

My Other Self Sexual Fantasies Fetishes And Kinks

The Wiley Handbook of Sex Therapy - Zoë D. Peterson 2017-04-24

The Wiley Handbook of Sex Therapy is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and techniques rather than only the most popular behavioral

strategies Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room Includes contributions by more than 60 experts from a wide range of disciplines

Sexual Deviance and Society - Meredith G. F. Worthen 2016-06-10

In a society where sexualized media has become background noise, we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm. This

book encourages readers to establish new ways of thinking about stigmatized peoples and behaviors, and to think critically about gender, sex, sexuality and sex crimes. *Sexual Deviance and Society* uses sociological theories of crime, deviance, gender and sexuality to construct a framework for understanding sexual deviance. This book is divided into four units: Unit I, *Sociology of Deviance and Sexuality*, lays the foundation for understanding sex and sexuality through sociological frameworks of deviance. Unit II, *Sexual Deviance*, provides an in depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations. Unit III, *Deviant Sexual Acts*, explores a variety of deviant sexual acts in detail, including sex in public, fetishes, and sex work. Unit IV, *Sex Crimes and Criminals*, examines rape and sexual assault, sex crimes against children, and societal responses to sex offenders and their treatment within the

criminal justice system. Utilizing an integrative approach that creates a dialogue between the subjects of gender, criminology and deviance, this book is a key resource for students interested in crime and deviance, gender and sexuality, and the sociology of deviance.

Der Mensch und seine Medien - Joachim R. Höflich 2015-10-28

Unser Alltag wird immer mehr von Medien bestimmt. Dazu gehören nicht nur die Massenmedien, sondern auch Medien der interpersonalen Kommunikation, gewissermaßen vom Brief bis zur Email. Das Buch führt grundlegend in das Thema ein, in dem, ausgehend von den Grundlagen der interpersonalen Kommunikation, der Frage nachgegangen wird, was es bedeutet, wenn Menschen Medien benutzen und wie sich dadurch die zwischenmenschliche Kommunikation verändert. Dabei werden nicht zuletzt einzelne Medien näher betrachtet und in einen Gesamtzusammenhang einer veränderten

Special Needs 2 - K. A. Merikan 2013-12-10
— Caretaking. Like a boss. — So, Ryan isn't disabled. Okay, he is, but he's only got a foot missing, that's hardly a reason to pretend he's paraplegic and ride around in a wheelchair! Now Liam has to deal with being lied to since the moment they met, and he is not a happy camper. He doesn't understand why sweet, innocent Ryan would do such a thing. What if there are other things his boyfriend lied about? Or ex-boyfriend for that matter. Ryan is in a state of complete panic at the sole thought of losing Liam, his first proper boyfriend ever. But the show must go on and after the fire in his hotel, Ryan can't only focus on his love life. He's a serious businessman after all. Marketing, networking and promoting will be his new love life. Who needs a boyfriend anyway, when in the end, every guy is either a devotee, or freaks out about his transability? Yet... maybe if Liam stayed around the hotel, they could at least

make up and become friends. There is one more option to consider - walking. If Ryan started walking, would Liam want to be with him again? But how far can he bend to Liam's wishes before he breaks? "Special Needs" is book two out of a two part series. * Genre: contemporary erotic m/m romance, dramedy
Erotic content: explicit m/m sexual scenes (including role play)
Length: ~135,000 words
Themes (possible SPOILERS): disability, deception, alternative lifestyles, tattoos, self-image issues, financial trouble, boss/employee, abduction, transability, communication issues, self-harm, BIID
Perv - Jesse Bering 2014-02-13

In this eye-opening book, psychologist Jesse Bering argues that we are all sexual deviants on one level or another. He introduces us to the young woman who falls madly in love with the Eiffel Tower, a young man addicted to seductive sneezes, and a pair of deeply affectionate identical twins, among others. He challenges us to move beyond our attitudes towards 'deviant'

