Exiled in America - Christopher P. Dum  
2016-10-04

Residential motels have long been places of last resort for many vulnerable Americans—released prisoners, people with disabilities or mental illness, struggling addicts, the recently homeless, and the working poor. Cast aside by their families and mainstream society, they survive in squalid, unsafe, and demeaning circumstances that few of us can imagine. For a year, the sociologist Christopher P. Dum lived in the Boardwalk Motel to better understand its residents and the varied paths that brought them there. He witnessed moments of violence and conflict, as well as those of care and compassion. As told through the voices and experiences of motel residents, *Exiled in America* paints a portrait of a vibrant community whose members forged identities in response to overwhelming stigma and created meaningful lives despite crushing economic instability. In addition to chronicling daily life at the Boardwalk, Dum follows local neighborhood efforts to shut the establishment down, leading to a wider analysis of legislative attempts to sanitize shared social space. He also suggests meaningful policy changes to address the societal failures that lead to the need for motels such as the Boardwalk. The story of the Boardwalk, and the many motels like it, will concern anyone who cares about the lives of America's most vulnerable citizens.

**Survey of State Criminal History Information Systems (2008, 10th Ed. )** - Owen M. Greenspan 2010-08

This report is based upon the results from a survey conducted of the administrators of the State criminal history record repositories in March-June 2009. Fifty-six jurisdictions were surveyed. Responses were received from 53 jurisdictions. It presents a snapshot as of Dec. 31, 2008. In addition, the FBI was the source for some of the information relating to criminal history records, including State participation in the Interstate Identification Index (III) system

(the national criminal records exchange system) and the number of III records maintained by the FBI on behalf of the States; the number of records in the protection order file; and the number of sex offender records in the FBI National Crime Information Center files. Charts and tables.

**2011 National Gang Threat Assessment** - Federal Bureau of Investigation 2012-01-01  
Gangs continue to commit criminal activity, recruit new members in urban, suburban, and rural regions across the United States, and develop criminal associations that expand their influence over criminal enterprises, particularly street-level drug sales. The most notable trends for 2011 have been the overall increase in gang membership, and the expansion of criminal street gangs' control of street-level drug sales and collaboration with rival gangs and other criminal organizations.

Remembering Satan - Lawrence Wright  
2011-04-27

In 1988 Ericka and Julie Ingram began making a series of accusations of sexual abuse against their father, Paul Ingram, who was a respected deputy sheriff in Olympia, Washington. At first the accusations were confined to molestations in their childhood, but they grew to include torture and rape as recently as the month before. At a time when reported incidents of "recovered memories" had become widespread, these accusations were not unusual. What captured national attention in this case is that, under questioning, Ingram appeared to remember participating in bizarre satanic rites involving his whole family and other members of the sheriff's department. *Remembering Satan* is a lucid, measured, yet absolutely riveting inquest into a case that destroyed a family, engulfed a small town, and captivated an America obsessed by rumors of a satanic underground. As it follows the increasingly bizarre accusations and confessions, the claims and counterclaims of police, FBI investigators, and mental health professionals. *Remembering Satan* gives us what

is at once a psychological detective story and a domestic tragedy about what happens when modern science is subsumed by our most archaic fears.

**The New York Times Index** - 2003

**Drug Abuse Treatment in Prisons and Jails** -

Carl G. Leukefeld 1992

*Raised on the Registry* - Nicole Pittman 2013

This report details the harm public registration laws cause for youth sex offenders. The laws, which can apply for decades or even a lifetime and are layered on top of time in prison or juvenile detention, require placing offenders' personal information on online registries, often making them targets for harassment, humiliation, and even violence. The laws also severely restrict where, and with whom, youth sex offenders may live, work, attend school, or even spend time.

