Hold My Place Cassondra Windwalker 2022-01-25 From the Helen Kay Chapbook Award-Winning poet Cassondra Windwalker, an unsuspecting librarian falls head-over-heels for a married man, but

when she finds herself caught up in a whirlwind romance, she discovers her new husband's past wives have all met early deaths—and some aren't ready to let go yet. Obsession never dies. When librarian Sigrun falls head-over-heels for the sophisticated and very married Edgar Leyward, she never expects to find herself in his bed—or his heart. Nevertheless, when his enigmatic wife Octavia dies from a sudden illness, Sigrun finds herself caught up in a whirlwind romance worthy of the most lurid novels on her bookshelves. Sigrun soon discovers Octavia wasn't Edgar's first lost love, or even his second. Three women Edgar has loved met early deaths. As she delves into her beloved's past through a trove of discovered letters, the edges of Sigrun identity begin to disappear, fading into the women of the past. Sigrun tells herself it's impossible for any dark magic to be at play—that the dead can't possibly inhabit the bodies of the living—but something shadowy stalks the halls of the Leyward house and the lines between the love of the present and the obsessions of the past become increasingly blurred—and bloody. Mixing lyrical prose with simmering terror, *Hold My Place* is a modern gothic horror worthy of Shirley Jackson's nightmares and Daphne DuMaurier's dangerous lovers. "Hold My Place is a dark, sensuous tale about obliterating love, and Windwalker's superb prose fairly drips with beauty. You simply must read this haunting book." —Mercedes M. Yardley, Bram Stoker Award-winning author of *Little Dead Red* "Sinister undertones steadily build into a genuine sense of doom...as thought-provoking as it is harrowing." —Publishers Weekly "With ethereal prose [*Hold My Place*]'s departure from genre tropes will make it a favorite with gothic-horror and dark-romance readers." —Booklist "A satisfying blend of romance and ghost story.... *Hold My Place* is anything but ordinary or predictable, despite its firm roots in the horror world." —Midwest Book Review "Brimming with muted eroticism, *Hold My Place* is a dark romance novel punctuated by longing, lingering spirits and love without end." —Foreword Reviews

Upon discovering the scandalous likeness, he springs into action. His infamous family has been torn apart by shame and secrets, and he can't afford more gossip. Even a whisper may jeopardize his inheritance and his chance at independence. His plan is simple: burn the painting, confront the artist. An irresistible passion ignites between them, but when danger strikes, Lucy and Anthony must risk everything... for a love that might destroy them both.

the marriage. He can't confine such a beautiful young lady to the saloon, but he knows the marriage won't be a happy one for her, not when she could have had someone so much better. Poets and Promises Lucy Muir 2017-01-15 Elisabeth Ashford, to fulfill a family obligation, was to wed Lord Sherbourne, and spend the Season with his sister in London. But the two got off on the wrong foot, and to win her over he proposed a meeting with the Hunts, where she met Mary and Percy Shelley. And Lord Sherbourne met vivacious Evonne Thibeau on an excursion with the Shelleys. Very odd doings! Regency Romance by Lucy Muir; originally published by E.C. Regency *A Precious Jewel* Mary Balogh 2009-11-24 New York Times bestselling author Mary Balogh weaves a sensuous spell of romance that brings together the unlikeliest pair of lovers in the unlikeliest place of all—an infamous London house of pleasure. She was unlike any woman he'd ever met in the ton or the demimonde. But Sir Gerald Stapleton frequented Mrs. Blyth's euphemistically dubbed "finishing school" for pure, uncomplicated pleasure—and nothing else. So why was this confirmed bachelor so thoroughly captivated by one woman in particular? Why did he find himself wondering how such a rare jewel of grace, beauty, and refinement as Priss had ended up a courtesan? And when she needed protection, why did Gerald, who'd sworn he'd never get entangled in affairs of the heart, hasten to set her up as his own pampered mistress to ensure her safety—and have her all to himself? For Priscilla Wentworth, the path leading to Sir Gerald's bed had been as filled with misfortune as it suddenly seemed charmed. But Priss couldn't allow herself to believe she'd ever be more to a man like Sir Gerald than a well-cared-for object of pleasure. Now, despite Gerald's deep distrust of

marriage, neither scandal nor society's censure can keep them apart—only the fear of trusting their hearts.

The Autumn of the Witch Anne Mather 2014-08-15 It was to save her father from ruin that Stephanie had married Santino Ventura and gone to live with him in his castle in Sicily. Santino had made it clear that he had not married her because she wanted a real wife, but a companion for his small daughter—but why, oh, why had he done it at all?

