**The War on Sex** Chad Denton 2014-11-05 From earliest times, sex has fascinated and repulsed society in equal measure. In an effort to untangle Western society's complex relationship with the realities of sex, this provocative volume explores the ways in which governments, religious leaders and cultures in Europe tried to regulate sex and sexuality throughout history. From the sacred texts of ancient Israel to the slums of 19th century Britain, this book explores political, legal and cultural controls on consensual sex and the individuals and movements that resisted them. Topics range from prostitution and homosexuality to marriage, contraception and abortion. While traditional narrative holds that Europe alternated between sexual freedom and oppression through the Victorian age, this work reveals that the real story of how sex was regulated--and how people defied regulation--is not so clear cut.

Television, Sex and Society Beth Johnson 2012-06-14 Focuses upon contemporary expressions and representations of televisual sex, discussing British, US and Asian television, to engage with ideas of gender, genre and dramatic politics.

Talking to Your Kids About Sex Lauri Berkenkamp 2002-08-01 This commonsense, practical guide to talking to children about sex provides ways to launch conversations following some of the most common kid comments and questions: What's That Thing? I'm Going to Marry Mommy. Sex Is When You Kiss. I Don't Want to Talk About It. From teaching toddlers about body parts to important discussions with adolescents, this resource encourages parents to understand what children of particular ages and developmental levels are ready to know, what they should know, and how to tell them. Real-life questions and answers encourage parents to prepare for their talks and make discussions easier.

Moreover, ideas for discussing this sensitive subject with a sense of humor help take away some of the awkwardness—for both children and parents.

Seeing Her Sex Roberta McGrath 2002 Through a detailed analysis of exterior and interior images of the female body, this book examines the relationship between human reproduction and cultural representation from 1750-1910. With examples drawn from medical archives, covering engraving, photography, radiography, and microscopy, the book is interdisciplinary in approach, ranging across feminist theory, history of medicine, philosophy of science, and the history of photography.

**Sex and the Soul of a Woman** Paula Rinehart 2010-11-09 Compassionate counselor Paula Rinehart understands the high price a woman pays in loosening her sexual boundaries, and the unique role sex plays in forging a bond meant to last a lifetime. She shows women how to break free from the bondage of misused sexuality and create a new beginning in their relationships with men. This is required reading for every college-age woman who longs for a man to see her beauty and cherish it.

*Love and Sex in D. H. Lawrence* David Ellis 2016-02-11 Although love and sex are central to Lawrence, critics have paid surprisingly little attention to the way these two topics are treated in his work. Reasons for this are suggested in the preface to this book which is written in the spirit of Wittgenstein's claim that, when we are puzzled or challenged by a phenomenon, we should be less concerned with seeking new knowledge than putting into order what we already know. Yet those concerned by the present dip in Lawrence's reputation (among academics, if not the general public) have to be worried by how strange and unexpected the results are when Lawrence's dealings with love and sex are followed throughout his life and career. This is what this book undertakes to do, describing how the tortuous developments in his relationship with Jessie Chambers are reflected in his writing, his struggle against his undoubted

leanings towards homosexuality, the war he declared on the concept of romantic love and how, after insisting on the idea of male dominance, he returned (although only in part) to a more humane vision of relations between the sexes in the various versions of *Lady Chatterley's Lover*. Its aim is to suggest that although Lawrence is undoubtedly a major writer, his greatest achievements are not to be found where he is popularly assumed to be at his most impressive and that the authority he assumes, in his last years, when he lectures the young on love and sex, ought to be regarded as dubious.

*The Critical Image* Carol Squiers 1991 This is a collection of essays on the multitudinous uses and abuses of photography in contemporary cultural life. From photojournalism to surrealism, from green advertising to pornography, celebrated theorists and famous practitioners examine how photography shapes our perceptions, manipulates our feelings and influences our ideas.

