

Sex Therapist In Texas

Gender and Sex in Counseling and Psychotherapy - Lucia Albino Gilbert 2009-09-01

Gender is still largely ignored as an "active" variable in counseling and is typically viewed as pertaining to women's issues or problems. The field has leap-frogged over gender, perhaps because it is too complex, perhaps because we resist change, or perhaps because our gender socialization is sufficiently effective as is. This book makes clear as to why gender must be considered in understanding the client's concerns, the process of therapy, and the counselor's role in the therapeutic interaction. Effective therapy requires an understanding of gender theory and gender processes. The approach taken in this book explains complex concepts in understandable terms, provides summaries of pertinent research findings, and applies theory and research about gender to client case examples.

Understanding Sexual Violence - Diana Scully 2013-10-18

Understanding Sexual Violence examines the structural supports for rape in sexually violent cultures and dispels a number of myths about sexual violence—for example, that childhood abuse, alcohol, and drugs are direct causes of rape.

Desire - Lauren Fogel Mersy 2023-08-22

A radically inclusive, sex-positive guide to managing the inevitable libido differences in our relationships, authored by two certified sex therapists who are passionate about good sex. Desire invites readers of all ages, genders, sexual orientations, and relationship structures to shed the shame and misinformation that surround the topic of sex and instead learn from 2 certified sex therapists about how libido really works. Desire differences are one of the most common relationship issues, yet, with fewer than 1100 certified sex therapists in the country, it can be difficult to find help. This essential book breaks the mold of the sex self-help genre, which typically focuses only on cisgender women. Through the authors' expert guidance readers will learn about · embracing a more expansive definition of sex, · identifying various factors that can impact libido · managing anxiety around sex (one of the biggest libido killers), · the structural oppressions—from cisnormativity to heteronormativity to compulsory sexuality to minority stress—that affect our libido, · and much, much more. It rejects the narrow, heteronormative, "staircase" model of sex—a way of thinking where many relationships get stuck. It integrates evidence-based relationship therapy techniques for better communication around sex. Included are dozens of techniques, exercises, checklists, and journal prompts for readers to use at their own pace to fit their needs, including mindfulness, body mapping, and sensate focus. Whatever your identity, sexual practices, or reason for picking up this book, Desire will help you reach your personal sexual health goals.

Principles and Practice of Sex Therapy - Kathryn S. K. Hall 2020-06-29

This widely used clinical reference and text—now significantly updated with 75% new material reflecting therapeutic advances, diagnostic changes, and increased coverage of sexual minority groups—comprehensively addresses sexual problems and their treatment. Prominent contributors interweave theory, research, and clinical considerations. Detailed case examples illustrate the process of assessment and intervention with individuals and couples across the lifespan, with attention to gender-related, cultural, and health concerns. The volume features an integrative introduction and conclusion, plus an instructive editorial commentary at the beginning of each chapter. New to This Edition *Many new authors and extensively revised chapters. *Coverage of advances in sexual medicine, ICD-11 diagnostic changes, and other timely topics. *Chapters on sexual aversion, female sexual arousal disorder, and out-of-control sexual behavior. *Chapters on the transition to parenthood and the treatment of sexual concerns in the BDSM community and adult transgender clients. *Chapters on additional medical issues: cancer and spinal cord injury.

The Wiley Handbook of Sex Therapy - Zoë D. Peterson 2017-04-24

The Wiley Handbook of Sex Therapy is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy. Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and

techniques rather than only the most popular behavioral strategies. Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room. Includes contributions by more than 60 experts from a wide range of disciplines.

STRONG: A Relationship Field Guide for the Modern Man - Kristal DeSantis 2023-03-11

The traditional roles of men and women in relationships are changing rapidly, and men are looking for ways to distinguish themselves as high-value partners in the current relationship landscape. STRONG: A Relationship Field Guide for the Modern Man distills the existing research on mental health and relationship science into the six essential green flags a modern woman is looking for in a man. In this book, you will find: • Self-regulation skills for healthy conflict • Tips for increasing your emotional connection • The types of sexual desire and tips on nurturing pleasure • The five love languages and how you and your partner may differ • The four positions of a constructive conversation • Tools for repair after conflict • The role of attachment styles and trauma in relationships . . . and so much more. STRONG provides the motivated modern man with immediately applicable tools and skills to step up his relational game and come out on top.