Manifestly Haraway Donna J. Haraway 2016-04-01 Electrifying, provocative, and controversial when first published thirty years ago, Donna Haraway's "Cyborg Manifesto" is even more relevant today, when the divisions that she so eloquently challenges—of human and machine but also of gender, class, race, ethnicity, sexuality, and location—are increasingly complex. The subsequent "Companion Species Manifesto," which further questions the human-nonhuman disjunction, is no less urgently needed in our time of environmental crisis and profound polarization. Manifestly Haraway brings together these momentous manifestos to expose the continuity and ramifying force of Haraway's thought, whose significance emerges with engaging immediacy in a sustained conversation between the author and her long-term friend and colleague Cary Wolfe. Reading cyborgs and companion species through and with each other, Haraway and Wolfe join in a wide-ranging exchange on the history and meaning of the manifestos in the context of biopolitics, feminism, Marxism, human-nonhuman relationships, making kin, literary tropes, material semiotics, the negative way of knowing, secular Catholicism, and more. The conversation ends by revealing the early stages of Haraway's "Chthulucene Manifesto," in tension with the teleologies of the doleful Anthropocene and the exterminationist Capitalocene. Deeply dedicated to a diverse and robust earthly flourishing, Manifestly Haraway promises to reignite needed discussion in and out of the

The Learning Hours Sara Ney 2017-07-19 MY FRIENDS WANT ME TO GET LAID. So much so that they plastered my ugly mug all over campus, in bold printed letters: Are you the lucky lady who's going to break our roommate's cherry? Him: socially awkward man with average-sized penis looking for willing sexual partner... The morons can't even spell. And the texts I've been receiving are what wet dreams are made of. But I'm not like these douchebags, no matter how hard they try to turn me into one. THIS ISN'T THE KIND OF ATTENTION I WANT. One text stands out from hundreds. One number I can't bring myself to block. She seems different. Hotter, even in black and white. However, after seeing her in person, I know she's not the girl for me. But my friends won't let up-they just don't get it. Douchebags or not, there's one thing they'll never understand: GIRLS DON'T WANT ME. Especially her.

Reading Today Heta Pyrhönen 2018-01-15 New technologies are changing our reading habits. Laptops, e-readers, tablets and other handheld devices supply new platforms for reading, and we must learn to manage them by scrolling, clicking or tapping. *Reading Today* places reading in current literary and cultural contexts in order to analyse how these contexts challenge our conceptions of who reads, what reading is, how we read, where we read, and for what purposes – and then responds to the questions this analysis raises. Is our reading experience becoming a ‘flat’ one? And does reading in a media environment favour quick reading? Alongside these questions, the contributors unpack emerging strategies of reading. They consider, for example, how paying attention to readers’ emotional reactions as an indispensable component of reading affects our conception of the reading process. Other chapters consider how reading can be explored through such topics as experimental literature, the contemporary encyclopedic novel and the healing power

The Life of August Wilhelm Schlegel, Cosmopolitan of Art and Poetry Roger Paulin 2016-02-01 This is the first full-scale biography, in any language, of a towering figure in German and European Romanticism: August Wilhelm Schlegel whose life, 1767 to 1845, coincided with its inexorable rise. As poet, translator, critic and oriental scholar, Schlegel's extraordinarily diverse interests and writings left a vast intellectual legacy, making him a foundational figure in several branches of

knowledge. He was one of the last thinkers in Europe able to practise as well as to theorise, and to attempt to comprehend the nature of culture without being forced to be a narrow specialist. With his brother Friedrich, for example, Schlegel edited the avant-garde Romantic periodical *Athenaeum*; and he produced with his wife Caroline a translation of Shakespeare, the first metrical version into any foreign language. Schlegel's *Lectures on Dramatic Art and Literature* were a defining force for Coleridge and for the French Romantics. But his interests extended to French, Italian, Spanish and Portuguese literature, as well to the Greek and Latin classics, and to Sanskrit. August Wilhelm Schlegel is the first attempt to engage with this totality, to combine an account of Schlegel's life and times with a critical evaluation of his work and its influence. Through the study of one man's rich life, incorporating the most recent scholarship, theoretical approaches, and archival resources, while remaining easily accessible to all readers, Paulin has recovered the intellectual climate of Romanticism in Germany and traced its development into a still-potent international movement. The extraordinarily wide scope and variety of Schlegel's activities have hitherto acted as a barrier to literary scholars, even in Germany. In Roger Paulin, whose career has given him the knowledge and the experience to grapple with such an ambitious project, Schlegel has at last found a worthy exponent.