*Son: A Psychopath and his Victims* - Jack Olsen 2020-05-28

A classic from "the dean of true crime" (The Washington Post)—now with a new foreword—this 1983 masterpiece tells the incredible story of a Spokane, Washington serial rapist who was exposed as the handsome, privileged son of one of the city's most elite families. For more than two years, a rapist prowled the night streets of the homey, All-American city of Spokane, Washington, terrorizing women, sparking a run on gun stores, and finally causing one newspaper to offer a reward—the calls taken by the distinguished managing editor himself, Gordon Coe. In March 1981, luck and inspired police work at last produced an arrest, and Spokane shuddered. The suspect was clean cut and conservative...and Gordon Coe's son. For eighteen months, Jack Olsen researched the cases of Fred and Ruth Coe to try to learn not only what happened within that family, but how and why. He interviewed more than 150 people and built up a portrait not only of that extraordinary family, but of the mind of a psychopath. And searching the memories of the women in Fred Coe's life, he unearthed a most horrifying question: What is it like to love and live with a man for years—and then discover he is a psychopathic criminal? In this "gruesomely

spellbinding" (Glamour) examination of the mind of a psychopath and of the women—and men—who were his victims, Olsen delivers "a harrowing portrait...It has become fashionable with books about vicious crimes to compare them to Truman Capote's *In Cold Blood*. Finally there is a book that deserves the comparison" (Richmond Times-Dispatch).

**Charter of the City of Spokane, Washington** - Spokane (Wash.) 1896

*Crimes Committed by Terrorist Groups* - Mark S. Hamm 2011-01

This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

**The Sourcebook to Public Record Information** - Peter Julius Weber 2003

Provides information on where to find public records, and includes telephone numbers, retrieval costs, and information on Web access for over 20,000 depositories.

*Pre-Incident Indicators of Terrorist Incidents* - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident.

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-04-13  
by guest

The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

**Treatment for Stimulant Use Disorders** - Richard A. Rawson 1999

Basic knowledge about the nature and treatment of stimulant use disorders. Reviews what is currently known about treating the med., psychiatric, and substance abuse-dependence problems assoc. with the use of 2 high-profile stimulants: cocaine and methamphetamine (MA). The info. is understandable and relevant for clinicians and other "front line" substance use disorder treat. providers. Offers recomm. on treat. approaches, recomm. to maximize treat. engagement, strategies for planning and initiating treat., and strategies for initiating and maintaining abstinence. Includes recomm. for the med. mgmt. of stimulant users and recomm. regarding special groups and settings.

*Sexual Assault of Young Children as Reported to Law Enforcement* - Howard N. Snyder 2000

Doing Probation Work - Rob C. Mawby 2013

This book reaches beyond criminological and policy analysis and presents the first comprehensive picture of who probation workers are, what motivates them and how they construct a working identity that sustains them in adverse working conditions.

Talking to Strangers - Malcolm Gladwell 2019-09-10

THE INTERNATIONAL BESTSELLER

'Compelling, haunting, tragic stories . . . resonate long after you put the book down'

James McConnachie, Sunday Times Book of the Year The routine traffic stop that ends in tragedy. The spy who spends years undetected at the highest levels of the Pentagon. The false conviction of Amanda Knox. Why do we so often get other people wrong? Why is it so hard to detect a lie, read a face or judge a stranger's motives? Using stories of deceit and fatal errors

to cast doubt on our strategies for dealing with the unknown, Malcolm Gladwell takes us on an intellectual adventure into the darker side of human nature, where strangers are never simple and misreading them can have disastrous consequences.

**Washington State Publications** - 1972

The Spokane Valley: Out in the gravel - 1994

*Federal Probation* - 2003

*Our Guys* - Bernard Lefkowitz 2023-11-10

It was a crime that captured national attention. In the idyllic suburb of Glen Ridge, New Jersey, four of the town's most popular high school athletes were accused of raping a retarded young woman while nine of their teammates watched. Everyone was riveted by the question: What went wrong in this seemingly flawless American town? In search of the answer, Bernard Lefkowitz takes the reader behind Glen Ridge's manicured facade into the shadowy basement that was the scene of the rape, into the mansions on "Millionaire's Row," into the All-American high school, and finally into the courtroom where justice itself was on trial. Lefkowitz's sweeping narrative, informed by more than 200 interviews and six years of research, recreates a murky adolescent world that parents didn't—or wouldn't—see: a high school dominated by a band of predatory athletes; a teenage culture where girls were frequently abused and humiliated at sybaritic and destructive parties, and a town that continued to embrace its celebrity athletes—despite the havoc they created—as "our guys." But that was not only true of Glen Ridge; Lefkowitz found that the unqualified adulation the athletes received in their town was echoed in communities throughout the nation. Glen Ridge was not an aberration. The clash of cultures and values that divided Glen Ridge, Lefkowitz writes, still divides the country. Parents, teachers, and anyone concerned with how children are raised, how their characters are formed, how boys and girls learn to treat each other, will want to read this important book.