*Downloaded from
legacy.opendemocracy.net on
2022-08-11 by guest*

sex and consider the alternative: what would happen if we rise above our fears and revulsions and accept our true natures? With his signature wit and irreverent style, Bering pulls back the curtains on the history of perversions, the biological reasons behind our distaste for unusual sexual proclivities and the latest research on desire. Armed with reason, science and an insatiable appetite for knowledge, he humanises deviants while asking some provocative questions about the nature of hypocrisy, prejudice and when sexual desire can lead to harm. A groundbreaking look at our complex relationship with our carnal urges and the ways in which we disguise, deny and shame the sexual deviant in all of us, Perv brings hidden desires into the spotlight.

Fan Culture - Katherine Larsen 2012-03-15

Fan Culture: Theory/Practice brings together the most current scholarship on fan studies, in a way that makes it accessible and usable for both students and teachers. The essays in this

collection explore the relative influence of academic and fan perspectives in the current group of scholar-fans and the ethical dilemmas that sometimes emerge from this interplay of identities, the impact of the increasingly reciprocal relationship between textual producers and consumers, and gender differences in fannish meaning-making and interaction. Fan Studies addresses these current issues through some of the most popular fannish texts, including Doctor Who, Torchwood, Star Wars, Star Trek, Supernatural, Smallville and Twilight. Fan Culture: Theory/Practice is thus designed to challenge some accepted notions, while asking relevant questions about pedagogy. How do we understand the state of the field, and teach fan studies both effectively and responsibly? The essays contained in this volume explore the dominant themes in the field, and seek to situate fan studies as a discipline with a pedagogy of its own.

Deviant Desires - Katharine Gates 2017-12-19

Can there still be anything new to say about the erotic, sexy play, and desire? YES, because what drives each of us to any sexual fixation-from feet or fat to latex or ponyplay-may hold mysteries, but can never be inexplicable. YES, because even the most seemingly unusual kinks and fetishes, like trample and crush, cannibal play, quicksand and male pregnancy, derive from such universal themes as power and transformation. YES, because when some taboos crumble, others emerge, with often surprising, delightful, and even disturbing consequences for our psyches and libidos. YES, because as human culture evolves, we newly discover sexual excitement and fulfillment from scenarios (such as car accidents) and objects (like gas masks and medical equipment) that never existed before. YES, because wherever there is darkness, secrecy, and silence, what's most essential is light, revelation, and ever better communication.

Let's Talk About It - Erika Moen 2021-03-09
Is what I'm feeling normal? Is what my body is

doing normal? Am I normal? How do I know what are the right choices to make? How do I know how to behave? How do I fix it when I make a mistake? Let's talk about it. Growing up is complicated. How do you find the answers to all the questions you have about yourself, about your identity, and about your body? Let's Talk About It provides a comprehensive, thoughtful, well-researched graphic novel guide to everything you need to know. Covering relationships, friendships, gender, sexuality, anatomy, body image, safe sex, sexting, jealousy, rejection, sex education, and more, Let's Talk About It is the go-to handbook for every teen, and the first in graphic novel form.

Tell Me What You Want - Justin J. Lehmler
2020-07-14

A leading expert on human sexuality and author of the blog Sex and Psychology offers an unprecedented look at sexual fantasy based on the most comprehensive, scientific survey ever undertaken. What do Americans really want

