### Are Long-Distance Relationships Worth It? Experts Weigh In - Essence

#### **Separated By Duty, United In Love**

**(revised):** - Shellie Vandevoorde 2010-08-18  
Where Can You Turn. . .? . . .when the bills are due, the kids are acting out, loneliness and doubt are creeping into your quiet hours--and you're handling it all alone? If your partner is in the military, these challenges may be the greatest that your relationship will ever face. Now is the time you need answers, resources, and understanding. This is the book that will give them to you. Military wife and U.S. Army veteran Shellie Vandevoorde has penned a practical, compassionate guide to help military couples cope with the separation of active deployment. Now updated and expanded, Separated by Duty, United in Love is infused with her years of experience, offering sound and comforting advice from someone who's been

there. Vandevoorde explores real-life issues and shares invaluable insights on the best ways to:

- Keep the lines of communication open while your partner is away
- Address your children's fears as you cope with your own
- Juggle finances and other household duties
- Find the balance you desperately need
- Cope with post-traumatic stress, injury and other challenges when a spouse returns from war
- Utilize military resources and support groups to help yourself through the toughest times

You are not alone. Separated by Duty, United in Love gives you the tools and the encouragement you need to help your military relationship survive--and thrive.

girl with brains and heart. The Smart Girl's Guide to Polyamory is an intelligent and comprehensive guide to polyamory, open relationships, and other forms of alternative love, offering relationship advice radically different from anything you'll find on the magazine rack. This practical guidebook will help women break free of the mold of traditional monogamy, without the constraints of jealousy, possessiveness, insecurity, and competition. The Smart Girl's Guide to Polyamory incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to "come out" as polyamorous, this book covers it all! Whether you're a seasoned graduate, a timid freshman, or somewhere in between, you'll learn how to discover and craft unique

relationships that are healthy, happy, sexy, and tailor-made for you. Because when it comes to your love life, being a know-it-all is actually a great thing to be.

**Beyond Order** - Jordan B. Peterson 2021-03-02  
The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated

powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

**Wired for Love** - Stan Tatkin 2012-01-02  
"What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners

feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships. *Relationships: Tips for a happy and fulfilling partnership* - Ann Marissa Kindkins 2023-06-18

make the relationship last. - And much more. About the Expert Bethany Wilson is a December 2010 graduate from Berea College in Berea, Kentucky. She obtained her Bachelor of Arts degree in Child Development. During her entire time in college she was engaged, her and her fiancé Josh decided to give a long distance relationship a go. From the beginning of her college career throughout the completion and still to this day they are together. With nearly three hundred miles between her and Josh they had to get creative in order to keep the relationship alive. When they first began the relationship after Bethany got to college they would talk on the phone for hours each day about a little bit of nothing but that gradually got tiresome. Bethany and Josh had to find new things to keep their relationship interesting. At first they started using webcam communications but that was short lived because the college cut the bandwidth that was allowed to the students making it almost impossible to webcam one

another. They tried almost all of the techniques that are mentioned in this book. There were many different things that was brought up by other people trying to make them break up, but that never worked because Bethany and Josh have a bond stronger than words of others. Now that Bethany is out of college, she and Josh is no longer on a long distance relationship status because they are just a few minutes apart and are looking forward to their future and in the process of planning their wedding. Their long

distance relationship helped them both mature and develop the ways that the communicate to the point that they both seem as if they are ten years older than they really are in the case of communication strategies. When things would seem dire within the relationship they would sit down and talk it out either on the internet, phone, or text messaging and get past the situation.