*Sex and Salvation* Jennifer Cole 2010-12-15 *Sex and Salvation* chronicles the coming of age of a generation of women in Tamatave in the years that followed Madagascar's economic liberalization. Eager to forge a viable future amid poverty and rising consumerism, many young women have entered the sexual economy in hope of finding a European husband. Just as many Westerners believe that young people break with the past as they enter adulthood, Malagasy citizens fear that these women have severed the connection to their history and culture. Jennifer Cole's elegant analysis shows how this notion of generational change is both wrong and consequential. It obscures the ways young people draw on long-standing ideas of gender and sexuality, it ignores how urbanites relate to their rural counterparts, and it neglects the relationship between these husband-seeking women and their elders who join Pentecostal churches. And yet, as talk about the women circulates through the city's neighborhoods, bars, Internet cafes, and churches, it teaches others new ways of being. Cole's sophisticated depiction

of how a generation's coming of age contributes to social change eschews a narrow focus on crisis. Instead, she reveals how fantasies of rupture and conceptions of the changing life course shape the everyday ways that people create the future.

**The Sexcalation System** Cory Smith 2021-03-22 You have a cute girl in your life that YOU WANT TO FUCK IN THE PUSSY. You see her every once in a while, and you want to TURN THINGS SEXUAL, without it being weird, without coming across as creepy, without getting a verbal/sexual harassment charge, without it taking weeks or months (or for some guys: years), You want to FUCK HER HARD and FUCK HER FAST, yet when she's with you, you do nothing because you don't know how to make moves on her. Your lack of knowledge on how to ESCALATE THE INTERACTION TOWARDS SEX paralyzes you from taking action. As a result of lack of action, you end up stuck in the friend-zone. You just fucked yourself by not knowing how to fuck her. As a man, it's your responsibility to SMOOTHLY LEAD A WOMAN INTO A SEXUAL STATE OF MIND, PHYSICALLY AROUSED, AND BANG THE SHIT OUT OF HER. Here is the truth: even if a woman really likes you, she will usually avoid making blatant sexual moves on a man (initially), because society will judge her for being sexually aggressive and label her as a stigmatized "slut". So she's waiting on you to make the moves on her because she knows that a HIGH STATUS ALPHA MALE GOES AFTER WHAT HE WANTS IN LIFE AND TAKES IT. In the age of the #MeToo movement, NOT knowing how to properly escalate an interaction towards sex can land you in jail. You have to escalate aggressively, but smart. WOMEN WANT TO FUCK - just not with losers who don't "get it". You have to know what you're doing and DO IT WITH EXTREME CONFIDENCE. After a decade of experience in the field and thousands of approaches, I've boiled down what I have learned into a STEP-BY-STEP GAME-PLAN with SPECIFIC EXAMPLES of leading a woman through a dating process that ends in mutual sexual ecstasy. Instead of having to

endure hundreds of harsh blowouts: "get the fuck out of here", "you're creepy", "lets just be friends" speech, "uhh that's gross", and learning through trial and error, the written-guide will show you how to GET LAID THE SMART AND FAST WAY, so you don't have to go through the bullshit. By implementing the techniques in this book, you'll have a woman STOP showing you their innocent prudish side, START showing your her secret wild, sexual side, and TURN HER INTO A FUCK-BUDDY. This reality will be yours: You'll have that female "friend" completely naked undressed on your bed ready to be sexually ravaged, She won't stop hitting you up and asking to seeing you again - sending you random dirty texts and photos of herself naked, You'll hear her say "DADDY, FUCK ME HARDER!!!!" and realize that you have the power because you can go out at ANY NIGHT and use this system to get laid on THAT SAME NIGHT YOU MEET HER. This is what you'll learn: How to completely UNFUCK YOUR SEX LIFE FOR 2021. How to tap into a woman's primal instinctive biological drives, implement trigger phrases, and touch specific areas on her body in a specific sequence to create a burning desire within a woman and become her sexual obsession. How to meet a woman, flip her sexual arousal switches, use scientific principles that trigger sexual attraction, turn off her impulse control, and FUCK HER ON THE SAME DAY. How to utilize a specific pattern of behaviors to BECOME HER PHYSICAL ADDICTION. FUCK YOUR EXCUSES. INVEST IN YOURSELF AND TAKE ACTION EVERY DAY!