Women and Sex Therapy - Ellen Cole 2014-03-18

Outstanding feminist scholars present seldom discussed women's views of sexuality. In the past, there has been little feminist discussion among sexuality professionals and between feminist therapists and sex therapists. The valuable ideas expressed by the contributors to this book are aimed at increasing the possibilities for all therapists and counselors to discuss with their clients the nature of sexuality, and in particular, what women feel about sex. Professionals provide remarkable perspectives on issues that concern all women—orgasm, the double standard, new reproductive options, intimacy, bisexuality, and more.

Attorney General's Commission on Pornography, Final Report - United States. Attorney General's Commission on Pornography 1986

A Clinician's Guide to Systemic Sex Therapy - Gerald Weeks 2015-12-07

The second edition of A Clinician's Guide to Systemic Sex Therapy has been completely revised, updated, and expanded. This volume is written for beginning psychotherapy practitioners in order to guide them through the complexities of sex therapy and help them to be more efficient in their treatment. The authors offer a unique theoretical approach to understanding and treating sexual problems from a systemic perspective, incorporating the multifaceted perspectives of the individual client, the couple, the family, and the other contextual factors. Both beginning and experienced sex/relationship therapists will broaden their perspectives with the Intersystem approach and gain information rarely seen in sex therapy texts such as: how to thoroughly assess each sexual disorder, the implementation of various treatment principles and techniques, how to incorporate homework, dealing with ethical dilemmas, understanding different expressions of sexual behavior, and addressing the impact of medical problems on sexuality. Aside from bringing the diagnostic criteria up-to-date with the DSM 5, this new edition contains a new chapter on sensate focus, an expanded section on assessment, more information about development across the lifespan, and more focus on diversity issues throughout the text.

Counseling and Family Therapy with Latino Populations - Robert L. Smith 2013-02-01

For the Latino population, the family bond is powerful and enduring. Family serves as the primary source of support, care, guidance, and healing; all difficulties that arise for an individual are surmounted together. Therefore, a practitioner working with a Latino client must gain the trust and respect of the family in order to carry out treatment efficiently. He or she must essentially become a part of that family to encourage members to share their issues without the concern of breaching the confidence of the family. Counseling and Family Therapy with Latino Populations helps the therapist to join the Latino family in order to identify and explore the difficulties that threaten their welfare. With this fundamental principle as the basis, the book's editors and contributors write chapters that focus on work with children and adolescents, group counseling and substance abuse counseling. They

incorporate specific case studies, methods, and strategies for intervention and provide insight into the cultural relevance behind each example. This book is a necessary resource for therapists working with Latino clients who wish to offer effective techniques while continuing to value the integrity of family tradition.

Texas Monthly - 1992-04

Since 1973, TEXAS MONTHLY has chronicled life in contemporary Texas, reporting on vital issues such as politics, the environment, industry, and education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

Systemic Sex Therapy - Katherine M. Hertlein 2019-11-06

Systemic Sex Therapy, third edition integrates couple and sex therapy to inform the treatment of sexual problems and to give beginning clinicians the abilities and confidence they need to produce change in their patients' lives. Grounded in the Intersystem Approach, the book considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. Each chapter examines the definition and description of a sexual disorder or issue, its etiology, assessment, treatment, research, and future directions. This thoroughly revised edition presents 18 updated chapters consistent with the DSM-5 and features new content on sexuality and aging, infidelity, sexual interest/arousal disorder, disability, and kink/BDSM. Experts in the field discuss all the major sexual dysfunctions along with new chapters on culture, technology, and their interplay with sexual functioning. An essential text in the field, Systemic Sex Therapy sets out a conceptual framework for graduate students in couple and family therapy programs looking to develop a comprehensive, integrative understanding of sexual issues.