*Downloaded from

My Other Self Sexual Fantasies Fetishes And Kinks

when it comes to sex? And is it possible for us to get what we want? Justin J. Lehmiller, one of the country's leading experts on human sexuality and author of the popular blog Sex and Psychology, has made it his career's ambition to answer these questions. He recently concluded the largest and most comprehensive scientific survey of Americans' sexual fantasies ever undertaken, a monumental two-year study involving more than 4,000 Americans from all walks of life, answering questions of unusual scope. Based on this study, *Tell Me What You Want* offers an unprecedented look into our fantasy worlds and what they reveal about us. It helps readers to better understand their own sexual desires and how to attain them within their relationships, but also to appreciate why the desires of their partners may be so incredibly different. If we only better understood the incredible diversity of human sexual desire and why this diversity exists in the first place, we would experience less distress, anxiety, and

shame about our own sexual fantasies and better understand why our partners often have sexual proclivities that are so different from our own. Ultimately, this book will help readers to enhance their sex lives and to maintain more satisfying relationships and marriages in the future by breaking down barriers to discussing sexual fantasies and allowing them to become a part of readers' sexual realities.

My Other Self - Angela Lewis 2010

My Other Self is an intrepid anthology of the secret and sometimes bizarre sexual lives quietly practised by millions of everyday people. As these ordinary folk tell their stories it becomes obvious that the world of kinky sex is far from the exclusive domain of rock stars, movie goddesses and politicians. Angela Lewis spent four years researching a diverse range of websites, forums and online communities catering to devotees of all kinds of sexual peccadilloes. These are the stories of the people she met along the way. They live in ordinary

My Other Self Sexual Fantasies Fetishes And Kinks

neighbourhoods, have jobs, careers and children just like the next person, but very quietly lead far from ordinary sex lives. The result is an absorbing guide to the secret lives of those enjoying a wide range of interests from latex, leather, teeth and diapers, to spanking and hairy armpits and opens the conversation around a wide range of sexual practices in a way that is neither sensational nor confronting. The book covers an extraordinarily comprehensive inventory of fantasies and fetishes which it explains in both an informative and highly readable way. As well as real-life stories and insights, it contains explanatory background information, links to related interests as well as jargon and search terms. Lack of understanding and tolerance for difference means that most people whose sexual interests are outside the mainstream need to hide their true selves from family, friends and colleagues. This book hopes to promote diversity and understanding and open the conversation around a wide range of

sexual practices. The author wrote for an audience just like herself, an average person with a spouse, kids and mortgage who has never set foot in a bondage dungeon but wouldn't mind knowing what all the bits are for!

He Said, She Said - Victor Gibbs 2021-02-13

If you've ever had truly great sex, you've asked (or at least wondered), "Was it as good for you as it was for me?" Now, find out, by exploring 12 toe-tingling sexual encounters from HIS perspective as well as HERS. Discover what makes a man's heart race, and what makes a woman's skin tingle. Learn what memories are indelible, and which sensory moments put them over their edge. When it comes to love and lust, men and women are so very different. And yet, as you'll discover in this rare exposé ... at sex and romance, we are often driven by the same needs and desires, kinks and curiosities, obsessions and fantasies. The hot new erotic fiction book for a solo reading (and self-pleasuring) adventure or as an inspirational

how-to for yourself and your partner. Love, play, explore. Life is too short to do anything less than love your love life. Two Narrators, Two Lovers, Two Distinct Perspectives Twelve erotic stories, each told two revealing ways -- from his perspective and then from hers. He's a truly sensory creature with some fun and harmless fetishes. She's uninhibited and romantic, with curiosities about kink and a mad passion for driving him wild. And they've been enamored with each other from the start. A powerful piece of debut fiction from erotic romance writers Victor Gibbs and Megan Black, and the perfect "guilty-pleasure" read for men and women alike. Go ahead and buy a copy. Shhh ... we won't tell! What Readers Are Saying About He Said, She Said ... "Wow. The storytelling is superb. In an era when even the most popular erotic fiction can have poorly developed characters, unlikely dialogue, and cringeworthy word choices, He Said, She Said is a refreshing find. The writing transports you into the most intimate of

