Breath of Yesterday - Emily
Bold 2014

Struggling to keep Payton alive, Samantha must travel back to eighteenth-century Scotland, where she first met her cursed love, and unlock the secret of an ancient legend in order to have a chance at happiness with Payton.

Homosexual Desire - Guy
Hocquenghem 1993

This essay focuses on the possibility of social and personal transformation which was opened up by the gay liberation movement in France,

which the author terms a "revolution of desire."

The Art of the Good Life -
Rolf Dobelli 2017-11-07

Since antiquity, people have been asking themselves what it means to live a good life. How should I live? What constitutes a good life? What's the role of fate? What's the role of money? Is leading a good life a question of mindset, or is it more about reaching your goals? Is it better to actively seek happiness or to avoid unhappiness? Each generation poses these questions anew,

and somehow the answers are always fundamentally disappointing. Why? Because we're constantly searching for a single principle, a single tenet, a single rule. Yet this holy grail--a single, simple path to happiness--doesn't exist. Rolf Dobelli -- successful businessman, founder of the TED-style ideas conference Zurich Minds, bestselling author, and all-around seeker of big ideas--has made finding a shortcut to happiness his life's mission. He's synthesized the leading thinkers and the latest science in happiness to find the best shortcuts to satisfaction in *The Art of the Good Life*, his follow up to the international bestseller *The Art of Thinking Clearly* (which has sold more than 2.5 million copies in 40 languages all around the globe). *The Art of the Good Life* is a toolkit designed for practical living. Here you'll find fifty-two happiness hacks -- from guilt-free shunning of technology to gleefully paying your parking tickets -- that are certain to optimize your happiness. These

tips may not guarantee you a good life, but they'll give you a better chance (and that's all any of us can ask for).

Narcissism - Heinz-Peter Röhr
2018-04-01

Many people have the tormenting feeling of living in an inner prison: They do not feel truly free and comfortable in their own skins. In their despair, they expend a great deal of energy in trying to find themselves or realize their full potential. This effort usually involves seeking a solution to the problem with inappropriate means, which actually increases their lack of freedom. This book is primarily targeted at those who are afflicted by narcissism. It describes the origin, development, and possibilities for healing narcissism.

Why Love Hurts - Eva Illouz
2013-05-20

Few of us have been spared the agonies of intimate relationships. They come in many shapes: loving a man or a woman who will not commit to us, being heartbroken when we're abandoned by a lover,

engaging in Sisyphean internet searches, coming back lonely from bars, parties, or blind dates, feeling bored in a relationship that is so much less than we had envisaged - these are only some of the ways in which the search for love is a difficult and often painful experience. Despite the widespread and almost collective character of these experiences, our culture insists they are the result of faulty or insufficiently mature psyches. For many, the Freudian idea that the family designs the pattern of an individual's erotic career has been the main explanation for why and how we fail to find or sustain love. Psychoanalysis and popular psychology have succeeded spectacularly in convincing us that individuals bear responsibility for the misery of their romantic and erotic lives. The purpose of this book is to change our way of thinking about what is wrong in modern relationships. The problem is not dysfunctional childhoods or insufficiently self-aware psyches, but rather the

institutional forces shaping how we love. The argument of this book is that the modern romantic experience is shaped by a fundamental transformation in the ecology and architecture of romantic choice. The samples from which men and women choose a partner, the modes of evaluating prospective partners, the very importance of choice and autonomy and what people imagine to be the spectrum of their choices: all these aspects of choice have transformed the very core of the will, how we want a partner, the sense of worth bestowed by relationships, and the organization of desire. This book does to love what Marx did to commodities: it shows that it is shaped by social relations and institutions and that it circulates in a marketplace of unequal actors.

Holocaust as Fiction - W.

Donahue 2011-01-19

Holocaust as Fiction seeks to explain and critically evaluate the extraordinary success of Schlink's internationally acclaimed novel, *The Reader* ,

the widely read "Selb" detective trilogy, and two popular films based closely on his work.

