**Dirty Sex Crime** - Carine Mapish 2014-06-25

It's no secret, nor should it be. We are all born with eyes to see, so if you are able to see, denounce your attacker without fear. **DIRTY LAUNDRY** - JANET JAYMES 2006-09-22

Dirty Laundry is a memoir written as conversational novellas to the four men who came into Janet Jaymes’ life. Whenever we start a relationship, we talk about our past, our myriad thoughts, desires and dreams. Through such conversations, Janet Jaymes’ describes her life as if each novella is an emotional panel that sewn together becomes a colorful quilt written in the bold colors Janet Jaymes used to paint as a young artist. Dirty Laundry is about a woman who, for years, always seemed to walk into the strangest situations and unconventional relationships she never asked for, as if she was in the wrong place at the right time, or the right time in the wrong place. For Janet Jaymes, life didn’t turn out like she planned. Dirty Laundry describes in remarkable detailed-memory, in brutal honesty, and with a sense-of-humor-reality, the good, the bad and the ugly of an average woman’s life that turned out to be far from average. Dirty Laundry is an emotional, roller-coaster ride like a high-flying drug trip with crashing, coming-down lows and in the end, we find out how Janet Jaymes survived. Dirty Laundry is an entertaining human interest portrayal of a woman’s life that guarantees to be a page-turner. *Gettin' Dirty* - Sean Moriarty 2016-08-11

I was trying to get away clean... but with her I just can't stop myself from gettin' dirty. Unemployed Hitman. Yeah, that's me. After all the stuff that went down with the O'Riley crime family, I'm out of a job, but at least I'm walking away with a boatload of money. Now I'm just taking it easy, floating from city to city. Taking the odd job here and there while I try to find my place. Then gorgeous, curvy goddess Aaliyah gets her bank card declined in front of me in the checkout lane. Ass made for grabbing and legs that go on for days. Single moms usually aren't my type, but there's just something about her that is driving me insane. Too bad she's been hurt so much she thinks I only want sex in exchange for her groceries. I've got nothing but time, one of the benefits of being rich and unemployed. My new purpose in life: I'm going to convince Aaliyah she's mine and spend the rest of my days knocking her up with my babies.

**Dirty to the Grave** - Karen Williams 2012-04-24

Karen Williams, author of Harlem on Lock and The People Vs. Cashmere, brings you this dark street tale. Follow the highs and lows of Cha, Goldie, and Red, who come together for fun, laughs, and sometimes treachery in Long Beach, California. For these three ladies, survival was always about getting over by using lies, deceit, and sex. But when a plan goes dangerously wrong, Cha and Goldie take a step back out of the life. Cha desperately wants to rid herself of the demons of her past so she can at least feel normal enough to raise her son, Omari. Goldie ain't feeling the hood life anymore. She's tired of going from man to man, and knows her parents are rolling over in their graves at the life she chose for herself. Red craves the streets, and will cross anyone, friends included, to get what she wants. She steps deeper in the game, making her dirtier than she already is--so dirty that she will betray both Cha and Goldie, leading to horrifying consequences. Dirty to the Grave goes harder than Karen Williams has ever gone, with an explosive ending that will shock you and make you wonder: Are your friends really your friends? They say life is hard from the cradle to the grave, and once you think people can't get any dirtier, they do!

**Playing Dirty Box Set** - Lane Hart

For the first time ever, get the complete four book Playing Dirty football series in one box set! BALLBUSTER Out of all the football stadiums in the world, why did Roxanne “The Ballbuster” Benson have to plow through mine? Don’t get me wrong. I’m all for women playing professional football. But what I’m not for is The Ballbuster waltzing onto my field, trying to take over my position as the Wildcats’ starting kicker. The woman dislocated my knee with her freaking Jeep, for chrissake, and yet all of my teammates love her! So what if Roxy’s...gorgeous and sweet and loves football more than anyone in the world? This is my team; and once I recover, she’s gonna have to get used to sitting her fine ass on the bench. It’s nothing personal. Football is a dirty sport where only the best survive. Now I just have to figure out how to survive a season without ending up with a busted heart; because despite how hard I try to avoid falling for Roxy, she keeps pulling me back into her bed. Forget her Jeep. With one look, the woman can bring me to my knees. And the worst part is, I keep going back for more. PERFECT SPIRAL I had the perfect life.