moments. I dare you to read this book and not be left quivering with arousal." "We've all joked 'Was it good for you?' He Said, She Said gives us the answer to that question -- how an individual sexual encounter was experienced and enjoyed by the other person, and what moments they found unforgettable (and worth repeating!). What a deliciously fun book! And a fitting prelude to lots of cold showers, or well ..." "With every story I read, it was like I was there, a voyeur to their intoxicating love affair, desperate to know what happened next ... whether her take on each experience would mirror his, finding myself lost in the sensory details, the titillating plot twists, ultimately asking myself, 'Could I dare to love my partner like this? What mutual satisfaction awaits if we speak our truths in the bedroom, trust deeply, and discount every inhibition that is so ingrained? What would happen if we devoted ourselves to the simple art of loving and being loved, satisfying and being satisfied? Could we have this kind of magic

too?" "As I was reading, I kept wondering about the authors -- are they lovers or just co-authors? Is this fiction, or memoir? In the end, it really doesn't matter. Because what I know to be true is that it's FANTASTIC. I will be awaiting their next book with a kind of eagerness I've never felt for a collection of stories. I read this book in one sitting and didn't want it to end." "My wife and I read this book together. One story each night for 12 nights. Let's just say it was a pretty inspiring 12 nights at our house!" "This is sex therapy in a book, but way more fun than you've ever imagined." Part of The Kiss & Tell Series by Gibbs and Black.

The Narcissism Epidemic - Jean M. Twenge
2010-04-13

Narcissism—an inflated view of the self—is everywhere. Public figures say it's what makes them stray from their wives. Parents teach it by dressing children in T-shirts that say "Princess." Teenagers and young adults hone it on Facebook, and celebrity newsmakers have

elevated it to an art form. And it's what's making people depressed, lonely, and buried under piles of debt. Jean Twenge's influential first book, *Generation Me*, spurred a national debate with its depiction of the challenges twenty- and thirty-somethings face in today's world—and the fallout these issues create for educators and employers. Now, Dr. Twenge turns her focus to the pernicious spread of narcissism in today's culture, which has repercussions for every age group and class. Dr. Twenge joins forces with W. Keith Campbell, Ph.D., a nationally recognized expert on narcissism, to explore this new plague in *The Narcissism Epidemic*, their eye-opening exposition of the alarming rise of narcissism and its catastrophic effects at every level of society. Even the world economy has been damaged by risky, unrealistic overconfidence. Drawing on their own extensive research as well as decades of other experts' studies, Drs. Twenge and Campbell show us how to identify narcissism, minimize the forces that sustain and transmit it,

*Downloaded from

and treat it or manage it where we find it. Filled with arresting, alarming, and even amusing stories of vanity gone off the tracks (would you like to hire your own personal paparazzi?), *The Narcissism Epidemic* is at once a riveting window into the consequences of narcissism, a prescription to combat the widespread problems it causes, and a probing analysis of the culture at large.

Ace - Angela Chen 2020-09-15

An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating

different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, Ace addresses the misconceptions around the “A” of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that “not wanting sex” was a sign of serious illness, and a man who grew up in a religious household and did everything “right,” only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal

norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.

[Decoding Your Kink](#) - Galen Fous 2015-11-25
Highly acclaimed Decoding Your Kink - Guide to Explore Share and Enjoy Your Wildest Sexual Desires, gets rave reviews!

"Visionary...Masterful...Groundbreaking...Cutting Edge...Worth its Weight in Diamonds ... Highly Recommended...A Must Read" These are some of the exclamations from prominent sex positive psychologists, therapists and Kink sex educators who offered pre-publication reviews of Decoding Your Kink. Decoding Your Kink, by leading Fetish Sex educator, researcher and sex-positive therapist Galen Fous MTP, offers groundbreaking psychological insight into the emerging global renaissance of sexual exploration, orientation and identity particularly in the realm of Kink. The book includes extensive guidelines to embrace one's authentic sexuality, decode an array of Kink fantasies, and access the ecstatic

