Metaphysical Divine Wisdom on Universal, Physical, Spiritual and Soul Love Kevin Hunter

2019-07-04 The point of all existence in the end is connected to love, whether that is love for another person, self-love, or universal and spiritual love. One of the main reasons all souls are here is to learn the nature of love. Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul. When you are in Heaven you truly understand what Universal love feels like. Love is the most powerful vibration that exists throughout all of time and space. Displaying hatred doesn't take much effort, but to show love requires a complete soul do over in order to get back to that space your soul was born with. Love will always cost you something, whether that's time or energy. Love will cost you pride when you need to let go of something that someone else did and extend the olive branch. Universal, Physical, Spiritual and Soul Love examines one of the most powerful vibrations that exists and that is love. There are divinely guided discussions on what it means to display Universal love and spiritual love. There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames, before devoting a good chunk on the practical, which is of great interest in the physical world. The mid-section of this acts as a dating and relationship guide to finding a quality mate in a world dominated by the darkness of ego. This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere. It would be awesome if every single person

on the planet was keenly aware of their innate psychic abilities built into their soul's DNA, because then Earth would be as close to Heaven as feasibly possible. There would be never-ending joy, peace, and love for every soul. Everyone would be operating from a higher vibration while moving mountains in the process. We see this kind of amazing uplifting joy in others when they're in a high vibrational state. Universal, Physical, Spiritual and Soul Love has the goal and intention of filling the reader with as much as love as possible with the hope that it can motivate one soul back into their soul's natural state of love. Some of the topics discussed in Universal, Physical, Spiritual and Soul Love include: It's All About Love, Creating the Life You Love, Self-Love and Self-Care, Karmic Soul Connections, Soul Mate Soul Connections, Twin Flame Soul Connections, The Benefits and Challenges of Technology Dating, Single and Longing for a Relationship, Love and Relationships, Love is a Battlefield, Seeking Love Through External Validation, Divine Soul Love, Love Yourself Back to Life, Bring Out the Good Vibrations, Universal Spiritual Love, and much more! Let more Light into your soul's life with the Metaphysical Divine Wisdom collection of books. Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again. The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include Psychic Spirit Team Heaven Communication, Soul Consciousness and Purpose, Manifesting Fearless Assertive Confidence, Balancing the Body, Mind, and Soul, Increasing Prayer with Faith for an Abundant Life, and Universal, Physical, Spiritual and Soul Love.

The Mingling of Souls Matt Chandler 2015-01-01 The Song of Solomon offers strikingly candid—and timeless—insights on romance, dating, marriage, and sex. We need it. Matt Chandler helps navigate these issues for both

singles and marrieds by revealing the process Solomon himself followed: Attraction, Courtship, Marriage ... even Arguing. The Mingling of Souls will forever change how you view and approach love.

**Twin Souls** Maurie D. Pressman, M.D. 2009-08 TWIN SOULS is the story of the greatest love the world has ever known. The idea that none of us is truly alone, that everyone has a complimentary order of the opposite sex, has been a prevailing belief throughout the ages. From Plato's story of the Hermaphrodite who was split in two, eternally fated to search ceaselessly for its other half, to Schopenhauer's theories of soul attraction, the notion of twin souls has always been central in any metaphysical speculation on the evolution of humankind.

Dating will guide you on a journey to find the love—and personal fulfillment—you long for. Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In *Deeper Dating*, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. *Deeper Dating* guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . *Deeper Dating* integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

**Your Mind** Christopher Cortman 2009-10-27 During their more than 80,000 hours facilitating psychotherapy, Drs. Cortman and Shinitzky realized that most people are unaware of 10 crucial psychological truths--truths imperative to maintaining mental health and well-being. As a result of this lack of awareness, people become anxious, depressed, and generally unhappy; if they learn the 10 truths, they are more likely to lead productive, fulfilled lives. Do you know that: Emotions are understandable and contain valuable information? Our behavior has a hidden purpose? We all have an internal saboteur whom we must identify and control? We can change how we act if we change how we think? Time heals nothing? *Your Mind: An Owner's Manual for a Better Life* combines extensive psychological research with decades of clinical practice in a practical, easy-to-digest

*Truth in Dating* Susan Campbel, PhD 2011-02-08 Millions of single people — whether never married or divorced — put a lot of energy into meeting and dating new people, but because they don't invest their true selves, their efforts often go nowhere. To counter this trend, Susan M. Campbell presents an approach to dating that many consider radical: Be honest about yourself and ask for what you want, up front. Campbell shows people how to have fun by flirting truthfully; date without getting ahead of the relationship; enjoy the freedom of being themselves; relate to their dates with honesty; realistically examine what a romantic partner can — and can't — offer in the way of fulfillment and happiness; and move forward when the time is right, or say goodbye if it's not working. On the way to finding the love of their lives, readers gain the tools they need to successfully manage the entire process.

**The Soulmate Secret** Arielle Ford 2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

*Eager to Love* Richard Rohr 2020-03-05 Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond. Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, “a master of ‘making room for it’ and letting go of that which was tired or empty.” Francis found an “alternative way” to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel. Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. The audio edition of this book can be downloaded via Audible.

**Dark Nights Of The Soul** Thomas Moore 2011-10-06 A 'dark night of the soul' is not a psychological syndrome, but a quest for meaning during life's darkest hours: the loss of a loved one, the end of a relationship, ageing and illness, career disappointments or just an ongoing dissatisfaction with life. Thomas Moore's extensive experience as a psychologist and theologian has taught him that the dark night is a challenge to restore ourselves and to become someone of substance, depth and soul. By using these trying times as an opportunity to reflect and delve into the soul's deepest needs, we can find a new understanding of life's meaning. Dark Nights of the Soul has its roots in a favourite chapter in Thomas Moore's million copy bestseller, Care of the Soul. In this beautifully-written and thought-provoking work he explores our contemporary anxieties and insecurities and shows how these metaphoric dark nights can become transforming rites of passage.
