

Someone Tell That Girl I Love Her Lil Durk

A Girl Named Blu - Charity Hodge 2017-08-08
I hate my new school, and I desperately want to go back to my old school to finish up my senior year with the familiar faces and friends that I know. My dad just got a new job in a new city with a promotion and a big fat raise. Now I have to live in a new city with no friends. Being the only black girl in a sea of pale faces makes me feel alone. My parents say to keep my head up and to do my best because the new school year will fly by before too long. Yeah, right! My parents don't understand how alone I feel. That is, until him. Jasper Hartley, the new guy who befriends me and make me want so much more. Sure, he's gorgeous, but he doesn't act like a rich snob like some of the other kids at school.

Jasper is kind, generous and built like a Greek god. He becomes my first and only everything. I'm so happy that is until Brooke. She's a rich mean, snobby girl and her friends are just as rotten as she is. Brooke is determined to dig her talons into Jasper and snag him for herself. Rumors and lies swirl around me catching me up in an emotional rollercoaster. Heartbreak is imminent. I'm not happy anymore. My heart breaks. Along come, Kade Watson. Jasper's rival. Kade is pushy, funny, and sweet. He's determined to make me smile again and take me for himself. But...I still care for Jasper. The truth is, I love him. So, what's a girl to do? I'm just a simple girl with small town values with a big heart. That's me. Just Blu.

Life After Death - Sister Souljah 2022-02-15
"Winter Santiago hit time served. Still stunning, still pretty, still bold, still loves her father more than any man in the world, still got her hustle and high fashion flow. She's eager to pay back her enemies, rebuild her father's empire, reset his crown, and ultimately to snatch Midnight back into her life no matter which bitch had him while she was locked up. But Winter is not the only one with revenge on her mind. Simone, Winter's young business partner and friend, is locked and loaded and Winter is her target. Will she blow Winter's head off? Can Winter dodge the bullets? Or will at least one bullet blast Winter into another world? Either way Winter is fearless. Hell is the same as any hood and certainly the Brooklyn hood she grew up in. That's what Winter thinks."--Provided by publisher.

A Moment of Silence - Sister Souljah 2016-10-04

"Having returned from a worldwide journey to reclaim his wife, Akemi, Midnight returns to Queens, where he hopes to create a new, less tumultuous life with his love. But things fall apart when violence targets his younger sister Naja. Forsaking his usual control, the ninja warrior kills his sister's attacker in cold blood, forcing him on the run and into the only shelter he can find: a seedy money laundering ring whose members are in league with the police. Though Midnight is promised temporary refuge, he's soon recognized for the murder of Naja's attacker, and lands in jail. Separated from his love, his city, and his family, Midnight must cling to his Muslim beliefs to stay strong. But soon enough, he meets Ricky Santiago, the man who will become his leader and father figure...and perhaps, his only hope" --

Perfect Addition - Claudia Tan 2022-07-19

Don't miss the fan favorite novel that inspired the film! Now a motion picture on Amazon Prime starring Kiana Madeira, Ross Butler, and Matthew Nozka! Can one woman's vengeance on her ex lead her to a new love? Or will it tear apart her future forever . . . When MMA trainer Sienna Lane walks in on her boyfriend, Jax "Deadbeat" Deneris in bed with her sister, her world falls apart. In less than five minutes, she's homeless, friendless, family-less. Vowing to get back at Jax, Sienna quickly charts a course of revenge that will hit him where it hurts most—in the ring. Step one: convince Jax's rival, Kayden

Williams, to train with her. Step two: beat Jax at his own game. At first, Kayden wants nothing to do with Sienna's schemes, but when he figures out that she might be able to give him an advantage, he caves, letting her first into his home, then into his bed, and finally into his heart. But as much as she cares about Kayden, she can't let her anger go, and it threatens the shaky foundation they've built together from their damaged lives. When he gives Sienna an ultimatum—it's either him or her revenge, she's forced to decide between getting back at Jax or throwing her newfound happiness with Kayden away.

The Watergate Girl - Jill Wine-Banks
2020-02-25

Obstruction of justice, the specter of impeachment, sexism at work, shocking revelations: Jill Wine-Banks takes us inside her trial by fire as a Watergate prosecutor. It was a time, much like today, when Americans feared for the future of their democracy, and women

stood up for equal treatment. At the crossroads of the Watergate scandal and the women's movement was a young lawyer named Jill Wine Volner (as she was then known), barely thirty years old and the only woman on the team that prosecuted the highest-ranking White House officials. Called "the mini-skirted lawyer" by the press, she fought to receive the respect accorded her male counterparts—and prevailed. In *The Watergate Girl*, Jill Wine-Banks opens a window on this troubled time in American history. It is impossible to read about the crimes of Richard Nixon and the people around him without drawing parallels to today's headlines. The book is also the story of a young woman who sought to make her professional mark while trapped in a failing marriage, buffeted by sexist preconceptions, and harboring secrets of her own. Her house was burgled, her phones were tapped, and even her office garbage was rifled through. At once a cautionary tale and an inspiration for those who believe in the power of

justice and the rule of law, *The Watergate Girl* is a revelation about our country, our politics, and who we are as a society.