Pretty and pampered, Lavinia Yardley always dreamed of becoming a duchess. But family disgrace forces her into marriage with the most vile duke in England, and she finds herself desperate for a way out. When a rustic stranger mistakes her for globe-trotting botanist Muriel Pendrake at a train station, Lavinia has a split second to decide whether to submit to her fate or steal someone else's. Neal Traymayne spent his youth traveling the world as Varnham Nursery's most daring plant hunter. Now he runs the nursery and is ready to settle down with a like-minded wife who'll fit right in with his large, happy, down-to-earth family. His correspondence with Muriel Pendrake proved they're the perfect match. Odd that the woman in the flesh seems more like a society belle than a scientist. As they tramp the Cornish moors together, Lavinia and Neal discover a wild and rare desire. But this blossoming love is rooted in lies, and when the real Muriel Pendrake shows up, they can't hide from who they are. The truth may wither their hopes of happiness, or it may bloom into the sweetest love of all.

[A History of the French in London](#) Debra Kelly 2013 This book examines, for the first time, the history of the social, cultural, political and economic presence of the French in London, and explores the multiple ways in which this presence has contributed to the life of the city. The capital has often provided a place of refuge, from the Huguenots in the 17th century, through the period of the French Revolution, to various exile communities during the 19th century, and on to the Free French in the Second World War. It also considers the generation of French citizens who settled in post-war London, and goes on to provide insights into the contemporary French presence by assessing the motives and lives of French people seeking new opportunities in the late 20th and early 21st centuries. It analyses the impact that the French have had historically, and continue to have, on London life in the arts, gastronomy, business, industry and education, manifest in diverse places and

The Love Charm Pamela Morsi 2019-07-27 Cajun Louisiana is the setting for this story of mismatched couples, community expectations and a dose of magic. Aida and Armand have been friends since childhood. Laron and Helga became lovers by chance. A fateful fais-do-do brings changes for all. Editorial Reviews Amazon.com Review Aida Gaudet is the most beautiful woman on the Vermilion River, and ordinary Armand Sonnier is in love with her. The problem is that Aida is to wed Armand's best friend, Laron Boudreau. The local healer convinces Aida that she is destined to learn the trade. Aida turns to Armand for help. Her memory isn't good and she asks Armand to write down all that the healer teaches her. The healer uses a few tricks of the trade to bring the couple together. But is it true love at work or a love charm? Colorful characters and a delightful story make this a charming read. From Publishers Weekly Morsi continues her heartland romances about insular societies, the rules they follow and the rules they get around. In 19th century Louisiana, five Acadians and a German search for love: Armand Sonnier fears he's not handsome enough for Aida Gaudet, the prettiest girl on the Vermilion River; Laron Boudreau is pledged to Aida but in love with Helga Shotz, almost 10 years his senior and still married; and Jean Baptiste Sonnier and his wife Felicite are young and saddled with three children and a fourth on the way. As usual, Morsi's hero doesn't conform to the romantic ideal. In Simple Jess he was simpleminded; in The Love Charm, Armand is shorter than the heroine? when they finally dance she can see the part in his hair? and

he's a virgin. In Morsi's finely drawn, anthropologically correct landscape, virtue enhances pleasure on the moral road of "Love. Sexual union. Procreation. Eternity." From Library Journal Armand Sonnier and Aida Gaudet have loved each other all their lives-the problem is they just don't believe it! But one person knows what is meant to be; and when Orva Landry, the local wisewoman and "treater," lends a hand, things have a way of coming out right. Sympathetic and somewhat unconventional protagonists, a cast of remarkable secondary characters, and an abundance of Cajun lore and ambiance make this a charming romance. Fans of the novels of Jill Marie Landis or early LaVyrle Spencer may also enjoy Morsi's books. She won a Rita this year for *Something Shady* (Berkley, 1995) and lives in Texas. Copyright 1996 Reed Business Information, Inc. Product Description Wishing for true love despite many offers of marriage, Aida Gaudet is promised to the best friend of Armand Sonnier, a man in their bayou community who secretly burns for Aida. About the Author Publishers Weekly calls national bestselling author Pamela Morsi "the Garrison Keillor of romance." Her trademark wit and first-rate humor enliven tightly written tales with downhome charm and relevant messages.
