**The Unbecoming of Mara Dyer** - Michelle Hodkin 2012-03-01

A dark, supernatural romance, perfect for fans of Holly Black, Cassandra Clare and Stephenie Meyer. Mara Dyer wakes from a coma in hospital with no memory of how she got there or of the bizarre accident that caused the deaths of her best friends and her boyfriend, yet left her mysteriously unharmed. The doctors suggest that starting over in a new city, a new school, would be good for her and just to let the memories gradually come back on their own. But Mara's new start is anything but comforting. She sees the faces of her dead friends everywhere,

and when she suddenly begins to see other people's deaths right before they happen, Mara wonders whether she's going crazy! And if dealing with all this wasn't enough, Noah Shaw, the most beautiful boy she has ever seen can't seem to leave her alone . . . but as her life unravels around her, Mara can't help but wonder if Noah has another agenda altogether. Praise for *The Unbecoming of Mara Dyer*: 'Haunting and dreamlike... the intrigue and romance will inescapably draw you in' - Cassandra Clare, bestselling author of *The Mortal Instruments* series. 'The Unbecoming of Mara Dyer strikes a rare balance of darkly funny, deliciously creepy and genuinely thoughtful. Michelle Hodkin's talent and range are obvious, from her chilling descriptions to romantic scenes that almost crackled on the page. I've never read anything quite like it.' Veronica Roth, New York Times bestselling author of *Divergent* Also by Michelle Hodkin: *The Evolution of Mara Dyer* *The Retribution of Mara Dyer* *The Becoming of Noah Shaw* *The Reckoning of Noah Shaw* [Love Will Find a Way \(A Riveting, Emotional Romance\)](#) - Barbara Freethy 2012-03-06 From #1 New York Times Bestselling Author Barbara Freethy comes an emotional and romantic story of love and family. **The Spanish Love Deception** - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating

man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Love Through the Eyes of an Idiot - J. Timothy King 2013-06-20

"I was born with the heart of a romantic. I fell in love at the drop of a hat, longed for someone to heal my loneliness, always attracted to the wrong women. Like others, I struggled for years with love and relationships. And like others, I thought I was all alone and that there was something wrong with me." "I finally did find a special someone, but finding that person was simpler than I had thought. "The storybooks have it all wrong." "This is my story, the frank confession of a romantic idiot who was lucky enough to find the secret of happily ever after." (J. Timothy King)

**The 48 Laws of Power** - Robert Greene  
2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of The Laws of Human Nature. In the book that People magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of

figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

*Lie With Me* - Philippe Besson 2019-04-30

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain" (*Elle*)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back at the relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.