Sex Outside the Lines - Chris Donaghue 2015-07-14

It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed "inappropriate" and considered something we must keep private or even ignore? Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as "obscene" than by celebrating it. In *Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture*, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. *Sex Outside the Lines* is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living. In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to be "normal"—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with society's expectations—are actually natural, healthy, and part of having a great sex life. *Sex Outside the Lines* addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a "liberal" approach to modern concepts—it is seeking to redefine them altogether.

Sexual Exploitation in Professional Relationships - Glen O. Gabbard 1989

This book presents the latest data on -- and clinical, ethical, and medicolegal issues pertaining to -- sexual intimacy in the professional relationship. Contributors (including psychiatrists, psychologists, social workers, clergy, and attorneys) explore the issue of professional incest across the broad spectrum of the helping professions.

Reclaiming Your Sexual Self - Kathryn Hall, Ph.D. 2004-07-14

"Kathryn Hall takes a fresh and refreshing new look at why so many women are not really interested in sex. A uniquely helpful book." -Harriet Lerner, Ph.D., author of *The Dance of Anger* "Women don't need medicine or magic to feel desire but rather reasons and motivation. This book provides sound strategies and sensible suggestions for overcoming sexual inertia and finding genuine satisfaction." -Sandra Leiblum, Ph.D., Director, Center for Sexual & Relationship Health, University of Medicine and Dentistry of New Jersey "The many who are searching for sexual desire in an easy-to-swallow pill form may be pleasantly surprised

to find it in this easy-to-read book form." -Gerianne M. Alexander, Ph.D., Texas A&M University At last, a drug-free, holistic program to restore sexual passion and desire Despite what many so-called experts believe, lack of sexual desire in women does not necessarily indicate a hormonal problem. More often, asserts sex therapist Dr. Kathryn Hall, it means that something is out of balance in our lives. In *Reclaiming Your Sexual Self*, Dr. Hall reveals how to discover the source of your lack of sexual interest and take charge of your health. Drawing on successful methods she has used in her clinical practice, she helps you identify the imbalances that are affecting your overall well-being and get in touch with lost or neglected sexual feelings. Through a series of illuminating exercises and with Dr. Hall's wise, warm advice, you'll discover: * Why it's okay to want sex-and enjoy it * Ways to improve communication with your partner * The right conditions and circumstances to spark your sexual interest * How to maintain a vital sexual connection for the long term * When to consult a professional Hormone replacement therapy doesn't have to be the answer. You can reclaim your sexual self and keep desire and passion alive and well by following the proven, reassuring advice in this authoritative guide.

Resources in Women's Educational Equity - 1980

Literature cited in AGRICOLA, Dissertations abstracts international, ERIC, ABI/INFORM, MEDLARS, NTIS, Psychological abstracts, and Sociological abstracts. Selection focuses on education, legal aspects, career aspects, sex differences, lifestyle, and health. Common format (bibliographical information, descriptors, and abstracts) and ERIC subject terms used throughout. Contains order information. Subject, author indexes.

Pleasure Island - M. S. Parker 2018-04-12

Liam: After serving four years in the army, I'm back home in Texas, but it hasn't taken me long to see that I don't belong here anymore. Luckily, I heard that my cousin, Jake King, is now living in New York City, so I'll join him there, hoping to put the past behind me. And, unlike most other twenty-two-year-old guys, the one thing I'm NOT looking for is romance. In fact, I'm planning on being celibate for the foreseeable future. Mila: I don't need a bodyguard, and I certainly don't want one, but my dad is sure that someone's trying to hurt me. All I want is to focus on my practice and spend time with Grandma Millie at her beautiful resort. However, after meeting my bodyguard, I'm now thinking that going to Pleasure Island with him might not be such a bad deal after all. Former soldier, Liam Finnegan and sex therapist Mila Golding are about as different as two people can be. After Liam is hired as Mila's bodyguard, they fight the chemistry between them, but fate has other ideas. Will they be able to move beyond the baggage of their pasts, or will their biases prove to be their undoing? Don't miss *Pleasure Island*, the final book in the *Sex Coach* series. Contains a free preview of the *Pure Lust* series.