Mind the Gap Karen Gurney 2020-03-05 'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In Mind The Gap, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, Mind The Gap also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

only thing that matters is their gym-honed bodies and sexual performance. Extract: For the first session, she was bound. Her wrists were tied to the head of the bed on which she lay on her back. Ropes were also wrapped around her knees and ankles so she was spread wide open for all to see. Mistress Drusilla then warmed her up with a soft leather strap, across her big tits, flat belly, inner thighs and then finally, her clit. Lying back and enjoying the sensual tingle the afterglow always gave her, Arabella waited to see what would come next. 'Now I have your attention,' began the severe looking woman, 'I shall teach you just how much pleasure one women can give to another.' For a moment, Arabella thought the Mistress was going make love to her herself but no. She called forward a very pretty little Greek girl that everyone called Aphrodite. Arabella felt sure that couldn't be her real name but she was surely beautiful enough. In her early twenties, she had light olive skin and big juicy lips. Slim and petite, she nonetheless had full breasts and childbearing hips. The best word to describe her was sensual. Mistress Drusilla continued. 'Aphrodite is highly skilled in Sapphic love,' she said. 'I urge you to resist all you want. She will have you cumming in less than five minutes.'

When she gets home, Jon has arranged for the children to have a sleepover so they have the house to themselves. And he is going to pay her back in the most delightful way! Book 2 - Sally has a problem with her new trousers. She thinks they make her bum look big. Simon agrees, so he suggests that she take them off. And he has that look in his eye. The one which says he loves her big bum, and would be thrilled to prove just how much he loves it. What could possibly happen next? Book 3 - Sharon's work dinner is stunningly boring. She has to pretend to be interested, but her mind is on what happens afterwards, when her husband takes her home and screws her senseless! Being a female boss in a man's world can be tiring. You have to maintain your authority, but without being too harsh. You have to make the right decisions, knowing that you're responsible for many other people besides yourself. So sometimes it's nice to let go of responsibility, to let someone else take charge, to be His To Command. Book 4 - Jenny is feeling frustrated. Her girlfriend has been working all hours and they haven't had time together for weeks. So she is intrigued when Mary tells her that she is setting up Project FJBO. What could it mean? \* \* Spoiler alert - the last three words are "Jenny's Brains Out!" Book 5 - That look. What did it mean? Nothing, surely. I must be imagining it. She couldn't be flirting with me. And I certainly couldn't be responding to her. I wasn't a lesbian. But, maybe, just possibly, if I had to be honest, I might admit to being a little bit curious. Surely it couldn't hurt to visit her, to "see her trophy room". So Claire visits. What does Jacqui do? Does Claire satisfy her curiosity? Book 6 - It's helpful to have a good understanding of body language. People can convey a lot without speaking any words. If you know how to read the signals, the results can be interesting! Julie and Steve are away on a well deserved break from their children. When Julie gets up in the morning and sits beside Steve on the couch, she thinks they are

going to discuss what to do with the day. He sees her thin singlet and skimpy panties and interprets her body language in a very different way! Whose interpretation is correct? What signals do their bodies send? And will they send the same signals again? Book 7 - It was a race. A two-person race, but it was still important. Because the winner got the power of command, they got to command the loser to do whatever they wanted. And after half an hour of watching her tight butt wriggle as she ran in front of me, I knew exactly what I would command. But first I had to win! Does Matt win the race? What will he command if he does? Can he claim the bottom prize? Book 8 - What treat do you get your lover for winning an important match? A luxurious massage would be good. A professional, responsible, treatment massage? Of course not. This massage comes with lots of benefits! Claire has won the club championships. Her coach, Jacqui, is also her lover. So Claire gets an extra special treat, and discovers that Jacqui has some special equipment that has never appeared on the tennis court!

Sex and the Scientist Jane Merrill 2018-01-19 One of the preeminent natural philosophers of the Enlightenment, Benjamin Thompson started out as a farm boy with a practical turn of mind. His inventions include the Rumford fireplace, insulated clothing, the thermos, convection ovens, double boilers, double-paned glass and an improved sloop. He was knighted by King George III and became a Count of the Holy Roman Emperor. Thompson's popularity with women eclipsed his achievements, though. He was married twice and had affairs with many other prominent women, including the wife of Boston printer Isaiah Thomas and that of a doctor who would crew the first balloon to cross the English Channel. He even fathered a child by the court mistress of the Prince Elector and had affairs with several other German noblewomen. Drawing on Thompson's correspondence and diaries, this book examines his friendships and romantic relationships.

uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

fact that it helps his conscience! Despite what might be expected, a female needs the man to drop his sense of self and see her for her uniqueness and inward excellence she has. At the point when sex is offered the man ends up ignorant concerning the various character attributes and great characteristics the female has. He is then just intrigued by the female for the sex, accepting he is enamored with her, however just for some time until the fixation wears off and he understands his actual emotions. Sex anticipates a man's capacity to connect with his actual sentiments. On the off chance that a lady offers sex to a man, regardless of whether he is seen at as a potential life-accomplice or only for momentary dating purposes, she in established truth sells sex and not herself, her great characteristics or her character qualities.

If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

**The Fragility of Her Sex?** Katharine Simms 1996 "This volume of essays, which includes papers first given at a conference of the Irish Association for Research in Women's History, represents a fresh approach to the discussion of the position of women in Ireland in the Middle Ages: it attempts to set the experience of Irish women into a wider, European context. This comparative approach makes it possible to shake off the image of isolation and idiosyncrasy that has for too long clung to many aspects of medieval Irish society, and especially to the subjects of women and marriage." "A secondary theme of the volume is the extent to which women, in Ireland and outside, were able to take the initiative and make their interests and wishes count in the societies in which they lived. A number of the essays discuss the sources for the history of women and use them in new ways to recover what is possible of the lives and experiences of medieval women." **American Literature** Dr David Greven 2014-03-28 Expanding our understanding of the possibilities and challenges inherent in the expression of same-sex desire, Greven identifies a pattern of what he calls 'gender protest' in the writings of Margaret Fuller, Edgar Allan Poe, Herman Melville and Nathaniel Hawthorne. As Greven shows, antebellum authors took up the taboo subjects of same-sex desire and female sexuality and were adept in their use of a variety of rhetorical means for expressing the inexpressible.

*In Spades* Kate Rousseau 2013-01-27 *In Spades* is the unusual and erotic story of two women, a mother and daughter, who, without knowing it at the time, were sharing very similar journeys of sexual discovery. Originally posted as a series of blog entries, a large fan base encouraged the women to compile these short stories into a single book. It chronicles both women's involvement with interracial romance, drugs, kink and BDSM, prostitution, infidelity and the strange set of coincidences that eventually brought them together. Kate was a woman who married and had children at a very early age. Feeling a creeping stagnation in her marriage, she yearned for some kind of charge or excitement in her life. What she discovered was that not only were there men in the world who could excite her, but that her libido, long suppressed, was much more powerful than she'd ever expected. At the same time, her daughter, Jessica was going through all the usual trials of teenage sexuality. But after accidentally seeing her mother having sex with a man who was not her father, Jessica's path altered down a dangerous road. Set in post-Katrina New Orleans, both women tell a story that is brutally honest, highly

erotic and sometimes disturbingly unsafe. Each woman tells the story from her own point of view and we're allowed to see how each of them evolved and how eerily parallel their lives were without realizing it. They pull no punches, they tell the stories as they happened and they'll take you on a journey through their sexuality that you will never forget.

**Sex Workers and Their Clients** Jerald L. Mosley 2020-12-15

This book draws on the voices of sex workers and their clients to critically assess the criminalization of prostitution in favour of decriminalization. It does so by contrasting their voices with the claims made by prohibitionists: those advocating the prohibition of prostitution or, at least, the prohibition of the purchase of sexual services, and notes scholarly research that gives context to those accounts and claims. Each chapter is dedicated to a particular issue which is given currency in academic and public debates on sex work. The first part of each chapter reviews the state of research and publicly-aired contentions and the second part compares sex workers' voices with claims from prohibitionists. It highlights the gap between what many sex workers have to say about themselves and what theorizing prohibitionists say about all prostitution. It argues that there is often a striking contrast in attitude, perspective, interpretation and valuation. This books speaks primarily to prohibitionist thinking and sex work stereotyping and, secondarily, to the debate on decriminalization of sex work.

