should I ask difficult questions about finances, in-laws, polygamy, etc.? \* How do I know if he is 'The One'?

**Getting Married After 40** - Carmen Anthony 1999

Many single women believe that a woman's chances of getting married are next to nothing once they've reached age 40. The media loves to play on their fears, with stories comparing the odds to being struck by lightning, or kidnapped by terrorists. Yet each year some 275,000 American women age 40 or older marry or remarry. In *Getting Married After 40*, 100 women who have beaten the odds share their stories of how they managed to meet men, overcame their fears and hang-ups, survived the first dates, handled potential step-kids, and other crucial dating and mating issues. These women, all savvy, self-confident, and articulate, don't pretend, that it isn't difficult to adjust to life with a man after years of being on their own. But the rewards, they insist, are well worth it for any woman willing to take the plunge. In *Getting Married After 40*, they reveal the pleasures -- as well as the pitfalls -- and offer practical, step-by-step advice and encouragement to other women who want to find a good man to love.

**Rich Men, Single Women** - Pamela Beck 1989-05

A compelling, readable novel about contemporary women, *Rich Men, Single Women*, portrays with witty accuracy the dilemma of choosing between a career, marriage, money or wanting all three.

**Get Married** - Candice Watters 2008-09-01  
Singles are getting conflicting messages from today's culture, both Christian and secular. Is it okay to want to be married? Is there anything a never-married woman can do, within a biblical framework, to "assist" the process? Candice Watters gives women permission to want Christian marriage, encourages them to believe it's possible, and supplies the tools to get there - despite our anti-marriage culture. This book

blends the author's personal journey from singleness to marriage with the biblical perspective on marriage. As an editor for Focus on the Family's Boundless webzine, Candice Watters knows the target audience inside and out. Whether a woman has been told to "get married" or marriage is on her lifelong wish list, *Get Married* points her to the source!

**The Single-married Woman** - Sherry Blake 2011

*Why You're Not Married... Yet* - Tracy McMillan 2012-06-01

With three marriages under her belt, Tracy McMillan KNOWS how to get married, and she knows exactly why so many other women still aren't. In *Why You're Not Married... Yet*, she pulls no punches telling the modern woman precisely what she's doing wrong. Based on Tracy's Valentine's Day Huffington Post article of the same title, her new book explores how and why women are standing in their own way when it comes to tying the knot. Shortly after its publication, the article went viral, garnering 1,404,533 views, and now stands as the Huffington Post's second most viewed article of all time - and probably one of its most rebutted, having spawned strong response articles on CNN.com, The Frisky, and countless blogs. With chapters like 'You're a bitch,' 'You're Godless,' and 'You're selfish,' Tracy details in straightforward language ten reasons why single women are still single. But it's not all tough love; she also offers up seriously sage advice, along with insight into how her desperate search for security as a child in foster care taught her to look for very specific traits in the men she dated - traits that just so happen to lead to marriage a surprisingly high percentage of the time. Tracy doesn't pretend to be an expert on lasting relationships - and says as much to whomever will listen - but she WILL get women down the aisle, with biting humor, wicked smarts, and heart to spare.

**The New Other Woman** - Laurel Richardson 1987

A disturbing and thoughtful analysis of today's single woman's search for love.--The Washington Post.

**40 secrets for the single woman** - Nanda Bezerra 2018-03-12

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-11-24  
by guest

In "40 Secrets for the Single Woman", Nanda Bezerra draws on her own experiences and offers valuable tips. The author says, "In my opinion, these tips should not be read all at once (if you are able to resist the temptation), but one secret should be read a day in order to work on a different task each day. I believe that even before the 40 days are up, you will see the benefits."

*The Unexpected Joy of Being Single* - Catherine Gray 2018-12-27

From the Sunday Times bestselling author 'This refreshing, unusual book needs to exist. A culture shift which repositions a single person as someone who is relationship-free, complete, and not lacking is long overdue.' - The i 'Absolutely f\*cking brilliant' - Florence Given Having a secret single freak-out? Feeling the red, heart-shaped urgency intensify as the years roll on by? Oh hi! You're in the right place. Over half of Brits aged 25-44 are now single. It's become the norm to remain solo until much later in life, given the average marriage ages of 35 (women) and 38 (men). Many of us are choosing never to marry at all. But society, films, song lyrics and our parents are adamant that a happy ending has to be couple-shaped. That we're incomplete without an 'other half', like a bisected panto pony. Cue: single sorrow. Dating like it's a job. Spending half our lives waiting for somebody-we-fancy to text us back. Feeling haunted by the terms 'spinster' or 'confirmed bachelor.'