All Russians Love Birch Trees -

Olga Grjasnova 2014-01-07

An award-winning debut novel about a quirky immigrant's journey through a multicultural, post-nationalist landscape Set in Frankfurt, All Russians Love Birch Trees follows a young immigrant named Masha. Fluent in five languages and able to get by in several others, Masha lives with her boyfriend, Elias. Her best friends are Muslims struggling to obtain residence permits, and her parents rarely leave the house except to compare gas prices. Masha has nearly completed her studies to become an interpreter, when suddenly Elias is hospitalized after a serious soccer injury and dies, forcing her to question a past that has haunted her for years. Olga Grjasnowa has a unique gift for seeing the funny side of even the most tragic situations. With cool irony, her debut novel tells the story of a headstrong

young woman for whom the issue of origin and nationality is immaterial—her Jewish background has taught her she can survive anywhere. Yet Masha isn't equipped to deal with grief, and this all-too-normal shortcoming gives a particularly bittersweet quality to her adventures.

True Love Sets Free! - Robert Theodor Betz 2011

To Have Or To Be? - Erich Fromm 2013-06-27

Fromm gennemgår forskellen mellem begreberne at have og at være og mener, at hvis alle tilslutter sig en "værende" livsform, vil et nyt og sundere samfund opstå

Jinx - Jennifer Estep 2011-07-11

Thanks to her unwanted superpower, fashion designer Bella Bulluci may be the luckiest woman in Bigtime, N.Y. But luck can be good or bad, and it seems like just as many embarrassing things happen to Bella as do positive ones. Like when a charity event that Bella plans gets crashed by Hangman, a deadly

ubervillain who's after a prize sapphire that's on display. Hangman almost succeeds in stealing the jewel for his evil ubervillain boss, Prism, but Bella's luck helps her escape with the sapphire—along with some help from the suave and charming Debonair. Debonair's not an ubervillain, but he's not really a superhero either. Still, Bella can't help but fall for him, despite her personal vow to have as little to do with heroes and villains as possible. But with Hangman and Prism still after the sapphire, Bella's going to need every bit of her luck power just to survive ...

I Was Born for This - Alice Oseman 2018-05-03

The third novel by the phenomenally talented Alice Oseman, the author of the 2021 YA Book Prize winning *Loveless*, *Solitaire* and graphic novel series *Heartstopper* - soon to be a major Netflix series.

Adèle - Leila Slimani 2019-01-15

"Fascinating . . . Adèle has glanced at the covenant of modern womanhood--the idea

that you can have it all or should at least die trying--and detonated it." --The New York Times Book Review "[A] fierce, uncanny thunderbolt of a book." --Entertainment Weekly From the bestselling author of *The Perfect Nanny*--one of the 10 Best Books of the Year of The New York Times Book Review--as well as *Sex and Lies* and *In the Country of Others*, her prizewinning novel about a sex-addicted woman in Paris She wants only one thing: to be wanted. Adèle appears to have the perfect life: She is a successful journalist in Paris who lives in a beautiful apartment with her surgeon husband and their young son. But underneath the surface, she is bored--and consumed by an insatiable need for sex. Driven less by pleasure than compulsion, Adèle organizes her day around her extramarital affairs, arriving late to work and lying to her husband about where she's been, until she becomes ensnared in a trap of her own making. Suspenseful, erotic, and electrically charged, Adèle

is a captivating exploration of addiction, sexuality, and one woman's quest to feel alive.

Seventeenth Summer -

Maureen Daly 2010-04-27

Seventeen-year-old Angie, who lives with her family in Fond du Lac, Wisconsin, finds herself in love for the first time the summer after high school graduation.

So Happy It Hurts - Anneliese Mackintosh 2017-07-27

'This lovely, quirky novel will appeal to fans of Miranda July and Sheila Heti' Red Otila McGregor is thirty years old and has decided it's time to sort her life out. She's going to quit drinking, stop cheating and finally find true happiness. Easy, right? Getting in the way of this plan are: 1. Grace, her best friend, who believes self-improvement is for people in their forties. 2. Mina, her sister, who is mentally ill, and it might be Otila's fault. 3. Thales, the Greek guy who works in the hospital cafeteria - probably the best, most dangerous person Otila's ever met. Told through a scrapbook of emails, receipts, therapy

transcripts and other ephemera, this is an infectious one-off of a novel that makes you wince and laugh in equal measure.