Getting paid millions to play the sport I love and spending most of my nights with all the adoring female fans, what more could I possibly want? I sure as hell didn't want the baby boy someone dropped on me before running, leaving behind a note saying he's mine. If that's true, then I don't have a freakin' clue who his mother could be. Until I get the paternity test results, though, the kid's my responsibility. The sleepless nights with a crying baby have me crashing and burning on the football field, putting my superstar career in jeopardy. And suddenly, the only woman I want hates me with a fiery passion. I knew Callie wasn't going to be easy to win over. Not when she blames me for her sister's death. Oh, and if this baby turns out to be my son, Callie's determined to take him away from me. Somehow I'll have to find a way to prove to her that there's more to me than my perfect spiral. DELAY OF GAME My mom is dying. The cancer is eating away at her body a little more each day, and the worst part is I know she's so tired of fighting. She's starting to surrender to the sickness. That's why I stupidly blurted out at Thanksgiving that I had met a woman and was engaged. The truth is, there's no woman in my life and never has been. I just wanted to give my mother something to live for, a few celebrations, an extravagant wedding, the possibility of grandchildren... Now I just need to find a nice girl to pretend to be my fiancée and walk down the aisle with me in a matter of weeks. Actually, that may be a piece of cake compared to trying to stay away from the one person who has managed to ignite something deep inside of me for the first time in my life. Something I can't ignore or forget no matter how hard I try. ELIGIBLE RECEIVERS When a newly single girl like me decides to play the field, what's better than one big, sexy, rough-and-tumble professional football player? How about two of them? Cameron and Nixon have been best friends for years, and now I've found myself in the middle of them. Literally. The two cocky wide receivers compete over everything - who kisses me better, who can last longer, who has the biggest...well, you get the point. At first, it's all fun and games, until I start to fall for both of them. Hard. But I'm just not the type of girl who sleeps with two men at the same time. I would rather walk away from both rather than end up hurting one of them. The problem is, I'm pretty sure that decision is out of my hands.

**Down and Dirty Pictures** - Peter Biskind 2016-06-16

In the late 1980s a generation of filmmakers began to flower outside the Hollywood studio system and in the following decade, the independent film movement bloomed. Dozens of lesser-known filmmakers such as Steven Soderbergh and Quentin Tarantino began walking away with coveted prizes at Cannes and eventually the Academy Awards. Many of these directors were discovered at Robert Redford's Sundance Film Festival and then scooped up by Harvey and Bob Weinstein, whose company Miramax laid waste to the competition. In *Down and Dirty Pictures*, Peter Biskind tells the incredible story of these filmmakers, the growth of Sundance into the premier showcase of independent film, and the meteoric rise of the controversial Weinstein brothers who left a trail of carnage in their wake yet created an Oscar factory that is the envy of the studios.

**Bad Girls and Dirty Pictures** - Alison Assiter 1993

For well over a decade, half-baked analysis and phony science have been used by some feminists to side-track the women's movement into puritanical campaigns against sexual material and imaginative sexual exploration. Many feminists would say that this widely publicised version of feminism is itself sexist, and that the increasingly vocal anti-pornography campaigns are founded on theoretical dead-ends that have allowed feminists to deviate drastically from the basic goals of women's liberation. *Bad Girls & Dirty Pictures* puts these anti-sex, anti-porn arguments under the microscope of a more thorough and considered feminist analysis. It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right, as well as exposing the dangers of anti-porn feminist arguments. Contributions from a wide range of women, including sex workers and academics, remind us that pornography does not have a special place in our oppression, and that censorship must still be seen as dangerous enemy of women. *Bad Girls & Dirty Pictures* is a much-needed antidote to falsehoods, shabby thinking, and patronising sexism that have fuelled anti-pornography campaigns and misled the women's movement.

**Dirty God** - Johnnie Moore 2012-12-31

In *Dirty God: Jesus in the Trenches*, Johnnie Moore draws on both Scripture and his extensive experience with other cultures and religions to show how the God of the Bible is unique in his willingness to be near us in all of our messiness. Moore outlines the central importance of the doctrine of grace while introducing readers to a humble and human Jesus who reaches out to us at our worst and pulls us up to our best. Grace, Moore argues, is something that is both gotten and given, and the two-part structure of the book allows readers to explore both of these dynamics. By offering hope rather than condemnation and showing the practical applications of grace in today's world, *Dirty God* will appeal to both the committed Christian and the spiritual seeker looking for a more authentic faith. Challenging and engaging, *Dirty God* is sure to establish Johnnie Moore as an emerging voice for Millennial and Gen-X evangelicals for years to come.

**Dirty Money, Last Man** - Martin B Chattelle 2017-04-30

Speculation was intense that the Russian Mafia in District 15, Moscow were laundering money via China to invest in London property. Two names were on the radar. The Russian Taras Petrov and Chinese businessman Xi Lang. If the full facts about these two were known to Sarah Petri she would have probably refused to seduce Xi Lang as a means for her and Hackett to infiltrate the Russian/Chinese syndicate. The problem was that many involved wanted a cut of the dirty funds but did not appreciate the price they would have to pay.

Dirty Money - Marina Adshade 2013-05-01

Pull the covers off economics and reveal the sexy science of "sexonomics" In this witty and revelatory investigation of the so-called dismal science, University of British Columbia professor Marina Adshade skips the usual widgets and uncovers how the market comes to bear on our most intimate decisions: sex, dating, courtship, love, marriage, even breaking up. The science of 'sexonomics' is born: How much money does an ugly guy need to have to attract as many women via an online dating site as a hot man? Is modern marriage just an opportunity to consume more goods and services? Does raising the price of beer reduce risky sex? Why does a spike in the sale of sex toys predict an upcoming recession, while an increase in the number of breast lifts indicates a perkier economy is on the way? Which comes first: a prosperous nation or a promiscuous one? Once you read *Dirty Money*, you'll never look at your money - or your relationships - the same way again