Jazz Moon - Joe Okonkwo 2016-06-01

"A passionate, alive, and original novel about love, race, and jazz in 1920s Harlem and Paris—a moving story of traveling far to find oneself" (David Ebershoff, author of *The Danish Girl* and *The 19th Wife*). On a sweltering summer night in 1925, beauties in beaded dresses mingle with hepcats in dapper suits on the streets of Harlem. The air is thick with reefer smoke, and jazz pours out of speakeasy doorways. Ben Charles and his devoted wife are among the locals crammed into a basement club to hear music and drink bootleg liquor. For aspiring poet Ben, the heady rhythms are a revelation. So is Baby Back Johnston, an ambitious trumpet player who flashes a devilish grin and blasts dynamite from his horn. Ben finds himself drawn to the trumpeter—and to Paris, where Baby Back says everything is

happening. In Paris, black people are welcomed as exotic celebrities, especially those from Harlem. It's an easy life, but it quickly leaves Ben adrift and alone, craving solace through anonymous dalliances in the city's decadent underground scene. From chic Parisian cafés to seedy opium dens, his odyssey will bring new love, trials, and heartache, even as echoes from the past urge him to decide where true fulfillment and inspiration lie. *Jazz Moon* is an evocative story of emotional and artistic awakening set against the backdrop of the Harlem Renaissance and Jazz Age—Paris—a winner of the Edmund White Award and a finalist for the Lambda Literary Award. "Jazz Moon mashes up essences of Hurston and Hughes and Fitzgerald into a heady mixtape of a romance: driving and rhythmic as an Armstrong Hot Five record, sensuous as the small of a Cotton Club chorus girl's back. I enjoyed it immensely." —Larry Duplechan, author of *Blackbird* and *Got 'til It's Gone*

The Streets Love No One - R. L. 2007-05

The street love no one is the hard-hitting debut novel from RL with more twists and turns than a high-speed roller-coaster ride. The story takes you through the under-ground world of a drug kingpin, determined to do anything to keep his empire on track, then to the mean back streets of DC where unrequited love and betrayal line the streets. The Revenge Plan - Linda Kage 2019-04-29

After I caught my boyfriend cheating, I tried to be mature about it with an amicable split. But he took his retaliation too far, and I have officially had enough. No more Miss Nice Haven. No one is allowed to lie to me, betray, embarrass, and devastate me, fill me with self-doubt, or put my future at risk, and expect to get away with it. He

is going to feel my wrath. Enter Wick Webster, his archenemy. Nothing would provoke me more than to see me moving on with the one guy he hates most, so that's exactly what I plan to do. The only hitch in my brilliant scheme is Wick himself. He's just gotta be all love-not-war and peace-is-the-only-way. He's more concerned about helping me heal than seeking my sweet revenge. And what the hell is it about his soothing presence and yummy looks that calls to me until I forget how much pain I'm in? He's making it awfully hard to use and abuse him for my malicious means. The damn guy is making me fall for him.

glory as a mentor in the Games. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Dolly on Dolly - Randy L. Schmidt 2017-05-01
"Nobody knows Dolly like Dolly," declares Dolly Parton. Dolly's is a rags-to-riches tale like no other. A dirt-poor Smoky Mountain childhood paved the way for the buxom blonde butterfly's metamorphosis from singer-songwriter to

international music superstar. The undisputed "Queen of Country Music," Dolly has sold more than 100 million records worldwide and has conquered just about every facet of the entertainment industry: music, film, television, publishing, theater, and even theme parks. It has been more than fifty years since Dolly Parton arrived in Nashville with just her guitar and a dream. Her story has been told many times and in many ways, but never like this. Dolly on Dolly is a collection of interviews spanning five decades of her career and featuring material gathered from celebrated publications including Rolling Stone, Cosmopolitan, Playboy, and Andy Warhol's Interview magazine. Also included are interviews which have not been previously available in print. Dolly's feisty and irresistible brand of humor, combined with her playful, pull-up-a-chair-and-stay-awhile delivery, makes for a fascinating and inviting experience in down-home philosophy and storytelling. Much like her patchwork "Coat of Many Colors," this book