Stop Sex Addiction - Milton S Magness 2013-03-15

Compulsive sexual behavior is often difficult to face. Sex addiction results in countless negative consequences and hurts many people. Relationships, marriages, families, and careers are destroyed. Anyone afflicted with sex addiction, as well as the people who love them, can find help within this book. Milton Magness, D. Min., MA, LPC, CSAT, is the founder and director of Hope & Freedom Counseling Services in Houston, Texas. He is a licensed professional counselor and a certified sex addiction therapist.

The Therapist's Notebook Volume 3 - Catherine Ford Sori 2008-06-10

The *Therapist's Notebook Volume 3* includes clinician field-tested activities for therapists who work with individuals, children and adolescents, couples, families, and groups. The reproducible handouts are designed to be practical and useful for the clinician, and cover the most salient topics that counselors are likely to encounter in their practices, with various theoretical approaches. Each chapter includes a "Reading and Resources for the Professional" section that guides readers toward useful books, videos, or websites that will further enhance their understanding of the chapter contents. This book is an excellent tool for both experienced and novice counselors for increasing therapeutic effectiveness.

Intimacies - Karen Kreps 2007-10

How to enjoy successful, stimulating romantic relationships is the subject of a new book by Karen Kreps, *Intimacies: Secrets of Love, Sex & Romance*. It features selected columns from *The Good Life* magazine and is illustrated with photographs of nude figurative art by Arye Shapiro. This 196-page book includes personal essays, how-to advice, reports on trends, explorations of human behavior, and the accounts of many people who shared their real stories of love, sex and romance. Each article is

categorized by subject matter (love and romance, sex and sexuality, commitment, and money) and for whom it may be relevant (singles or couples). Since 2002, Karen's insights about love and lovers have opened minds. She shares these insights in her monthly column for The Good Life magazine and in public discussion groups. The magazine sponsors these meetings at BookPeople, Texas's leading independent bookstore (named by Publishers Weekly as Bookstore of the Year in 2005). Recently, Karen has started an online discussion forum on relationships at www.trueintimacies.com. Karen wrote the bestselling 60-Day Diet Diary (Dell, 1982), and her work has been published by national magazines, newspapers and online services. Here's what the experts are saying about what lies between the covers of the book: The secrets of love, sex and romance must come from those who do not guard them selfishly, and Karen Kreps's collection of articles is a remarkably open-hearted series of revelations. It is reassuring that the positive aspects of connubial life are as fascinating as the downsides of our mating experiments, at least with this author as articulate guide. She makes true love seem as elementary as basic arithmetic, though she knows, too, that love is a complex and infinite miracle. We may discover how to embrace

it if we have the right wisdom, and Karen Kreps generously inspires us with her vision. -Avodah K. Offit, MD, author of *The Sexual Self*, *Night Thoughts: Confessions of a Sex Therapist*, and *Virtual Love*. Karen beckons the many muses at her disposal-ordinary people and experts-to guide us through inner vulnerability to a loving place where we connect with others. Woven through her verbal tapestries are sentimental stories of families, insights about sexuality and resources to take courting to the next level. Relationships are the essence of our humanity, and Karen invites us to enjoy them in ways we might never have imagined. -Larry Bugen, PhD, therapist and author of *Love and Renewal: A Couple's Guide to Commitment*. Her writing entices readers along paths of erotic fantasy and desire to find fulfilling relationships. -David A. Crump, the Essential Experience workshop, ee.org Intelligent, candid and informative; a valuable service in a complex area of concern. -Drs. Marshall and Marguerite Shearer, www.docshearer.com. For more information, please visit www.TrueIntimacies.com. To schedule an interview with the author, please call Karen Kreps, (512) 328-4456 or email karen@trueintimacies.com. Review copies will be available after November 1, 2007.