sexual depths inherent in anyone's wildest sexual desires. Techniques are offered to negotiate honestly for what one desires, create profound trust between partners, and begin to resolve old shame, trauma and fear about one's authentic sexuality. Decoding Your Kink provides easy to follow practices for individuals and partners to safely share their deepest intimacies. Once trust is built, partners may access mind shattering orgasmic states offered by conscious expression of their most taboo Kinky yearnings. Also included in the book are revealing and provocative analysis of people's kinkiest fantasies gleaned from over 2000 participants in the innovative Discover Your Personal Erotic Myth Survey. Fous developed this anonymous 40-question survey in support of his research into the nature of a recently visible sexual identity he defines as Fetishsexuality, aka Kink. "This book conveys what I have learned about Conscious Kink and D/s-BDSM sexuality over the last 15 years as a Fetish-positive

therapist, researcher and public advocate for sex-positive values. It includes reporting and case studies from the 100's of singles and couples I've supported who desired to come to terms with old experiences of shame, fear and trauma, and understand how to embody their edgiest sexual fantasies. I share hard earned insights from my personal journey into the Kink lifestyle as well." Galen Fous MTP "Galen Fous is a visionary, providing a clear and courageous roadmap for anyone looking to undo the shackles of societally induced sexual shame and go on a journey to discover his or her own Personal Erotic Myth." - Dr. Michael Aaron, NYC sex therapist. "Galen Fous smooths the path and leads you through the predicaments, pleasures, enticements and outrageous glories of Kink. His genuine, unique voice is outstanding and heartwarming. A must read!" Limor Blockman, PhD, Clinical Sex Therapist, Playboy Radio Host, www.DrLimor.com "Nobody struggles more with the feeling that their erotic desires are 'wrong'

or 'broken' than the man or woman who otherwise fits easily into mainstream culture - the heterosexual man and woman into dominance and submission and BDSM. 'Decoding Your Kink' is worth its weight in diamonds to such strugglers, offering them a sensible and nurturing path to self-knowledge, self-acceptance and the erotic intensity we all crave and too few ever obtain." - Janet W. Hardy, coauthor, The Ethical Slut, The New Bottoming Book and more "Galen Fous' unique insights on a subject much maligned and misunderstood is a primer for individuals interested in exploring the world of kink. It provides guidelines, case studies and personal experiences to assist the reader in shedding their shame and discovering their authentic sexuality." - Susana Mayer, Ph.D., Clinical Sexologist, theEroticliterarysalon.com Erotically Queer - Silva Neves 2023-04-07 Erotically Queer is a practice guide for clinicians, bringing together experts in their

field with pioneering topics within GSRD (Gender, Sex and Relationship Diversity). Chapters cover an array of topics rarely covered in either clinical or popular literature including lesbian sex, queer menopause, bisexuality, the sex lives of asexuals, sexuality and transgender people, treating anodyspareunia, compulsive sexual behaviours and Chemsex. It also helps practitioners reflect on their biases regarding BDSM/Kink and understand more regarding non-pathologising practices with intersex people. The book aims to help all clinicians work more effectively with the Queer population, with the most contemporary sexological knowledge. Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons [Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND)] 4.0 license."

Let's Talk About... Kinks and Fetishes - J. R. James
2019-03-07

Are you tired of vanilla sex? Looking to expand

sexual horizons with your lover? Do you want to get freaky in the bedroom, but don't know where to start? If you've got an inner wild child just aching to get out, then this is the book for you! Sometimes, even the most loving couples can fall into predictable, boring, or stale sexual patterns. When they find themselves in a sexual rut, the erotic excitement that once excited them can feel like a distant memory. Breaking free of routine is one of the many reasons a couple might explore the world of kink. Here is the opportunity to discover your kink! Use this book to: Discover what types of kinks will work best for you as a couple Expand and explore sexual possibilities Clarify sexual needs and intimate desires Define your boundaries Strengthen your relationship Create open and comfortable communication patterns about sex Through a variety of discussion questions that you and your partner take turns asking one another, this book will guide you through conversations about kinky possibilities. It gives you a great starting

point for exploring various kinks and fetishes that might be of interest to you. After all, even the most seasoned kinksters had to start somewhere, now here's your chance!