She's just found out that she didn't get the job she was hoping for, and her best friend is moving to the other side of the country. Eve's fancied Jack, her next door neighbour, ever since they played together as kids. She's eighteen now and loves hot, hard sex. She would like

nothing better than to get inside Jack's trousers. When she catches him playing with himself, she persuades him there are better things to do with his erection. What follows is an afternoon of hot sex. When she goes back for seconds a few days later, she walks in on him in bed with someone else. That someone else is Mike. Her initial reaction is to turn around and run away. Instead, she stays and joins in the Bisexual fun - by the end of the afternoon she is no longer a MMF virgin. Book 2: MMF Curious Kate loves Michael, but their sex life (what little there is of it) is simply too boring. She is forced to hide her secret passion - nothing turns her on more than watching male/male porn. The next day at work, she has to work overtime, and is asked to collect some parts. The stores are deserted - or so she thinks until she hears voices, and stumbles upon the two guys who work in the stores having sex. She manages to sneak out without them seeing her. The next day when she gets a late call to pick up a last minute urgent order from the stores, she gets much more than she bargained for. The two guys know that she saw them - what's more they reveal they have always had the hots for her. What started as another boring day at work soon turns into a steamy night in the stores. Book 3: MMF Surprise Betty is seeing Roy. Betty is also seeing Frank. Neither of them knows she is seeing the other guy. That might not be so bad if they weren't best friends who worked together. She knows she is being naughty, but she can't choose between the two of them. She tries to ease her guilt by telling herself that it isn't like she's engaged or married to either of them. Deep down, she knows the real reason she doesn't want to give either of them up is because the sex is so good!! When she receives a note asking her to go to a local hotel, she has no idea which of the two guys will be waiting for her. You can bet she isn't expecting the reception she gets. It turns out that Betty isn't the only one who is good at keeping secrets.

Explore Your Fantasies Paula Ann 2020-11-17 Do you want to learn how to turn your sexual fantasies into reality with these sex short stories, erotic fantasies, dirty secrets and sex experience? If yes, then keep reading... Now that you will learn what it takes to become a sex master and you have knowledge about exploring your fantasies, you will be ready to continue developing your mind, body, and heart in order to become the most intelligent and well-rounded sexual being that you can be. As you do so, pay close attention to the sexual intelligence piece of the equation and ensure that you are remaining true to this first and foremost. The rest will come naturally after that. Coupling the knowledge you have with the practice of learning more about yourself and your personal desires will ensure that you will continue to be sexually fulfilled for the rest of your life. You are now ready to share what you know with your romantic or sexual partners. Approaching your next sexual encounters after reading this book should be done with curiosity and a willingness to not only discover your own desires but the desires of your partners. The more sexually fulfilled your partners are, the more sexually fulfilled that they will make you as well. Please make sure as well that you are providing yourself with the sexual satisfaction you need and are not only relying on receiving this from others. Masturbation is an important part of sexual fulfillment and satisfaction. Men and women both love spontaneity. Do not get into a bland routine. Try new things, especially by having sex in different and exciting places. Give your man a blowjob when he least expects it and he is sure to return the favor. Men are very visual, they like seeing your whole body and they love it when you are vocal during sex. Tell your man to "do you harder," to "spank you," to make you cum hard." Moan and yell your man's name and they are sure to repay you with intense sex. While giving your man head try to let him see your entire body. Suck him at an angle and let him see your bum and breasts. Do 69 with your man

and allow your vagina to be directly in his face. Try anything once as long as it's not painful or potentially harmful. You should always let your partner know that he/she will not be judged for suggesting something new and taboo. Maybe you're a woman and you want to have sex with your man in front of another person, who videotapes the event, or maybe you're a man and you really want to have anal sex with your woman and you would also like her to give you a prostate massage. No matter what the suggestion is, make sure your partner knows that it's perfectly okay to suggest new sexual ideas. It's also perfectly okay to say no to ideas but I think having the rule of trying anything once (as long as it isn't painful or if it REALLY makes you uncomfortable) is a good idea. By trying anything once your partner will respect you. In this book, you will learn more about: The secret logic of sexual fantasies Different types of intimacy Methods to trigger sexual desire in your partner Masturbation Game-changing tips to improve your sexuality Sex toys Stages of sexual arousal in humans Other ways to explore your sexual fantasies ...