Catherine Gray took a whole year off dating to find single satisfaction. She lifted the lid on the reasons behind the global single revolution, explored the bizarre ways cultures single-shame, detached from 'all the good ones are gone!' panic and debunked the myth that married people are much happier. Let's start the reverse brainwash, in order to locate - and luxuriate in - single happiness. Are you in? \*Spoiler: you're already whole PRAISE FOR CATHERINE GRAY'S WRITING: "Fascinating." - Bryony Gordon "Not remotely preachy." - The Times "Jaunty, shrewd and convincing." - The Telegraph "Admirably honest, light, bubbly and remarkably rarely annoying." - The Guardian "Truthful, modern and real." - Stylist "Brave, witty and brilliantly written." - Marie Claire "Haunting, admirable and enlightening." - The Pool

**Irresistible** - Mia Bryan 2019-08-26

Do you want to be married someday? Have you been dating for years but it hasn't gone anywhere? Are you getting tired of waiting? If you answered "Yes" to any of these questions, this book was designed for you! Discover the Secrets to Becoming Irresistible This book helps single Christian women of all ages to prepare for marriage whether or not they are in a relationship, by learning the attributes of a woman of God and how to better take care of themselves spirit, soul and body. It also helps women to learn from past mistakes and make better relationship decisions going forward. It contains biblically proven secrets that will forever change women's lives, especially in the area of romance. As a result of the teachings in this book, it will ultimately make the woman Irresistible to her future Godly husband when she encounters him. Reader Warning: Using the wisdom in this book will put single women on the path to quickly meet and marry their husband. A Word from the Author As a single Christian woman, it's easy to get so excited about the idea of having a wedding, being the object of a man's affection and living happily ever after, that we may not have a clue there is actually preparation that should be done before we meet our spouse and how important it really is. Preparing for marriage is not just about reading scriptures on marriage. Even if you understand that marriage requires some preparation many women have little to no idea how. To women young or mature, what you don't know is holding you back. This book is a complete guide to teach women how to enter marriage gracefully and successfully, the way that God intended. This book is great for Christian women small groups and book clubs, whether you are single, in a relationship or engaged, get ready to obtain the marital future that God has for you.

**I Wouldn't Mind Having a Husband, I Just Don't Want to Be Somebody's Wife** - Elaine Flowers 2010-02

This book was written for the scores of single-never-been-married women who are desperately seeking marriage. Are they aware of what being a man's wife really means? Are they prepared for a husband? If they knew what it really meant to be a wife, would they still want it? This book will advise single women on how to answer these

questions for themselves. Excerpt: Taken from Section4 Little things - No one sets out in marriage contemplating a divorce. But, what if you did? Not in a morbid sort of way where you're setting yourself up with a death wish (speaking to the death of a marriage) but, in a realistic way of thinking of an 'every' case scenario. Ask yourself, "How would this man treat me during a divorce?" This is something most people don't consider. And when the person you were supposed to love forever turns into public enemy number one, it's difficult to process. When the man who was supposed to honor and cherish you is not only not wishing you well but is doing everything within his power to bring you down, it's enough to literally change your outlook on life, love, and relationships. You lose faith in romance and commitment. Say you pledged your life to a man who seems to be out to get you. The word "committed" will take on a whole new meaning- complete with straitjacket. When you're romantically involved in the beginning and still feeling the fluttering wings of butterflies in your stomach you would never guess that this same person would later call you out of your name, disrespect you in ways you would never imagine, plot against you, and sometimes even strike you. If you pay attention, there are always signs early on...

**All the Single Ladies** - Rebecca Traister  
2016-10-11

"Today, only twenty percent of Americans are wed by age twenty-nine, compared to nearly sixty percent in 1960. The Population Reference Bureau calls it a 'dramatic reversal.' [This book presents a] portrait of contemporary American life and how we got here, through the lens of the single American woman, covering class, race, [and] sexual orientation, and filled with ... anecdotes from ... contemporary and historical figures"--

*Advice to Single Women* - Haydn Brown 1909

The Woman Every Man Wants - Bianca Gold  
2017-06-03

During our whole life, we experience the worst and the best from everyone we encounter, never knowing about how much these experiences affect our life. We grow more positive or negative, depending on the amount of negativity or positivity received from life experiences. But are we victims or martyrs? Do we deserve such things? The answer to any of such questions will define who we are, what we do, and the decisions we make. These decisions, however, will reflect back in our identity, reinforcing what already exists. There's no such thing as being stronger or weaker, but merely more unaware of our own power and responsibility towards existence, or a false pride about what our life is all about. Lack of answers define a strong ideal and value, and not the opposite. This is what we see in beautiful women that can't get a date, marry and have children with the man they dream about. They start developing the idea that men don't appreciate them, that men only love bitches and, as so, they become more depreciative of themselves. And once this happens, they find other explanations to deny the failure within their ego. That answer will revert at blaming others or circumstances, namely, by saying that men are losers, pathetic and purely sexual, or attributing all their problems to childhood. The problem in all these equations, is not related to what happens, but to whom we become. To look at such woman and say that she doesn't have a relationship isn't as important as to say that she doesn't love herself. These answers, that they can provide towards such arguments, are merely illusions that they can't recognize anymore from within, because they've lost their sense of purpose. Such answers are related to the belief that they're superior to men in intellect and independency. But the superiority of intellect and independency doesn't always translate in the same manner in emotional maturity and loving connections. This is why this book was written, to teach women how to love themselves more, gain a more realistic sense of female pride and find their ideal man and marriage.