Kink - R.O. Kwon 2021-02-09

A New York Times Notable Book **Kink** is a groundbreaking anthology of literary short fiction exploring love and desire, BDSM, and interests across the sexual spectrum, edited by lauded writers R.O. Kwon and Garth Greenwell, and featuring a roster of all-star contributors including Alexander Chee, Roxane Gay, Carmen Maria Machado, and more. A Most-Anticipated book of 2021 as selected by * Marie Claire * O, The Oprah Magazine * Cosmopolitan * Time * The Millions * The Advocate * Autostraddle * Refinery29 * Shape * Town & Country * Book Riot * Literary Hub * **Kink** is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection portray love, desire, BDSM, and sexual kinks in all their glory with a

bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

Modern Sexuality - Michael Aaron 2016-10-17
Human sexuality today stands at the crossroads between biological diversity and social conformity, and a battle between the two rages in the media, in social institutions, and in our

daily lives. As a sex therapist, Michael Aaron witnesses this struggle each and every day as it plays out on his therapy couch. Modern Sexuality: The Truth about Sex and Relationships examines how biology and society collide head-on in the realm of human sexuality. Here, Aaron carefully and convincingly debunks some of the most commonly held beliefs about sexuality - that it is learned and can be changed; that "abnormal" sexual behavior is pathological; that healthy sexuality involves intimacy; that intimacy is the same to everyone; and that sexuality must have a clearly defined purpose. Using groundbreaking brain-imaging studies and cutting- edge psychological insights, Modern Sexuality presents the overwhelming case for sexual diversity including orientation, non-traditional relationships, and even specific fantasies and kinks. In a world where sexual "outsiders" battle for acceptance, this work helps to explore the variety of sexual expressions from a normative standpoint, helping readers to

understand that their own desires and those of others can happily exist on the same continuum. **Origins of a Fetish** - Simone Freier 2014-07-01 Sam has enjoyed a life of success and worldly experiences, shared with the wife he adores. But he has harbored fantasies and fetishes morphed from childhood incidents, which are now a deep part of his psyche. As the Internet accelerated Sam's education of the fetish world, his desires outpaced his ability to satisfy his cravings. Then, tragedy strikes. Sam must now redefine his priorities and his life. He seeks a way to fulfill his deepest needs. To share intimacy, openness and trust with a younger woman. And to introduce her to new experiences of the submissive kind. The Experiences series is an epic love story of erotic relationships and sexual desires. Written in a 'social realism' style, the series introduces Sam in the prequel, and the blossoming of his intimate relationship with Kelly as the series progresses. Fantasies and real-world adventures coalesce to mold a unique

bond between unlikely lovers. Where needs are mutually satisfied in an open, creative and trusting environment. Where physical and mental boundaries are pushed. Where the concepts of love and sex are never confused, but sometimes confusing. Where openness is required and intimacy is expected. And where fair-is-fair, regarding the punishment of transgressions. Intended for a mature audience. My Secret Garden - Nancy Friday 2013-11-18 The #1 New York Times–bestselling author’s “groundbreaking” work on women’s sexual fantasies (Publishers Weekly). First published in 1973, My Secret Garden ignited a firestorm of reactions across the nation—from outrage to

enthusiastic support. Collected from detailed personal interviews with hundreds of women from diverse backgrounds, this book presents a bracingly honest account of women’s inner sexual fantasy lives. In its time, this book shattered taboos and opened up a conversation about the landscape of feminine desire in a way that was unprecedented. Today, My Secret Garden remains one of the most iconic works of feminist literature of our time—and is still relevant to millions of women throughout the world. “The author whose books about gender politics helped redefine American women’s sexuality.” —The New York Times