The Erotic - Lou Andreas-Salomé © 2012

Originally published as: *Die erotik*. Frankfurt am Main: Literarische anstalt R'utten & Loening, 1910.

The Harder They Come - T. C. Boyle 2015-03-12

Sten Stenson, Vietnam veteran and retired school principal, and his wife, Carolee, are on a cruise in Costa Rica when their coach excursion is hijacked. Sten's military training overtakes him and within moments one of the attackers lies dead. The rest flee and Sten finds himself hailed a hero by the tour group and everyone back home. Meanwhile, in the redwood forests north of San Francisco, Sara - a farrier who refuses to recognize the authority of the government - is arrested after failing to cooperate with police at a routine stop. A chance meeting with twenty-five-year-old Adam, Sten and Carolee's

unstable son, sparks a strange but passionate relationship fuelled by a mutual hatred of the law. Adam, an angry and misunderstood outsider, perennially dressed in camouflage and with his head shaved to the bone, has an unhealthy obsession with nineteenth-century mountain man John Colter. As Adam's views and behaviour become steadily more extreme, he descends into a spiral of fanatical violence that is impossible for his family or Sara to halt. The latest novel by internationally bestselling author T. C. Boyle, *The Harder They Come* is as timely as it is provocative. A deep and disturbing meditation on the roots of American gun violence, it explores the fine line between heroism and savagery, and just how far a parent can be held accountable for the actions of his child.

The Art of Loving - Erich Fromm 2013-02-26

The landmark bestseller that changed the way we think about love: "Every line is packed with common sense,

compassion, and realism" (Fortune). *The Art of Loving* is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book's release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, *The Art of Loving* is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of *To Have or To Be?* and *Escape from Freedom*. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

V is for Virgin - Kelly Oram

2012-12-05

Kyle Hamilton is the quintessential bad boy, but Val Jensen is not your typical good girl. When Val gets dumped for her decision to stay a virgin until marriage, the nasty breakup goes viral on YouTube, making her the latest internet sensation. After days of ridicule from her peers, Val starts a school-wide campaign to rally support for her cause. She meant to make a statement, but she never dreamed the entire nation would get caught up in the controversy. As if becoming nationally recognized as "Virgin Val" isn't enough, Val's already hectic life starts to spin wildly out of control when bad boy Kyle Hamilton, lead singer for the hit rock band Tralse, decides to take her abstinence as a personal challenge. How can a girl stay true to herself when this year's Sexiest Man Alive is doing everything in his power to win her over?

The Bluest Eye - Toni

Morrison 2014-09-04

Stunningly-designed new

editions of Toni Morrison's best-known novels, published by Vintage Classics in celebration of her life and work. WITH A NEW INTRODUCTION BY CANDICE CARTY-WILLIAMS, AUTHOR OF QUEENIE Pecola Breedlove longs for blond hair and blue eyes, so that she will be as beautiful and beloved as all the blond, blue-eyed children in America. In the autumn of 1941, the marigolds in her garden will not bloom, and her wish will not come true. Pecola's life is about to change in other painful and devastating ways. A powerful interrogation of what it means to conform to an idea of beauty, *The Bluest Eye* asks vital questions about race, class and gender and remains one of Toni Morrison's most unforgettable works.

Developing Writing Skills in German - Annette Duensing
2006-11-22

Developing Writing Skills in German, is a unique course designed to improve the reading and writing skills of intermediate students of

German. Presenting a wide range of authentic written materials, the book aims to develop reading strategies and the ability to write texts of various types - essays, articles and reviews - while imparting an understanding of important aspects of German society. From the environment to consumerism, each chapter focuses on a different theme and concentrates on the

advancement of particular skills; all the chapters conclude with a task appropriate to the skills focus of the section. Summary writing, note-taking, the use of mind-maps to collect ideas, and other strategies for successful writing in German are presented here. This course is suitable both for classroom use and independent study, with feedback and answer key supplied at the back of the book.
